	A	B	C
1	Question # Rephrased Question		OGS/AGR Responses
2	1	Do you require background checks to be conducted on candidates for employment?	Background checks, if deemed to be needed, will be conducted by the Human Resources Division of the Department of Agriculture and Markets
3	2	The staffing model you have presented in Section 3.1 Services Requires presents a legal issue for us due to the dual employment clause. Would you consider allowing us to put the employees on our payroll to reduce the risk of legal and liability issues?	A change to the proposed staffing model cannot be considered as it would represent a fundamental change to the Request for Proposals.
