Section 4. Reseller Information

A Reseller is a company or individual (merchant) that purchases goods or services with the intention of selling them rather than consuming or using them. Also known as Value Added Reseller (VAR) or channel partner. Resellers must be eligible to quote statewide, independently and lower than Manufacturer (Contract) pricing for procurements under this Contract. Reseller must also be able to accept orders, invoice and receive payment for Products.

This Manufacturer has not named five (5) or more Resellers and is restricted from participating in an RFQ involving a Single Manufacturer. See “How to Use the Manufacturer Umbrella Contract,” Example Procurement Scenarios for additional information about Contractor pool for RFQ participation.
