SUBJECT: Empire State Plaza Ice Skating Rink and Snack Bar

As you may know, the Office of General Services announced that the ice skating rink at the Empire State Plaza is now open. Stop down during lunch or after work to skate or have a snack at the Pavilion.

The rink will be open daily from 11:00 a.m. to 8:00 p.m., closing from 3:00 p.m. to 4:00 p.m. for maintenance. Skating is always free, and while the rink is open, skates can be rented at a cost of \$4.00 for adults and \$3.00 for children younger than 12.

Also new this year, is a full-service snack bar that will be open on weekends from noon - 6:30 p.m. with hot dogs, nachos, burgers, chicken fingers, and other sandwich items, hot chocolate, chips, cookies and more. Please inquire at the snack bar regarding special party packages too! The snack bar is skate-friendly, so there is no need to take off your skates.

While you're at the rink, a skater's lounge with lockers to hold your personal items, music for your enjoyment, and cozy fire pits to add a little warmth are on site.

Keep your eye on the OGS website for announcements of special events at the rink, including an open skate with the RPI men's hockey team on January 25, and world class sliders on January 28 sponsored by the Olympic Regional Development Authority.

If there are any questions relating to the ice skating rink, please feel free to contact Plaza Operations at (518) 474-8860.

Thank you.
