CONTRACTOR(S)/ Dell Marketing L.P.

CONTRACT NO.(S): PT65196

SUBJECT: 76000 -21981--Dell Marketing L.P.-1 year contract renewal as Microsoft Software Reseller.

TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:

The Dell Marketing L.P. contract award as the Microsoft Software reseller has been extended for 1 year through June 30, 2013. The Enterprise Agreement (EA), Campus Agreement, and School Agreement Program Agreements have also been extended with Microsoft through June 30, 2013. The Select and Academic Select Program Agreements currently run through June 30, 2013.

The Dell Marketing L.P. contract award has been updated with the following;

- A. Appendix A is replaced with the latest version dated December 2011.
- B. Summary of Policy and Prohibitions on Procurement Lobbying

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between OGS and a Bidder during the procurement process. A Bidder is restricted from making contacts from the earliest notice of intent to solicit offers/bids through final award and approval of the Procurement Contract by OGS and, if applicable, the Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). Designated staff, as of the date hereof, is identified on the first page of this solicitation. OGS employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four-year period; the Bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found on the OGS website:

http://www.ogs.ny.gov/aboutOgs/regulations/defaultSFL_139j-k.asp

C. IRAN DIVESTMENT ACT

As a result of the Iran Divestment Act of 2012 (Act), Chapter 1 of the 2012 Laws of New York, a new provision has been added to the State Finance Law (SFL), § 165-a, effective April 12, 2012. Under the Act, the Commissioner of the Office of General Services (OGS) will be developing a list (prohibited entities list) of “persons” who are engaged in “investment activities in Iran” (both are defined terms in the law). Pursuant to SFL § 165-a(3)(b), the initial list is expected to be issued no later than 120 days after the Act’s effective date, at which time it will be posted on the OGS website.

By entering into a renewal or extension of this Contract, Contractor (or any assignee) certifies that once the prohibited entities list is posted on the OGS website, it will not utilize on such Contract any subcontractor that is identified on the prohibited entities list.

Additionally, Contractor understands that during the term of the Contract, should OGS receive information that a person is in violation of the above-referenced certification, OGS will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then OGS shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

OGS reserves the right to reject any renewal, extension or request for assignment for an entity that appears on the prohibited entities list hereafter and to pursue a responsibility review with respect to any entity that is granted a contract extension/renewal or assignment and appears on the prohibited entities list thereafter.

All other terms and conditions remain the same. Please mark all vouchers accordingly.
