BID OPENING DATE & TIME: September 23, 2014 @ 11:00 AM

Based on its review of bid submissions received in response to Solicitation #22786, the Office of General Services (OGS) Procurement Services has determined that a significant number of bid submissions were flawed and that there is no viable way to evaluate reasonableness of cost based on the bid submissions received. As a result, Solicitation #22786 and the tentative awards made thereunder are hereby withdrawn in their entirety and OGS Procurement Services will make no awards, pursuant to its rights set forth in Solicitation §3.12 (#2).

Procurement Services intends to issue a revised solicitation in the near future, reflecting changes to the requirements for bid submission.
