Customer Services  
(518) 474-6717  
[customer.services@ogs.ny.gov](mailto:customer.services@ogs.ny.gov)

**CONTRACTOR/** Life Technologies Corporation

**CONTRACT NO.:** PC63713

**SUBJECT: CORRECTION TO CONTRACT AWARD DOCUMENT AND PRICE LIST**

**ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The contract award document incorrectly identified Life Technologies Corporation as having price list for Lot 1 through Lot 4. They actually have price list for Lot 1 and Lot 4 only. In addition, the price list posted on the OGS website had multiple blank pages between Lot 1 and Lot 4 which contributed to confusion. The award document has been corrected and the price list has been replaced showing just Lot 1 and Lot 4.

All other terms and conditions of the contract remain the same.

Waters Technologies Corporation / PC63718  
Thermo Electron North America, LLC / PC63763

**SUBJECT: CONTRACT EXTENSION**

**ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

All of the above contractors, Award 20767 have extended their contract through March 18, 2014.

Extensions have been modified to include: the **Iran Divestment Act, Article 15-A Revisions (Equal Employment and Business Participation Opportunities)** and **Appendix A Revisions** which became effective December 2012.

**NOTE:** Agilent Technologies, Inc. / PC63716 have agreed to increase their discount from 18.9% to 19.9% as a result of their agreement to extend their contract until March 18, 2014.

Water's Technologies Corporation has recently increased their discounts for Lot II Mass Spectrometry from 13.75% to 15% AND Lot III Chromatography from 9.5% to 12%.

PerkinElmer Health Sciences, Inc. PC63714 have agreed to increase their discounts for Instrument/Accessories for Lot I from 5%-8% and for Lot II-Lot IV from 5%-10%.

Dionex Corporation / PC63712 have increased their discounts for LOT III Chromatography components "HPLC" from 15% to 20% and 5% to 8% on "IC" equipment.

Shimadzu Scientific Instruments, Inc./ PC63715 continues to offer their contract discount but in addition to that they offer promotional specials and bundled offers to NYS customers which average an additional annual 5% discount above the contract discount.

Thermo Electron North America, LLC /PC63763 have not updated their price list since 2009. Since they have not had any price increases or price adjustments since 2009 they cannot increase their discounts.

VWR International, LLC / PC63717 have increased discounts for LOT II Mass Spectroscopy from 12% to as high as 23% which will become effective with the approval of the 2013 price list.

Please contact the Contract Management Specialist above if you should have any questions.

**EDUCATIONAL DISCOUNTS (PerkinElmer ONLY)**

- The discounts offered under this program are not fixed, nor is the US List Price. The benefit will be granted in the form of a discount from the US Price in effect at the time of the quotation. The discount will be determined at the time of a quotation. Please note that the discount cannot be combined with other discounts. At this time, discounts of up to the indicated percentage are available:

**Instrument Purchase Discount**

Schedule	University Discount %	Eligible Products
A	15	<b>GC, LC*, IR, TEA, UVS</b> unless specifically identified under a different schedule and <b>AA AAnalyst 200 &amp; 400.</b>
B	13	<b>ICP and MAS</b> , unless specifically identified under a different schedule.
C	10	<b>AA</b> unless specifically identified under a different schedule and <b>FTIR Spotlight.</b>
D	10	<b>AI Consumable</b> Items, \$100.00 minimum.
E	10	<b>AWS</b> unless specifically identified under a different schedule.
F	10	<b>MLD &amp; RRD</b> unless specifically identified under a different schedule.
G	10	<b>LIV, FGP</b> unless specifically identified under a different schedule and <b>RRD Cyclone.</b>
H	10	<b>ANP, SPS</b> unless specifically identified under a different schedule.

- LC N298 preconfigured system packages will receive a 5% university benefit discount.

(continued)

**Qualification to purchase instruments under the University Benefit Program:**

All post-high school degree granting institutions of higher learning may qualify for this Program. Affiliation with an institution is not sufficient to qualify, e.g., most hospitals have an affiliation with a medical school but the hospital does not grant the degree, the university does; hence the hospital is not eligible in this example. Customer must:

- purchase products directly from PerkinElmer LAS, Inc. The University discount or applicable promotional program discount, whichever is higher, will apply to the order.
- Customers must purchase directly from PKI.

**Consumables Purchase Discount:**

Universities receive a 10% discount on qualifying catalogue items consisting of Analytical Instrument consumables and selected minor accessories. The University consumable discount cannot be combined with other discounts.

Please note that the University Benefit is calculated against US List Price in effect at the time of an order. The eligible State user will receive the best discount available based on the terms of the program or contract.

Cash Discount, If Shown, Should be Given Special Attention.

**INVOICES MUST BE SENT DIRECTLY TO THE ORDERING AGENCY FOR PAYMENT.**

**(See "Contract Payments" and "Electronic Payments" in this document.)**

AGENCIES SHOULD NOTIFY THE PROCUREMENT SERVICES GROUP PROMPTLY IF THE CONTRACTOR FAILS TO MEET DELIVERY OR OTHER TERMS OF THIS CONTRACT. PRODUCTS OR SERVICES WHICH DO NOT COMPLY WITH THE SPECIFICATIONS OR ARE OTHERWISE UNSATISFACTORY TO THE AGENCY SHOULD ALSO BE REPORTED TO THE PROCUREMENT SERVICES GROUP.

**SMALL, MINORITY AND WOMEN-OWNED BUSINESSES:**

The letters SB listed under the Contract Number indicate the contractor is a NYS small business. Additionally, the letters MBE and WBE indicate the contractor is a Minority-owned Business Enterprise and/or Woman-owned Business Enterprise.

**RECYCLED, REMANUFACTURED AND ENERGY EFFICIENT PRODUCTS:**

The Procurement Services Group supports and encourages the purchase of recycled, remanufactured, energy efficient and "energy star" products. If one of the following codes appears as a suffix in the Award Number or is noted under the individual Contract Number(s) in this Contract Award Notification, please look at the individual awarded items for more information on products meeting the suffix description.

RS,RP,RA	Recycled
RM	Remanufactured
SW	Solid Waste Impact
EE	Energy Efficient
E*	EPA Energy Star
ES	Environmentally Sensitive

**NOTE TO AUTHORIZED USERS:**

When placing purchase orders under the contract(s), the authorized user should be familiar with and follow the terms and conditions governing its use which usually appears at the end of this document. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes. The authorized user must periodically sample the results of its procurements to determine its compliance. In sampling its procurements, an authorized user should test for reasonableness of results to ensure that such results can withstand public scrutiny.

The authorized user, when purchasing from OGS contracts, should hold the contractor accountable for contract compliance and meeting the contract terms, conditions, specifications, and other requirements. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

(continued)

**NOTE TO AUTHORIZED USERS: (Cont'd)**

Authorized users have the responsibility to document purchases, particularly when using OGS multiple award contracts for the same or similar product(s)/service(s), which should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase,
- the reason(s) supporting the resulting purchase (e.g., show the basis for the selection among multiple contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

**PRICE:**

Price includes all customs duties and charges and is net, F.O.B. destination any point in New York State as designated by the ordering agency including tailgate delivery, unless otherwise noted in the contract award.

In addition, upon mutual agreement, delivery locations may be expanded per the "Extension of Use" clause.

(continued)

**REQUEST FOR CHANGE:**

Any request by the agency or contractor regarding changes in any part of the contract must be made in writing to the Office of General Services, Procurement Services Group, prior to effectuation.

**CONTRACT PAYMENTS:**

Payments cannot be processed by State facilities until the contract products have been delivered in satisfactory condition or services have been satisfactorily performed. Payment will be based on any invoice used in the supplier's normal course of business. However, such invoice must contain sufficient data including but not limited to contract number, description of product or service, quantity, unit and price per unit as well as federal identification number.

State facilities are required to forward properly completed vouchers to the Office of the State Comptroller for audit and payment. All facilities are urged to process every completed voucher expeditiously giving particular attention to those involving cash discounts for prompt payment.

If the contract terms indicate political subdivisions and others authorized by law are allowed to participate, those entities are required to make payments directly to the contractor. Prior to processing such payment, the contractor may be required to complete the ordering non-State agency's own voucher form.

See "Contract Billings" in Appendix B, OGS General Specifications.

**ELECTRONIC PAYMENTS:**

The Office of the State Comptroller (OSC) offers an "electronic payment" option in lieu of issuing checks. To obtain an electronic payment authorization form visit the OSC website at [www.osc.state.ny.us](http://www.osc.state.ny.us) or contact them by e-mail at [epunit@osc.state.ny.us](mailto:epunit@osc.state.ny.us) or by phone at 518-474-4032.

**NOTE TO CONTRACTOR:**

This Contract Award Notification is not an order. Do not take any action under this contract except on the basis of purchase order(s) from the agency or agencies.

**OVERLAPPING CONTRACT ITEMS:**

Products/services available in this contract may also be available from other New York State contracts. Agencies should select the most cost effective procurement alternative that meets their program requirements and maintain a procurement record documenting the basis for the selection.

**PSG's DISPUTE RESOLUTION POLICY:**

It is the policy of the Office of General Services' Procurement Services Group (PSG) to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to PSG bid solicitations or contract awards. PSG encourages vendors to seek resolution of disputes through consultation with PSG staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes. A copy of PSG's Dispute Resolution Procedures for Vendors may be obtained by contacting the person shown on the front of this document or through the OGS website ([www.ogs.state.ny.us](http://www.ogs.state.ny.us)).

**PROCUREMENT LOBBYING TERMINATION:**

OGS reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer/bidder in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, OGS may exercise its termination right by providing written notification to the Offerer/bidder in accordance with the written notification terms of this contract.

**EXTENSION OF USE:**

This contract may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate in any resultant contract if such State normally allows participation by such entities. New York State reserves the right to negotiate additional discounts based on any increased volume generated by such extensions.

(continued)

**MINIMUM ORDER:**

Minimum order shall be \$100.00.

Contractor may elect to honor orders for less than the minimum order. For such orders, at the contractor's option, shipping costs from the contractor's address (as stated in bid) may be added to invoice with a copy of the freight bill. Shipping costs are to be prepaid by contractor and such orders are to be shipped on an F.O.B. destination basis. All such orders must be shipped by the most economical method for the proper delivery of the product unless special instructions are stated on the order by the agency.

**CONTRACT UPDATES - ADDITION AND DELETION PRODUCTS:**

Price lists will be updated quarterly from the date of award. The contract prices may be subject to increase or decrease during the contract period in accordance with changes which may be made by the manufacturer in their established, nationally distributed price list or published catalog. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount originally accepted for award shall not be decreased during the contract period.

New products will be considered for inclusion provided they are pertinent to the Awarded Lot description and offered to the State at the same Lot discount or greater, terms and conditions as in the original bid.

Price list updates must be submitted electronically in accordance with the Bid Submittal clause for each awarded LOT. Awarded contractor must submit a new all inclusive price list for each LOT that they wish to update. The state will not update partial price lists.

Product changes to Contract are addressed in the following manner. In order to expedite processing of a change request that involves more than one specified category below, each request should be submitted separately to OGS.

a) **AUTO ADDS / DELETIONS** - "Auto Adds/Deletions" are Contract changes and updates made in accordance with the previously approved Contract pricing formula; e.g., a "discount from list" or pricing based on an approved GSA-based price Schedule. "Auto Adds/Deletions" include: i) adding new products within the established, previously approved pricing structure, ii) lowering pricing for Products previously incorporated under the Contract, and iii) deleting Products previously incorporated under the Contract. Contractor shall forward the updated Contract price list to OGS for prior approval before changes (additions or deletions) are made to the Contract. Contractor may not supply new product offerings until after receipt of OGS approval. While price decreases (ii) may take effect at any time, Contractor shall provide to OGS new updated price lists. For category (iii) Auto Deletions, Contractor must supply documentation supporting the unavailability of the product to the US market. Contractor should note, however, that all "Auto Adds" or Deletions approved by OGS are subject to a post audit by the Office of the State Comptroller.

b) **REGULAR ADD** - "Regular Adds" are requests for i) price increases for Products incorporated under the Contract for other than previously approved pricing structure, and ii) addition of new products to the Contract which do not fall under the previously established price structure or discounts for Product types previously approved under the Contract. Regular Adds include but are not limited to newly added manufacturer's product lines, re-bundled Products or Services, etc. Regular Adds must be submitted to OGS for prior approval, and must be accompanied by a justification of reasonableness of price. Regular Adds are subject to pre-audit by the Comptroller. If approved, OGS staff will notify Contractor in writing. Contractor may not supply new product offerings until after receipt of OGS approval of the "Regular Add." When Contract pricing is based on GSA prices, the revised prices or prices of new Products must reflect current GSA prices adjusted as necessary for any additional discounts.

c) **SPECIAL ADD** - Contract changes and updates that do not fall within either of the above categories will be processed as "Special Adds". Special Adds are changes that are not specifically covered by the terms of the Contract but inclusion is found to be in the best interest of the State. Contractor must provide a justification of reasonableness of the prices offered and a statement explaining why it is in the best interest of the State to approve the new Products. Special Adds are subject to pre-audit by the Office of the State Comptroller. If approved, OGS staff will notify Contractor in writing. Contractor may not supply new offerings until after receipt of OGS approval of the "Special Add."

(continued)

**SOFTWARE:**

It shall be the responsibility of each individual agency to sign any required licensing agreements for the use of software.

**PRICE LISTS:**

The percentage discount may, at the contractor's option, be increased based on individual orders. (Short term promotional discounts may be offered at any time.) Discounts may be greater, but in no instance may they be lower than those awarded for the LOT. Price list updates are allowed and must be approved by the Office of General Services, as stated in the "Price Change Clause" of this document.

**VOLUME DISCOUNTS:**

Contractors may offer volume discount(s). Volume discounts may be applied per purchase order and/or cumulatively per customer agency per year. Volume discounts shall be defined and applied as follows: Purchase order volume discounts shall be additional discount(s) applied to individual purchase orders over a specified dollar amount (Option I). Cumulative or aggregated volume discount(s) shall be an additional discount(s) applied to purchases from individual agencies based on aggregated dollar volumes per year (Option II). It is the ordering agency's responsibility to track and monitor the sales volume to ensure they are receiving the appropriate volume discount(s).

**CONTRACT PERIOD AND RENEWALS:**

It is the intention of the State to enter into a contract for a term of four (4) years as stated herein.

If mutually agreed between the Procurement Services Group and the contractor, the contract may be renewed under the same terms and conditions for additional period(s) not to exceed a total contract term of five (5) years.

**SHORT TERM EXTENSION:**

In the event the replacement contract has not been issued, any contract let and awarded hereunder by the State, may be extended unilaterally by the State for an additional period of up to one month upon notice to the contractor with the same terms and conditions as the original contract including, but not limited to, quantities (prorated for such one month extension), prices, and delivery requirements. With the concurrence of the contractor, the extension may be for a period of up to three months in lieu of one month. However, this extension terminates should the replacement contract be issued in the interim.

**WARRANTIES:**

See "Warranties" in Appendix B, OGS General Specifications.

**EPA ENERGY STAR PROGRAM:**

The Federal EPA, in cooperation with manufacturers, continues a program to foster the manufacture of energy efficient equipment. New York State fully supports this effort and requires all products offered to comply with EPA Energy Star guidelines for energy efficiency. The State may discontinue use of and/or delete from contract selected products as mandated by any NYS energy legislation that is enacted during the term of this contract. The contractor shall have no recourse with the State for such discontinuance/deletion.

**INTERNET WEBSITES:**

The State would prefer and recommends that successful bidders have a designated NYS contract website for end users direct access. This website will be listed under the Contractor information. The website will be the responsibility of the contractor to maintain and keep updated. Changes in product line or pricing must be approved by the Procurement Services Group in accordance with any terms included in this bid prior to addition to the website. Hard copy catalog and price lists, either in paper format or electronic format, must be available to all end users who either do not have web access or prefer the optional format.

(continued)

**PRICE SHEETS AND CATALOGS:**

Contractor shall be required to furnish, without charge, catalog and price lists identical to those accepted with their bid, including any changes (additions, deletions, etc.) pursuant to the contract, to authorized users which request them. Catalogs and price lists provided must reflect all products excluded from the resultant contract either through the omission of those portions or by obvious indications within the catalogs and price lists.

Catalogs and price lists may be furnished in either hard-copy or electronic format. If available in both formats, they shall be furnished in the format preferred by the requesting authorized user. Upon request the contractor shall assist authorized users in the use of catalogs and price lists.

**INSTRUCTION MANUALS:**

Simultaneous with delivery, the contractor(s) shall furnish to the authorized user a complete instruction manual for the product and for each component supplied. The manual shall include complete instructions for unpacking, inspecting, installing, adjusting, aligning, and operating the product, together with layout and interconnection diagrams, schematic and wiring diagrams, preventive and corrective maintenance procedures, and complete parts lists, manufacturer's catalog numbers, and ordering information, if applicable.

**REPORT OF CONTRACT PURCHASES:**

Contractor shall furnish a report containing both state agency and authorized non-state agency contract purchases by the fifteenth of the month following the end of each six month period. In addition to contractor direct sales, contractor shall submit sales information for all resellers, dealers, distributors or other authorized distribution channels, where such contract sales are provided by other than the contractor. Contractors shall verify if each alternate vendor is a NYS Certified Minority (MBE) or Women (WBE) Owned Businesses. Contractors shall verify such status through the Empire State Development Minority and Women Owned Businesses Database web site at: <http://205.232.252.35/>.

A separate report shall be provided in the following format for each authorized distribution channel. The sales report form is forwarded to each contractor at time of award for completion in accordance with the contract terms and conditions:

<u>Item/ SubItem Number</u>	<u>Product or Catalog Number</u>	<u>Product/ Service Description</u>	<u>Total Quantity Shipped to State Agencies</u>	<u>Total Quantity Shipped to Authorized Non-State Agencies</u>	<u>Total \$ Value</u>
					\$
				Grand Total	\$

The report is to be submitted to the Office of General Services, Procurement Services Group, Tower Bldg., Empire State Plaza, Albany, NY 12242, to the attention of the individual shown on the front page of the Contract Award Notification and shall reference the Group Number, the Award Number, Contract Number, sales period, and contractor's (or other authorized agent) name.

The outlined sales report is the minimum information required. Additional related sales information, such as monthly reports, and/or detailed user purchases may be required and must be supplied upon request.

"OGS OR LESS" GUIDELINES APPLY TO THIS CONTRACT:

Purchases of the products included in the Invitation For Bids and related Contract Award Notification are subject to the "OGS or Less" provisions of Section 163.3.a.v., Article XI, of the New York State Finance Law. This means that State agencies can purchase products from sources other than the contractor provided that such products are substantially similar in form, function or utility to the products herein and are:

1. lower in price  
-and/or-
2. available under terms which are more economically efficient to the State agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office and competitive bidding of requirements exceeding the discretionary bid limit. State agencies should refer to Procurement Council Bulletin "OGS or Less Purchases" for complete procedural and reporting requirements.
