**CONTRACT NO(S):** CMS1001

**SUBJECT:** EVT – Transition from contract CMS1001 with Global Payments Direct, Inc. to PS65792 with Key Merchant Services, LLC before December 31, 2012

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The subject contract **CMS1001** with **Global Payments Direct, Inc.** expires **December 31, 2012**. A new contract, **PS65792** was awarded to **Key Merchant Services, LLC** to provide Electronic Value Transfer services on August 3, 2012. All Authorized Users must transition to contract **PS65792** with **Key Merchant Services, LLC** before **December 31, 2012** in order to be provided service under a NYS centralized contract. Any Authorized User that fails to either transition to contract **PS65792** or, using appropriate procurement policies and procedures, establish a separate contract by **December 31, 2012** will be without a contractual means of accepting and processing credit and/or debit card transactions as of January 1, 2013.

As contract **PS65792** with **Key Merchant Services, LLC** is with a new contractor, all Authorized Users will be required to fill out new **EVTA-1** and **EVTA-2** forms. These forms have been revised. Links to the revised forms can be found at the following URL:

<http://www.ogs.ny.gov/purchase/snt/awardnotes/7900822419can.HTM>

Questions concerning the EVTA-1 and EVTA-2 forms should be addressed by e-mail to [EVTA@tax.ny.gov](mailto:EVTA@tax.ny.gov) or by telephone on (518) 485-0441.

**PLEASE NOTE:** Processing the transition paperwork (EVTA-1 & EVTA-2) requires a minimum of seven (7) business days.

*It is highly recommended that all Authorized Users initiate the transition of their EVT programs as quickly as possible to avoid a possible lapse in service.*

December 31, 2012

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The subject contract has been extended for a six (6) month period. The new ending date is **December 31, 2012** or until all Authorized Users have transitioned to the subsequent New York State Electronic Value Transfer contract, whichever occurs first. As each Authorized User transitions to the subsequent Electronic Value Transfer contract, they will individually cease to be a participant of this contract. In the event that an Authorized User processes a transaction through Global Payments Direct, Inc. after termination or expiration of this contract, then the terms of this contract will govern such transaction processing.

The following change has been included in this renewal:

- Appendix A: is replaced with the latest version of Appendix A dated December 2011.

State Agencies wishing to extend their use of this contract are instructed to submit the necessary paperwork to the Office of the State Comptroller to extend the expiration date of their purchase in accordance with their needs and to encumber any additional funds estimated as being necessary.

Approval by the EVTA is not required to extend existing programs. New programs and substantive changes in programs continue to require EVTA approval prior to implementation.

Agencies are reminded to reference the contract number on all paperwork and correspondence concerning this contract.

**SUBJECT:** Data Breach at Global Payments, Inc.

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Global Payments, Inc. issued an announcement stating that it had identified and reported unauthorized access into a portion of its processing system. Additional reports have indicated that 1.5 million card numbers or less may have been exported; and that the information that was breached only contained Level 2 data, but cardholder names, addresses and Social Security numbers were not obtained.

Global Payments has further indicated Visa has removed Global Payments from its compliance list pending resolution and remediation of the breach. Global however is still processing Visa and MasterCard transactions. Government entities (as merchants under the agreement) who accept payments from the public for services provided should be aware that Global indicates no merchant information or relationship to their customer was breached.

Per information from the below web site, merchants will have no liability and are not required to notify cardholders. Visa and MasterCard have notified cardholders who may be affected.

The OGS Procurement Services Group remains in contact with Global Payments, Inc. and is closely monitoring the situation. Authorized Users currently using contract CMS1001 may continue to do so.

Authorized Users can remain apprised of developments by visiting the following Global site dedicated to this incident: [www.2012infosecurityupdate.com](http://www.2012infosecurityupdate.com), <<http://www.2012infosecurityupdate.com/>>

**SUBJECT:** EVT – Refund Reminder

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

Authorized Users are reminded that the subject contract does not permit Authorized Users to issue credits against a cardholders account for refunds. The pertinent contract language is reproduced below.

III.F. Credits Prohibited

Neither the State nor any Authorized User shall, under any circumstances, process credits or refunds for transactions processed hereunder through Contractor. It is the understanding of the parties that such credits and refunds shall be processed by the State and Authorized Users exclusively via paper check issued by the State and/or Authorized Users directly to the Device User. Assuming the foregoing in every case, settlements to an Authorized User account will be based upon gross sales transactions; provided, however, that if any credit or refund is processed by the State or an Authorized User through Contractor in contravention of this Agreement, Contractor will invoice the Authorized User for the amount of such credit or refund

Furthermore, the State and Authorized Users hereby acknowledge that because Contractor will not have a record of credits issued by the State or Authorized Users to Device Users via paper check, Contractor shall not be responsible for the issuance in its system of an electronic credit to a Device User if a Device User charges back a transaction for the reason that it has not received a credit from the State or Authorized User.

Due to NACHA rules, the issuance of credits can result in a hold being placed on the Authorized User's account until the credit is invoiced by the contractor and paid by the Authorized User, a process that can take up to 60 days. The hold prevents any and all funds from being transferred to the Authorized User's account.

**SUBJECT:** PCI DSS Requirements

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The leading credit card associations working in unison have developed **Payment Card Industry (PCI) Data Security Standards (DSS)** to create common industry security requirements for cardholder data. All merchants and service providers are required to comply with these standards. When accepting electronic payments, each authorized user operates as a “merchant”.

Authorized users that do not comply with the PCI DSS and who fail to take the proper steps to come into compliance may be refused service by the EVT contractors.

It is therefore essential that all authorized users accepting electronic payments familiarize themselves with these standards and take the proper steps to ensure that their programs are in compliance.

CONTRACTOR(S)/ Global Payments Direct, Inc.  
CONTRACT NO(S): CMS1001

SUBJECT: EVT - Amendment for Failed ACH Transactions

**TO ALL STATE AGENCIES AND OTHERS AUTHORIZED TO USE STATE CONTRACTS:**

The subject contract has been amended to allow the use of "net-depositing" for the purposes of reimbursing the vendor for funds erroneously deposited to an Authorized User's account for an ACH transaction when the transaction has failed due to insufficient funds in the ACH transaction source account.

**Please Note:** A failed ACH Transaction as described above is the **only** circumstance where net-depositing or net-billing may be used by State entities to reimburse the vendor for services under this contract.

The amendment provides for the following changes:

**The following definitions are added to Section I.A. Definitions of the Contract:**

**ACH Transactions** – ACH Debits, ACH Credits and electronic check processing and clearance.

**Net Depositing or Net Billing** - the depositing of funds by Contractor into an Authorized User's account in an amount reflecting the total face value of the Authorized User's transactions less funds owed to Contractor.

**Source Account** - the account of the payor who is entering an ACH Transaction with an Authorized User.

**Section I.B. is amended as follows:**

The reference to Appendix A: NYS Standard Clauses for NYS Contracts in subparagraph (a) is amended to reference "Appendix A: NYS Standard Clauses for NYS Contracts, dated September 2004." The new Appendix A dated September 2004 is attached hereto and shall be substituted for the Appendix A attached to the Contract. The new Appendix A is incorporated into the Contract with full force and effect for the remaining term(s) of the Contract.

In the listing of the order of preferences, subparagraph (b) shall be entitled "This Amendment #2" and original subparagraphs (b) through (j) shall be re-lettered as subparagraphs (c) through (k).

**Section II.E is amended to add the following:**

6. For those limited instances when an ACH transaction initiated by a State Agency Authorized User fails, as a result of there being insufficient funds in the Source Account of the transaction, and the Contractor has, in accordance with the provision of the Contract, previously deposited funds for such transaction to the State Agency Authorized User's account based on the notice from the State Agency of the ACH transaction, the Contractor may recoup the funds deposited in the Authorized User's account for that transaction by means of net depositing of funds for future ACH transactions initiated by the Authorized User.

Net depositing may **only** be used by Contractor for State Agency Authorized Users accounts when the Contractor seeks to recoup funds deposited to an Authorized User's account based on an ACH transaction which subsequently fails due to insufficient funds in the Source Account of the transaction.

Contractor agrees to provide data concerning failed ACH transactions to the State Agency Authorized User within one (1) day of such failure in order to allow the Authorized User to reconcile its accounts and to identify the Source Account which caused the failed ACH transaction.

**Clause 59 of Appendix B** of the Contract is amended to include cancellation of the contract for violation of Executive Order Number 127 by providing intentionally false or intentionally incomplete information on the contractor's EO127 certification.

**All other Terms and Conditions remain the same.**
