**USE OF THIS CONTRACT BY EXECUTIVE DEPARTMENT AGENCIES IS RECOMMENDED****NEW YORK STATE AIR TRAVEL SERVICES GUIDELINES**

The State has been successful in securing contracts with major airlines to provide reduced air travel fares combined with beneficial service terms. As a result of these contracts, the State has saved millions of dollars a year in air travel costs.

The OGS contract offers discounted prices for many city pairs between New York State and other domestic and foreign destinations. The city pair contract offers features, in addition to price, that are highly beneficial to State travelers and authorized users including but not limited to:

- no cost for refunds or ticket changes,
- no minimum stay,
- no advance purchase requirements, and
- price reductions for some capacity controlled fares (i.e., lower fares available based on capacity).

Our ability to continue achieving such savings depends largely on ensuring that State agencies and authorized users utilize the OGS contract. Accordingly, users are recommended to adhere to the following guidelines when purchasing air travel:

1) All airline tickets must be purchased using the designated Citibank Visa State Corporate Card or Central Travel Account (CTA). CTA's are to be used for employees who do not have corporate cards. Employees may not use personal credit cards or other means for reimbursement.

2) All airline ticketing must be done through an authorized State travel agent contractor (OGS Travel Agent Services contract - web link below), responsible for certifying that the ticketing is done in accordance with these guidelines.

<http://www.ogs.ny.gov/purchase/snt/awardnotes/7900520958can.htm>

3) Recommended exceptions include: emergency situations, when the non-contract fare saves \$200 or more per roundtrip ticket, or contract flights would require the traveler to incur unnecessary overnight lodging costs.

When an exception occurs, the attached form must be completed and approved by your Agency Finance Officer or other appropriate authority and a copy e-mailed or faxed to the Statewide Travel Coordinator, Mark Milstein, 38th Floor, Corning Tower, Empire State Plaza, Albany, NY 12242. Phone: 518-402-5005, Fax: 518-486-6867, e-mail: [travelcoordinator@ogs.ny.gov](mailto:travelcoordinator@ogs.ny.gov)

The OGS Air Travel Services Guidelines and exception form is found on the OGS web link below at: <http://www.ogs.ny.gov/purchase/spg/pdfdocs/CL744.pdf>

**PROCUREMENT INSTRUCTIONS**

- A. All rates are available for business use only.
- B. All authorized users must use the New York State Citibank VISA Travel Card or Central Travel Account (CTA) to purchase tickets. These cards must begin with either "4046" or "4275" as the first four digits of the card number. Personal credit cards or other means of reimbursement are not to be used.
- C. It is preferred that travelers contact their Agency Travel Coordinator first to make travel arrangements. The Coordinator is more up to date and informed of any changes in our travel program. The Agency Travel Coordinator and the traveler will review the list of rates and services from the Air Travel Services Contract Award Notification (this document) to determine what services (city pair rates) best fit their needs.
- D. **State authorized travel agents must be used to make reservations.** Internet fares may not be used unless booked through an authorized State travel agent contractor. These travel agents are listed on the TRAVEL AGENT SERVICES AWARD. The Procurement Services listing for TRAVEL AGENT SERVICES is Group 79005 on the OGS website: [www.ogs.ny.gov/purchase/snt/lists/gp\\_79005.asp](http://www.ogs.ny.gov/purchase/snt/lists/gp_79005.asp). The agency may also wish to communicate any specific cost accounting requirements for travel payment to the travel agent. A listing of the Contract Travel Agents appears on Page 8 of this document.

**METHOD OF PAYMENT**

The method of payment for any eligible entity under contracts resulting from this solicitation is the centrally billed travel accounts under contract currently (Citibank VISA Travel Card and the Citibank VISA Central Travel Account [CTA]). Personal credit cards or other means to require reimbursement are not to be used.

**City Pair Use Instructions**

- To determine contract information for air travel, look up travel segment by Departure City (any city or airport noted in city pair may be utilized as a departure city).
- City pairs are arranged on the following pages alphabetically as indicated on the price list.
  - Primary alphabetization is by the New York State Departure City.
  - Secondary alphabetization is by the Destination City.
- **All fares are for one-way travel.**
- Some non-contract airlines may "match" the contract government fare in certain city pairs. These fares are not covered under the terms and conditions of this contract, nor do they offer the protections covered by this contract and are not to be used.
- Some metropolitan areas may have service from more than one airport at varying prices. For destinations where more than one airport is available, consideration should be given to using any of the alternate airports to make a best value determination. Travelers should take into consideration cost, total travel time and scheduling convenience when making their best value determination. Examples of cities with more than one airport include, but are not limited to:
  - Chicago - Served by Midway (MDW) & O'Hare (ORD)**
  - New York City - served by Kennedy (JFK), LaGuardia (LGA) & Newark Liberty (EWR)**
  - Washington DC - served by Dulles (IAD), Reagan National (DCA) & Baltimore (BWI)**

To provide additional contract city pairs for the convenience of authorized users where no compliant bids were received for a particular city pair, OGS has made awards to non-compliant bidders that may not meet the daily flight requirements and/or exceed the maximum length of time allowed for stopovers.

## Airline Travel Services - Statewide

**PRICE ADJUSTMENT**

The contract may be renewed by mutual agreement between the state and the contractor. Any price adjustment would be based on the change in the Consumer Price Index (CPI) Table 3 published by the Bureau of Labor Statistics, of the U.S. Department of Labor. <http://www.bls.gov/cpi/> Table 3-monthly Consumer Price Index for all Urban Consumers (CPI-U): United States city average, detailed expenditure categories for Airline fare. Price adjustments only apply to the original contract price and do not apply to any additional fuel surcharges.

Price adjustments using the CPI involve changing the base payment by the percent change in the level of the CPI between the reference period and a subsequent time period. This is calculated by first determining the index point change between the two periods and then the percent change. The price adjustment shall be calculated as follows. Take the CPI value for the 3rd month prior to the current anniversary date and subtract the CPI value for the 3rd month prior to the previous anniversary date [e.g.: If the contract begins in May take the 3<sup>rd</sup> month (February) CPI value of the current year and subtract the 3<sup>rd</sup> month CPI value of the previous year]. That sum is then divided by the previous period CPI value for the original 3<sup>rd</sup> month prior to start date and this result is then multiplied by 100 to equal the percent change which is the price adjustment value. This percentage change (increase or decrease) shall be applied to the next contract year, upon release of a Contract Addendum from OGS Procurement Services Group. **The following example illustrates the computation of percent change for a hypothetical May 2010 anniversary calculation from the Consumer Price Index for Air Transportation.**

CPI for February 2010	265.3
Less CPI for February 2009	259.5
Equals index point change	5.8
Divided by previous period-CPI	259.5
	Equals 0.02
Results multiplied by 100	
Equals Percent of Adjustment	2.0

The Contractor has the sole responsibility to notify OGS Procurement Services Group that they wish to receive the CPI rate change and to submit a request for the adjusted rate on the applicable anniversary date and shall provide a copy of the index and other supporting documentation necessary to support the increase or decrease to OGS and the Authorized User, as appropriate. Should the Contractor fail to make a request and submit supporting documentation to OGS within three (3) months after the applicable anniversary date, the Contractor shall be deemed to have waived its right to any increase in price for that year, but the state shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology. These price changes will take effect upon release of a Contract Addendum from OGS Procurement Services Group no later than three weeks after receipt of the request. Such adjustment shall be limited to the amount of the increase or decrease and shall not exceed 5% for any given year rounded to the nearest dollar.

**CONTRACT PERIOD**

This contract shall commence after approval by the New York State Comptroller (see Cover Page) and shall be in effect for one year. If mutually agreed between the Procurement Services Group and the Contractor, the contract may be renewed up to an additional four one-year periods. Renewal(s) shall not exceed a cumulative total of five years.

***SHORT TERM EXTENSION***

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), prices, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

***CANCELLATION FOR CONVENIENCE***

The State of New York retains the right to cancel this contract, in whole or in part without reason provided that the Contractor is given at least sixty (60) days notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision

***ADMINISTRATIVE AND REPORTING REQUIREMENTS***

Any reports tracking authorized users and dollar volume activity will be performed by the New York State contract travel agent(s) or through the New York State centrally billed payment instrument designated Contractors. The airline contractors are not required to provide any reports under this contract.

***APPENDICES***

The contractor is responsible for adhering to all requirements of the appendices that were in the Invitation for Bid.
