ORDERING & LEAD TIME

ORDERING

A signed purchase order or contract received via mail, fax or email is required before an order is processed. In addition, credit applications, credit references and/or advance payments may be required for newly established accounts. Orders are not scheduled in production, nor materials purchased until all details are received.

ORDER ACKNOWLEDGEMENT

Orders are not binding until the order acknowledgement is delivered. Any error or discrepancy on the acknowledgement must be reported to Company in writing within three (3) working days from the receipt of the acknowledgement. All modifications to the acknowledgement must be reconfirmed and signed by the Company. Cashing a down payment check does not constitute acceptance.

The Company's Terms and Conditions will serve as the final expression of the agreement between Purchaser and Company, and supersedes all prior oral and written statements regarding the order.

Any proposal for additional or different terms, or any attempt by Purchaser to vary in any degree any of the terms in buyer's acceptance is hereby objected to and rejected.

CHANGE ORDERS

The order as shown on the Order Acknowledgement can be modified only by a written communication or reconfirmation signed by Company.

Company may, at its discretion, accept reasonable change orders with the following conditions:

- The request for change must be submitted in writing and received before order specific parts have been purchased and/or the manufacturing process has begun.
- Changes may be subject to additional charges for material, labor, restocking, and administrative costs.
- Changes may result in an extended delivery date.

CANCELLATIONS

Any deposit made with respect to the order is non-refundable. The Company reserves the right to cancel any order, with notice to purchaser, due to breach of obligation or contract. Additionally, if an order is cancelled after order specific materials have been purchased and/or production has started, the customer will be responsible for the cost associated with those materials or production. Any Customer's Own Material (COM) supplied will be returned "as-is", this applies to any fabric that has been cut, wood parts with a finish applied, and all laminates. A cancellation or restocking charge of 1/3 of the net sale is applicable on orders cancelled.

LEAD TIME

Lead times will vary based on specifications chosen and available manufacturing capability. Consult your authorized sales representative or the home office when placing your order to determine estimated ship date.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge; contact Company for approval and pricing. The use of nonstandard designs and/or materials may cause extended delivery times and reduced warranty coverage.

CUSTOMER'S OWN MATERIAL

Company reserves the right of preliminary approval for all COM, prior to order acceptance. Even after such preliminary approval, Company reserves the right to reject COM if, upon physical inspection of the material, it proves unacceptable for use on Company products. When COM is accepted, Company assumes no responsibility for appearance, durability, color fastness, or any other quality after it is upholstered on a Company product.

Orders with COM are not scheduled into production until all materials are received and inspected. At Company's discretion, additional yardage, labor charges, or handling surcharges may be required as a condition of COM acceptance. When products are shipped via the Purchaser's choice of carrier, Company is not responsible for damage in shipment. WOOD FINISHES

Due to natural variations beyond Sauder Education's control, all items including but not limited to fabric, wood or steel are sold subject to variations or irregularities of color, grain and texture. Because of these variations, Sauder Education's samples may not exactly match that of the finished product.

Prices quoted in this Price Book are based on Sauder Education standard wood finishes listed below:

73 Natural
74 Amber
75 Honey
76 Nutmeg
77 Henna
78 Urban Cherry
79 Mahogany
80 Sepia
81 Walnut
82 Molasses
83 Black

Wood finish names describe the color only, not the wood species. Stains are applied to the specific product's standard wood type such as maple, beech or oak.

Different kinds of wood, and sometimes pieces of the same wood of varying grain, take the same stain differently. Therefore, Sauder Education cannot guarantee absolute color uniformity.

Sauder Education standard finishes were updated in 2013. Custom match finishes for previously standard finishes are available at an additional $585 list charge per order. Customer provides a sample for the color match and must approve the custom finish match before the order can be scheduled for production.

It is recommended that furniture being ordered for placement near existing products have a custom finish match. Color variances may occur between orders without a custom finish match. Custom finish matches for any standard Sauder Education finish are available at no additional charge.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge. Contact the home office for approval and pricing. The use of nonstandard designs and/or materials may cause extended warranty coverage.

- Within our standard offering, an upcharge may be applied if a premium pattern or finish is selected. This may also cause extended lead times.
- Standard laminates other than Formica™, Nevamar™, Pionite™, and WilsonArt™ result in a 5% list upcharge per item. Premium patterns and finishes will require an additional upcharge and extended lead times.
- With signed approval, custom finishes are available for a $585 list up-charge per order.

CUSTOMER'S OWN MATERIAL (FABRIC)

Please contact Sauder Education on all COM fabrics. A sample of the COM fabric is required to be submitted to Sauder Education for approval and yardage estimate prior to placing an order. The sample should be large enough to indicate a repeat if applicable.

Yardage requirements will be calculated based on a variety of factors including roll width, pattern matching and direction. If a fabric is directional, it will be applied vertically unless specific instructions are given to the contrary. If a horizontal application is desired, please inform Sauder Education as additional yardage or special production techniques may be required. At the customer's request, Sauder Education may, in its discretion, for non-Sauder Education program fabrics handle the purchase of the COM fabric for a charge of 15 percent of the fabric list price.

Orders with COM are not scheduled into production until all materials are received and inspected. Refer to the checklist on page 16 to ensure the proper handling of COM fabrics. If partial shipment entry is required, indicate on purchase order, or forward orders with standard products and COM products on separate purchase orders.

All charges are payable according to these terms and conditions unless otherwise prearranged and agreed to in writing by Company.

Purchaser agrees that any lawsuit to enforce the rights and/or obligations of the parties in this relationship must be brought in the State of Ohio, County of Fulton and no other forum. In addition, should the parties be required to instigate litigation, purchaser shall be responsible for collection of agency fees, court costs, reasonable attorney fees incurred by Company and pre-judgment interest as set forth above.

The Purchaser will insure the Goods against all insurable risks in the name of the Purchaser and also in the name of Sauder Manufacturing Co. as the unpaid vendor for their full insurable value.

ORDERING & LEAD TIME

ORDERING

A signed purchase order or contract received via mail, fax or email is required before an order is processed. In addition, credit applications, credit references and/or advance payments may be required for newly established accounts. Orders are not scheduled in production nor materials purchased until all details are received.

ORDER ACKNOWLEDGEMENT

Orders are not binding until the order acknowledgement is delivered. Any error or discrepancy on the acknowledgement must be reported to Company in writing within three (3) working days from the receipt of the acknowledgement. All modifications to the acknowledgement must be reconfirmed and signed by the Company. Cashing a down payment check does not constitute acceptance.

The Company's Terms and Conditions will serve as the final expression of the agreement between Purchaser and Company, and supersedes all prior oral and written statements regarding the order.

Any proposal for additional or different terms, or any attempt by Purchaser to vary in any degree any of the terms in buyer's acceptance is hereby objected to and rejected.

CHANGE ORDERS

The order as shown on the Order Acknowledgement can be modified only by a written communication or reconfirmation signed by Company.

- The request for change must be submitted in writing and received before order specific parts have been purchased and/or the manufacturing process has begun.
- Changes may be subject to additional charges for material, labor, restocking and administrative costs.
- Changes may result in an extended delivery date.

CANCELLATIONS

Any deposit made with respect to the order is non-refundable. The Company reserves the right to cancel any order, with notice to purchaser, due to breach of obligation or contract. Additionally, if an order is cancelled after order specific materials have been purchased and/or production has started, the customer will be responsible for the cost associated with those materials or production. Any Customer's Own Material (COM) supplied will be returned "as-is", this applies to any fabric that has been cut, wood parts with a finish applied, and all laminates. A cancellation or restocking charge of 1/3 of the net sale is applicable on orders cancelled.

LEAD TIME

Lead times will vary based on specifications chosen and available manufacturing capability. Consult your authorized sales representative or the home office when placing your order to determine estimated ship date.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge; contact Company for approval and pricing. The use of nonstandard designs and/or materials may cause extended delivery times and reduced warranty coverage.

CUSTOMER'S OWN MATERIAL

Company reserves the right of preliminary approval for all COM, prior to order acceptance. Even after such preliminary approval, Company reserves the right to reject COM if, upon physical inspection of the material, it proves unacceptable for use on Company products. When COM is accepted, Company assumes no responsibility for appearance, durability, color fastness, or any other quality after it is upholstered on a Company product.

Orders with COM are not scheduled into production until all materials are received and inspected. At Company's discretion, additional yardage, labor charges, or handling surcharges may be required as a condition of COM acceptance. COM delivered to Company without proper identification can be refused, and Company shall have no responsibility for loss or any other claims.

WOOD FINISHES

Due to natural variations beyond Wieland's control, all items including but not limited to fabric, leather, wood, steel, glass or marble are sold subject to variations or irregularities of color, grain and texture. Because of these variations, Wieland's samples may not exactly match that of the finished product.

Prices quoted in this Price Book are based on Wieland's standard wood finishes listed below:

F: Formica P: Pionite N: Nevamar W: Wilsonart

Wood finish names describe the color only, not the wood species. Stains are applied to the specific product's standard wood type such as maple, beech or oak.

Different kinds of wood, and sometimes pieces of the same wood of varying grain, take the same stain differently. Therefore, Wieland cannot guarantee absolute color uniformity.

Wieland standard finishes were updated in 2013. Custom match finishes for previously standard finishes are available at an additional $585 list charge per order. Customer provides a sample for the color match and must approve the custom finish match before the order can be scheduled for production.

It is recommended that furniture being ordered for placement near existing products have a custom finish match. Color variances may occur between orders without a custom finish match. Custom finish matches for any standard Wieland finish are available at no additional charge.

CUSTOM PRODUCTS AND MATERIALS

All nonstandard designs and materials are subject to a surcharge. Contact the home office for approval and pricing. The use of nonstandard designs and/or materials may cause extended delivery times and reduced warranty coverage.

- Within our standard offering, an upcharge may be applied if a premium pattern or finish is selected. This may also cause extended lead times.
- Standard laminates other than Formica™, Nevamar™, Pionite™, and WilsonArt™ result in a 5% list up-charge per item. Premium patterns and finishes will require an additional upcharge and extended lead times.
- With signed approval, custom finishes are available for a $585 list up-charge per order.

CUSTOMER'S OWN MATERIAL (FABRIC)

Please contact Wieland on all COM fabrics. A sample of the COM fabric is required to be submitted to Wieland for approval and yardage estimate prior to placing an order. The sample should be large enough to indicate a repeat if applicable.

All printed yardages listed in the price book are based on plain 54" wide fabrics (based on non-matched fabric). COM less than 54 inches wide, or patterned COM, requires additional yardage. If a fabric is directional, it will be applied vertically unless specific instructions are given to the contrary. If a horizontal application is desired, please inform Wieland as additional yardage or special production techniques may be required. At the customer's request, Wieland may, in its discretion, for non-Wieland program fabrics handle the purchase of the COM fabric for a charge of 15 percent of the fabric list price.

Orders with COM are not scheduled into production until all materials are received and inspected. Refer to the checklist on page 16 to ensure the proper handling of COM fabrics. If partial shipment entry is required, indicate on purchase order, or forward orders with standard products and COM products on separate purchase orders.

This warranty covers the structure of the furniture: the laminated veneer or solid wood frame, the construction of the arms, table legs and stretchers, and all fasteners. This warranty also covers the foam against defects in its manufacture and composition for this same 25-year period. Under this warranty, Company will, at its option, either replace or repair furniture returned to it or will supply the Customer with replacement parts. Any labor required to upgrade the units may or may not be covered under our warranty without prior consent in writing by Wieland. Any work performed by a non-approved 3rd party will void the warranty. All freight charges for returns or replacements will be paid by Company during the 25-year warranty period. Fabrics, finishes, COM–and all items beyond the control of Company are not covered by this warranty.

WIELAND FABRIC WARRANTY

Wieland has assembled an extensive graded-in offering featuring a wide selection of fabrics, woven Cryptons®, and vinyls selected for their performance in healthcare environments. These fabric patterns purchased by Wieland through Architex, C.F. Stinson, Maharam, & Momentum are warranted, if purchased through Company, for a period of five (5) years, 24/7 usage. Company warrants these textiles to perform under normal conditions as furniture upholstery and when cared for according to cleaning and maintenance guidelines provided by the textile supplier.

Proper care and cleaning is imperative for maximizing textile performance on Wieland products. However, in the unlikely event that one of these fabrics, woven Cryptons®, or vinyls does not perform in accordance with manufacturing specifications when used and maintained under normal conditions and the user has not misused, cleaned or attempted to clean the fabric or vinyl using cleaning agents or procedures not suggested or approved by the textile supplier, Company will replace the fabric free of charge.

The following are specially excluded from the warranty:

1. Any custom components that are not a part of the Wieland standard line. This would include, but not be limited to, custom-designed parts or customer specified components, such as fabric, vinyl, foam, etc., that are not a part of the standard Wieland line.
2. Accessories such as light bulbs that are considered consumables.
3. Furniture that's been unduly exposed to the elements such as water, light radiation, etc.
4. Damage caused in storing/moving products or furniture after delivery and prior to installation – when stored at customer request.
5. Damage caused by on-site construction process, other contractors or subcontractors, or the work of such contractors or subcontractors, including drywall dust.
6. Damage as the result of accident, fire, flood, civil disorder, strike, Act of God, abuse, misuse or any cause outside of ordinary usage.
7. Scratching or natural wearing of finishes on chairs and tables.
8. Any responsibility for the effects the chairs have on flooring.
9. Damage caused from shipping.

General Information:

A. We have agreements with our upholstery suppliers to assure that all products meet Association of Contract Textiles standards for bow and skew. We also further eliminate pattern variability in our cutting process. However, you may still notice some irregularities that are within industry standards and are not covered under our product warranty.

B. Wieland agrees to replace, repair or refund, at its discretion, defective parts in material or workmanship.

C. To receive benefits under the terms of this warranty, the purchaser must:
   1. Notify Wieland of the defect.
   2. Fill out Wieland service request form, which will be sent to you, and provide a description of the defect.
   3. Submit completed form along with applicable photos.

D. Any disputes over the provisions of this warranty will be mutually reviewed by representatives of the purchaser and Wieland.

E. This warranty gives you specific legal rights and you may also have other rights that vary from state to state.

F. All other expressed or implied warranties, made by any sales representative, agent or other representative, including any warranty of merchantability or fitness for a particular use, are hereby excluded.

Please use this checklist to assure that you are giving us the necessary information to accurately process your order. Correct information assures better lead times. If you have any questions, please contact your Wieland sales representative or call our Customer Care department toll free at 888. WIELAND (888.943.5263). Thanks!
