SUBJECT: IBM Corporation – Addition of Hard Drive Retention Services

ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

IBM has added optional Hard Drive Retention Services to the above mentioned contract

Under this Hard Drive Retention Option, IBM will modify Service for Machines as described in each users Agreement to allow you to retain a defective hard drive that is replaced in the course of Service by IBM. If the reported problem requires the replacement of a hard drive, a replacement hard drive will be supplied by IBM and the removed defective hard drive will be provided to you as your property for disposal by you.

The applicable Schedule will identify the Eligible Machines by Specified Location, and period for which you have contracted this Service. The IBM Eligible Machines covered under the Statement of Work / Service Level Agreement in which Hard Drive Retention is part of; must also be under IBM warranty or separately covered by machine maintenance service with IBM.

If selected, Automatic Inventory Increase for Machines and Software Maintenance Service – Machine Maintenance Services, Option #1, that selection will also apply to this option except this Service will commence upon a Machines addition to inventory regardless of the Machines warranty status.

User agrees to:

1. identify a customer representative to receive the retained defective drive from IBM;
2. refrain from placing the defective drive into productive use; and
3. dispose of all retained hard drives in compliance with applicable environmental laws and regulations.

IBM is not responsible for the loss or disclosure of, or damage to, any data that may be contained on a removed defective hard drive retained by authorized users.

IBM remains accountable as per the terms of the contract for any hard drive not retained by authorized users and will also dispose of the hard drives in compliance with applicable environmental laws and regulations.

The HDDR service is optional and the following may help guide the decision on selecting this service.

- 1.) There is a separate fee for this service in addition to the warranty and cost of any standard maintenance agreements.
- 2.) The IBM schedule will indicate the HDDR start date for each machine that is covered.
- 3.) The service can be acquired and/or removed at any time by the authorized user.
- 4.) This options intent is to allow users to destroy their own defective hard drive which may contain sensitive information.
