

Mohawk Group is proud to partner with the State of New York.

One company. One dedicated team. One customer—You.

Mohawk Industries strives to meet /exceed all of the highest standards our government customers require for their projects. We are proud that our commitment to excellence provides an unprecedented array of styles, colors, patterns of broadloom and modular carpet as well as luxury resilient and rubber flooring for every need.

Executive Order No. 4 (E04) Sustainable Leadership Partnership

Sustainability is not simply good business; it's an ongoing culture of commitment to improving the world around us. And no company understands this better than Mohawk. We are pleased to support the State of New York's E04. Please look for a special E04 section within our product guide.

Executive Order No. 4, Establishing a State Green Procurement and Agency Sustainability Program, directs state agencies, public authorities and public benefit corporations to green their procurements and to implement sustainability initiatives. The Order established an Interagency Committee on Sustainability and Green Procurement that is co-chaired by the Commissioner of General Services and the Commissioner of the Department of Environmental Conservation.

For further information regarding the Interagency Committee or Executive Order 4 in general, please email GreenEO4@ogs.ny.gov or call DEC at 518-402-9469.

The Interagency Committee is charged with identifying an annual list of categories and products for which specifications can be developed and issued for greener procurements. The current EO4 specifications are available at: Approved Specifications <http://www.ogs.state.ny.us/EO4/ApprovedSpecs.asp>
