*Area Rugs by Bentley Mills, Inc.*

Soften hard surfaces.....

The most acclaimed name in carpeting introduces the most distinctive area rugs in the industry.

At Bentley, we know there are many environments in which area rugs are more suitable than carpet. We believe that even the most attractive hard surfaces can benefit from the warmth and softness of area rugs.

That's why we're proud to offer you the design flexibility to create a custom rug using any one of our hundreds of beautiful carpet patterns, in just about any size or shape up to 18' wide x "unlimited" length.

Our 35+ year legacy of beauty, service, quality and partnership makes our latest product offering a natural next step in bringing stylish options to designers; the Bentley Area Rug collection reflects our tradition of design and innovation, high performance, wear characteristics, and our industry-leading commitment to sustainability.

**Coordinate it. Customize it.**

Today's designers typically specify a variety of soft and hard floor coverings for each installation. We know that busy and savvy professions will benefit from single-source purchasing for all soft surface solutions. That source is Bentley.

**Fibers, Colors and Patterns**

All Bentley Area Rugs manufactured in our mill are crafted with the finest sustainable fibers and are produced using the most scientific and precise dyeing methods. Our innovative design team entrusts its exquisite patterns to the most experienced tufting craftsmen, resulting in the highest quality, beautiful area rugs available anywhere.

At Bentley, our attention to detail and more than 35-years of experience makes us the world leaders in designing and manufacturing award-winning broadloom, carpet tile and area rugs.

**Standard Sizes:** 5 x 7; 6 x 9; 8 x 10

**Contact your Bentley Account Executive for the Area Rug Price Quote from any of our hundreds of pattern options.**

Freight will be quoted per area rug.

**Installation Information:**

Bentley 'turnkey' Installation Labor: Please refer to Labor pricing in the Contract. The contract installation rates and sundry item prices are only available through Bentley Installation Services and must accompany a Bentley flooring installation purchase order. Local dealers may use this as a guide, but the local dealer installation rates, sundry items and procurement management fees may vary and are quoted as open market on a job by job basis.

Installation shall be in done by a Bentley Certified Installer in accordance with Bentley Mills, Inc. instructions and the Carpet and Rug Institute (CRI) Standards for Installation of Textile Floorcovering Materials (104 for Commercial/105 for Residential).

Installation prices are based on carpet installation in an open, empty office/dormitory /quarters space on a "clean floor." A "clean floor" is one where the condition is appropriate to accept carpet with no additional preparation other than possibly sweeping clean. Installation shall be performed anytime day or night Sunday - Saturday, with the exception of New York, Boston, and Chicago. Holidays are excluded.

**Installation prices do not include adhesive.**

Additional services can be provided by Bentley Mills, Inc. through its Certified dealer partners on an open market basis. Items such as carpet measurements, furniture moving, and after hours work, etc. are available for quotation.

Use of low VOC (volatile organic compound) emitting, low odor adhesives which help alleviate indoor air pollution will be used for all installations.

Subfloor preparation (take-up and disposal of existing floor covering, flash patching for uneven floor, extensive cleaning, cost of temporary warehousing, etc.) is not covered by this contract. Bentley Mills, Inc. is prepared to negotiate these and other services with the customer agency on an open market basis.

Payment for carpet purchased shall be made by the customer agency prior to installation. When installation is required in conjunction with carpet purchased under contract, the carpet may be invoiced separately.

Compliance with all local laws, regulations and ordinances are the responsibility of Bentley Mills, Inc.

When installation is purchased, the contract price will be increased in states where the vendor must pay state or local tax on installed projects.

Pertinent to F.A.R. Section 52.229-4, the vendor will charge for a reimbursement of taxes imposed on the contractor.

All installation projects may be subject to an administrative processing fee.

**Take up carpet – Removal Disposal**

Appropriate removal and disposal of existing flooring (recycling recommended) and floor preparation.

NOTE: Pricing is to include basic removal, disposal, and floor preparation; services above \$500 and work necessary to address potentially complex environmental problems, such as asbestos abatement, mold and mildew, or extensive floor preparation shall be negotiated with the customer on a case by case basis.

**Furniture Lifting for Carpet Replacement**

All furniture systems shall be lifted by equipment which has been structurally engineered for that particular furniture system. No crowbars or modified care jacks are to be used. No phone or electronic equipment shall be unplugged. After each installation session, work areas must be returned to normal working order with all furniture in original location. Since work is being performed in occupied work area, "low VOC" or "no VOC" adhesives are to be used. Bentley Installation Services, upon customer request, will provide an onsite demonstration of the equipment and lifting method to be used, and any additional information on which to base procurement decisions.

**Labor Warranty**

All installation work provided by Bentley Mills, Inc. is guaranteed for one year for a defect in workmanship and materials used to install the carpet.
