Procurement Services has an executed piggyback agreement with the above referenced contractors through the Western States Contracting Alliance (WSCA) Contract #1862 in the 'Lamps, Ballasts and Fixtures' category.

This agreement includes all lamps, ballasts and lighting equipment offered through the WSCA Contract and also includes a 'WSCA-New York Hot List' of frequently purchased and/or energy efficient items for which increased discounts are offered.

Please note that each contractor carries a different mix of products and manufacturers, so it is important to comparison shop before making purchases.

This agreement also includes items that meet the Executive Order #4 specification for 'Compact Fluorescent Lamps'. To view items that meet the specification, please see the 'EO4 and EP Products' document located on the Contractor's Information Page located at
