**COLECRAFT**

### History

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

### People

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

### Craftsmanship

## The Art of Detail™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

### Capabilities

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

### Service

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

### Sustainability

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

### Ordering Procedure:

All orders must be submitted in writing via mail, fax or email (orders@colecraftcf.com). Telephone orders must be confirmed in writing and must be marked confirming. Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

### Custom Orders:

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

### Intellectual Property Ownership:

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

### Credit, Pricing and Payment:

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

### Price & Product Changes:

Quoted prices must be accepted within 60 days or re-quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

### COM Materials:

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

### Changes, Cancellations, Storage & Returns:

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

### Shipments, Packaging & Crating:

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

### Freight Damage/Claims:

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

### Warranty:

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

### Our Environmental Goals:

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

### Our Environmental Strategy:

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## Metal Base Specifications

Colecraft's heavy duty metal bases are available in a range of styles. We offer over 20 Powder Coat Finishes. Our tubular bases are typically constructed of 14 gauge cold rolled seam welded high carbon steel. Tube ends have welded steel caps. Custom base designs are available upon request. See the Special Order Table Bases section for a sampling of options. Contact customer service for specifications, pricing and delivery. See our website or binder to view metal base color chart.

## Technology Solutions

Colecraft offers a wide range of power, data, voice, and wire management options. Please see the Technology Solutions section of this price list for standard solutions. We welcome custom requirements. Our customer service department will gladly develop and quote a solution for your unique connectivity requirement.

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

# LARGE CONFERENCE

### History

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

### People

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

### Craftsmanship

## The Art of Detail™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

### Capabilities

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

### Service

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

### Sustainability

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

### Ordering Procedure:

All orders must be submitted in writing via mail, fax or email (orders@colecraftcf.com). Telephone orders must be confirmed in writing and must be marked confirming. Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

### Custom Orders:

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

### Intellectual Property Ownership:

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

### Credit, Pricing and Payment:

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

### Price & Product Changes:

Quoted prices must be accepted within 60 days or re-quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

### COM Materials:

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

### Changes, Cancellations, Storage & Returns:

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

### Shipments, Packaging & Crating:

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

### Freight Damage/Claims:

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

### Warranty:

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

**Our Environmental Goals:**

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

**Our Environmental Strategy:**

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## Metal Base Specifications

Colecraft's heavy duty metal bases are available in a range of styles. We offer over 20 Powder Coat Finishes. Our tubular bases are typically constructed of 14 gauge cold rolled seam welded high carbon steel. Tube ends have welded steel caps. Custom base designs are available upon request. See the Special Order Table Bases section for a sampling of options. Contact customer service for specifications, pricing and delivery. See our website or binder to view metal base color chart.

## Technology Solutions

Colecraft offers a wide range of power, data, voice, and wire management options. Please see the Technology Solutions section of this price list for standard solutions. We welcome custom requirements. Our customer service department will gladly develop and quote a solution for your unique connectivity requirement.

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

FOR CONFERENCE & VISUAL PRESENTATION

**History**

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

**People**

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

**Craftsmanship**

The **Art of Detail**™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

**Capabilities**

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

**Service**

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

**Sustainability**

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

Fax: (716) 488-2824 Website: www.colecraftcf.com  
Email: info@colecraftcf.com

**Ordering Procedure:**

All orders must be submitted in writing via mail, fax or email (orders@colecraftcf.com). Telephone orders must be confirmed in writing and must be marked confirming. Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

**Custom Orders:**

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

**Intellectual Property Ownership:**

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

**Credit, Pricing and Payment:**

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

**Price & Product Changes:**

Quoted prices must be accepted within 60 days or re quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

**COM Materials:**

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

**Changes, Cancellations, Storage & Returns:**

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

**Shipments, Packaging & Crating:**

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

**Freight Damage/Claims:**

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

**Warranty:**

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

### Our Environmental Goals:

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

### Our Environmental Strategy:

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

## Wood & Veneer

The following wood & veneer species are standard at Colecraft Commercial Furnishings. Other species will be quoted on a custom order basis. Please discuss your needs with our customer service group.

- Walnut
- Oak
- Mahogany
- Cherry
- Maple

## Standard Wood Finishes

Colecraft provides a highly durable, stain resistant 30 sheen finish. This multi-step finish process includes two catalyzed lacquer top coats over a tough vinyl sealer and the stain of your choice. Colecraft offers 23 standard wood-finishes. Wood color samples are available on request. See our website or binder to view finishes color chart.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## Dry Erase Board Specifications

Colecraft Dry-Erase Boards and Presentation Cabinets may be specified in white writing surfaces of either High Pressure Laminate (HPL) or ceramic on steel. All Colecraft dry erase products offer smooth writing surfaces, superior erasability and outstanding color contrast. Low glare and alternative color surfaces are available at an extra cost. Markers and an eraser are supplied as standard with all dry erase products from Colecraft.

## Technology Solutions

Colecraft offers a wide range of power, data, voice, and wire management options. Please see the Technology Solutions section of this price list for standard solutions. We welcome custom requirements. Our customer service department will gladly develop and quote a solution for your unique connectivity requirement.

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

### Surface Options

PolyVision e3 Ceramicsteel

e3 Ceramicsteel is an ultra smooth, optically flat and highly durable ceramic-on-steel surface that delivers a lustrous and silky smooth writing experience. Dry marker pens glide across the surface with minimal friction, minimal marker wear and maximum coverage while maintaining all the benefits of a traditional ceramicsteel writing surface: magnetic, scratch resistant, abrasion resistant, chemical resistant and wear resistant.

Custom grid patterns and specific templates are available on Polyvision writing surfaces.

Wilsonart Marker Board Laminate

Wilsonart marker board laminate is a durable, gloss decorative surface that ensures easy erasure of dry erase markers. Marker board laminate is constructed from decorative surface papers that are pressed over kraft paper core sheets, then bonded, trimmed and the backs are sanded to facilitate bonding. This product is available in white, other colors are available.

All whiteboards include :  
 drywall mounting brackets and screws,  
 1 set of markers,  
 1 eraser  
 14" wide marker rail

# RECEPTION DESKS

### History

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

### People

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

### Craftsmanship

## The Art of Detail™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

### Capabilities

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

### Service

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

### Sustainability

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

Colecraft Commercial Furnishings 1021 Allen Street  
Jamestown, NY 14701

### Telephone, Fax & Internet:

Telephone: (716) 488-2810 Toll Free: (800) 622-2777  
Fax: (716) 488-2824 Website: www.colecraftcf.com  
Email: info@colecraftcf.com

### Ordering Procedure:

All orders must be submitted in writing via mail, fax or email (orders@colecraftcf.com). Telephone orders must be confirmed in writing and must be marked confirming. Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

### Custom Orders:

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

### Intellectual Property Ownership:

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

### Credit, Pricing and Payment:

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

### Price & Product Changes:

Quoted prices must be accepted within 60 days or re-quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

### COM Materials:

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

### Changes, Cancellations, Storage & Returns:

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

### Shipments, Packaging & Crating:

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

### Freight Damage/Claims:

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

### Warranty:

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

# Environmental Mission Statement

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

### Our Environmental Goals:

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

### Our Environmental Strategy:

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

## Standard Wood Finishes

Colecraft provides a highly durable, stain resistant 30 sheen finish. This multi-step finish process includes two catalyzed lacquer top coats over a tough vinyl sealer and the stain of your choice. Colecraft offers 23 standard wood-finishes. Wood color samples are available on request. See our website or binder to view finishes color chart.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## STUD WALL CONSTRUCTION FOR RECEPTION DESKS

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

## DESKING

**History**

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

**People**

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

**Craftsmanship**

The **Art of Detail**™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

**Capabilities**

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

**Service**

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

**Sustainability**

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

**Ordering Procedure:**

All orders must be submitted in writing via mail, fax or email (orders@colecraftcf.com). Telephone orders must be confirmed in writing and must be marked confirming. Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

**Custom Orders:**

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

**Intellectual Property Ownership:**

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

**Credit, Pricing and Payment:**

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

**Price & Product Changes:**

Quoted prices must be accepted within 60 days or re quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

**COM Materials:**

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

**Changes, Cancellations, Storage & Returns:**

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

**Shipments, Packaging & Crating:**

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

**Freight Damage/Claims:**

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

**Warranty:**

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

**Our Environmental Goals:**

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

**Our Environmental Strategy:**

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

- Walnut
- Oak
- Mahogany
- Cherry
- Maple

## Standard Wood Finishes

Colecraft provides a highly durable, stain resistant 30 sheen finish. This multi-step finish process includes two catalyzed lacquer top coats over a tough vinyl sealer and the stain of your choice. Colecraft offers 23 standard wood-finishes. Wood color samples are available on request. See our website or binder to view finishes color chart.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## Dry Erase Board Specifications

Colecraft Dry-Erase Boards and Presentation Cabinets may be specified in white writing surfaces of either High Pressure Laminate (HPL) or ceramic on steel. All Colecraft dry erase products offer smooth writing surfaces, superior erasability and outstanding color contrast. Low glare and alternative color surfaces are available at an extra cost. Markers and an eraser are supplied as standard with all dry erase products from Colecraft.

## Technology Solutions

Colecraft offers a wide range of power, data, voice, and wire management options. Please see the Technology Solutions section of this price list for standard solutions. We welcome custom requirements. Our customer service department will gladly develop and quote a solution for your unique connectivity requirement.

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

## FURNITURE

## General Information

### History

Colecraft has been making innovative designed, superior-crafted commercial furniture since 1953. Our continued growth is the result of a company-wide commitment to quality and innovation. We pride ourselves on the long-term partnerships we have with our dealers, clients, suppliers, and employees. Colecraft manufacturing and corporate facilities are located in Jamestown, NY.

### People

Colecraft is comprised of a closely knit team of hard-working and highly-skilled people who take pride in their work. We value design, innovation and craftsmanship. Continuous improvement is a core commitment.

## Craftsmanship

### The Art of Detail™

Skilled craftsmanship and modern manufacturing processes deliver superior quality products to our clients. Wood veneers are hand selected for match and balance and laid-up by order. Our Craftsmen individually fit miters and hand-sand all surfaces to ensure a perfect fit. Finishes are skillfully applied to perfectly sanded veneers, resulting in a durable protective coating that enhances the inherent natural beauty of wood.

### Capabilities

Our design, engineering, and manufacturing processes have been built for quality and flexibility. Our broad range of capabilities include wood, veneers, laminates, solid surface materials, glass, stone and metal.

### Service

Colecraft provides detailed quotations, shop drawings, photo-realistic renderings and custom finish samples as part of our presale service. We generate ideas, providing creative solutions at every step.

### Sustainability

Colecraft's dedication to environmental stewardship is a part of our core philosophy and has been since our inception.

Duplicate orders are the client's responsibility. Please use our model numbers and finish codes along with a brief description of the products being ordered. Your order will be acknowledged promptly. Please check the accuracy of your order acknowledgment. It is the customer's responsibility to let us know of any discrepancies within 5 working days from the acknowledgment date.

### Custom Orders:

Custom orders are welcome. A 50% down payment is required on all custom orders, with the balance due Net 30 Days. Custom orders will not be scheduled until the down-payment is received and final drawings approved and signed off by the customer. To request custom product pricing email quotes@colecraftcf.com.

### Intellectual Property Ownership:

All designs, and specifications shown in this catalog or developed as custom solutions remain the exclusive property of Colecraft Commercial Furnishings. We reserve the sole right to manufacture and distribute it.

### Credit, Pricing and Payment:

Standard catalog terms are Net 30 Days. Standard orders exceeding \$40,000 net will require a 33% down payment. Custom orders require a down payment of 50%. Any shipment less than \$1,000.00 net will be assessed a handling charge of \$100.00 net. All orders are subject to prior credit approval. Catalog pricing shown is at "List Price". Prices are subject to change without notice. A 1.5% per month service charge will be added to past due accounts.

### Price & Product Changes:

Quoted prices must be accepted within 60 days or re-quoted. Colecraft reserves the right to change pricing, specifications, dimensions and finishes without notice. We also reserve the right to make product modifications and improvements at any time without notice. Typing and clerical errors on any agreement, publication, quotation or price list are subject to correction without notice.

### COM Materials:

COM materials are welcome and should be shipped directly to our factory, freight prepaid. COM materials do not qualify for the Colecraft warranty. Please coordinate the use of COM materials through the Colecraft customer service department.

### Changes, Cancellations, Storage & Returns:

If orders are changed, customers will be charged \$200 net plus all incremental material and production costs. If orders are canceled, customers will be charged the total accumulated cost of the project (design, engineering, tooling, materials & labor) up to the time of cancellation plus a \$500 net cancellation charge. If the customer is unable to take delivery when the merchandise has been scheduled Colecraft may transfer the merchandise to storage. All costs for storage and freight will be at customer's expense. Products cannot be returned without prior written authorization. To be eligible for acceptance, products must carry a pre-authorized label, be properly packaged and be received in good condition. Returns will not be considered after 30 days from the original shipment date. Re-stocking charges will be a minimum of 35% plus freight costs.

### Shipments, Packaging & Crating:

Colecraft will select the method of shipment, carrier and routing. All shipments will be forwarded for normal dock delivery. Prices do not include any storage or installation charges. Special delivery requirements, such as inside delivery or curbside delivery will be quoted on request. Pricing includes appropriate packaging and/or skidding costs associated with normal dock delivery. For special packaging, crating or overseas shipment please contact our customer service department for quote. For call before delivery notice add \$25 net.

### Freight Damage/Claims:

All of our products are carefully inspected prior to packaging. They are in good condition when picked up by the carrier. Shipments are sent prepaid, FOB Jamestown, NY. Our liability ends when the carrier issues a receipt to Colecraft. At that point, legal title of the merchandise passes to the buyer. The buyer has the sole responsibility of seeking recourse against the carrier. Prepaid freight does not change the FOB status of the product. Claims for damage or loss must therefore be placed with the carrier at point of destination and not with Colecraft. Upon receipt of your order please inspect for hidden damage that may have occurred during transit. Note any physical damage on all copies of the Bill of Lading and enter a freight claim with the carrier immediately.

### Warranty:

Colecraft is pleased to warrant our products against manufacturing defects for a period of ten (10) years, of single-shift use, from the date of factory invoice. Components not manufactured by Colecraft (casters, mechanical or electrical components) have a warranty of 5 years. This warranty will not apply where there is evidence of alteration, misuse, negligence or abuse. During the warranty period we will, at our discretion, repair or replace the product, component or parts with the same or comparable items. All warranty claims must be made in writing and must be approved by Colecraft. If necessary, all furniture being returned must be properly packaged. All freight charges for items being returned for service must be prepaid by the customer. If the claim is accepted, we will gladly refund the charges incurred. There are no other warranties, either expressed or implied, including any warranty of fitness for a particular purpose. We exclude and will not pay consequential or incidental damages under this warranty. Colecraft's decision will be final regarding the condition of the product, the nature or cause of the defect and the necessity and the type of repair or replacement.

As part of our core Mission, we will work to help preserve the natural resources of our planet for current and future generations. Our specific Environmental Mission is to promote human health and safety, protect our environment and to conserve our natural resources.

**Our Environmental Goals:**

- Meet or exceed the requirements of all environmental laws and regulations applicable to our operations
- Limit our negative impact on the environment and work to reduce recognized environmental risks to our employees and our community
- Strive to employ safe, environmentally friendly technologies and operating procedures
- Continually monitor and improve our performance in the above areas

**Our Environmental Strategy:**

- Implementation of a recycling program, while also striving to reduce the use of non-recyclable packaging materials
- Colecraft will continue to expand its reuse of materials such as wood pallets and crates whenever possible
- We will continue to work to find alternative methods to safely ship products to our customers and receive materials from our vendors including the utilization of reusable skids and crates, shrink-wrapping and blanket wrapping
- Continue to pursue and expand the use of highly efficient transportation methods including the smallest and most efficient delivery vehicles available
- Cooperation with outside shipping companies to assure the maximum efficiency of transportation routes
- We will also develop methods to increase space utilization including consolidating orders by customers and destinations. Optimizing the use of shrink-wrapping, palletizing, and blanket wrapping of our product will result in space-consuming and non-reusable packaging being reduced.
- Colecraft will also pursue continuous improvement in the areas of product durability and performance
- Colecraft will develop specific strategies to promote resource conservation and environmentally sensitive waste management

**Architectural Woodwork Institute (AWI)** - Colecraft Commercial Furnishings is a member of AWI

**LEED (Leadership in Energy and Environmental Design) Green Building Rating System** - We will examine how our company's product offerings can embrace such important goals as Energy Efficiency, Environmental conservation, and the protection of Human Health.

**CARB Compliance** – The California Air Resources Board has implemented a measure to reduce formaldehyde emissions from composite wood products, including plywood, particleboard and medium density fiberboard. All Colecraft Commercial Furnishings furniture is CARB Phase 2 compliant.

## Custom Wood Finishes

Special color matched finishes are welcome upon submission of an actual sample. A one-time special finish development charge of \$500 (list) per order is required. Custom finishes may add to lead times.

## Natural Wood Characteristics

Our wood furnishings are manufactured using the finest hardwoods and wood veneers available. Wood is a natural material and its beauty is derived from its inherent variations in color, grain and texture. Because of these natural variations, an exact color and grain match cannot be guaranteed between our photographs, samples and finished products.

## High Pressure Laminates

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite and Nevamar. These laminates are included in our standard pricing. Premium laminates are available on request. Contact customer service for pricing and delivery. See our website or binder to view worksurface material color chart.

## Edging Materials

In addition to our broad range of wood edge options, Colecraft offers table edging in T-mold, 3 mm PVC and self edging. See the material section of your binder to view the stock edge profiles and finishes. On self edge tops the edge is applied before the top and backer to provide added protection to the edge. Custom T-mold and 3 mm PVC finishes are available but may require a minimum purchase quantity. Please discuss your custom requirement with our customer service department for pricing and minimums. See our website to view our PVC color chart.

## How to Protect Fine Furniture

- Use coasters and desk pads to protect the finish against damage, moisture and heat
- Use felt pads on the bottoms of equipment and electronics to avoid damaging wood finishes
- Lift instead of sliding objects across the surface to prevent scratching furniture finishes
- Periodically move accessories around on surfaces to prevent inconsistent aging from exposure to light
- Avoid direct sunlight to preserve the furniture's original beauty
- The ideal furniture setting is between 60 and 80 degrees Fahrenheit, with humidity levels between 30 and 50 percent

## Cleaning Fine Wood Furniture

- Accidental spills
  - Spilled liquids should be wiped up promptly with a soft absorbent cloth
- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to dry
  - Always wipe in the direction of the wood grain
- Regular/Monthly cleaning
  - Lightly soiled areas may be cleaned with wood cleaner products, following the cleaner's directions
  - Surfaces should be cleaned with a soft cloth, wiping in the same direction as the wood grain, and dried with a soft clean cloth
- Polishing wood furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues
  - If polishing is desired, use a polish that is silicone free, such as Guardsman Wood Polish
- Oil, ammonia, and silicon products should never be used on wood furniture

## Cleaning Laminate Surfaces

- Periodic dusting
  - Clean with a slightly damp soft cloth, using another soft cloth to polish dry
- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent
  - For stubborn stains, use a non-abrasive ammonia based household cleaner, do not get cleaner on any wood or wood trim
- Polishing laminate furniture
  - We do not recommend the use of commercial wax or polish which may leave undesirable residues and possible streaking
  - If polishing is desired, use a laminate polish being careful not to get any polish on any attached wood trim

## Cleaning Metal and Painted Metal Surfaces

- Regular/monthly cleaning
  - Lightly soiled areas may be cleaned with a soft cloth and a mild liquid detergent

## General Information

Colecraft creates innovative library furniture solutions that combine style, function, technology, and craftsmanship into each design. Our library furniture provides visual appeal, enhanced performance and long term satisfaction. By offering a broad range of standard products along with unlimited custom solutions, we can uniquely tailor our solution to your project.

### Worksurface Materials:

Colecraft offers a full line of standard laminates offered by Formica, Wilsonart, Arborite, Pionite or Nevamar. Premium and special order laminates, solid surface, quartz, stone, marble, granite, metal and Marmoleum are available on request. Contact customer service for pricing and delivery.

### Bookcase Specifications:

All bookcases are constructed with 1 1/4" thick side panels, 3/4" thick hardwood shelves, and hardwood base support. Shelves are notched around steel pins to prevent them from accidentally sliding out.

### Technology Solutions:

Colecraft offers a wide range of power, data, voice, and wire management options. Please see the Technology Solutions section of this price list for standard solutions. We welcome custom requirements. Our customer service department will gladly develop and quote a solution for your unique connectivity requirement.

### Table Specifications:

Library tables feature 2"w x 1 3/4" thick solid hardwood edge, durable HPL (high pressure laminate) inset on the top with solid hardwood aprons and tapered legs. Legs and aprons are attached with mortise and tenon joints, heavy gauge steel brackets and heavy duty bolts to assure a lifetime of service. Other edges and surface materials (wood, marmoleum...) are available.

### Study Carrel Specifications:

Study carrels have 1 1/4" thick work surfaces and side panels with 1 1/4" back panels, in your choice of wood or laminate. An optional CPU holder can be added.

### Chair Specifications:

Chairs are constructed of solid hardwood and shipped fully assembled. They are available with hardwood or upholstered seats and with or without arms.
