NOTE TO AUTHORIZED USERS:

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)-service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

CONTRACT BILLINGS AND PAYMENTS:

a. Billings. Contractor and the dealers-distributors-resellers designated by the Contractor, if any, shall provide complete and accurate billing invoices to each Authorized User in order to receive payment. Billing invoices submitted to an Authorized User must contain all information required by the Contract and the State Comptroller or other appropriate fiscal officer. Submission of an invoice and payment thereof shall not preclude the Commissioner from requesting reimbursement or demanding a price adjustment in any case where the Product delivered is found to deviate from the terms and conditions of the Contract or where the billing was inaccurate.

Contractor shall provide, upon request of the Commissioner, any and all information necessary to verify the accuracy of the billings. Such information shall be provided in the format requested by the Commissioner and in a media commercially available from the Contractor. The Commissioner may direct the Contractor to provide the information to the State Comptroller or to any Authorized User of the Contract.

b. Payment of Contract purchases made by an Authorized User when the State Comptroller is responsible for issuing such payment. The Authorized User and Contractor agree that payments for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payments shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electronic payments. Authorization forms are available at the State Comptroller website at www.osc.state.ny.us, by e-mail at epunit@osc.state.ny.us, or by telephone at 518-486-1255. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract that are payable by the State Comptroller if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

c. Payment of Contract purchases made by an Authorized User when the State Comptroller is not responsible for issuing such payment. The Authorized User and Contractor agree that payments for such Contract purchases shall be billed directly by Contractor on invoices-vouchers, together with complete and accurate supporting documentation as required by the Authorized User. Such payments shall be as mandated by the appropriate governing law from the receipt of a proper invoice. Such Authorized User and Contractor are strongly encouraged to establish electronic payments.

CONTRACT PERIOD AND RENEWALS:

It is the intention of the State to enter into a contract for a term of five (5) years as stated in the original Invitation for Bids. Discounts quoted are to be firm for the entire period of the contract, unless increased (see Contract Changes clause.)

SHORT TERM EXTENSION:

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), prices, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

PERIODIC RECRUITMENT:

The State reserves the right to consider additional vendors for award, on manufacturer's lines or categories that are not covered on the awards resulting from this bid opening, at least once during the term of the resulting contract period. Bids shall be evaluated under the same terms and conditions; with an additional requirement that the vendor provide information that is required under alternate bid section of this document. Once awarded a contract, a vendor may not resubmit a bid on an awarded line for future consideration until a new Invitation for Bids is issued.

CANCELLATION FOR CONVENIENCE

(continued)

The State of New York retains the right to cancel this contract, in whole or in part without reason provided that the Contractor is given at least sixty (60) days notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. Any such cancellation shall have no effect on existing Agency agreements, which are subject to the same 60 day discretionary cancellation or cancellation for cause by the respective user Agencies.

PROCUREMENT LOBBYING TERMINATION:

OGS reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer-bidder in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, OGS may exercise its termination right by providing written notification to the Offerer-bidder in accordance with the written notification terms of this contract.

PREFERRED SOURCE PRODUCTS AND SERVICES:

Some products-services in this contract may be available from one or more preferred source suppliers such as Correctional Industries (Corcraft), Industries for the Blind of NYS, and NYS Industries for the Disabled. Agencies are reminded to comply with the statutory requirements under Section 162 of the State Finance Law and the guidelines issued by the State Procurement Council to afford first priority to products and services available from preferred sources which meet your form, function and utility.

Contractors are required to include this notice in all price lists and contract updates.

OVERLAPPING CONTRACT ITEMS:

Products-services available in this contract may also be available from other New York State contracts. Agencies should select the most cost effective procurement alternative that meets their program requirements and maintain a procurement record documenting the basis for the selection.

EMERGENCY PURCHASING:

In the event that a disaster emergency is declared by Executive Order under Section 28 of Article 2-B of the Executive Law, or that the Commissioner determines pursuant to his-her authority under Section 163(10)(b) of the State Finance Law that an emergency exists requiring the prompt and immediate delivery of products or services, the Commissioner reserves the right to obtain such products or services from any source, including but not limited to this contract, as the Commissioner in his-her sole discretion determines will meet the needs of such emergency. Contractor shall not be entitled to any claim or lost profits for products or services procured from other sources pursuant to this paragraph.

NON-STATE AGENCIES PARTICIPATION IN CENTRALIZED CONTRACTS:

New York State political subdivisions and others authorized by New York State law may participate in contracts. These include, but are not limited to local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic-nonprofit organizations. See "Participation in Centralized Contracts" in Appendix B, OGS General Specifications. For purchase orders issued by the Port Authority of New York and New Jersey (or any other authorized entity that may have delivery locations adjacent to New York State), the terms of the "Price" clause shall be modified to include delivery to locations adjacent to New York State.

Upon request, all eligible non-State agencies must furnish contractors with the proper tax exemption certificates and documentation certifying eligibility to use State contracts. A list of categories of eligible entities is available on the OGS web site (<http://www.ogs.ny.gov-purchase-snt-othersuse.asp>). Questions regarding an organization's eligibility to purchase from New York State Contracts may also be directed to OGS Procurement Services Group's Customer Services at 518-474-6717.

EXTENSION OF USE:

Any contract resulting from this bid solicitation may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the contractor. Political subdivisions and other authorized entities within each participating State or governmental

(continued)

jurisdiction may also participate in any resultant contract if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

"OGS OR LESS" GUIDELINES APPLY TO THIS CONTRACT:

Purchases of the products included in the Invitation For Bids and related Contract Award Notification are subject to the "OGS or Less" provisions of Section 163.3.a.v., Article XI, of the New York State Finance Law. This means that State agencies can purchase products from sources other than the contractor provided that such products are substantially similar in form, function or utility to the products herein and are:

1. lower in price
-and-or-
2. available under terms which are more economically efficient to the State agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office and competitive bidding of requirements exceeding the discretionary bid limit. State agencies should refer to Procurement Council Guidelines section "OGS or Less Purchases" for complete procedural and reporting requirements.

<http://www.ogs.ny.gov/procurecounc-pdffdoc-guidelines.pdf>

REQUEST FOR CHANGE:

Any request by the agency or contractor regarding changes in any part of the contract must be made in writing to the Office of General Services, Procurement Services Group prior to effectuation.

CONTRACT CHANGES:

Price lists or catalogs submitted with at the time of the bid opening bid will be held firm for one year from the date of submission. Future requests for price list updates should be submitted on a yearly basis thereafter. The contract prices may be subject to increase or decrease during the contract period in accordance with changes made by the manufacturer in their established, nationally published price list or published catalog. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount originally accepted for award should not be decreased. Price decreases or discount increases are permitted and encouraged at any time.

New products will be considered for inclusion provided they are pertinent to the award description and offered to the State at the same terms and conditions as in the original bid and at pricing or discounts deemed to be reasonable and in the best interests of the State. Price list additions may be made at the time of yearly contract update or made quarterly after the contract inception.

CONTRACT UPDATES - ADDITION AND DELETION PRODUCTS

Product changes to Contract are addressed in the following manner. In order to expedite processing of a change request that involves more than one specified category below, each request should be submitted separately to OGS.

- a) AUTO ADDS - DELETIONS – “Auto Adds-Deletions” are Contract changes and updates made in accordance with the previously approved Contract pricing formula; e.g., a “discount from list” or pricing based on an approved GSA-based price Schedule. “Auto Adds-Deletions” include: i) adding new products within the established, previously approved pricing structure, ii) lowering pricing for Products previously incorporated under the Contract, and iii) deleting Products previously incorporated under the Contract. Contractor shall forward the updated Contract price list to OGS for prior approval before changes (additions or deletions) are made to the Contract. Contractor may not supply new product offerings until after receipt of OGS approval. While price decreases (ii) may take effect at any time, Contractor shall provide to OGS new updated price lists. For category (iii) Auto Deletions, Contractor must supply documentation supporting the unavailability of the product to the US market. Contractor

(continued)

should note, however, that all “Auto Adds” or Deletions approved by OGS are subject to a post audit by the Office of the State Comptroller.

b) REGULAR ADD - “Regular Adds” are requests for i) price increases for Products incorporated under the Contract for other than previously approved pricing structure, and ii) addition of new products to the Contract which do not fall under the previously established price structure or discounts for Product types previously approved under the Contract. Regular Adds include but are not limited to newly added manufacturer’s product lines, re-bundled Products or Services, etc. Regular Adds must be submitted to OGS for prior approval, and must be accompanied by a justification of reasonableness of price. Regular Adds are subject to pre-audit by the Comptroller. If approved, OGS staff will notify Contractor in writing. Contractor may not supply new product offerings until after receipt of OGS approval of the “Regular Add.” When Contract pricing is based on GSA prices, the revised prices or prices of new Products must reflect current GSA prices adjusted as necessary for any additional discounts.

c) SPECIAL ADD – Contract changes and updates that do not fall within either of the above categories will be processed as “Special Adds”. Special Adds are changes that are not specifically covered by the terms of the Contract but inclusion is found to be in the best interest of the State. Contractor must provide a justification of reasonableness of the prices offered and a statement explaining why it is in the best interest of the State to approve the new Products. Special Adds are subject to pre-audit by the Office of the State Comptroller. If approved, OGS staff will notify Contractor in writing. Contractor may not supply new offerings until after receipt of OGS approval of the “Special Add.”

PRICE SHEETS AND CATALOGS:

Contractor shall be required to furnish, without charge, price lists identical to those accepted with their bid, including any changes (additions, deletions, etc.) pursuant to the contract, to authorized users which request them. Price lists provided must reflect all products excluded from the resultant contract either through the omission of those portions or by obvious indications within the price lists.

Price lists may be furnished in either hard-copy or electronic format. If available in both formats, they shall be furnished in the format preferred by the requesting authorized user. Upon request the contractor shall assist authorized users in the use of price lists.

INSTRUCTION MANUALS:

Simultaneous with delivery, the contractor(s) shall furnish to the authorized user a complete instruction manual for the product and for each component supplied. The manual shall include complete instructions for unpacking, inspecting, installing, adjusting, aligning, and operating the product, together with layout and interconnection diagrams, schematic and wiring diagrams, preventive and corrective maintenance procedures, and complete parts lists, manufacturer’s catalog numbers, and ordering information, if applicable.

REPORT OF CONTRACT PURCHASES:

Contractor shall furnish quarterly reports containing total sales for both state agency and authorized non-state agency contract purchases no later than forty-five (45) days after the close of each calendar quarter.

In addition to contractor direct sales, contractor shall submit sales information for all resellers, dealers, distributors or other authorized distribution channels, where such contract sales are provided by other than the contractor. Contractors shall verify if each alternate vendor is a NYS Certified Minority (MBE) or Women (WBE) Owned Businesses. Contractors shall verify such status through the Empire State Development Minority and Women Owned Businesses Database web site at: <http://www.nylovesmwbe.ny.gov/cf/search.cfm>.

(continued)

A separate report shall be provided in the following format for each authorized distribution channel. The sales report form is forwarded to each contractor at time of award for completion in accordance with the contract terms and conditions:

<u>Item/ SubItem Number</u>	<u>Product or Catalog Number</u>	<u>Product/ Service Description</u>	<u>Total Quantity Shipped to State Agencies</u>	<u>Total Quantity Shipped to Authorized Non-State Agencies</u>	<u>Total Sales \$ State Agencies</u>	<u>Total Sales \$ Authorized Non-State Agencies</u>
					\$	
				Grand Total Sales State and Non-State Agencies		\$

The report is to be submitted electronically in Microsoft Excel 2007 or lower format to the Office of General Services, Procurement Services Group, Tower Bldg., Empire State Plaza, Albany, NY 12242, to the attention of the individual shown on the front page of the Contract Award Notification and shall reference the Group Number, the Award Number, Contract Number, sales period, and contractor's (or other authorized agent) name.

The outlined sales report is the minimum information required. Additional related sales information, such as monthly reports, and/or detailed user purchases may be required and must be supplied upon request.

DIESEL EMISSION REDUCTION ACT OF 2006 (NEW REQUIREMENT OF LAW):

On February 12, 2007 the Diesel Emissions Reduction Act took effect as law (the "Law"). Pursuant to new §19-0323 of the N.Y. Environmental Conservation Law ("NYECL") it is now a requirement that heavy duty diesel vehicles in excess of 8,500 pounds use the best available retrofit technology ("BART") and ultra low sulfur diesel fuel ("ULSD"). The requirement of the Law applies to all vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities. They need to be operated exclusively on ULSD by February 12, 2007. It also requires that such vehicles owned, operated by or on behalf of, or leased by State agencies and State or regional public authorities with more than half of its governing body appointed by the Governor utilize BART.

As a contract vendor the Law may be applicable to vehicles used by contract vendors "on behalf of" State agencies and public authorities. Thirty-three percent (33%) of affected vehicles must have BART by December 31, 2008, sixty-six percent (66%) by December 31, 2009 and one-hundred percent (100%) by December 31, 2010. The Law provides a list of exempted vehicles. Regulations currently being drafted will provide further guidance as to the effects of the Law on contract vendors using heavy duty diesel vehicles on behalf of the State. The Law also permits waivers of ULSD and BART under limited circumstances at the discretion of the Commissioner of Environmental Conservation. The Law will also require reporting from State agencies and from contract vendors in affected contracts.

Therefore, the bidder hereby certifies and warrants that all heavy duty vehicles, as defined in NYECL §19-0323, to be used under this contract, will comply with the specifications and provisions of NYECL §19-0323, and any regulations promulgated pursuant thereto, which requires the use of BART and ULSD, unless specifically waived by NYSDEC. Qualification and application for a waiver under this Law will be the responsibility of the bid

EPA ENERGY STAR PROGRAM:

The Federal EPA, in cooperation with manufacturers, continues a program to foster the manufacture of energy efficient equipment. New York State fully supports this effort and requires all products offered to comply with EPA Energy Star guidelines for energy efficiency. The State may discontinue use of and-or delete from contract selected products as mandated by any NYS energy legislation that is enacted during the term of this contract. The contractor shall have no recourse with the State for such discontinuance-deletion.

CONTRACTOR CONSULTANT LAW REQUIREMENTS:

It is the responsibility of each agency purchasing consultant services to ensure compliance with the requirements of Chapter 10 of the Laws of 2006 with respect to the Consultant Disclosure Legislation. Agencies must ensure that Disclosure Form A, a one time report of planned employment data for the entire term of the contract is submitted to OSC for contract approval. Contractors must submit the Consultant Disclosure Form B, the Contractor's **Annual** Employment Report of employment information by May 15th of each year for the fiscal year April 1st through March 31st. Form B is submitted annually to the contracting agency, the Office of the State Comptroller and the Department of Civil Service to report historical information, detailing actual employment data for each fiscal year (April 1 to March 31) the contract is in effect. For more information regarding this legislation and its requirements, please refer to the requirement "**Employee Information Required To Be Reported By Certain Consultant Contractors And Service Contractors**" contained in the original bid or contract template and the OSC G Bulletin 226:

<http://www.osc.state.ny.us/agencies-gbull-g-226.htm>.

CONTRACTOR REQUIREMENTS AND PROCEDURES FOR EQUAL EMPLOYMENT AND BUSINESS PARTICIPATION OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND NEW YORK STATE CERTIFIED MINORITY-WOMEN-OWNED BUSINESSES

In accordance with Article 15-A of the New York State Executive Law (Participation by Minority Group Members and Women with Respect to State Contracts) and in conformance with the Regulations promulgated by the Minority and Women's Business Development Division of the New York State Department of Economic Development set forth at 5 NYCRR Parts 140-144, the Offerer-Contractor agrees to be bound by the following to promote equality of economic opportunities for minority group members and women, and the facilitation of minority and women-owned business enterprise participation on all covered OGS contracts.

a. Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the Offerer agrees with all of the terms and conditions of Appendix A including Clause 12 - Equal Employment Opportunities for Minorities and Women. The contractor is required to ensure that the provisions of Appendix A clause 12 – Equal Employment Opportunities for minorities and women, are included in every subcontract in such a manner that the requirements of these provisions will be binding upon each subcontractor as to work in connection with the State contract.

b. Participation Opportunities for New York State Certified Minorities and Women-Owned Businesses

Authorized Users are encouraged to make every good faith effort to promote and assist the participation of New York State Certified Minority and Women-owned Business Enterprises (M-WBE) as subcontractors and suppliers on this contract for the provision of services and materials. To locate New York State Certified M-WBEs, the directory of Certified Businesses can be viewed at: http://www.empire.state.ny.us/Small_and_Growing_Businesses-mwbe.asp

USE OF RECYCLED OR REMANUFACTURED MATERIALS:

New York State, as a member of the Council of Great Lakes Governors, supports and encourages vendors to use recycled, remanufactured or recovered materials in the manufacture of products and packaging to the maximum extent practicable without jeopardizing the performance or intended end use of the product or packaging unless such use is precluded due to health or safety requirements or product specifications contained herein. Refurbished or remanufactured components or products are required to be restored to original performance and regulatory standards and functions and are required to meet all other requirements of this bid solicitation. Warranties on refurbished or remanufactured components or products must be identical to the manufacturer's new equipment warranty or industry's normal warranty when remanufacturer does not offer new equipment. See "Remanufactured, Recycled, Recyclable or Recovered Materials" in Appendix B, OGS General Specifications.

(continued)

DEBRIEFING:

Contractors and bidders are accorded fair and equal treatment with respect to the opportunity for debriefing. OGS shall, upon request, provide a debriefing to any bidder or awarded contractor that responded to the IFB or RFP regarding the reason that the proposal or bid submitted by the unsuccessful bidder was not selected for a contract award. The post award debriefing should be requested by the bidder or awarded contractor within thirty days of posting of the contract award on the OGS website.

PSG's DISPUTE RESOLUTION POLICY:

It is the policy of the Office of General Services' Procurement Services Group (PSG) to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to PSG bid solicitations or contract awards. PSG encourages vendors to seek resolution of disputes through consultation with PSG staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes. A copy of PSG's Dispute Resolution Procedures for Vendors may be obtained by contacting the person shown on the front of this document or through the OGS website (www.ogs.ny.gov).
