**Additional Information**  
 Discounts listed apply to all titles except where ProQuest receives little or no discount from the publisher. Those titles are invoiced at list price, and a \$7.00 per unit service charge will be applied.  
 Discounts are applied to the current list price at the time of shipment; publisher's list price is subject to change without notice by the publisher.  
 E-book pricing applies to MyiLibrary titles only, and not to any other aggregators whose titles are or may become available on ipage such as EBSCO, EBL, or ebrary. A separate licence may be required for those e-book aggregators.  
 The price of a MyiLibrary e-book title includes perpetual access as long as the Library pays the annual access fee to renew access to its MyiLibrary e-book collection.  
 If the Library opts to no longer renew access by not paying the annual access fee at the renewal date, the Library has no further rights to access the e-book titles purchased from MyiLibrary, but may reactivate full access with the resumption of access fee payments.  
 The Library will be required to complete a MyiLibrary License, Patron Driven Access license, and Download Device Addendum as appropriate in order to begin the set-up process for the purchase of e-books.
