OGS TO AWARD OVER \$334,070 IN NEW CONSTRUCTION CONTRACTS
Work to Commence in Saratoga County, New York

New York State Office of General Services Commissioner John C. Egan today announced the awarding of bids for one contract representing more than \$334,070 in new construction, providing work in Saratoga County, New York.

The contract is expected to be awarded to the apparent low bidder following the normal process of review and approval by the State Comptroller's Office. The low bidder is a New York State firm.

The project and apparent low bidder are described in the following listing by county:

SARATOGA COUNTY

A construction contract to repair steam tunnel floor at the Mt. McGregor Correctional Facility in Wilton, NY was bid by ten firms. Of those ten, PCC Contracting Inc. of Schenectady, NY was the apparent low bidder with a bid of \$334,070.

The New York State Office of General Services (OGS) provides a broad range of support services that facilitate the operations of State government, and assists local governments, public authorities, public and private agencies. OGS offers numerous services to clients throughout the Empire State, including property management, design and construction, procurement, and various support services.

The OGS Design and Construction Group provide a full range of architectural, engineering and construction management services to state agencies. *The Empire State Builder* is the Design and Construction Group's public notification that provides information on: construction contracts with plans and specifications currently available for purchase; a listing of plan purchases for contracts to be bid; bid results; future construction contracting opportunities and other relevant OGS contracting notices.

Additional information about OGS Design and Construction projects and *The Empire State Builder* is available on the OGS Internet site at <http://www.ogs.state.ny.us>.
