<p>Option Category: Please use the space below to indicate all options available through the Information Technology Umbrella Contract – Manufacturer Based (Statewide) contract, Group: 73600 Award: 22802 for the model quoted above. Please complete all data for options, including: Option Category, Description, and Manufacturer Part Number.</p> <p>Pricing: Each option listed below must be designated as a replacement to a component of the standard configuration of machine class bid or is in addition to the standard machine class bid. This designation will determine whether the quoted cost for the option during the on-line reverse auction (Stage 2) is actual pricing for the option or the difference between the standard configuration component and the replacement component. If the Bidder wishes one option to be available as both a replacement and in addition to, the option must be reported as such on separate lines.</p>
