Note: NYS Pricing for these items are $10,000 and over. OGS strongly recommends, when purchasing any highlighted items, all Authorized Users obtain (one) 1 informal quote from a separate source for any items $10,000 or over, and any items over $50,000, Authorized User's obtain (three) 3 informal quotes from separate sources. These separate sources would be first, other Contractors, and then open market companies if no other Contractors have similar product.
