Procurement Services has been notified that National Grid interruptible gas service customers must switch to an alternate fuel no later than Wednesday, January 30, 2019 at 10:00am and ConEd interruptible gas service customers must switch no later than Tuesday, January 29, 2019 at 10:00am and lasting until Saturday, February 2, 2019 at 10:00am.

All Authorized Users should contact their supplier for confirmation and updates.

In the colder months OGS requests that you plan ahead and work with your fuel oil supplier to ensure an adequate supply. During these events, please be aware that other facilities may be designated a human needs customer placing them as a higher priority: Such as hospitals and nursing homes.

Users of Natural Gas Interruptible supply are reminded that before switching to heating oil, it is a requirement that you must have a minimum of a 10 day supply on hand at all times.

Where a 10 day supply is not physically possible then there should be full tanks available during the coldest parts of the year.

All other terms and conditions of this award unchanged.
