**Procurement Services has been notified that National Grid interruptible gas service customers must switch to an alternate fuel no later than Thursday, December 15, 2016 at 10:00am until further notice. Con Edison interruptible gas service customers must be off at 1:00am on Friday, December 16, 2016 until Saturday at 10:00am.**

**All Authorized Users should contact their supplier for confirmation and updates.**

In the colder months delivery delays may occur and we request that you plan ahead and work with your fuel oil supplier to ensure an adequate supply. During these events, please be aware that other facilities may be designated a human needs customer placing them as a higher priority: Such as hospitals and nursing homes for which having heat is essential.

Users of Natural Gas Interruptible supply that will switch over to Heating Oil during interruptible and/or curtailment events are reminded that before switching to heating oil, it is a requirement that you must have a minimum of a 10 day supply on hand at all times.

Where a 10 day supply is not physically possible then there should be full tanks available during the upcoming coldest parts of the year.

All other terms and conditions of this award remain unchanged.
