**SUBJECT:** Reinstatement of the Channel Products

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

On June 15, 2010 this office issued a purchasing memorandum detailing suspension of all CA Channel Products from CA Resellers under contract PT64273 until further notice.

**SUSPENSION LIFTED**

Effective June 25, 2010 OGS has removed the suspension. Further, based on the affirmative assurances provided by CA, OGS will deem sales of channel products by resellers processed during the period of suspension (June 14 through June 25, 2010) as authorized under PT64273 provided that such sales complied with the contractual terms and conditions. CA has committed to undertaking an affirmative review of each such sale to confirm contractual compliance.

Authorized Users are cautioned that while this office always encourages you to seek price reductions when making acquisitions, the central contracts preclude an Authorized User from paying more than contract price for a product. Further, Authorized Users are caution to verify that all products sought for purchase actually appear on the contract price list. Sales under the centralized contract are limited to those items appearing on the contract price list.
