**SUBJECT:** PPI Adjustment

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Please note the following:

The Price Adjustment Factor for base vehicles listed on the above referenced contracts is **1.9%**. This percentage is applied to 90% of the base vehicle and additional body length prices listed in the contract award document. **For example:**

The first model listed in Item 1 has a base price of \$87,178.

The base model adjusted price is calculated as follows:

90% of the base price =  $0.9 \times \$87,178 = \$78,460.20$

Times the adjustment factor =  $.019 \times \$78,460.20 = \$1,490.74$

Base Model Adjusted Price =  $\$87,178 + \$1,490.74 = \$88,668.74$

This adjustment shall be applied to all orders in the months of September 2012 thru August 2013. All other terms and conditions of the contract remain the same. Please attach this Purchasing Memorandum to the term contract.
