The rates set forth hereunder are available only to government employees accessing Westlaw for government purposes.**

Contract PS59604 between the State of New York and West Publishing Corporation (d/b/a West Group) for Electronic Database Products & Services was awarded September 1, 2002. The contract pricing is based on West's Schedule A to Westlaw Subscriber Agreement, Plan 2 Government Service, hereinafter referred to as "West's Government Service Price list".

West's Government Service price list is the pricing offered to State and Local Governments by West. The pricing is discounted from West's commercial price list and is 'most favored nation' pricing. These prices are for the Plan 2A Schedule of services which are not part of the standard per individual subscription services. Rather they are ancillary or 'per use' pricing.
