91633 Eileen Gray Adjustable Table

We offer two versions of this timeless design:

the first is an accurate replication of the original table (the Classic version), complete with a cast arm component and welded end caps.

The second is our budget version with a flat steel arm component and chrome plated plug end caps.

Both are finely detailed and extremely durable. The budget version competes favorably with the vast majority of alternatives in the marketplace. The Classic is unsurpassed in its replication and attention to detail.

Frame: Triple chrome plated, tubular steel frame construction. tempered glass top included.

Tempered glass included.

JACOBSEN

1200 Jacobsen Side Chair

Our version of the Jacobsen Series Seven chair is an accurate reproduction of the original design. We also offer an alternate 'B' version, meant to compete favorably with, and be shaped similarly to, the lesser quality versions on the market today.

The main difference between our Classic 'CL' version and our 'B' version is the shape of the wooden shell. Both versions come with our 10 year warranty. 'B' version only available armless.

Frame: Triple chrome plated, tubular steel frame attached to seat with epoxy mounted, metal to metal sub-assembly for high impact contract use.

Epoxy painted frames available on request at an upcharge.

Seat: constructed of high grade European beech plywood. Standard finish: natural beech, or cherry stain or

black stain. ('B' version: standard in natural finish only.)

Custom finish matching available for 30+ pieces at an upcharge.

Fully upholstered version available in all base configurations but only with classic 'CL' shell.

W 19" D 19" H 31.5" St Ht 18"

MEIS VAN DER ROHE

501MV - Barstock Arm Chair

Originally designed by Mies for the Tugendhat house in Brno, Czechoslovakia, this timeless design remains a perennial favorite of design enthusiasts around the globe. You enjoyed your last meal at the Four Seasons while seated in this wonderful design.

Frame: Triple chrome plated, polished 1.5" barstock frame, in keeping with original design. No visible joints. Arm pads standard. Stainless steel frame available for large quantities on request at an upcharge.

Upholstery: Available in COM/COL and standard graded GI fabrics, or full top grain, aniline dyed leather. Standard OFC color is black. Other colors available on request at an upcharge. (OFC: 'original factory covering' - a full aniline dyed, uncorrected, top grain leather.)

501MV-NP same specifications as 501 MV, but without arm pads.

CAL 133 compliant with appropriate upholstery choices.

Top Specifications:

Tops available in White Carrara, Black Marquinia, Calacatta or Arabescato marble. All stone tops are natural marble, NOT polyester coated. GI does not offer this option as experience has found it unreliable.

Custom stone specification available. Call for quotation assistance.

Bases:

White or black lacquered, cast aluminum base. May be purchased separately. See below.

Custom Options:

Custom marble, granite, wood and plastic

Tops also available with wood veneers or laminates on special request.

laminates selections, sizes and shapes available upon request at an upcharge. Contact GI for details.

Maintenance: marble is a porous material. We do not seal our stone tops because most installations perform routine maintenance and cleaning, which removes the sealant. Regular application of a protective sealant is recommended.

Add 20% for custom RAL color match on table base.

Base Specifications:

Base is available in white or black painted aluminium.
