**REQUEST FOR CHANGE:**

Any request by the agency or contractor regarding changes in any part of the contract must be made in writing to the Office of General Services, Procurement Services prior to effectuation.

**CONTRACT PAYMENTS:**

Payments cannot be processed by State facilities until the contract products have been delivered in satisfactory condition or services have been satisfactorily performed. Payment will be based on any invoice used in the supplier's normal course of business. However, such invoice must contain sufficient data including but not limited to contract number, description of product or service, quantity, unit and price per unit as well as federal identification number.

State facilities are required to forward properly completed vouchers to the Office of the State Comptroller for audit and payment. All facilities are urged to process every completed voucher expeditiously giving particular attention to those involving cash discounts for prompt payment.

If the contract terms indicate political subdivisions and others authorized by law are allowed to participate, those entities are required to make payments directly to the contractor. Prior to processing such payment, the contractor may be required to complete the ordering non-State agency's own voucher form.

See "Contract Billings" in Appendix B, OGS General Specifications.

**NOTE TO CONTRACTOR:**

This Contract Award Notification is not an order. Do not take any action under this contract except on the basis of purchase order(s) from the agency or agencies.

**NEW YORK STATE VENDOR RESPONSIBILITY QUESTIONNAIRE FOR-PROFIT BUSINESS ENTITY:**

Contractor is encouraged to maintain up-to-date Questionnaire during the life of the contract and is also required to ensure this Questionnaire reflects any substantive issues that may have occurred from the time the Contract was initially awarded.

**CONTRACT BILLINGS AND PAYMENTS:**

- a) Billings. Contractor and the dealers/distributors/resellers designated by the Contractor, if any, shall provide complete and accurate billing invoices to each Authorized User in order to receive payment. Billing invoices submitted to an Authorized User must contain all information required by the Contract and the State Comptroller or other appropriate fiscal officer. Submission of an invoice and payment thereof shall not preclude the Commissioner from requesting reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Contractor shall provide, upon request of the Commissioner, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by the Commissioner and in a media commercially available from the Contractor. The Commissioner may direct the Contractor to provide the information to the State Comptroller or to any Authorized User of the Contract.

- b) Payment of Contract purchases made by an Authorized User when the State Comptroller is responsible for issuing such payment. The Authorized User and Contractor agree that payments for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payments shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller website at <http://www.osc.state.ny.us/epay/index.htm> or by e-mail at [epayments@osc.state.ny.us](mailto:epayments@osc.state.ny.us). Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract that are payable by the State Comptroller if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above. Inquiries relating to OSC's Electronic Payments program should be directed to:

NYS Office of the State Comptroller  
Vendor Management Unit  
110 State Street Mail Drop 10-4  
Albany, NY 12236  
Telephone: (855) 233-8363  
E-Mail: helpdesk@sfs.ny.gov

- c) Payment of Contract purchases made by an Authorized User when the State Comptroller is not responsible for issuing such payment. The Authorized User and Contractor agree that payments for such Contract purchases shall be billed directly by Contractor on invoices/vouchers, together with complete and accurate supporting documentation as required by the Authorized User. Such payments shall be as mandated by the appropriate governing law from the receipt of a proper invoice. Such Authorized User and Contractor are strongly encouraged to establish electronic payments.

#### **NEW ACCOUNTS**

Contractor may ask State agencies and other Authorized Users to provide information in order to facilitate the opening of a customer account, including documentation of eligibility to use New York State contracts, agency code, name, address, and contact person. Authorized Users shall not be required to provide credit references.

#### **MINIMUM ORDER SIZE**

Minimum delivery shall be not less than 250 gallons to each tank at each delivery location (site) as determined by the delivery schedule.

Purchases of less than the minimum order size qualify for contract pricing at Contractor's discretion, including tank top-offs for tank testing. However, in no case shall pricing exceed Contractor's normal retail pricing for purchase of less than 250 gallons, regardless of delivery circumstances.

#### **DELIVERY**

After receipt of a purchase order from an Authorized User, delivery shall be expressed by Contractor in number of calendar days required to make delivery. Product is required as soon as possible. Delivery shall be made in accordance with instructions on the Purchase Order from each Authorized User. If there is a discrepancy between the Purchase Order and what is listed on the Contract, it is the Contractor's obligation to seek clarification from the ordering Authorized User and, if applicable, from OGS, NYS Procurement. Upon mutual agreement, delivery locations may be expanded per the Extension of Use clause.

#### **SHIPPING CHARGES**

Prices for all Items include all customs duties and charges for delivery, and are net FOB destination for delivery to any location designated by the Authorized User within a given County in New York State. In addition, upon mutual agreement, delivery locations may be expanded per the Extension of Use clause.

#### **EXTENSION OF USE**

Any Contract referenced in this Award may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the Contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate in any resultant Contract if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

INVOICES

In billing for winter mixes, invoices will include current Contract price for each grade, type mixture furnished and computation of total price.

EXAMPLE - Delivery of 4000 gallons of 2D/1D winter mix at a 1/1 ratio:

$$\begin{array}{l} 2,000 \text{ gals.} \times \text{Adjusted 2D price} = \text{total cost of 2D product} \\ + \underline{2,000 \text{ gals.} \times \text{Adjusted 1D price}} = \underline{\text{total cost of 1D product}} \\ \text{Invoice Total} = \text{total cost for delivery} \end{array}$$

NOTE: "If additives rather than kerosene is used to provide winter protection, the Contractor is allowed to charge market price for the additive, and as with kerosene, list the price as a separate line item on the invoice."
