ARCONAS commitment

our vision To be the world's authority in furniture for public spaces.

our mission Arconas defines what high design and high performance are all about. We build public seating that is elegant, comfortable and durable. And we build it with a commitment to excellence and environmental stewardship.

our values We respect, appreciate and value everyone.
We maintain a strong tradition of innovation.

Arconas has practiced environmentally responsible operations since we began manufacturing in 1972.

All of our public seating lines meet the requirements of the ANSI/BIFMA Emissions Standards X7.1.2011. Our beam-based products are low VOC and do not contribute to poor indoor air quality.

The MDF we use is made from recycled/recovered wood fibers rather than using new wood. We also have available a formaldehyde-free MDF option. Many of our upholstery choices are made of recycled fibers. When new wood is used in our table tops, Forest Stewardship Council (FSC) certified wood options are available.

Arconas and the environment Arconas is fully committed to reduce waste, reuse materials and recycle wherever possible to minimize landfill contributions.

terms of sale

Unless otherwise agreed to in writing between Arconas Corporation ("Arconas") and the recipient of Arconas' quotation (the "Customer") for the sale of products (the "Products") the following terms: (a) are part of Arconas' quotation for the sale of Products and acceptance by Arconas of any resulting order from the Customer (the "Order"); (b) shall become the exclusive and binding agreement between Arconas and the Customer with respect to the Order (the "Agreement"); and (c) shall apply to any purchase order issued by the Customer in connection with an Order, regardless of whether these terms are expressly referenced in that purchase order. No term set forth in any of the Customer's form of solicitation, purchase order, or contract shall become part of the Agreement or otherwise become binding on Arconas unless expressly agreed to in writing by Arconas.

standard terms of sale

change orders

Substitutions, deletions, additions or other changes to an Order may not be made by a Customer without the written approval of Arconas. A \$500 change fee will apply to all confirmed orders once they have been acknowledged by Arconas.

The purchase price for the Products as described in Arconas' quotation is F.O.B. Arconas' factory (the "Purchase Price"). Payment terms shall be as described in Arconas' quotation.

If any undisputed amount payable by the Customer under this Agreement is not paid when due, Arconas may assess and, if so assessed, the Customer shall pay a late charge at the rate of twelve percent (12%) of the outstanding amount (or at highest rate permitted by law, whichever is lower), per annum, pro rated on a daily basis. If an invoiced item is disputed, the Customer must give Arconas written notice of such dispute with full particulars thereof within thirty (30) days after the Customer's receipt of the applicable invoice. If the Customer disputes an invoiced item and such invoiced item is upheld in Arconas' favour, then such late payment charge provided for herein shall apply to the time period starting ten (10) days from the date on which the dispute is resolved. If the invoice contains an error, the Customer shall notify Arconas of such error and late charges shall apply thirty (30) days after the Customer's receipt of a corrected invoice.

Unless expressly provided for in Arconas' quotation and the Order, the Purchase Price does not include any applicable taxes, duties or other assessments that are applicable to the Order. The Customer shall pay any applicable taxes, duties or other assessments of a governmental authority and related interest and penalties relating to the Order (excluding taxes on Arconas' income). The Customer shall forthwith provide Arconas with copies of any documents which are reasonably requested by Arconas to evidence the remittance of any taxes, duties or other assessments relating to the self-assessment and remittance of taxes, duties or other assessments paid by the Customer relating to an Order. The Customer shall indemnify and save Arconas and Arconas' directors harmless from any taxes, duties, assessments, penalties, interest or other amounts which may be payable by or assessed against Arconas or its directors as a result of or in connection with the Customer's failure to pay in full when due all taxes, duties or other assessments relating to an Order.

prices, payment and taxes

A Customer may not cancel any order without Arconas' approval and then only upon payment of the applicable cancellation charges set forth herein. The effective date of any approved cancellation shall be the date that Arconas receives notice from the Customer of its request to cancel an order (the "Cancellation Date"). Cancellation charges shall be assessed as follows: (i) for orders scheduled to ship within ten (10) days of the Cancellation Date, cancellation charges shall be one hundred percent (100%) of the Purchase Price; (ii) for shipments scheduled beyond ten (10) days from the Cancellation Date, cancellation charges shall be fifty percent (50%) of the Purchase Price. Arconas is under no obligation to accept any order cancellation and may refuse any Customer request for cancellation in Arconas' sole discretion. In the event of an approved cancellation, Arconas shall have the right to retain any funds paid in the form of a progress or deposit payment, as applicable, towards satisfaction of a cancellation charge payable hereunder.

cancellation

The occurrence of any one of the following events before payment in full is received by Arconas shall be an "Event of Default": (a) the Customer fails to make a payment when due and payable; (b) the Customer fails or neglects to perform any of its obligations hereunder; (c) the Customer makes any false or misleading representation to Arconas in connection with this Agreement; (d) the Customer enters into any arrangement with its creditors or any of them or suspends payment generally or is otherwise unable to pay its debts as they become due; (e) a receiver for the Customer or any material portion of its property is appointed or steps are taken for the appointment of such receiver by any person or entity; (f) if a bankruptcy, liquidation, insolvency or other similar proceeding is filed by or against the Customer, and in the case of an involuntary proceeding, is not vacated or set aside within sixty (60) days of its commencement; or (g) a breach or default by the Customer occurs under any other agreement between the Customer and Arconas or with respect to any other obligation of the Customer to Arconas. Upon the occurrence of an Event of Default, in addition to any other remedies available to Arconas under this Agreement or at law, Arconas shall have the right to terminate this Agreement and retain any funds paid in the form of a progress or deposit payment, as applicable, towards satisfaction of any expenses, costs, damages or other liabilities incurred by Arconas related to the Event of Default.

events of default

So long as any amount of the Purchase Price and any other charges payable hereunder in connection with an Order remain outstanding, title to the Products shall remain with Arconas. Arconas hereby retains and the Customer hereby grants to Arconas a security interest in the Products purchased hereunder until the Customer has made payment in full for the Products. The Customer shall execute, deliver or endorse any and all instruments, documents, assignments, security agreements and other agreements and writings that Arconas may at any time reasonably request in order to secure, protect, perfect or enforce the security interest and Arconas' rights under this Agreement. Arconas shall have all of the rights of a secured party with respect to the Products purchased hereunder under applicable laws. Upon the Customer's default of any payment obligation, in addition to other rights and remedies it has under this Agreement and may have at law, Arconas may exercise all the rights and remedies of a secured party in respect of the Products on default under applicable law, including, without limitation, the right to enforce the security interest to retake possession of any or all of the Products. Upon payment of the Purchase Price and all other charges payable by the Customer in connection with an Order, title to the Products shall transfer to the Customer and the security interest granted hereunder to Arconas shall be discharged.

title to products and arconas security interest

The Customer shall indemnify, defend and hold Arconas harmless from and against any and all claims, actions, losses, damages, demands, liabilities, costs and expenses, including reasonable attorney's fees and expenses, whether or not a suit or other proceeding is initiated, which may arise from, but not limited to, the following events: (i) representations or misrepresentations made by the Customer, (ii) any neglect by the Customer or end-users, (iii) the Customer's or end-users' use of the Products not in compliance with the Products' intended purposes, (iv) installation of the Products by the Customer is not in accordance with Arconas' installation guidelines, (v) Customer's or end-users' modifications or alterations of Products that have not been approved by Arconas, (vi) damage from Customer or end-user misuse of the Products, or (vii) any other act, or failure to act, not in accordance with the terms of this Agreement by the Customer, or any other breach by the Customer of any covenants of the Customer under this Agreement.

indemnification

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, Canada. The application of the United Nations Convention for the International Sale of Goods is excluded and shall not apply to any purchase and sale made hereunder. Any legal suit or action arising out of or relating to this Agreement may be instituted in a court of competent jurisdiction in Ontario, Canada and the Customer waives any objection which it may now otherwise have or hereafter have to the waiving of the venue of any such suit, action or proceeding and hereby subjects itself to the jurisdiction of any such court.

governing law; consent to jurisdiction

terms of sale

assignment

The Customer may not assign, transfer or otherwise encumber this Agreement or any part thereof without express written consent of Arconas. Arconas may assign and transfer this Agreement or any interest or right hereunder or any interest or right in the Products and/or grant a security interest in the Products, in whole or in part. Subject to the foregoing, this Agreement shall inure to the benefit of, and is binding upon, the successors and permitted assigns of the parties.

force majeure

A party's obligations hereunder will be excused during any time period when it is unable to perform such obligations hereunder due to circumstances beyond its reasonable control, including but not limited to fire, flood, embargoes, war, strikes, lockouts or other labour disturbances, shortages of labour or materials, acts of God, omissions or delays in acting by any governmental authority or other party. The party so affected, upon giving prompt written notice to the other party, shall be excused from performance of its obligations hereunder to the extent of the duration of such event provided that such party shall use its reasonable commercial efforts to avoid or remove such event.

entire agreement

The Customer's acceptance of any Products purchased under this Agreement shall be deemed acceptance of all the terms and conditions stated herein. Arconas' failure to object to any provisions contained in any communication from the Customer shall not be deemed a waiver of the provisions contained herein. This Agreement represents the entire agreement between the parties relating to the subject matter hereof and shall supersede all prior written or oral understandings and/or other terms in any purchase order or other document, now or hereafter delivered, except that this Agreement shall not supersede other written agreements between the parties that expressly reference this Agreement.

warranty

At Arconas we are proud of the products we manufacture. We confidently warranty our products against defects in material and workmanship when properly installed, maintained and used for their intended purposes.

The Arconas warranty extends for 10 years from date of manufacture to the original purchaser for products used on a single shift (8 hours) basis. Products with higher usage will be covered for 5 years. Electrical components against defects in parts and workmanship as for a period of 1 year from the date of the initial installation.

Arconas will provide field repair or replacement of warranted parts free of charge during the first year of a warranty. Thereafter, Arconas will replace defective parts for our customer to install.

Arconas products are designed to provide long service under normal use; damage resulting from misuse, abuse, negligence or accident are not covered. While serviceability will be maintained, we cannot prevent normal wear and tear, colour and texture change.

Arconas shall not be held liable for consequential, economic or incidental damages arising from any product defect.

warranty

freight

Freight terms shall be as described in the Order.

Customers should refuse shipments showing visible damage. Where concealed damage is discovered customers should immediately notify the transportation company. Any claims must be directed to the transportation company. Arconas' responsibility ceases at point of pick up by the carrier at our facility. Claims must originate at point of delivery.

COM materials are to be sent prepaid to **Arconas, 5700 Keaton Crescent, Mississauga, ON Canada L5R 3H5**. The packing slip accompanying the shipment must show the client's name and purchase order number to which the material is to be applied as well as the yardage shipped, fabric content and value. Also, a sample of the fabric must be enclosed with the packing slip. This information is mandatory for Customs purposes.

NOTE: The client is responsible for paying Duties and Taxes, plus freight charges incurred by commercial couriers.

A sample of the COM material must be supplied directly from the customer prior to the time of order to allow Arconas to assess suitability and to ensure accurate requirements. The Arconas warranty does not apply to COM material. A surcharge will apply for any material requiring special handling. Arconas reserves the right to refuse any fabric not considered suitable for our products. The customer will be notified before cutting if any COM material or pattern is deemed unsuitable for a product. Inquire with the factory for warranty of COM fabrics.

fabrics

Yardage given throughout the price list is based on 54" wide material without pattern. For a patterned fabric, please inquire with the factory.

California technical bulletin 133 is a flammability test procedure for seating furniture for use in public occupancies. The "all components" test requires that a product be tested in the finished form, in which it will be used within an installation. The code requires that a product "does not support combustion.

Arconas is able to alter our standard foam to pass CAL133. Call Customer Service for applicable products and pricing.

CAL 133

NOTE: When product is required to pass CAL133 insure that the fabric selected will also be able to pass this test.

CUSTOM CONFIGURATION EXAMPLES illustrate beam length calculations.

ex. 1 : Two seat unit with gap. Beam length 49" / 1245 mm.

ex. 2 : Three seat unit with arms at every seat position. Beam length 72" / 1829 mm.

ex. 3 : **Bariatric** applications require legs to be positioned on both sides of the seat. Reference page 11 for leg price. Beam length 78 7/8" / 2003 mm.

ex. 4 : Three seat unit with arms and 13" intermediate tables. Beam length 125" / 3175 mm.

This page illustrates pricing for custom configurations. Component prices (page 11) are used to calculate any configuration that is not an Arconas standard lounge unit.

Config 1 : 30" seat unit with arm, grade A fabric.

AERS30 + AERARMU
1488 + 172 = \$1660

Config 2 : 22" seat units with gap between seats; no arms, grade C fabric.

AERS22 + AERS22
1474 + 1474 = \$2924

Config 3 : 22" seat units with arms, grade G fabric.

(AERARMU x 4) + (AERS22 x 3)
(172 x 4) + (1674 x 3) =
668 + 5022 = \$5710

Config 4 : 30" seat units with arms and 13" laminate inline tables with extra leg set, grade B fabric.

(AERARMU x 6) + (AERS30 x 3) + (AERTAB13 x 2) + AERLEGS
(172 x 6) + (1551 x 3) + (676 x 2) + 216 =
1032 + 4653 + 1352 + 216 = \$7253

Config 5 : 30" seat units with arms and solid surface connecting table, grade E fabric. Coffee table with veneer top.

(AERARMU x 4) + (AERS30 x 4) + AERTABCON + AERTABCOF42
(172 x 4) + (1738 x 4) + 1820 + 1820 =
688 + 6952 + 1820 + 1820 = \$11 280

benches

Calculating **Atrium** Configuration
 45 outside degree wedges in Grade A fabric
 = (8 x CON1450C) + (8 x CONCLEG)
 = (8 x 1782) + (8 x 165)
 = 14,256 + 1320
 = \$15,576

NOTE:
 The cost of the end leg on linear units
 is included in the chair price.

atrium

Calculating **Waiting Area** Configuration
 Armchair + 45 degree inside wedges + chair + ottoman in Grade C fabric
 = CON10AR + (2 x CON1451C) + CON10FR + CON01B + (3 x CONCLEG)
 = 1632 + (2 x 2043) + 1388 + 956 + (3 x 165)
 = 1632 + 4086 + 1388 + 956 + 495
 = \$8557

waiting area

Calculating **Library** Configuration
 30 degree inside wedges + 30 degree bench in Grade G fabric
 = (4 x CON1301C) + (2 x CON130B) + (5 x CONCLEG) + (2 x CONLEG)
 = (4 x 2469) + (2 x 1556) + (5 x 165) + (2 x 86)
 = 9876 + 3112 + 825 + 172
 = \$13,985

library

Calculating **Public Spaces** Configuration
 45 degree inside wedges + 45 degree outside wedges + armchairs in Grade B fabric
 = (2 x CON1451C) + (2 x CON1450C) + CON10AL + CON10AR + (5 x CONCLEG)
 = (2 x 1974) + (2 x 1851) + 1576 + 1576 + (5 x 165)
 = 3948 + 3702 + 1576 + 1576 + 825
 = \$11,627

public spaces

Calculating **Twist Sofas** Configuration
 twist sofa + twist sofa in Grade H fabric
 = CON22TA + CON22TA
 = 3522 + 3522
 = \$7044

twist sofas in a business lounge

Calculating **Reception Area** Configuration
 3 seat bench + connecting leg + 3 seat sofa with arm on left in Grade E fabric
 = CON03B + CONCLEG + CON30AL
 = 2725 + 165 + 4752
 = \$7642

reception area

- Upholstery (Stool)

inPower™ flex provides power for the most common personal electronic devices such as laptop computers, DVD players, PDAs, MP3 Players, PSPs, digital cameras, etc.

This unique power source consists of a module with dual receptacles for **120 VAC** and two **5 VDC USB ports**. The receptacles can be connected in series to power many modules from a single source. Modules can be mounted on linear units and back-to-back units, under intermediate or connecting tables and under cluster tabletops. Special brackets are provided for each specific application.

The inPower™ flex system is designed to minimize tripping of the building circuit breakers. This will minimize the need to access the electrical closets when an overload occurs.

InPower units are available for North America, Europe (U.K.), India and Universal.

Each module includes a circuit breaker to limit the current that can be drawn by a user to approximately 600 watts. This prevents the use of high current devices (hair dryers, travel irons, vacuums, etc.), while allowing the use of all consumer electronics. When a high current device is used, only the one receptacle module shuts down, and can be easily reset by resetting the circuit breaker. Modules also feature tamper resistant electrical receptacles.

overview

power capacity

- 120 VAC 12 A for daisy chained system
 - 120 VAC 5A maximum for each module
 - 5 VDC 2100 mA maximum for each USB receptacle
-

daisy chain

- Daisy chains are used to connect one unit to another from a single wall receptacle.
 - Up to 5 power modules can be connected in a series.
 - Maximum 32 feet of jumper cable length in a series.
-

protection

- Inlet power daisy chain limit - re-settable breaker with fault indication
 - Daisy chain 12 Amp max
 - Module limit - re-settable breaker 5 Amps
 - GFI with test and reset buttons and fail indicator light
 - 5 VDC over-current protection 2100mA on USB
-

warranty

Arconas warrants inPower™ Flex components against defects in parts and workmanship as for a period of 1 year from the date of the initial installation. The inPower™ Flex components must be properly installed and maintained in a dry indoor location and used for their intended purposes.
