Maintenance & Support Discount Schedule

SCOPE. The Maintenance and Support pricing being offered is based on the product list price less any transaction discount ("Net License Fee"), multiplied by the Maintenance and Support Tier discount, as identified below, for the purpose of determining the base annual support fee ("Base Annual Support Fee").

Maintenance and Support Tiers. The following are the Maintenance and Support Tier(s) an Authorized User can choose under this option:

Continuous Support - 7X24 (12 hours a day X 7 days a week; 1-24 business hour response). **20%.**

Fast-Track Support - 5X12 (12 hours a day X 5 days a week; 1-24 business hour response). 18%.

Fast-Track Support is only available to customers with a current BMC Fast Track support contract.

Maintenance & Support Discount Schedule

SCOPE. The Maintenance and Support pricing being offered is based on the product list price less any transaction discount ("Net License Fee"), multiplied by the Maintenance and Support Tier discount, as identified below, for the purpose of determining the base annual support fee ("Base Annual Support Fee").

Maintenance and Support Tiers. The following are the Maintenance and Support Tier(s) an Authorized User can choose under this option:

Continuous Support - 7X24 (12 hours a day X 7 days a week; 1-24 business hour response). **20%.**

Fast-Track Support - 5X12 (12 hours a day X 5 days a week; 1-24 business hour response). 18%.

Fast-Track Support is only available to customers with a current BMC Fast Track support contract.
