SHELVING

Saratoga Series

End Panels/Intermediate Uprights
7/8" thick, 5 ply lumbercore plywood with internal edgeband

Cornice Tops
Top panels to be 7/8" solid lumbercore where genuine wood tops are specified and 1" thick veneer core if a high-pressure laminate face is specified. ¾" x 3" fascia;. kreg screwed, glued, then reinforced with glue blocks and stapled to inside of cornice front and top panel. Bolting cleats: 3/4" x 2", glued, screwed, glue-blocked and stapled perpendicularly at ends of rail, drilled for assembly bolts. Top frames are shipped as preassembled frames.

Base
¾" x 5" wide bottom veneer core base blocks with a ¾" x 3" solid hardwood base-front. Solid lumber bolting cleats and back rail that is grooved to accept ¼" thick back panel. Entire assembly is glued, screwed, nailed and stapled to form a factory made bottom frame.

Attachment
Attachment for Adding Units; Top and bottom frames will be preassembled at the factory. Four bolts per single faced base or top; eight per double-faced base or top. All hardware will be concealed from view after assembly.

Shelves
Shelves: 7/8" thick hardwood, of random width boards, from 1" to 4" wide with cross-banding, genuine veneer faces with exposed edge to receive an internal edge band. Adjustable and base shelves grooved on the underside to set firmly on shelf pins. Shelves are rated at 250 lbs of evenly distributed weight without deflection.

Backs and Partitions
¼" plywood finished to match shelving. Backs are finished on one side and used with single-faced shelving. Partitions are used with double-face shelving and are finished on both sides.

Mohawk Series

End Panels/Intermediate Uprights
1" thick, commercial grade veneer core plywood with 3/16" thick external edgeband.

Cornice Tops
Top panels to be 3/4" thick veneer core with or without high-pressure laminate. ¾" x 3" fascia;. kreg screwed, glued, then reinforced with glue blocks and stapled to inside of cornice front and top panel. Bolting cleats: 3/4" x 2", glued, screwed, glue-blocked and stapled perpendicularly at ends of rail, drilled for assembly bolts. Top frames are shipped as preassembled frames.

Base
¾" x 5" wide bottom veneer core base blocks with a ¾" x 3" solid hardwood base-front. Solid lumber bolting cleats and back rail that is grooved to accept ¼" thick back panel. Entire assembly is glued, screwed, nailed and stapled to form a factory made bottom frame.

Attachment
Top and bottom frames will be preassembled at the factory. Four bolts per single faced base or top; eight per double-faced base or top. All hardware will be concealed from view after assembly.

Shelves
¾" thick solid hardwood, of random width boards, from 1" to 4" wide. Adjustable shelves grooved on the underside to set firmly on the shelf pins. Shelves are rated at 200 lbs. of evenly distributed weight without deflection.

Backs and Partitions
¼" plywood finished to match shelving. Backs are finished on one side and used with single-faced shelving. Partitions are used with double-face shelving and are finished on both sides.

Tioga Series

End Panels/Intermediate Uprights

Stile and Rail Starter Ends with a ¼ inch reveal on the outside face between the panel inset and the hardwood frame. Inside face is flush; frame to panel. Raised panels can be substituted for the flat panels as an option. Genuine hardwood frames are milled from 5/4 lumber, finishing 1" thick x 2 ½" wide with the base rail 3" wide. Center mullions are used for end panels over 60" tall. **Intermediate uprights** are 1" thick 9-ply, veneer core plywood. Shelf support holes are drilled on 32mm centers.

Cornice Tops

Top panels to be 7/8" solid lumber core where genuine wood tops are specified and 1" thick veneer core if a high-pressure laminate face is specified. ¾" x 3" fascia;. kreg screwed, glued, then reinforced with glue blocks and stapled to inside of cornice front and top panel. Bolting cleats: 3/4" x 2", glued, screwed, glue-blocked and stapled perpendicularly at ends of rail, drilled for assembly bolts. Top frames are shipped as preassembled frames.

Base

¾" x 5" wide bottom veneer core base blocks with a ¾" x 3" solid hardwood base-front. Solid lumber bolting cleats and back rail that is grooved to accept ¼" thick back panel. Entire assembly is glued, screwed, nailed and stapled to form a factory made bottom frame.

Attachment

Attachment for Adding Units; Top and bottom frames will be preassembled at the factory. Four bolts per single faced base or top; eight per double-faced base or top. All hardware will be concealed from view after assembly.

Shelves

Shelves: 7/8" thick hardwood, of random width boards, from 1" to 4" wide with cross-banding, genuine veneer faces with exposed edge to receive an internal edge band. Adjustable and base shelves grooved on the underside to set firmly on shelf pins. Shelves are rated at 250 lbs. of evenly distributed weight without deflection.

Backs and Partitions

¼" plywood finished to match shelving. Backs are finished on one side and used with single-faced shelving. Partitions are used with double-face shelving and are finished on both sides.

Shelburne Series

End Panels

Stile and Rail Starter Ends with Tapered Faces and inset panels. This product line features 1-7/8" thick Capital and Base blocks with double tapered faces. All genuine stile and rail construction uses 1-1/2" thick lumber framework with solid, flat inset panels. Overall thickness is 2-1/4 inches. **Intermediate uprights** are a 3" thick subassembly featuring the same Capital and Base blocks as the starter panels with 1-1/2" thick lumber frame. Shelf support holes are drilled on 32mm centers.

Cornice Tops

1-1/2" wide, tapered profile hardwood front rail is assembled as a drop-edge to a 7/8" thick lumber core top panel. Pockets are machined into the top panel to allow machine bolts to be concealed as they are threaded into the end panels. Tops are grooved along the bottom, back edge to accept the back panel.

Base

2-1/2" wide base-front is sub-assembled to the solid core bottom panel. Pockets are machined into the bottom panel to allow machine bolts to be concealed as they are threaded into the end panels.

Attachment

Attachment for Adding Units; Top and bottom frames will be preassembled at the factory. Four bolts per single faced base or top; eight per double-faced base or top. All hardware will be concealed from view after assembly.

Shelves

Shelves: 7/8" thick hardwood, of random width boards, from 1" to 4" wide with cross-banding, genuine veneer faces with exposed edge to receive an internal edge band. Adjustable and base shelves grooved on the underside to set firmly on shelf pins. Shelves are rated at 250 lbs. of evenly distributed weight without deflection.

Backs and Partitions

¼" plywood finished to match shelving. Backs are finished on one side and used with single-faced shelving. Partitions are used with double-face shelving and are finished on both sides.

LIBRARY ACCESSORIES

Saratoga Series

General Description:
Unless requested otherwise, all of our accessory components are built assembled at the factory using real wood joinery offering, years of service.

Saratoga series is a simple design with graceful bull-nose edges, it is a very customizable series.

Like all of the Saratoga series, these components are standard with a 5/8" thick, internal edge band, with a gentle arched bullnose milling on three edges of the 1" thick end panel.

Doors are custom hung at the factory as inset, or flush to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field. Optional ¾" thick flat wood panels can be substituted for the stile and rail frames.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted as flat stock on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Standard edge detail is bullnose, with many different profiles available.

Mohawk Series

General Description:
Unless requested otherwise, all of our accessory components are built assembled at the factory using real wood joinery, offering years of service.

Mohawk series is made to be our most economical platform with square edges, we have given this series some very unique variations. Such as exceptionally thick end panels, aluminum accent insets, acrylic standoffs and solid surface front facades.

Like all of the Mohawk series, this desk is standard with a 3/16" thick external edge band on 1" thick end panels machined square with eased edges.

Doors are custom hung at the factory as inset (or flush) to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field. Optional ¾" thick flat wood panels can be substituted for the stile and rail framed doors.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted as flat stock on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Standard edge detail is an eased square edge, with many different profiles available.

Tioga Series

General Description:
Unless requested otherwise, all of our accessory components are built assembled at the factory using real wood joinery built for years of service.

Tioga series is one of the most custom built in our series of standard product simply because the stile and rail hardwood frames.

Like all of the Tioga series, the stile and rail construction is 5/4-hardwood lumber to be milled 1" thick by 2½" wide with the base rail 3" wide. The captured flat panel is ¾" thick allowing for a ¼" reveal. Raised panels can be substituted for the flat panels as an option. The inside face is a flat surface allowing the hardwood frame to be seen as heavy banding around the panel face to compete the stile and rail custom appearance.

Doors on cupboards are custom hung at the factory as inset, or flush to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Standard edge detail is eased square, with many different profiles available.

Shelburne Series

General Description:
Unless requested otherwise, all of our accessory components are built assembled at the factory using real wood joinery built for years of service.

The Shelburne product line is a high-end system of furniture, with very unique characteristics as designed by Vermont furniture designers, **Beeken Parsons**.

Like all of the Shelburne series, these components feature 1-7/8" thick Capital and Base blocks with double tapered faces. All genuine stile and rail construction uses 1-1/2" thick lumber framework with solid, flat inset panels.

Doors on cupboards are custom hung at the factory as inset, or flush to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Standard edge detail is eased square, with many different profiles available.

Power Management: These days everyone has unique requirements for power and or data. We have partnered with a wire component manufacturer to bring you power/data to best fit your needs. All work surfaces will come standard with grommets for wire management. Under surface duplex outlets, data chases and flush surface mount "pop-up" terminations are all available upon request.

CIRCULATION DESK

Saratoga Series

General Description:
Unless requested otherwise, all of our desk components are built assembled at the factory using real wood joinery offering, years of service.

Most all of our desks are made custom to each application. Although the Saratoga series is a simple desk design with graceful bull-nose edges, it is a very customizable series. Some of the options to give this desk a unique appearance is color accent pin stripes, black or matching laminate toe kicks, canted front face or two tone designer patterns etched into the panels.

Herewith, you will see what is the most common size components requested for most installations. We are happy to make modifications to suite your needs. Like all of the Saratoga series, this desk is standard with a 5/8" thick, internal edge band, with a gentle arched bullnose milling on three edges of the 1" thick end panel. There is a slight inset face panel to allow easy foot placement for your patrons visit.

Doors on cupboards are custom hung at the factory as inset, or flush to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field. Optional ¾" thick flat wood panels can be substituted for the stile and rail frames.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted as flat stock on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Desks can be designed with individual work surfaces captured between the end panels or as continuous overlay panels installed across multiple units. Standard edge detail is bullnose, with many different profiles available. We can provide as options, all wood tops, solid surface material, marble or even some natural and man made stone to give your desk a personalized accent.

Mohawk Series

General Description:
Unless requested otherwise, all of our desk components are built assembled at the factory using real wood joinery, offering years of service.

Most all of our desks are made custom to each application. Although the Mohawk series is made to be our most economical platform with square edges, we have given this series some very unique variations. Such as exceptionally thick end panels, aluminum accent insets, acrylic standoffs and solid surface front facades. Many times we incorporate a flush face with the ends machined to be behind the front panels to give the desk a continuous, unbroken face surface. This treatment is referred to as the **"Seneca"** look.

Herewith, you will see what is the most common size components requested for most installations. We are happy to make modifications to suite your needs. Like all of the Mohawk series, this desk is standard with a 3/16" thick external edge band on 1" thick end panels machined square with eased edges. There is a 3" high x 3" deep toe kick machined into the bottom on the patron side of the desk.

Doors on cupboards are custom hung at the factory as inset (or flush) to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1-1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field. Optional ¾" thick flat wood panels can be substituted for the stile and rail framed doors.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

Drawers are assembled with ¾" thick matching hardwood drawer faces mounted as flat stock on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Desks can be designed with individual work surfaces captured between the end panels or as continuous overlay panels installed across multiple units. Standard edge detail is an eased square edge, with many different profiles available. We can provide as options, all wood tops, solid surface material, marble or even some natural and man made stone to give your desk a personalized accent.

Tioga Series

General Description:
Unless requested otherwise, all of our desk components are built assembled at the factory using real wood joinery built for years of service.

Most all of our desks are made custom to each application. The Tioga series is one of the most custom built in our series of standard product simply because the stile and rail hardwood frames will require symmetry across the front of the desk, facing the patron side. Perhaps the configuration will allow us to build your desk to be modular based on your project requirements or we may suggest common, overlay front panels to give the entire desk installation frame balance across many components.

Herewith, you will see what is the most common size components requested for most installations. We are happy to make modifications to suite your needs. Like all of the Tioga series, the stile and rail construction is 5/4-hardwood lumber to be milled 1" thick by 2½" wide with the base rail 3" wide. The captured flat panel is ¾" thick allowing for a ¼" reveal. Raised panels can be substituted for the flat panels as an option. The inside face is a flat surface allowing the hardwood frame to be seen as heavy banding around the panel face to compete the stile and rail custom appearance.

Doors on cupboards are custom hung at the factory as inset, or flush to the front edges of the cabinet. They are assembled stile & rail frames with flat panels or tempered glass lite insets. Complete, they finish ¾" thick with 1 -1/2" wide frames. Doors are hung utilizing euro-style hinges allowing adjustments in the field.

Shelves: All adjustable shelves in cupboards are solid lumber core and adjust on 32mm centers.

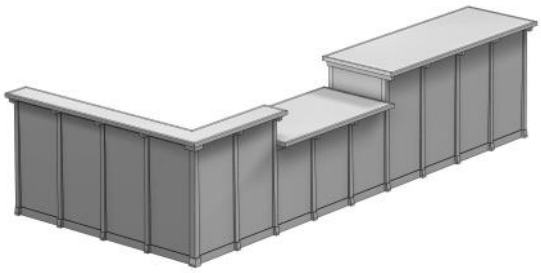
Drawers are assembled with ¾" thick matching hardwood drawer faces mounted on ½" thick drawer sides all dovetailed and glued. Drawer glides are ball-bearing type glides mated to maximum weight capacity for the size drawer. File drawers are complete with a metal top frame on all four sides to accommodate hanging files without sag or deflection. Drawers are mounted inset, or flush to the front edge of the cabinet.

Work Surfaces have a 13/16" wide x 1" thick hardwood edge band with a flush, high-pressure laminate inset. Desks can be designed with individual work surfaces captured between the end panels or as continuous overlay panels installed across multiple units. Standard edge detail is eased square, with many different profiles available. We can provide as options, all wood tops, solid surface material, marble or even some natural and man made stone to give your desk a personalized accent.

Shelburne Series

General Description:

The Shelburne product line is a high-end system of furniture, with very unique characteristics as designed by Vermont furniture designers, **Beeken Parsons.** The desk will be unlike anything else available on the market, incorporating sub-assemblies of hardwood frame bents with 1-3/4" tall capitals, tapered 2-1/2" tall bases and 1-1/2" thick verticals between. The bents will capture matching veneer panels to form the front of the desk and serve to form a structure to house any type of storage component the client specifies. Each section will be custom made to specification for any height and width combination to accommodate both, the patron or staff. This custom desk will require site assembly with continuous work surfaces and endless options. We will ask to please supply us with your requirements and we will work with you to fine tune the design of your desk.



Power Management: These days everyone has unique requirements for power and or data. We have partnered with a wire component manufacturer to bring you power/data to best fit your needs. All work surfaces will come standard with grommets for wire management. Under surface duplex outlets, data chases and flush surface mount "pop-up" terminations are all available upon request.

Freight Policy

FREIGHT: Prices shown herein are **FOB DESTINATION**. Inclusive of freight. See inside front cover for zone clarification

FREIGHT CLASSES: Starters, Adders, and Tables are class 85, Chairs are class 175, all set up bookcases are class 125.

RETURNS: Goods returned for credit or exchange will not be accepted unless we have previously authorized the return. Please call us before returning merchandise for any reason. There will be a 10% handling charge ($35 list minimum) for items returned. "Special" order items cannot be returned for credit. Determination of "special" is at our discretion.

CANCELLATIONS: Cancellations cannot be accepted after one week subsequent to the date of acknowledgement.

WHEN YOUR ORDER ARRIVES:

1. Inspect the arriving freight for damage. (We experience less than 1% damage on total shipments made.)
2. If there is damage, sign the bill of lading as such, **keep all packaging** and **call HALE Customer Service at 800-873-4253.**
3. We'll help you with your claim through our contracted carrier unless you have specified a carrier of preference other than ours.

Ordering & Terms

SALES POLICY: We sell to Authorized Resellers (Dealers, Wholesalers, Catalog Supply, etc.) only. You must have a Federal TIN, State TIN or Resale Number prior to placing your order.

ORDER BY CATALOG NUMBER: Please do not order by description.

TERMS: 1% 20N40 with approved credit.

PRICE CHANGES: We reserve the right to change prices at any time without prior notice. Orders are acknowledged within a few days ARO, completely priced at prevailing prices. Our normal procedure is to give a 30 day prior notice of price change. Shipments are priced at acknowledged prices unless extended delivery of more than three (3) months is requested.

Warranty Information

Saratoga Series: 20 years
Mohawk Series: 20 years
Tioga Series: 20 years

Locks Are Available - $60 List Ea.

All above prices are for glass doors. For wood panels in place of glass, add $90 per set to above prices– order "W" instead of "G"

Freight Policy

Freight: Prices shown herein are "FOB FACTORY" Frankfort, NY 13340 or "FOB DESTINATION" Inclusive of freight with exceptions as follows:

FOB FACTORY:
1. HALE will pre-pay and add (freight cost) to your invoice using our contracted discount carriers.
2. If you wish to specify the freight carrier, please state carrier of your choice on your order. The order will be shipped collect.
3. If you specify carrier, HALE freight discounts may not apply.
4. For full trailer loads orders, call the Factory for quotation.

FOB DESTINATION:
1. Please see page 12 for description of zones.
2. For shipments less than 300 lbs., there is a $40.00 net drop charge except for items shipped UPS.
3. Pricing herein is for the 48 contiguous United States of America.
4. For shipments to Hawaii & Alaska, freight is paid to the nearest 48 state port in Zone 4.
5. For shipments greater than 1000 lbs., you may deduct 5% from the pricing.
6. For full trailer loads orders, call the Factory for quotation.
7. Some accessory items are available FOB Factory Only. Please refer to pricing pages.

Freight Classes: Sectional Models 300 & 800 are class 150, all other set up Bookcases are class 125.

Returns: Goods returned for credit or exchange will not be accepted unless we have previously authorized the return. Please call us before returning merchandise for any reason. There will be a 10% handling charge ($35 list minimum) for items returned. Sectionals and "special" order Bookcases cannot be returned for credit. Determination of "special" is at our discretion.

Cancellations: Cancellations cannot be accepted after one week subsequent to the date of acknowledgement.

When Your Order Arrives:
1. Inspect the arriving freight for damage. (We experience less than 1% damage on total shipments made.)
2. If there is damage, sign the bill of lading as such, **keep all packaging and call HALE Customer Service at**
3. **800-873-4253.**
4. We'll help you with your claim through our contracted carrier unless you have specified a carrier of preference other than ours.

Ordering & Terms

Sales Policy: We sell to Authorized Resellers (Dealers, Wholesalers, Catalog Supply, etc.) only. You must have a Federal TIN, State TIN or Resale Number prior to placing your order.

Order By Catalog Number: Please do not order by description.

Terms: 1% 20N40 with approved credit.

Price Changes: We reserve the right to change prices at any time without prior notice. Orders are acknowledged within a few days ARO, completely priced at prevailing prices. Our normal procedure is to give a 30 day prior notice of price change. Shipments are priced at acknowledged prices unless extended delivery of more than three (3) months is requested

Warranty: Whether you choose a Hale product in modern, contemporary or traditional style, you can be assured of the continual high quality that has made us the leading manufacturer of wood furniture for over 100 years. Should material or workmanship be shown to be defective, Hale will replace the item without cost, for **ten years** from the date of purchase. The factory will determine if the product is defective and decide whether to replace or repair the product.

This guarantee is extended only to the original consumer-purchaser and cannot be transferred. Damage caused by improper handling, usage, or transit damage, does not constitute factory defect. Fully loaded furniture should not be lifted or moved.

Finish Matching: Minimum charge $230 list for small orders. For orders $2,301 - $20,000, list 10% up-charge. Over $20,000, list 5% up-charge. 10% additional up-charge on item price if bleaching is required. **HALE** Bookcases are available in standard **HALE** Finishes in Oak, Walnut and Birch species. See our color catalog for finishes.

Quick Ship:
Factory Direct - One Week Bookcase Shipments.
We offer shipment within one week from receipt of order Monday through Friday for up to 15 units. #109 Walnut, #24 Sand Tone Oak and #168 Mahogany on Walnut are available for the 1100 New Yorker Series of set-up bookcases. Please see our color catalog and general price list page 8 for detailed product descriptions.

Custom design projects are easy as 1 - 2 - 3

It's typical for Hale to receive projects as rough sketches.

Step One: Our engineer develops a scaled floor plan meeting the specific requirements of the project (as shown).

Step Two: Once the floor plan is approved, a perspective drawing is produced to illustrate installation in the space (as shown).

Step Three: Upon approval, we fabricate bookcases to the custom specifications to complete the project.

Freight Policy

Freight: Prices shown herein are "FOB FACTORY" Frankfort, NY 13340 or "FOB DESTINATION" Inclusive of freight with exceptions as follows:

FOB FACTORY:
1. HALE will pre-pay and add (freight cost) to your invoice using our contracted discount carriers.
2. If you wish to specify the freight carrier, please state carrier of your choice on your order. The order will be shipped collect.
3. If you specify carrier, HALE freight discounts may not apply.
4. For full trailer loads orders, call the Factory for quotation.

FOB DESTINATION:
1. Please see page 15 for description of zones.
2. For shipments less than 300 lbs., there is a $40.00 net drop charge except for items shipped UPS. Please call for UPS freight rates.
3. Pricing herein is for the 48 contiguous United States of America.
4. For shipments to Hawaii & Alaska, freight is paid to the nearest 48 state port in Zone 4.
5. For shipments greater than 1000 lbs., you may deduct 5% from the pricing.
6. For full trailer loads orders, call the Factory for quotation.
7. Some accessory items are available FOB Factory Only. Please refer to pricing pages.

Freight Classes: All cubes are class 125.

Returns: Goods returned for credit or exchange will not be accepted unless we have previously authorized the return. Please call us before returning merchandise for any reason. There will be a 10% handling charge ($35 list minimum) for items returned. "Special" order product cannot be returned for credit. Determination of "special" is at our discretion.

Cancellations: Cancellations cannot be accepted after one week subsequent to the date of acknowledgement.

When Your Order Arrives:
1. Inspect the arriving freight for damage. (We experience less than 1% damage on total shipments made.)
2. If there is damage, sign the bill of lading as such, **keep all packaging and call HALE Customer Service at**
3. **800-873-4253.**
4. We'll help you with your claim through our contracted carrier unless you have specified a carrier of preference other than ours.

Ordering & Terms

Sales Policy: We sell to Authorized Resellers (Dealers, Wholesalers, Catalog Supply, etc.) only. You must have a Federal TIN, State TIN or Resale Number prior to placing your order.

Order By Catalog Number: Please do not order by description.

Terms: 1% 20N40 with approved credit.

Price Changes: We reserve the right to change prices at any time without prior notice. Orders are acknowledged within a few days ARO, completely priced at prevailing prices. Our normal procedure is to give a 30 day prior notice of price change. Shipments are priced at acknowledged prices unless extended delivery of more than three (3) months is requested

Warranty: Whether you choose a Hale product in modern, contemporary or traditional style, you can be assured of the continual high quality that has made us the leading manufacturer of wood furniture for over 100 years. Should material or workmanship be shown to be defective, Hale will replace the item without cost, for **ten years** from the date of purchase. The factory will determine if the product is defective and decide whether to replace or repair the product.

This guarantee is extended only to the original consumer-purchaser and cannot be transferred. Damage caused by improper handling, usage, or transit damage, does not constitute factory defect. Fully loaded furniture should not be lifted or moved.

Finish Matching: Minimum charge $230 list for small orders. For orders $2,301 - $20,000, list 10% up-charge. Over $20,000, list 5% up-charge. 10% additional up-charge on item price if bleaching is required. **HALE** Cubes are available in standard **HALE** Finishes in Oak and Maple species. See our finish guide for finishes.
