Non Union Labor - Furniture Moving

The furniture moving is being described in three scenarios that describe the majority of facilities for repair and renovations projects. They are described as light, medium, and heavy.

Description	NYS Not to Exceed Price Non Prevailing Wage	NYS Not to Exceed Price Prevailing Wage	Unit
Light Moving Removal and replacement of furniture for project with minimum amount of furniture per square yard of carpet for example executive offices, conference rooms	\$4.25	\$4.25	per SQY
Medium Moving Removal and replacement of furniture for project with normal multi-person open office space with desks, chairs, office partitions, and file cabinets, but does not include modular furniture disassembly and removal	\$7.35	\$7.35	per SQY
Heavy Moving Removal and replace of furniture for a project with high concentration of files and desks or involves the moving of sensitive equipment such as personal computers or computer terminals and printers. It does not include mainframes or modular furniture disassembly and removal, but does include replacing of broadloom or carpet tile under modular furniture with carpet tile utilizing a system for lifting the modular furniture in place without damage.	\$15.50	\$15.50	per SQY

Installation and Sundry Item Notes:

The contract installation rates and sundry item prices contained in this agreement are guaranteed through InterfaceSERVICES, our in-house turn-key project management group. Local dealers that support the Interface brand are authorized to utilize these contract approved labor rates as a guide. Local dealer quotes including labor will be considered contract labor if these rates are utilized. Local dealer installation rates and sundry items may vary outside of these contract proposed rates, and would then be considered an open market labor quote on a job by job basis. * All purchase orders and quotes must be itemized so contract rates for material and installation can be easily verified.
