Additional Information
 Our range of discounts is contingent on the discounts we receive from our publishers. The range of discounts can vary from publisher to publisher where we receive no discount to most often around 30% (which in some instances we purchase at a zero discount complete a larger order for our customer. We have to build in to this pricing costs to our offices both inbound and outbound, thus our margins are very slim.

Although we ship FEDX our minimum cost for us \$7.00 that does not include packaging materials or cost of labor. The minimal handling charge of \$10.00 over 25 books does not even nearly cover these expenses.
