

# Contract Award Notification Update

---

## Subject: Extended Final Order Date

**DATE:** September 8, 2015      **AWARD #:** [22737](#)      **GROUP #:** 40451  
**AWARD DESCRIPTION:** Light Duty Vehicles including Law Enforcement (Model year 2014 or Current Model Year (Statewide)  
**CONTRACT PERIOD:** Model Year 2014 and 2015  
**CONTACT:** Michael Riley | 518-474-6716 | [michael.riley@ogs.ny.gov](mailto:michael.riley@ogs.ny.gov)  
**CONTRACT NO.:** PC66390      **CONTRACTOR:** Webster Ford, Inc. DBA Henderson Ford

Procurement Services has been notified by Henderson Ford that the "2015 Final Order Date" for Ford Sedan Police Interceptors (Lot IV, Items 9 through 11) has been extended to September 15, 2015. Contract users are advised to submit their purchase orders for these vehicles prior to September 15, 2015.

Please be advised that the "Final Order Dates" have passed for all other vehicles included on Award 22737.

Therefore, each vehicle included on Award 22737 will no longer be available under the contract upon the manufacturer's model year build-out date, or depletion of all stocks, whichever occurs last for the 2015 model year. The 2016 model year will not be available under the contracts. Instead, authorized users are advised to utilize Award 22898 to purchase the light duty vehicles included in this Award after the 2015 Final Order Date has been reached for the applicable vehicle.

Award 22898 is posted on the OGS website here:  
<http://www.ogs.ny.gov/purchase/spg/awards/4045122898CAN.HTM>.

All other terms and conditions of this Award Notification remain the same.

# Contract Award Notification Update

**Subject:** Recall for Jeep Grand Cherokee, Dodge Durango and Dodge Charger

**DATE:** July 31, 2015      **AWARD #:** [22737](#)      **GROUP #:** 40451  
**AWARD DESCRIPTION:** Light Duty Vehicles including Law Enforcement (Model year 2014 or Current Model Year (Statewide)  
**CONTRACT PERIOD:** Model Year 2014 and 2015  
**CONTACT:** Michael Riley | 518-474-6716 | michael.riley@ogs.ny.gov  
**CONTRACT NO.:** PC66385      **CONTRACTOR:** Howell & Pierson Inc. d/b/a Main Motorcar  
PC66387      Robert Green Auto & Truck

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 15V461000**

Chrysler (FCA US LLC) has issued a recall on certain 2014 and 2015 vehicles. These vehicles are available under contract and are referenced below. Contract users who have purchased or intend to purchase any of these vehicles should contact the contractor to determine if their vehicle is affected by this recall.

<b><u>Contractor Name</u></b>	<b><u>Lot/Item No</u></b>	<b><u>Year/Make/Model of Vehicle</u></b>
Main Motorcar	Lot II, Item 4	2014 and 2015 Jeep Grand Cherokee
Main Motorcar	Lot II, Item 8	2014 and 2015 Dodge Durango
Robert Green Auto & Truck	Lot IV, Items 5 and 6	2014 and 2015 Dodge Durango
Main Motorcar	Lot IV, Item 7	2015 Dodge Charger
Robert Green Auto & Truck	Lot IV, Item 8	2015 Dodge Charger

**Recall Summary:** Chrysler (FCA US LLC) is recalling certain model year 2013-2015 Ram 1500, 2500, 3500, 4500, and 5500, 2015 Chrysler 200, Chrysler 300, Dodge Charger, and Dodge Challenger, 2014-2015 Jeep Grand Cherokee, Cherokee, and Dodge Durango, and 2013-2015 Dodge Viper vehicles. The affected vehicles are equipped with radios that have software vulnerabilities that can allow third-party access to certain networked vehicle control systems.

**Consequence:** Exploitation of the software vulnerability may result in unauthorized remote modification and control of certain vehicle systems, increasing the risk of a crash.

**Remedy:** Chrysler will notify and mail affected owners a USB drive that includes a software update that eliminates the vulnerability, free of charge. Optionally, owners may download the update to their own USB drive from <http://www.driveuconnect.com/software-update/> or take their vehicle to a Chrysler dealer for immediate installation. In an effort to mitigate the effects of this security vulnerability, Chrysler has had the wireless service provider close the open cellular connection to the vehicle that provided unauthorized access to the vehicle network. This measure may not have been implemented on all vehicles and does not address access by other means that will be remedied by the software update. The manufacturer has not yet provided a notification schedule. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is R40.

**Notes:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

RECALL FOR 2015 CHEVROLET TAHOE (Lot IV, Items 3 & 4) & (Lot V, Items 3 & 4)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued the following recall notice on certain 2015 Chevrolet Tahoe and Suburban models which are available under Contract. Contract users who have purchased or intend to purchase one of the vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on the recall are stated below.

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V719000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2015 Chevrolet Silverado, Suburban, Tahoe, GMC Sierra, and Yukon XL vehicles, equipped with electric power steering (EPS). Due to a problem with the EPS module, the affected vehicles may experience a sudden loss of power steering assist during vehicle operation.

**CONSEQUENCE:** An expected loss of power steering increases the risk of a crash.

**REMEDY:** GM will notify owners, and dealers will replace the power steering assist motor kit, free of charge. The recall began on November 17, 2014. Owners may contact GM customer service at 1-800-222-1020 (Chevrolet), or 1-800-462-8782 (GMC). GM's number for this recall is 14743.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT: RECALLS FOR 2014/2015 FORD TRANSIT (Lot I, Items 3 - 6) and (Lot II, Item 14)  
RECALLS FOR 2014 FORD F-150 (Lot I, Items 7 & 8) and (Lot II, Item 15)  
RECALL FOR 2014/2015 FORD FUSION (Lot I, Item 1)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Ford Motor Company has issued the following recall notices on certain Ford models which are available under Contract. Contract users who have purchased or intend to purchase one of these vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on the recall are stated below.

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V703000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 Transit Connect vehicles manufactured August 1, 2013, to July 10, 2014. In the affected vehicles, the fuel and vapor lines may have been incorrectly installed in the engine compartment, allowing the two lines to make contact.

**CONSEQUENCE:** Contact between the two lines may result in abrasion and a fuel leak. A fuel leak in the presence of an ignition source increases the risk of a fire.

**REMEDY:** Ford has notified owners, and dealers will inspect the fuel line routing. If the fuel line has been routed incorrectly, it will be replaced and routed correctly. These repairs will be made free of charge. The recall began on November 17, 2014. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14S24.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

(Cont'd)

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V708000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2015 Ford Transit vehicles manufactured July 28, 2014, to August 7, 2014. In the affected vehicles the fuel filter bracket mounting may detach from the frame cross member over time.

**CONSEQUENCE:** A separation of the fuel filter from the cross member will disrupt distribution of fuel to the engine, thereby inducing an engine stall. An unexpected engine stall while driving increases the risk of a crash.

**REMEDY:** Ford will notify owners, and dealers will install a reinforcement plate, free of charge. The recall is expected to begin December 15, 2014. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14S23.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V709000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 F-150 vehicles manufactured March 1, 2014, to March 13, 2014. The affected vehicles may have a brake pedal position switch that is improperly adjusted. As a result, the brake lights may illuminate with a delay or not at all. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment."

**CONSEQUENCE:** If the brake lights fail to illuminate, or illuminate after a delay, there is an increased risk of a crash.

**REMEDY:** Ford has notified owners, and dealers will adjust the brake pedal position switch, free of charge. The recall began on November 24, 2014. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14C09. Note: Until the vehicle has been remedied, owners are advised not to use their cruise control system.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V710000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 Ford F-150 and Flex vehicles manufactured March 1, 2014, to May 31, 2014. The affected vehicles were manufactured with a reduced clearance between the seat frame and the seat track assembly. This can cause the Occupant Classification System (OCS) to inaccurately register passenger weight and improperly suppress the passenger front airbag when the passenger seat is occupied by an adult passenger. Thus, these vehicles fail to comply with the Federal Motor Vehicle Safety Standards (FMVSS) No. 208, "Occupant Crash Protection."

**CONSEQUENCE:** Improper suppression of the passenger airbag increases the risk of an injury to the seat occupant in the event of a crash necessitating deployment of the front passenger airbag.

**REMEDY:** Ford will notify owners, and dealers will widen the gap between the seat frame and seat track assembly and recalibrate the seat OCS, free of charge. The recall began November 25, 2014. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14C10.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

(Cont'd)

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V736000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014-2015 Ford Fusion vehicles manufactured July 27, 2013, to October 31, 2014, 2015 Ford Fusion Hybrid vehicles manufactured February 24, 2014, to October 31, 2014, and 2015 Ford Fusion Energi vehicles manufactured July 14, 2014, to October 31, 2014. In the affected vehicles, the key may be able to be removed even while the transmission is not in Park. Thus, these vehicles fail to comply with the requirements of the Federal Motor Vehicle Safety Standards (FMVSS) No. 114, "Theft Protection and Rollaway Prevention."

**CONSEQUENCE:** If the key can be removed despite that the transmission is not in Park, a driver may think the vehicle is safety parked, when it is not, increasing the risk of a vehicle rollaway that could cause the vehicle to strike and injure the driver, other vehicle occupants, or bystanders.

**REMEDY:** Ford will notify owners, and dealers will repair the vehicles, free of charge. The recall is expected to begin January 5, 2015. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14C11.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V777000**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 Ford Transit Connect cargo vans manufactured August 9, 2013, to September 20, 2014. The affected vehicles are equipped with sliding door panels that may have an improper bond strength between the plastic panel and paint primer. This could cause the door panel to separate from the vehicle while driving.

**CONSEQUENCE:** If the plastic sliding door panel separates while driving, it can increase the risk of a vehicle crash.

**REMEDY:** Ford will notify owners, and dealers will reinstall the panel with proper materials, free of charge. The recall is expected to begin January 12, 2015. Owners may contact Ford customer service at 1-866-436-7332. Ford's number for this recall is 14S26.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**RECALL FOR DODGE CHARGER (Lot IV, Items 7 & 8 and Lot V, Item 6)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Chrysler Group LLC has issued the following recall notices on certain Chrysler/Jeep models. They include Jeep Grand Cherokee, Dodge Durango, and Dodge Charger. These vehicles are available under Contract. Contract users who have purchased or intend to purchase one of the vehicles should contact the appropriate contractor listed above to determine if their vehicle is affected by any recall. Specifics on each recall are summarized below.

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NTSA) RECALL NUMBER 14V634000**

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2011-2014 Chrysler 300, Dodge Charger, Challenger, and Durango; and 2012-2014 Jeep Grand Cherokee vehicles manufactured April 22, 2010, to January 2, 2014, and equipped with a 3.6L engine and a 160 amp alternator. In the affected vehicles, the alternator may suddenly fail.

**CONSEQUENCE:** If the alternator fails, the vehicle may stall without warning, increasing the risk of a crash.

**REMEDY:** Chrysler is expected to begin notifying owners of this recall on November 28, 2014. The remedy for this recall campaign is still under development. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is P60.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

(Cont'd)

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NTSA) RECALL NUMBER 14V636000**

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2014 Dodge Durango, and Jeep Grand Cherokee vehicles manufactured October 3, 2013, to April 11, 2014. Due to an issue with the software for the Steering Column Control Module (SCCM), the Electronic Stability Control (ESC) may be disabled.

**CONSEQUENCE:** If the ESC is disabled during certain driving situations, the driver may not be able to adequately control the vehicle, increasing the risk of a crash.

**REMEDY:** Chrysler will notify owners, and dealers will update the SCCM software, free of charge. The recall is expected to begin on December 5, 2014. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is P64.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NTSA) RECALL NUMBER 14V643000**

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2014 Dodge Durango vehicles manufactured June 2, 2013, to June 28, 2014, and 2014 Jeep Grand Cherokee vehicles manufactured October 30, 2012, to April 30, 2014. Due to a fault within the Occupant Restraint Control (OCR) module, the frontal air bags, seat belt pretensioners, and side air bags may be disabled. The malfunction indicator light MIL should i warn drivers of a failure.

**CONSEQUENCE:** If the frontal air bags, seat belt pretensioners, and side air bags are disabled, there is an increased risk of injury to the vehicle occupants in the event of a vehicle crash that necessitates use of the passive restraint system.

**REMEDY:** Chrysler will notify owners, and dealers will replace the ORC module, free of charge. The recall is expected to begin on December 8, 2014. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is P67.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued the following recall notice on certain Chevrolet models which are available under Contract. Contract users who have purchased or intend to purchase one of the vehicles should contact the appropriate contractor listed above to determine if their vehicle is affected by the recall. Specifics on the recall are stated below.

**NATIONAL HIGHWAY TRAFFIC SAFETY ADMINISTRATION (NHTSA) RECALL NUMBER 14V614000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2013-2014 Cadillac CTS, Escalade, Escalade ESV, Chevrolet Suburban, Tahoe, GMC Yukon, and Yukon XL, and 2014 Buick Enclave, Chevrolet Express, Impala, Silverado HD, Traverse, GMC Acadia, Savana, and Sierra HD vehicles. In the affected vehicles, the chassis electronic module may be internally contaminated, resulting in an electrical short.

**CONSEQUENCE:** If the module experiences an electrical short, the vehicle could stall, increasing the risk of a crash.

**REMEDY:** GM will notify owners, and dealers will replace the chassis electronic module, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact GM customer service at 1-800-521-7300 (Buick), 1-800-458-8006 (Cadillac), 1-800-222-1020 (Chevrolet), and 1-800-462-8782 (GMC). GM's number for this recall is 14515.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**RECALLS FOR CHEVROLET IMPALA (LOT 2, Item 19 and Lot IV, Item 1)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued the following recall notices on the 2015 Chevrolet Suburban, Chevrolet Tahoe and Chevrolet Impala. These vehicles are available under Contract. Contract users who have purchased or intend to purchase one of these models should contact the contractor listed above to determine if their vehicle is affected by any recall. Specifics on each recall are stated herein.

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V451000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2015 Chevrolet Suburban, Suburban LTZ, Tahoe, Tahoe LTZ, GMC Yukon, and Yukon XL Denali vehicles manufactured on May 13, 2014. The affected vehicles were assembled with a roof rail air bags (RRAB) that were not reinforced at the points where the bags contact the hardware used to attach the roof carrier.

**CONSEQUENCE:** During deployment, the RRAB may be punctured or torn by the roof carrier hardware, reducing its performance and increasing the risk of occupant injury in the event of a crash.

**REMEDY:** GM will notify owners, and dealers will replace the roof carrier attaching hardware, free of charge. The recall is expected to begin in early September 2014. Owners may contact GM customer service at 1-800-222-1020 (Chevrolet) or 1-800-462-8782 (GMC). GM's number for this recall is 14359.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

(Cont'd)

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V409000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Buick Regal, Cadillac XTS, Chevrolet Camaro and Chevrolet Impala vehicles. Improperly torqued fasteners may cause the steering intermediate shaft and the steering gear and/or the lower control arm and the lower ball joint to separate.

**CONSEQUENCE:** If any of the components separate, the vehicle may have a loss of steering, increasing the risk of a crash.

**REMEDY:** GM began to notify owners on June 27, 2014, and dealers will inspect the fasteners for correct torque, correcting them as necessary, free of charge. Owners may contact GM customer service at 1-800-521-7300 (Buick), 1-800-458-8006 (Cadillac) or 1-800-222-1020 (Chevrolet). GM's number for this recall is 14378.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V152000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Chevrolet Impala vehicles manufactured November 5, 2012, to December 20, 2013. Due to a poor electrical ground connection to the Power Steering Control Module (PSCM), the affected vehicles may have a loss of power steering assist during start up or while driving.

**CONSEQUENCE:** If power steering assist is lost, greater driver effort would be required to steer the vehicle at low speeds, increasing the risk of a crash.

**REMEDY:** GM will notify owners, and dealers will clean paint from behind the ground stud nut and update the PSCM software, free of charge. Owners may contact Chevrolet customer service at 1-800-222-1020. GM's number for this recall is 14330.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT: RECALL FOR CHEVROLET CAPRICE (Lot V, Item 7)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued the following recall notice on the 2014 Chevrolet Caprice. This vehicle is available under Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on this recall are stated below.

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V375000**

**Summary:** General Motors LLC (GM) is recalling certain model year 2013-2014 Chevrolet Caprice vehicles manufactured June 7, 2013, to May 29, 2014, and 2014 Chevrolet SS vehicles manufactured September 13, 2013, to March 4, 2014. In the affected vehicles, the windshield wiper motor gear teeth may strip causing the windshield wipers to become inoperative.

**Consequence:** Inoperative wipers will not clear rain or snow, reducing the driver's visibility, increasing the risk of a crash.

**Remedy:** GM will notify owners, and dealers will inspect the wiper module assembly and replace any affected ones, free of charge. The recall began on August 22, 2014. Owners may contact Chevrolet customer service at 1-800-222-1020. GM's number for this recall is 14295.

**Notes:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**RECALLS FOR CHEVROLET TAHOE (Lot IV, Items 3 & 4 and Lot V, Items 3 & 4)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued the following recall notices on the 2015 Chevrolet Suburban and Chevrolet Tahoe. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase either model should contact the contractor listed above to determine if their vehicle is affected by any recall. Specifics on each recall are stated herein.

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V374000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014-2015 Chevrolet Silverado and GMC Sierra vehicles, and model year 2015 GMC Yukon and Chevrolet Suburban and Tahoe vehicles. In the affected vehicles, an electrical signal short may cause the transfer case to shift to neutral without the driver's input.

**CONSEQUENCE:** If the transfer case switches to neutral while the vehicle is parked and the parking brake is not in use, the vehicle may roll away increasing the risk of injury to bystanders. If the transfer case switches to neutral while the vehicle is being driven, the vehicle would lose drive power, increasing the risk of a crash.

**REMEDY:** GM will notify owners, and dealers will re-program the software in the transfer case control module, free of charge. The recall is expected to begin in early August 2014. Owners may contact General Motors customer service at 1-800-222-1020 (Chevrolet), or 1-800-462-8782 (GMC). GM's number for this recall is 14192.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

(Cont'd)

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V301000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014-2015 Chevrolet Silverado and GMC Sierra, and 2015 Chevrolet Tahoe and Suburban vehicles equipped with a base radio and an internal amplifier. The radios in the affected vehicles may become inoperative, and as a result, there would be no audible chime to notify the driver if the door is opened with the key in the ignition or no audible seat belt warning indicating the seat belts were not buckled. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) numbers 114, "Theft Protection and Rollaway Prevention," and 208, "Occupant Crash Protection."

**CONSEQUENCE:** Without an audible indicator, the driver may not be aware that the driver's door is open while the key is in the ignition, increasing the risk of a vehicle rollaway. Additionally, there would be no reminder that the driver's or front seat passenger's seat belt is not buckled, which could increase the risk of injury in a crash.

**REMEDY:** GM will notify owners, and dealers will update the radio software, free of charge. The recall began on July 2, 2014. Chevrolet owners may contact GM's customer service at 1-800-222-1020. GMC owners may contact GM's customer service at 1-800-462-8782. GM's number for this recall is 14315.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V246000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Chevrolet Silverado vehicles manufactured May 23, 2013, through March 25, 2014, 2014 GMC Sierra vehicles manufactured May 25, 2013, through March 31, 2014, and 2015 Chevrolet Tahoe vehicles manufactured January 29, 2014, through March 27, 2014. In the affected vehicles, the tie rod threaded attachment may not be properly tightened to the steering gear rack.

**CONSEQUENCE:** An improperly tightened tie rod attachment may allow the tie rod to separate from the steering rack, resulting in a loss of steering, increasing the risk of a vehicle crash.

**REMEDY:** GM notified all owners, and dealers will inspect the inner tie rods to make sure that they are correctly tightened, replacing the steering gear, as necessary, free of charge. The recall began on May 14, 2014. Owners may contact General Motors customer service at 1-800-222-1020 (Chevrolet), or 1-800-462-8782 (GMC). GM's number for this recall is 14204. NOTE: Owners are advised not to drive their vehicles until they have been inspected and repaired. Owners should contact GM to have their vehicles towed to the dealership.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**National Highway Traffic Safety Administration (NHTSA) Campaign Number 14V152000**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Chevrolet Silverado Light Duty Regular Cab, Double Cab, and Crew Cab 1500 series and model year 2015 Suburban and Tahoe; GMC model year 2014 Sierra Regular Cab, Double Cab, and Crew Cab 1500 Series and model year 2015 Yukon and Yukon XL vehicles equipped with a 6-Speed Automatic Transmission (feature code MYC). The subject vehicles may have a transmission oil cooler line that is not securely seated in the fitting.

**CONSEQUENCE:** If the line is not securely seated and transmission oil leaks from the fitting, the oil could contact a hot surface and cause a vehicle fire.

**REMEDY:** GM will notify owners, and dealers will inspect the transmission oil cooler line connection and repair the vehicles, as needed, free of charge. The recall began on May 19, 2014. Owners may contact Chevrolet at 1-866-694-6546 or GMC owners may contact GMC at 1-866-996-9463. GM's number for this recall is 14121.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT:** RECALL FOR CHEVROLET IMPALA (Lot II, Item 19; Lot IV, Item 1)

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued a recall notice on the 2014 Chevrolet Impala. This vehicle is available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on this recall are stated herein.

**SUMMARY:** This defect can affect the safe operation of the airbag system. Until this recall is performed, customers should remove all items from their key rings, leaving only the ignition key. The key fob (if applicable), should also be removed from the key ring. General Motors LLC (GM) is recalling certain model year 2005-2009 Buick LaCrosse, 2006-2011 Buick Lucerne, 2000-2005 Cadillac DeVille, 2006-2011 Cadillac DTS, 2006-2014 Chevrolet Impala, and 2006-2007 Chevrolet Monte Carlo vehicles. In the affected vehicles, the weight on the key ring and road conditions or some other jarring event may cause the ignition switch to move out of the run position, turning off the engine.

**CONSEQUENCE:** If the key is not in the run position, the air bags may not deploy if the vehicle is involved in a crash, increasing the risk of injury. Additionally, a key knocked out of the run position will cause loss of engine power, power steering, and power braking, increasing the risk of a vehicle crash.

**REMEDY:** GM will notify owners, and dealers will install two 13mm key rings and key insert into the vehicle's ignition keys, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact General Motors customer service at 1-800-521-7300 (Buick), 1-800-458-8006 (Cadillac), and 1-800-222-1020 (Chevrolet). GM's number for this recall is 14299.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT: RECALL FOR 2014 Ford F-150 (Lot I, Item 7 and 8; Lot II, Item 15)**

#### **TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Ford Motor Company has issued a recall notice on 2014 Ford F-150 trucks. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on this recall are stated herein.

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2014 Ford F-150 trucks manufactured May 26, 2014 to June 19, 2014, and equipped with Electronic Power Assist Steering (EPAS). The affected vehicles may have an incorrectly installed EPAS gear motor position sensor magnet that can lead to a total loss of steering control while driving.

**CONSEQUENCE:** A loss of steering control while driving increases the risk of a vehicle crash.

**REMEDY:** Ford will notify owners, and dealers will replace the EPAS steering gear, free of charge. The recall is expected to begin on July 7, 2014. Note: Owners are advised not to drive their vehicles until they have been remedied. Owners may contact Ford customer service at 1-800-392-3673. Ford's number for this recall is 14S09.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT: RECALL FOR 2014 DODGE DURANGO (Lot II, Item 8; Lot IV, Items 5 and 6)  
RECALL FOR 2014 JEEP GRAND CHEROKEE (Lot II, Item 4)**

#### **TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Chrysler Group LLC has issued a recall notice on the 2014 Dodge Durango and Jeep Grand Cherokee. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on the recall are stated herein.

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2014 Dodge Durango vehicles manufactured January 16, 2014 to April 8, 2014, Jeep Grand Cherokee vehicles manufactured January 16, 2014 to April 8, 2014, Jeep Grand Cherokee SRT vehicles manufactured February 3, 2014 to April 8, 2014, and Jeep Cherokee vehicles manufactured March 6, 2014 to April 17, 2014. When the adaptive cruise control is engaged and the driver presses the accelerator pedal to increase the vehicle's speed more than the cruise control system would on its own, the vehicle may continue to accelerate briefly after the accelerator pedal is released.

**CONSEQUENCE:** The unintended continued acceleration may increase the risk of a crash.

**REMEDY:** Chrysler will notify owners, and dealers will re-flash the Driver Assistance System Module (DASM), free of charge. The recall is expected to begin in June 2014. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is P31.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT: RECALL ON 2014 CHEVROLET TRAVERSE (Lot II, Item 7)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued a recall notice on the above subject vehicle. This vehicle is available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on the recall are stated herein.

**RECALL ON 2014 CHEVROLET TRAVERSE (Lot II, Item 7)**

**SUMMARY:** General Motors is recalling certain model year 2009-2014 Buick Enclave vehicles manufactured April 14, 2008, through May 14, 2014, Chevrolet Traverse vehicles manufactured June 6, 2008, through May 14, 2014, and GMC Acadia vehicles manufactured April 9, 2008, through May 14, 2014, and 2009-2010 Saturn Outlook vehicles manufactured April 14, 2008, through March 18, 2010. In the affected vehicles, the flexible steel cable that connects the seatbelt to the front outboard seating positions may fatigue and separate over time.

**CONSEQUENCE:** If the steel cable becomes fatigued and separates, the seatbelt may not properly restrain the seat occupant increasing the risk of an injury in a crash.

**REMEDY:** General Motors will notify owners, and dealers will inspect and, if necessary, repair and replace the lap pretensioner, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact General Motors at 1-800-222-1020 (Chevrolet), 1-800-521-7300 (Buick), 1-800-462-8782 (GMC), 1-800-553-6000 (Saturn). General Motors recall number for this campaign is 14187.

Chrysler Group LLC has each issued a recall notice on the Dodge Grand Caravan. This vehicle is available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on this recall are stated herein.

**SUMMARY:** Chrysler Group, LLC (Chrysler) is recalling certain model year 2010-2014 Chrysler Town and Country and Dodge Grand Caravan vehicles manufactured August 25, 2010, through October 31, 2013. The affected vehicles may experience overheating of the vent window switch in the driver's door armrest.

**CONSEQUENCE:** An overheated switch may result in a vehicle fire.

**REMEDY:** Chrysler will notify owners, and dealers will replace the vent window switch with a newer version, free of charge. The recall is expected to begin in June 2014. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is P25.

**SUBJECT:** **RECALL ON 2014 CHEVROLET TRAVERSE (Lot II, Item 7)**  
**RECALL ON 2015 FORD PICKUP TRUCKS (Lot I, Items 9-15)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC & Ford Motor Company have each issued a recall notice on the above subject vehicles. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase one of these vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on each recall are stated herein.

**RECALL ON 2014 CHEVROLET TRAVERSE (Lot II, Item 7)**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Buick Enclave, Chevrolet Traverse, and GMC Acadia vehicles manufactured March 26, 2013, through August 15, 2013. In the affected vehicles, the engine control module (ECM) software may cause the fuel gauge to read inaccurately.

**CONSEQUENCE:** An inaccurate fuel gauge may result in the vehicle unexpectedly running out of fuel and stalling, increasing the risk of a crash.

**REMEDY:** GM will notify owners, and dealers will reprogram the ECM to correct the fuel gauge reading, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact General Motors at 1-800-521-7300 (Buick), 1-800-222-1020 (Chevrolet), and 1-800-462-8782 (GMC). GM's number for this recall is 14007.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

(Cont'd)

**RECALL ON 2015 FORD PICKUP TRUCKS (Lot I, Items 9-15)**

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2015 F-250, F-350, F-450, and F-550 Super Duty trucks manufactured September 13, 2013, through March 28, 2014, and equipped with 6.2L gasoline or 6.7L diesel engines and 6R140 transmissions. An error with the transmission control software may be such that while shifting from "Park" to "Drive" the vehicle may display "Drive" but possibly engage "Reverse" for 1.5 seconds before engaging "Drive." Therefore, the vehicles do not conform to Federal Motor Vehicle Safety Standard (FMVSS) number 102, "Transmission Shift Lever Sequence, Starter Interlock, and Transmission Braking Effect."

**CONSEQUENCE:** If the vehicle is in "Reverse" while the gear selection shows "Drive," unexpected movement could occur, increasing the risk of a crash.

**REMEDY:** Ford will notify owners, and dealers will update the transmission software, free of charge. The recall is expected to begin in early May 2014. Owners may contact Ford's customer service at 1-800-392-3673. Ford's number for this recall is 14C04.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**SUBJECT:** RECALL ON FORD FUSION (Lot 1, Item 1)

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Ford Motor Company has issued a recall notice on 2014 Ford Fusion vehicles. These vehicles are available under this Contract. Contract users who have purchased or intend to purchase this vehicle should contact the contractor listed above to determine if their vehicle is affected by the recall. The specifics on this recall are stated herein.

**SUMMARY:** Ford Motor Company (Ford) is recalling certain model year 2013-2014 Ford Fusion vehicles manufactured August 15, 2012, through September 10, 2013 and 2013-2014. The driver and passenger seatback assemblies may have been produced with sub-standard weld joints used to attach the seat back recliner mechanism to the seat frame. The affected seat backs may have insufficient strength to meet the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 207, "Seating Systems."

**CONSEQUENCE:** The back of the subject seats may become loose or lean while driving and potentially increase the risk of injury in certain crashes.

**REMEDY:** Ford will notify owners, and dealers will replace the seatback, free of charge. The recall is expected to begin around May 19, 2014. Owners may contact Ford at 1-800-392-3673. Ford's number for this recall is 14C03.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov)

**SUBJECT: RECALL FOR JEEP GRAND CHEROKEE (Lot II, Item 4)  
RECALL FOR DODGE DURANGO (Lot II, Item 8) and Lot IV, Items 5 and 6)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Chrysler Group LLC has issued recall notices on 2014 Jeep Grand Cherokee and Dodge Durango. These vehicles are available under this Contract. However, the recall only refers to “**certain**” Jeep Grand Cherokee and Dodge Durango models. Contract users who have purchased or intend to purchase one of these vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on each recall are stated herein.

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2011-2014 Jeep Grand Cherokee and Dodge Durango vehicles manufactured from January 5, 2010, through September 8, 2013. The subject vehicles have a brake booster with a center shell that may corrode and allow water to get inside.

**CONSEQUENCE:** The water inside could freeze and limit the braking ability of the vehicle, increasing the risk of a crash.

**REMEDY:** Chrysler will notify owners, and dealers will add a water diverter shield to the booster after the booster has been tested to confirm it can hold an acceptable amount of vacuum pressure. If the booster inspection confirms an unacceptable loss of vacuum pressure, the booster will be replaced. Repairs will be made free of charge. The recall is expected to begin in May 2014. Owners may contact Chrysler at 1-800-853-1403. Chrysler's recall campaign number is P14.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Van Bortel Chevrolet, Inc. PC66388

**SUBJECT:** **RECALL FOR CHEVROLET EXPRESS (Lot II, Items 12 &13)**  
**RECALL FOR CHEVROLET TRAVERSE (Lot II, Item 7)**  
**RECALL FOR CHEVROLET IMPALA (Lot II, Item 19)**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

General Motors LLC has issued recall notices on the 2014 Chevrolet Express, Traverse and Impala. These vehicles are available under this Contract. However, the recall only refers to “**certain**” Chevrolet Express and Traverse models. Contract users who have purchased or intend to purchase one of these vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on each recall are stated herein.

**RECALL FOR CHEVROLET TRAVERSE & CHEVROLET IMPALA**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2014 Chevrolet Impala and Traverse vehicles equipped with automatic transmissions. In the affected vehicles, the transmission shift cable adjuster may disengage from the transmission shift lever. As such, these vehicles do not conform to Federal Motor Vehicle Safety Standard (FMVSS) number 102, "Transmission Shift Lever Sequence, Starter Interlock, and Transmission Braking Effect." They also fail to conform to FMVSS number 114, "Theft Protection and Rollaway Prevention."

**CONSEQUENCE:** If a vehicle's shift cable disengages from the transmission shift lever, a driver may be unable to shift gear positions and the indicated shift position may not represent the gear position the vehicle is in. Should a disengagement occur while the vehicle is being driven, when the driver goes to stop and park the vehicle, the driver may be able to shift the lever to the "PARK" position, but the vehicle transmission may not be in the "PARK" gear position. If the vehicle is not in the "PARK" position there is a risk the vehicle will roll away as the driver and other occupants exit the vehicle or anytime thereafter. A vehicle rollaway increases the risk of injury to exiting occupants and bystanders.

(CONT'D)

**RECALL FOR CHEVROLET TRAVERSE & CHEVROLET IMPALA (Cont'D)**

**REMEDY:** General Motors will notify owners, and dealers will inspect and replace any affected transmission shift cable adjusters, free of charge. The recall is expected to begin in late March 2014. Chevrolet owners may contact General Motors at 1-800-222-1020, Buick owners at 1-800-521-7300, and GMC owners at 1-800-462-8782. General Motors' number associated with this recall is 14048.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**RECALL FOR CHEVROLET EXPRESS**

**SUMMARY:** General Motors LLC (GM) is recalling certain model year 2009-2014 Chevrolet Express vans manufactured January 27, 2009, through March 7, 2014 with a gross vehicle weight rating of 10,000 pounds and less and equipped with front passenger air bags. In the affected vehicles, during a frontal impact below the air bag deployment threshold, if an unbelted front passenger's head hits the instrument panel above where the passenger air bag is located, the panel may not sufficiently absorb the impact. As such, these vehicles fail to meet the requirements of Federal Motor Vehicle Safety Standard number 201, "Occupant Protection in Interior Impact."

**CONSEQUENCE:** In the event of a crash below the air bag deployment threshold, an unbelted front passenger seat occupant has an increased risk of injury.

**REMEDY:** GM will notify owners. The manufacturer has not yet provided a remedy plan or notification schedule. Chevrolet owners may call 1-800-630-2438. GMC owners may call 1-866-996-9463. GM's number for this recall is 14082.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

**CONTRACTOR/**

**CONTRACT NO.:** Howell & Pierson Inc. d/b/a Main Motorcar PC66385

**SUBJECT: RECALLS FOR CHRYSLER VEHICLES**

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Chrysler Group LLC has issued recall notices on the 2014 Jeep Compass and Patriot. These vehicles are available under this Contract. However, the recall only refers to “**certain**” Jeep Compass and Patriot models. Contract users who have purchased or intend to purchase one of these vehicles should contact the contractor listed above to determine if their vehicle is affected by the recall. Specifics on the recall are stated herein.

**Manufacturer:** Chrysler Group LLC

**SUMMARY:** Chrysler Group LLC (Chrysler) is recalling certain model year 2014 Jeep Compass and Patriot vehicles equipped with 2.4L engines. Due to abrasive debris in the balance shaft bearings, these engines may have a loss of engine oil pressure, possibly resulting in an engine stall or engine failure.

**CONSEQUENCE:** If the engine stalls while driving it may increase the risk of a crash.

**REMEDY:** Chrysler will notify owners, and dealers will replace the engine balance shaft module, free of charge. The recall began on December 24, 2013. Owners may contact Chrysler at 1-800-247-9753. Chrysler's recall campaign number is N52.

**NOTES:** Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

All other terms and conditions of the Award Notification remain the same.
