**SUBJECT:** CONTRACT SCOPE CHANGE / INSTALLATION & SYSTEMS INTEGRATION

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

We indicated by Purchasing Memo CL-610 dated December 21, 2004 that we would update you periodically regarding the services available from these contracts. Effective August 1, 2005, only product and maintenance may be acquired from the above mentioned (and all other Alarm and Security contracts). Installation and Systems Integration Services will no longer be available from these contracts.

Contract users should utilize their normal purchasing procedures to acquire these non-contract services. As a reminder, all users (State and Non-state agencies) should consider necessary public works requirements such as applicable labor rates and building codes when contracting for these services.
