Industry Favorites (viewed online)

Visit www.greatopenings.com to find a comprehensive list of colors that are available for you to order just as though they were among our 60 Standard Colors.

- No added cost
- Standard lead-time
- No minimum order size
- Not necessary to exchange paint chip samples or to get your signed approval, as we already know we have a good match with the original manufacturer's color
- Simply send us your purchase order with the paint color name and number identified in this online list

- Great Openings will process your order, then send you an order acknowledgement
- Depending on paint cost and availability that is beyond our control, colors may be added or removed from this list of Industry Favorites

Please understand that color match is not a perfect science. While Great Openings uses the most sophisticated powder formula color match technology available, our greatest challenge remains the fact that the major manufacturers' colors tend to "drift" over time. Bright whites and silver metallics, in particular, are a challenge to match. For all practical purposes, in common artificial light as well as natural light, Great Openings' Industry Favorites will be an excellent match for our competitors' colors.

Custom Colors

When you need a color that's not included in our 60 Standard Colors or Industry Favorites, simply send us a paint chip and we'll get it matched. A special lead time or cost will likely be included, but we can almost certainly supply exactly the color you need.

- No minimum order size on Custom Colors
- Custom Color up-charge is applied on a per unit basis
- Minimum lead-time is 15 working days after we receive your written color approval
- We must receive a purchase order before exchanging custom color samples.

Here's how it works for custom colors:

1. Along with your purchase order, send us a 2" X 2" sample of your desired Custom Color (a metal chip is best, but often a laminate or paper sample will work).
2. We'll work with our paint suppliers to find a match, a process that typically takes 10 to 15 business days. Then we'll send a metal sample of our recommended paint color back to you, along with a sign-off sheet, total net up-charge and lead-time requirements.
3. You'll return the sign-off sheet, we'll send you an order acknowledgement and away we go!

Check our website for Custom Designer Colors a sampling of trending new custom colors!

Two-tone cabinets, with fronts painted a different color than the cabinet are available. Contact Sales for a quote.

Please note: Our objective is to order exactly the correct amount of paint for each order so that we can offer you the lowest possible price. For this reason, if you happen to order the same custom color again weeks, months, or years later, paint inventory will likely not exist and any additional costs will once again be charged per unit, no matter the order size.

LAMINATE PROGRAM

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

We make it easy to order special laminates and edge bands. Great Openings offers 18 Standard Laminate and Edge options as well as Custom Laminates.

Cayenne laminate tops are 5/8" thick and may be ordered with any of our 18 Standard Laminate and Edge options or from our Custom Laminate program, both shown below. 5/8" thick laminate tops **may not** be used as desk work surfaces. Laminate tops used for the TRACE desk or any TRACE cabinet top are 1-1/4" thick, and may be ordered from any of the three laminate programs shown below.

18 Standard Laminates and Edges

For laminate samples please contact Wilsonart® at 800-433-3222, or see www.wilsonart.com

Industry Favorites (viewed online)

Visit greatopenings.com to find a comprehensive list of laminates and edge bands that are available for you to order just as though they were among our 18 Standard Laminates and Edges.

- No added cost for options listed in "Column One".
- Higher cost options will be listed in separate columns, with the percentage up-charge clearly shown.
- Some of these Industry Favorites may require a longer lead time. If so, you'll see that noted in the list.
- No minimum order size.
- Simply send us your purchase order with the laminate and edge band colors and numbers identified on the Industry Favorites list. Where appropriate, apply the percentage up-charge to the individual product price.

- Great Openings will process your order and send you an order acknowledgement.
- Industry Favorite laminates and edge bands cannot be changed or cancelled after the order has been confirmed by our Customer Service Department and an order acknowledgement has been sent.
- Depending on product availability and costs that are beyond our control, options may be added or removed from this list of Industry Favorites at any time and prices may change. This is truly a "living document"!

Custom Laminates (including veneers)

When you need a laminate or edge band that's not included in our 18 Standard Laminates & Edges, call Great Openings to request a special quote and lead-time. We have access to WilsonArt®, Formica®, Nevamar®, Pionite® and many more.

Please note that custom laminates or edges will require additional charges, lead-time, and minimum order quantities.

Self edge laminate tops are available. Contact Sales for a quote.

When it's time to place your custom laminate order, include the following information on your PO:

- Name of your laminate and edge
- Manufacturer names
- Pattern names
- Identification numbers

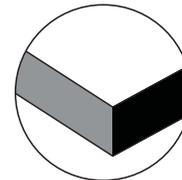

Custom laminates and edges cannot be changed or cancelled after the order has been confirmed by our Customer Service Department and an order acknowledgement has been sent.

Work surfaces with NAUF Substrate (No Added Urea-Formaldehyde Particleboard), ABS Edge, and Marmoleum are available for order. Call Customer Service or Sales for more information.

SPECIALTY FRONTS & OPTIONS

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Products Available with Laminate Fronts

Any of the following Great Openings cabinets may be special-ordered to include factory-installed laminate fronts. Laminates may be one of Great Openings' standards or a special ordered laminate and 3mm edge band. Laminate wood grain is positioned vertically on all fronts, including tower doors. Laminate fronts must be specified to include any one of our loop pulls. UM Series locks are included as standard. When ordering more than 50 of any single laminate size, please call Sales for a quote.

	Notes	Product	List Price Per Unit (Add this amount to the standard price of each cabinet)
	Cayenne drawer fronts are full width, and the lock is located in the bottom drawer.	Cayenne two drawer cabinet (any width)	\$487
	Pedestal drawer fronts and lock strip will be laminate. Cushion pedestals will not include a loop pull on the lock strip. Not available on 3" pencil drawers.	box/file pedestal	\$547
		file/file pedestal	\$547
		box/box/file pedestal	\$684
	Lateral drawer fronts and lock strip will be laminate.	Trace box/file lateral (any width)	\$640
		Trace 2-high lateral (any width)	\$660
		Trace 3-high lateral (any width)	\$887
		Trace 4-high lateral (any width)	\$1,115
		Trace 5-high lateral (any width)	\$1,343
		Trace 6-high lateral (any width)	\$1,570
	Laminate drawer and door fronts are full-width. The tower top and base are both visible from the front of the cabinet, and will be metal.	Cupboard wardrobe tower (any height)	\$1,208
	Hutch doors are full width and do not include loop pulls. Locks are concealed below the shelf.	Trace desk hutch doors (any width)	\$725

Additional mixed material front options

Most of Great Openings cabinets may also be ordered with special veneer fronts. Please contact the GO Sales Team for a quote.

Digital lock options

Many of Great Openings cabinets may also be ordered with individually keyed digital locks, programmable with either fixed or revolving (hoteling) codes. The lock's code can be from 4-8 digits in length. Codes are quickly and easily changed and operation is simple. Each lock comes with a programmable supervisor code that will override all user codes. If supervisor and user code are both lost, lock can be reset to factory default by entering a reset code. **Please contact the GO Sales Team for a quote.**

Custom Products

Towers and lockers specially-designed with a custom height, width, or depth may be available for sufficient quantities.

Standard Fabric Program:

This fabric offering may be applied to our Cushion Mobile Pedestals, GO Carts, Cushion Mobile FileCenters, Desk Hutch Tack Boards, Wall-Mounted Tack Boards and Privacy Screens. We have selected a pallet of fifteen accent colors from the C.F. Stinson colors – New Hempstead and Bryant Park Collections. This fabric is a low texture, solid-color, 100% polyester that will work very well as seating upholstery or for a vertical tack board application. The following is a cross reference list for these fabrics:

GO Part #	Fabric	C.F. Stinson
7A	Black	NH333 - New Hempstead
7B	Grey	NH395 - New Hempstead
7C	Nickel	NH361 - New Hempstead
7D	Jodhpurs	NH420 - New Hempstead
7G	Fire	NH406 - New Hempstead
D1	Aubergine	NH419 - New Hempstead
7J	Steel	NH366 - New Hempstead
7K	Navy	NH369 - New Hempstead
7M	Nile	BP6553 - Bryant Park
7N	Night Shadow	BP6563 - Bryant Park
7P	Crocodile	BP6561 - Bryant Park
7S	Marigold	BP6551 - Bryant Park
7R	Raspberry	BP6557 - Bryant Park
7T	Butterscotch	6531 Ace
7V	Sherwood	6544 Ace

For memo samples, contact C.F. Stinson at 800-841-6279 or see www.cfstinson.com.

- Cleaning (w-s)..... Professional service is recommended or use water-based agents

ORDERING COM FABRICS

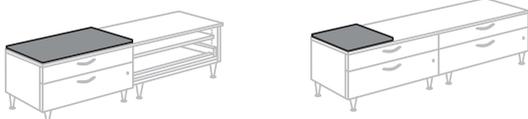

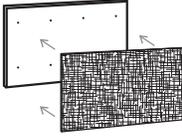

HOW TO SPECIFY COM FABRIC ON YOUR PURCHASE ORDER:

Calculate the yards of fabric needed using the chart below. If ordering more than 10 identical units, call for fabric requirements
Clearly label your fabric package with:

- Purchase order #
- Dealer name
- Fabric description
- Yardage quantity enclosed

Please note: Lead-time for COM fabric orders is 10 working days after receipt of fabric. Great Openings reserves the right to refuse to apply any COM fabric that we deem insufficient quality for production or user application. Our standard warranty does not apply to COM fabric-covered items.

Send the fabric to:
Great Openings (Fabric), 902 East Fourth St., Ludington, MI 49431
Tag PO #

Key-Alike Process and Charges:

- Your key-alike request can be ordered on the original purchase order or under separate cover.
- Key-alike requests for the UM, SL, LL and K Series locks are processed at no charge as long as the quantity of key/core sets match the quantity of cabinets.
- When including the UM, SL, and LL Series locks, products will be shipped with randomly assigned cores/keys. Your key-alike requests for all lock series will be shipped separately and labeled to allow for easy change-out in the field, after the product is installed.
- A core-removal key is provided at no charge with each key-alike request.
- Additional keys, cores, master keys, and core keys may be purchased separately. The cost is \$3 net per item, plus \$15 net for shipping costs.

CAYENNE FAQs

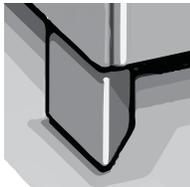

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Cayenne is engineered to perform.

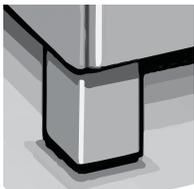

You can be assured that every cabinet and every component is built with Great Opening's signature attention to detail.

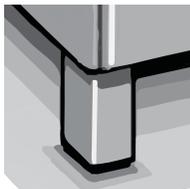

S: Round

T: Triangle

A: Square

R: Rectangle

Go ahead, load them up.

These drawers are solidly constructed and ready to take on the pack rat in all of us.

Features

- Four attractive cabinet leg styles with matching desk legs.
- A vertical wire management corridor is located inside the center back. To allow for access to this channel, order a metal or laminate top with grommet. The wires drop from top-to-bottom and then are routed as needed beneath the cabinet.
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation.
- Drawer fronts and lateral tops are mechanically fastened and removable to maximize design flexibility.
- File drawer bins are 11-3/8" in height, with full-height side panels.
- Two file bars are included in each file drawer, for side-to-side filing.

Options and Accessories

- Low Storage Cabinets may be ordered with metal top, laminate top, or no-top. The no-top option should be used when ganging two cabinets side-by-side with a common laminate top.
- Removable cushions with non-slip backing are available in eight sizes.
- Double-walled drawer fronts are available for improved sound deadening, and are sold as accessories. A custom-cut closed polyester foam material is adhered to the inside of each drawer front.
- Felt drawer lining for soft-touch storage and sound/vibration absorption is available for Cayenne drawers. The felt is 1/8" thick and available for 30", 36", and 42" lateral drawer bins.
- Metal drawer dividers, for use in Cayenne 6" lateral drawer bins, are sold in packages of four dividers. These dividers may be installed with and without felt drawer liners.

Lock Systems

- Cayenne products come standard with randomly-assigned UM Series locks (#226-425), which are black faced, master-keyed, and core removable.
- Locks may be keyed alike in the field.
- Other key series are available, including Haworth SL, Bright Nickel LL, and Knoll K. Please see our specification guide in the front of this book for details.
- For Two Drawer Low Storage Cabinets, the locking system captures the right hand side of both drawers. A safety interlock mechanism is included, allowing only one drawer to open at a time.

Drawer Load Capacity

For 6" and 12" lateral drawers and rollout shelves:

- 30" drawers: 125 lbs
- 36" drawers: 125 lbs
- 42" drawers: 125 lbs

For adjustable shelves:

- 30" shelves: 136 lbs
- 36" shelves: 136 lbs
- 42" shelves: 136 lbs

Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for safety and durability.
- A lifetime warranty ensures long lasting performance and after-sale support.
- Welded steel frame construction and formed channels ensure strength.
- Reinforced vertical and horizontal channels ensure dimensional stability.
- A safety interlock mechanism is included, allowing only one drawer to open at a time.
- Counterweight is included as standard in Two Drawer cabinets and Rollout Shelf cabinets. Low Storage cabinets that do not include rollout drawers or shelves do not need counterweight.
- Laminate tops are 5/8" thick, with 3mm edge band.

Metal Gauge

- For Low Storage Cabinets, bottom channels are 16 gauge, top channels and shelves are 18 gauge, side channels, side panels, top, fronts and drawer bins are 20 gauge.
- For Cayenne Towers, side channels are 20 gauge, side and back panels are 21 gauge, bottom pans and shelves are 18 gauge, tops are 21 gauge and doors are 20 gauge.

Inner Dimensions: Cayenne Two Drawer Storage Cabinet

- Inside clear drawer bin heights: 6" bin: 4.54" (bin sides themselves are 4.24"), 12" bin: 10.86" (bin sides themselves are 9.18")
- Inside clear drawer bins depths: 15.94"
- Inside clear drawer bin widths: 30" bin: 26.70", 36" bin: 32.70", 42" bin: 38.70"

Inner Dimensions: Cayenne Open Shelf Cabinet

- Inside clear height without .75" adjustable shelf: 16.39"
- Inside clear depth: 19.00"
- Inside clear width: 30" cab: 28.55", 36" cab: 34.55", 42" cab: 40.55"

Inner Dimensions: Cayenne Rollout Shelf Cabinet

- Inside clear height from top of rollout shelf without .75" adjustable shelf: 16.04"
- Inside clear depth: 15.50"
- Inside clear width: 30" cab: 26.73", 36" cab: 32.73", 42" cab: 38.73"

Inner Dimensions: Cayenne Lockers:

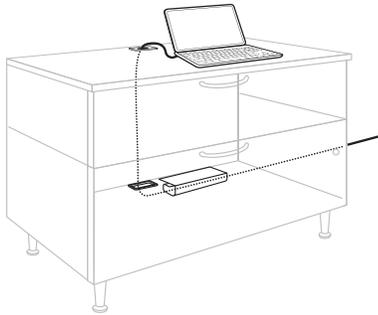

- 12" wide lockers with coat rod: inside clear dimensions are 33.18"h x 19.16"d x 9.87"w
- 12" wide lockers with shelves: inside clear dimensions are 35.63"h x 19.16"d x 9.87"w
- 18" wide lockers: the coat closet section inside, clear dimensions are 33.18"h x 19.16"d x 4.60"w
- The shelf section minus shelves, inside clear dimensions are 35.64"h x 19.16"d x 10.57"w

CAYENNE WIRE MANAGEMENT

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

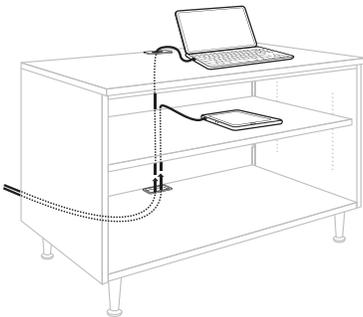

Each of the three Cayenne Low Storage Cabinets include an internal corridor for wire management. The corridor runs vertically down the back center of the cabinet. Access depends on the cabinet design (as shown below). In three of the cabinet designs the wires may also be accessed from within the cabinet so that tablets, laptops, or phones may be safely stored and charged.

In all three of the cabinet designs it is possible to see the length of the wires at all times. The corridor may be made accessible from the top of the cabinet simply by ordering a grommet in the metal or laminate top.

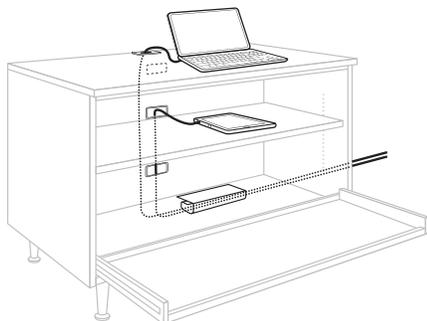

Low Storage Two Drawer

Wire corridor is accessible only from the top and the bottom. Wires may not be accessed from within the cabinet.

Low Storage Open Shelves

Wire corridor is accessible from the top and bottom as well as inside the cabinet. The wires simply drop down the back center of the inside of the case or come up from underneath and tuck behind the adjustable shelf. Wires are fully visible inside the cabinet though may be partially covered by the contents of the shelf.

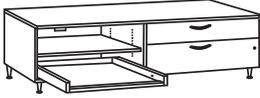

Low Storage Rollout Shelf

Wire corridor is accessible from the top and bottom as well as inside the cabinet via three internal grommets.

CAYENNE TYPICAL CONFIGURATIONS

STORAGE & ACCESSORIES

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Low Storage, Two Drawer

w/Grommet

w/o Grommet

- Includes one 6" drawer and one 12" file drawer, both with full extension slides
- Includes wire management corridor running vertically down inside back center. To access corridor, order grommet in either metal or laminate top
- Includes safety interlock, allowing just one drawer to open at a time
- Choose from four leg options, all 3" high
- Includes counterweight
- Lock captures the right side of both drawer bins
- When ganging two cabinets together, order no-top units and a common laminate top with ganging kit
- Leveling glides allow for 1/2" adjustment

STORAGE & ACCESSORIES

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Credenza

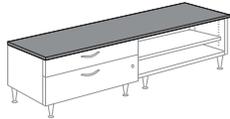

- Selected storage cabinets are pre-configured into credenzas so you may order them using a single part number
- Each credenza includes:
 - 2 low storage cabinets
 - 1 common laminate top with ganging kit
 - 1 credenza center leg support (total of 5 legs)
- Credenzas must be assembled in the field
- Cabinets are unhandled so may be configured on left or right side or facing opposite directions
- To access the wire management corridors in either cabinet, laminate tops may be special ordered to include grommets. Call Sales for a quote.

Common Tops with Ganging Kit

- Create your own credenza by ordering any two Cayenne Low Storage cabinets with the appropriate common top
- Laminate top is 5/8" thick and includes pre-drilled holes for easy assembly
- Order two no-top Cayenne cabinets to be assembled with common top in the field
- Includes ganging kit for bolting two Low Storage Cabinets together
- Common tops do not include grommets
- If grommets are needed in common tops to access wire management corridors, call for quote to special order

Credenza Center Leg Support

- Create your own credenza by ordering any two Cayenne Low Storage cabinets and then using this Credenza Center Leg Support to:
 - Gang the two cabinets tightly together, side-by-side
 - Eliminate the four legs in the center and replace them with this single support leg
- Must be used in conjunction with a common laminate top (shown above)
- Support leg sits in the center, front-to-back, so it's not visible to users
- Support leg is always round, regardless of the cabinet leg style
- Kit includes splice plate, round center leg, fasteners and instructions

Description	Pkg Wt	Pkg Cube	Part #	Price
One splice plate with center leg	2.5 lb	.16 ft	CYPX 0050	\$69

Cayenne Ganging Kit

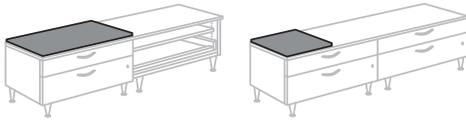

- When sourcing your own Cayenne Low Storage laminate top, use this kit to gang the cabinets together
- Ganging kit includes splice plate, fasteners, and instructions
- Does not include center leg support

Description	Pkg Wt	Pkg Cube	Part #	Price
Kit to gang Cayenne cabinets together	1 lb	.2 ft	CSP 01K	\$45

Features

- Cushion mobile pedestal includes hidden drawer and power option
- Optional power module may be field-installed on inside left or right side
- Power module has (1) simplex outlet and (2) USB charging ports
- Grommet in lower back of pedestal allows for access to power source
- Non-locking 3" drawer features full extension slides
- When specified with a cupboard door, 3" drawer is hidden inside
- Grommet in bottom of drawer allows for charging a device stored inside the drawer
- Includes black 37mm casters (2 locking & 2 non-locking)
- Optional cupboard door hinges either left or right
- 1-1/2" cushion is factory installed with fasteners
- Loop pull on trim strip matches loop specified for cupboard door
- When specifying A: Full Pull, an "S" Satin Nickel Loop Pull is used on trim strip
- Please specify cushion fabric selection

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Work Surfaces

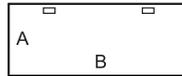

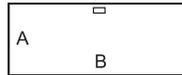

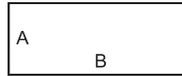

Work surfaces are 1.250" thick with 3mm PVC vinyl edge. Surfaces 48" wide and larger include a metal stiffener.

Cayenne desk work surfaces do not include grommets as standard. If grommets are needed, simply add a "G" suffix to the part number and add \$15 list per grommet.

Grommet locations:

Work surfaces include one center grommet when 60" or less, and two grommets when 66" or more in width.

Grommets are positioned 18.5" from either side and 2" from the back of the work surface.

In some desk configurations, particularly when a work surface is 54" wide or wider, a metal stiffener may be required. Please call for a quote.

Desk Legs SIN 711-2

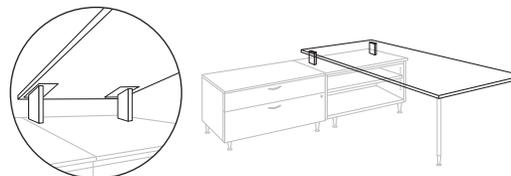

- Each of the four Cayenne leg styles are available as desk or peninsula legs
- Finish is nickel, which matches the finish on Cayenne cabinet legs
- Includes 5" x 5" mounting plate and fasteners
- Desk leg leveling glides allow for at least 1/2" adjustment
- See diagram below for suggested leg orientation

Floating Top Support

- Sits on top of Cayenne low storage cabinet with laminate top
- May not be used on a storage cabinet with metal top
- With 5/8" laminate top on the cabinet, and 1-1/4" desk top, desk will finish at 29" high
- No leveling glide adjustability
- Includes top mounting plate with fasteners
- Mounting bracket that sits on the storage cabinet may be secured with double sided tape to avoid scarring the cabinet top. Screws and drill template are also included.

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Tackable Screen - Rectangular

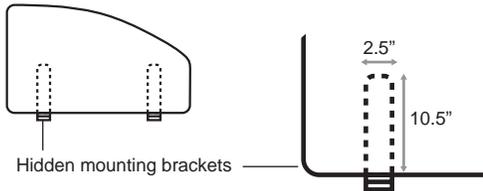

Dotted lines indicate hidden mounting brackets

- Tackable board is covered on both sides with fabric of your choice. Brackets and fasteners are included which allow the screen to be fastened to the underside of the work surface
- 12 gauge metal mounting brackets slide between these back-to-back tackable boards and are hidden from sight (See cut-away diagram below)
- Please note that tackable privacy screens may not be added to a desk when modesty panels are in use because the screen mounting brackets interfere with the modesty panel location
- Screens 35" and narrower include two mounting brackets
- Screens 41" and wider include three mounting brackets
- Privacy screen widths may be matched to that of the corresponding work surface size
- Screens measure one inch less than the work surface widths to allow for even spacing between screens, wire management and cornering applications

Modular Electrical Components

How to order:

1. Determine the configurations that need power and electrical load requirements.
2. Choose **Base Feed**. **
3. Establish placement of **Power Blocks**.
4. Identify # and style of **Receptacles** per power block.
5. Determine connecting cable lengths by taking center to center distance between power blocks, adding any additional cable required to pass under or around object. Subtract 8" and use the next largest size cable unless measurement is exact.

For Example:

Sample #1 the power blocks are centered in the 42" returns, so half the return size is 21" for each return (21" + 21") plus 30" depth of the peninsula, minus 8".

$(21" + 21" + 30" - 8" = 64" \text{ connector length})$

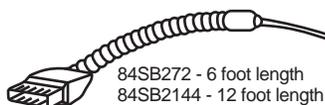

6. Determine needed accessories.

Description	Part #	Price
6' Base Feed	84SB272	\$224
12' Base Feed (Extra Long)	84SB2144	\$355
Power Block*	844AA/78MB	\$108
Receptacle 1	84S1BL150	\$20

These conditions of sale supersede all previous selling policies. Prices, discounts, lead-times and product offerings are subject to change without notice.

Order Placement

Great Openings requires that all orders be submitted in writing to avoid errors and/or duplication. Sales of all Great Openings' products are made only on the Company's standard terms and conditions of sale, unless modified in writing by an authorized Great Openings representative.

Orders received at Great Openings after 4:00pm EST will be processed the following day.

Order Acknowledgement

We diligently issue order acknowledgements via e-mail within 24 hours of purchase order receipt. If you do not receive an acknowledgement within 24 hours, please call our Customer Service department to determine the reason; we may not have received your order, or we may have questions that are delaying order entry.

**PLEASE CHECK
ACKNOWLEDGEMENTS
FOR ERRORS
IMMEDIATELY UPON RECEIPT.**

The order acknowledgement process is designed to ensure protection for both the buyer and the seller. We strongly urge the buyer to make sure the acknowledgement accurately reflects the intended purchase.

Order Discrepancies

Great Openings will not be held responsible for extra costs due to errors resulting from purchase order inaccuracies. If and when a discrepancy is detected on the purchase order or acknowledgement, all corrections must be received in writing before further order processing can occur.

Changes, Cancellations

Orders may not be changed, corrected or cancelled, in whole or in part, after Great Openings has issued its order acknowledgement without the written consent of an authorized Great Openings representative. Special order items (special or custom cabinets, Customer's Own Materials (COM) fabric and laminates) already in production are not subject to change or cancellation under any circumstances.

Canadian Orders

Canadian orders may be processed using this price book. The pricing and payment terms included in this book are in U.S. funds. Custom brokerage fees and GST/HST taxes will be charged as separate line items on the invoice. All prices are freight included; FOB: Destination. A Regional Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders). See regional map for applicable fee.

Lead-Time

Lead-times are measured in working days, and begin after receipt of clean order.

Lead-times may change without notice. Stated lead-times will not commence until purchase order is actually entered into our system. We are not responsible for delays caused by order discrepancies or late receipt of COM items.

Special Shipping Instructions

Great Openings will accommodate special shipping/delivery requests whenever possible. Purchaser will be responsible for any and all extra costs incurred by reason of Great Openings' complying with a special shipping request. Examples of special requests that may cause extra charges (dollar amounts shown are approximate, actual amounts may vary):

- special carrier/lift gate: starting at \$85.00
- inside delivery: starting at \$50.00
- expediting, re-consignment, delays causing carrier storage: starting at \$50.00
- truck load delivery times after 3:00 pm
- delivery times outside normal business hours including weekends and holidays: starting at \$450.00 per truck
- exact, narrow scheduling window (elevator time): starting at \$150.00
- non-commercial/residential deliveries: starting at \$60.00

The maximum amount of time allowed for off-loading product from trailers is 3 hours. Carrier costs associated with any additional delivery time will be charged to the dealer. Any additional charges that result from the purchaser failing to accept a shipment as agreed upon will be the responsibility of the purchaser.

Special Delivery Charges

Once a delivery truck arrives at a destination, if the recipient is not ready to accept delivery as scheduled and the truck must wait, deliver "after hours", or make a second drop at a later time, the carrier charges a penalty for that delay which Great Openings must pass on to the customer.

These charges are as follows (dollar amounts shown are approximate, actual amounts may vary):

Night Delivery:

3:30-4:30 p.m.: \$400 additional charge
4:30-5:30 p.m.: \$450 additional charge
5:30 p.m. and later: \$500 additional charge
Detention fee will be \$75 per hour after two hours. Drop charge will be \$75 per drop.

Weekend and holiday deliveries will be quoted per load depending on location and delivery time.

Please use caution when planning and communicating delivery requirements so that these exorbitant fees will not be necessary.

Key-Alike Services

Key-alike service is offered free of charge provided the key-alike request is associated with an order for a matching quantity of

cabinets. Additional key/core sets, master and core keys are available for a nominal charge. All Great Openings products are keyed randomly prior to shipment. Special cores and keys are shipped separately to be changed-out in the field. See the Specification Guide in the front of this book.

COM & Fabric Grades

If COM materials are difficult to apply or inadequate, Great Openings reserves the right to apply extra charges or to cancel the order. Great Openings has no control over COM material quality or performance and will not be held responsible for material defects or damage caused by improper use or application.

Lifetime Warranty

Great Openings warrants its filing and storage products to be free from defects in materials and workmanship for as long as the original purchaser owns the product. This warranty does not cover ordinary wear and tear, or improper installation or use of the product. This warranty does not apply to Customer's Own Materials (COM) for fabric, laminates, or edge bands.

In addition, supplier warranties will apply to products not manufactured by Great Openings. Please contact Great Openings for more information.

Regional Pricing

Great Openings reserves the right to adopt regional discount programs and small order handling fees to address the freight cost impact applicable to each geographic region. A buyer's region will be determined by shipping destination.

Payment Terms

Orders are invoiced at the time of shipment and payment is due upon receipt of the invoice. Invoices unpaid thirty (30) days after the invoice date are subject to a late payment charge in the amount of one and one-half percent (1-1/2%) per month on the unpaid balance until paid. Great Openings reserves the right to modify or establish special credit arrangement for any customers at any time at its sole discretion. All prices are effective February 4, 2013, and are subject to change without notice.

Remit to:

**Great Openings
Dept. for Lockbox: 9521-11
PO Box 30516
Lansing, MI 48909-8016**

Taxes

All sales, use, excise and other applicable taxes (excluding only taxes on the net income of Great Openings) are the purchaser's responsibility and will be invoiced to the purchaser. If purchaser claims an exemption from such taxes, it shall be the purchaser's responsibility to furnish an appropriate exemption certificate to Great Openings.

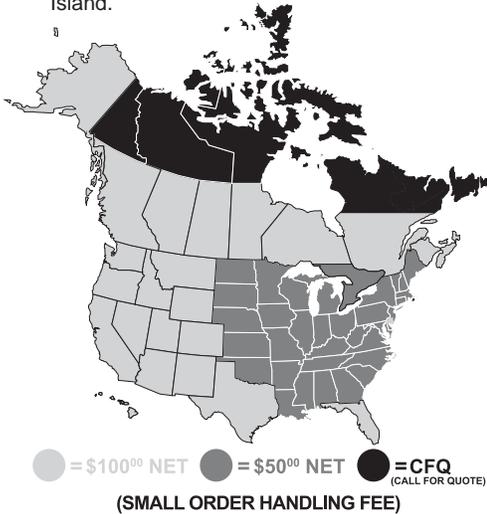

For Canadian orders, Great Openings does invoice and collect for GST/HST.

COMMERCIAL TERMS & CONDITIONS

Freight Policy

All prices are freight included - F.O.B. Destination. Prices are based on a single shipment to a single location. A Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders):

See map below for Small Order Handling Fees by destination. For this purpose, New York City is defined as including the Bronx, Brooklyn, Manhattan, Queens, and Staten Island.

Standard Packaging

All Great Openings' products are packaged in accordance with industry standards and common carrier requirements. Pedestal products are individually boxed with polystyrene corner guard inserts, then palletized, and shrink wrapped. Lateral and storage product packaging consists of corrugated top and bottom trays, corner guards, palletized, shrink wrapped and labeled. For full truckloads only, upon special requests, we can provide a blanket wrapped shipment.

Shipment and Delivery

Freight is included in the prices as displayed in this price book. All shipments are FOB destination: free freight to destination in the continental United States. Shipments outside the contiguous 48 states will be freight collect from exit port. Exception for Canadian shipments; see the section on Canadian orders. Great Openings will select the mode and carrier of shipment.

- Partial shipments may be necessary and are at the discretion of Great Openings.
- Great Openings cannot guarantee exact time of delivery.
- Any charges resulting from late deliveries beyond our control are not the responsibility of Great Openings.
- Ship dates contained in order acknowledgements are estimated and not guaranteed.

Great Openings will often consolidate orders to maximize shipping efficiency. In these situations, a customer's designated ship date may change, though Great Openings will make every effort to ensure that requested delivery dates are still met.

Product Storage Fees

Once an order enters production, it is not possible to stop production on that order if a last-minute request is made to delay shipment. If it is absolutely necessary to hold the product at Great Openings for a later ship date, a holding fee of \$7 net per pallet or \$100 net per trailer will be assessed each week and partial week until the product ships. Weekly storage fees will be the responsibility of the purchaser on any delayed shipment of a produced order.

Returns

Great Openings will not accept returned goods.

Claim Policy

It is the purchaser's responsibility to examine goods upon receipt and to notify Great Openings customer service with any concerns. Any claims against Great Openings for apparent defects, errors or shortages must be made by the purchaser within five (5) working days after any delivery. Failure by the purchaser to make any claim against Great Openings within (5) days shall constitute acceptance of the goods and waiver of any apparent defects, errors or shortages.

Freight Damage Claims

Great Openings' terms are FOB destination, Great Openings is not responsible for damage that occurs in transit. All Great Openings' products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order.

It is the buyer's responsibility to inspect goods upon receipt for both apparent and concealed damage. In the rare instance where shipping damage is found, we ask the purchaser NOT to refuse shipment. Accepting shipment will give us more opportunities to remedy the situation through parts (fronts, tops) replacement and within the guidelines of the stated terms.

Claim and Replacement Policy

In the case of documented shipping damage, Great Openings will file a claim with the carrier and issue at no charge any replacement parts or product only if the purchaser meets the following conditions:

- Product is shipped via a Great Openings designated carrier
- Accept the shipment
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Great Openings immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Great Openings from obtaining carrier reimbursement and thereby require us to charge full price for product replacement.

Concealed Damage Policy

Concealed damage (damage discovered after acceptance with no bill of lading documentation) should be reported to Great Openings immediately upon discovery. Please retain packaging and request carrier inspection immediately. Carrier liability ceases 15 calendar days after receipt of shipment. Great Openings will investigate on a case-by-case basis. In any case, Great Openings assumes no liability beyond the 15-day carrier liability and reserves the right to apply no remedy and/or various remedies dictated by individual event circumstances.

The buyer may make NO DEDUCTION UNDER ANY CIRCUMSTANCES ensuing from freight claims when settling invoices with Great Openings.

Industry Favorites (viewed online)

Visit www.greatopenings.com to find a comprehensive list of colors that are available for you to order just as though they were among our 60 Standard Colors.

- No added cost
- Standard lead-time
- No minimum order size
- Not necessary to exchange paint chip samples or to get your signed approval, as we already know we have a good match with the original manufacturer's color
- Simply send us your purchase order with the paint color name and number identified in this online list

- Great Openings will process your order, then send you an order acknowledgement
- Depending on paint cost and availability that is beyond our control, colors may be added or removed from this list of Industry Favorites

Please understand that color match is not a perfect science. While Great Openings uses the most sophisticated powder formula color match technology available, our greatest challenge remains the fact that the major manufacturers' colors tend to "drift" over time. Bright whites and silver metallics, in particular, are a challenge to match. For all practical purposes, in common artificial light as well as natural light, Great Openings' Industry Favorites will be an excellent match for our competitors' colors.

Custom Colors

When you need a color that's not included in our 60 Standard Colors or Industry Favorites, simply send us a paint chip and we'll get it matched. A special lead time or cost will likely be included, but we can almost certainly supply exactly the color you need.

- No minimum order size on Custom Colors
- Custom Color up-charge is applied on a per unit basis
- Minimum lead-time is 15 working days after we receive your written color approval
- We must receive a purchase order before exchanging custom color samples.

Check our website for Custom Designer Colors, a sampling of trending new custom colors!

Here's how it works for custom colors:

1. Along with your purchase order, send us a 2" X 2" sample of your desired Custom Color (a metal chip is best, but often a laminate or paper sample will work).
2. We'll work with our paint suppliers to find a match, a process that typically takes 10 to 15 business days. Then we'll send a metal sample of our recommended paint color back to you, along with a sign-off sheet, total net up-charge, and lead-time requirements.
3. You'll return the sign-off sheet, we'll send you an order acknowledgement, and away we go!

Please note: Our objective is to order exactly the correct amount of paint for each order so that we can offer you the lowest possible price. For this reason, if you happen to order the same custom color again weeks, months, or years later, paint inventory will likely not exist and any additional costs will once again be charged per unit, no matter the order size.

LAMINATE PROGRAM

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

We make it easy to order special laminates and edge bands. Great Openings offers 18 Standard Laminate and Edge options as well as Custom Laminates.

Cayenne laminate tops are 5/8" thick and may be ordered with any of our 18 Standard Laminate and Edge options, or from our Custom Laminate program, both shown below. 5/8" thick laminate tops **may not** be used as desk work surfaces. Laminate tops used for the TRACE desk or any TRACE cabinet top are 1-1/4" thick, and may be ordered from any of the three laminate programs shown below.

18 Standard Laminates and Edges

For laminate samples please contact Wilsonart® at 800-433-3222, or see www.wilsonart.com

GO Part #	Laminate	Cross Reference Wilsonart®	3mm PVC Trim
AWAW	Antique White	1572-60	Antique White

TTPT	Titanium	4810-60	Platinum
WCWC	Wild Cherry	7054-60	Wild Cherry
WMWM	Windsor Mahogany	7039-38	Windsor Mahogany

Custom Laminates (including veneers)

When you need a laminate or edge band that's not included in our 18 Standard Laminates & Edges, call Great Openings to request a special quote and lead-time. We have access to WilsonArt®, Formica®, Nevamar®, Pionite® and many more.

Please note that custom laminates or edges will require additional charges, lead-time, and minimum order quantities.

When it's time to place your custom laminate order, include the following information on your PO:

- name of your laminate and edge
- manufacturer names
- pattern names
- identification numbers

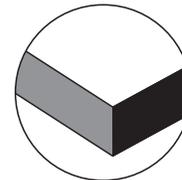

Custom laminates and edges cannot be changed or cancelled after the order has been confirmed by our Customer Service Department and an order acknowledgement has been sent.

Standard Work Surface Specifications:

Core material:	Trace desk work surfaces: 1.125" thick 45 lb. density particle core Cayenne tops: .625" thick, 45lb. density partical core
Adhesive:	Water based, formaldehyde free, GREENGUARD® Certified.
Backer material:	.028 phenolic
Finished Thickness:	Trace desk work surfaces: 1.125"
Cayenne tops:	.705"
Drill locator holes:	Locator holes strategically placed to align support elements.
Green properties:	<ul style="list-style-type: none">• 100% pre-consumer recycled wood fiber• Meets California Air Resources Board (CARB) Regulation 93120.2, Phase 1 emission limits
LEED-CI V2.0	Credit and point Information: <ul style="list-style-type: none">• MR Credit 4.1 Recycled Content, 10% (post consumer + 1/2 pre-consumer - 1 Point)• MR Credit 4.1 Recycled Content, 20% (post consumer + 1/2 pre-consumer - 1 Point)

Standard Laminate and Edge Trim Specifications

HP laminate:	Wilsonart, GREENGUARD® Certified.
Laminate material:	High pressure.
Laminate grade:	.040 horizontal
Laminate finish:	#60 or #38 finish
Edge trim:	3mm PVC, vinyl square

3mm PVC
Edge Band

Environmentally Friendly Laminate Substrate:

Work surfaces with NAUF Substrate (No Added Urea-Formaldehyde Particleboard), ABS Edge, and Marmoleum are available for order. Call Customer Service or Sales for more information.

SPECIALTY FRONTS AND OPTIONS

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Products Available with Laminate Fronts

Any of the following Great Openings cabinets may be special-ordered to include factory-installed laminate fronts. Laminates may be one of Great Openings' standards, or a special ordered laminate and 3mm edge band. Laminate wood grain is positioned vertically on all fronts, including tower doors. Laminate fronts must be specified to include any one of our loop pulls. UM Series locks are included as standard. Please call Sales for a quote.

	Notes	Product
	Cayenne drawer fronts are full width, and the lock is located in the bottom drawer.	Cayenne two drawer cabinet (any width)
	Pedestal drawer fronts and lock strip will be laminate. Cushion pedestals will not include a loop pull on the lock strip. Not available on 3" pencil drawers.	box/file pedestal file/file pedestal box/box/file pedestal
	Lateral drawer fronts and lock strip will be laminate.	Trace box/file lateral (any width) Trace 2-high lateral (any width) Trace 3-high lateral (any width) Trace 4-high lateral (any width) Trace 5-high lateral (any width) Trace 6-high lateral (any width)
	Laminate drawer and door fronts are full-width. The tower top and base are both visible from the front of the cabinet, and will be metal.	Cupboard wardrobe tower (any height)
	Hutch doors are full width, and do not include loop pulls. Locks are concealed below the shelf.	Trace desk hutch doors (any width)

Additional mixed material front options

Most of Great Openings cabinets may also be ordered with special veneer fronts or framed aluminum doors with acrylic inserts.

Please contact the GO Sales Team for a quote.

Digital lock options

Many of Great Openings cabinets may also be ordered with individually keyed digital locks. Please contact the GO Sales Team for a quote.

Custom Products

Towers and lockers specially-designed with a custom height, width, or depth may be available for sufficient quantities.

Standard Fabric Program:

This fabric offering may be applied to our Cushion Mobile Pedestals, GO Carts, Cushion Mobile FileCenters, Desk Hutch Tack Boards, Wall-Mounted Tack Boards and Privacy Screens. We have selected a pallet of fifteen accent colors from the C.F. Stinson colors – New Hempstead and Bryant Park Collections. This fabric is a low texture, solid-color, 100% polyester that will work very well as seating upholstery or for a vertical tack board application. The following is a cross reference list for these fabrics:

GO Part #	Fabric	C.F. Stinson
7A	Black	NH333 - New Hempstead
7B	Grey	NH395 - New Hempstead
7C	Nickel	NH361 - New Hempstead
7D	Jodhpurs	NH420 - New Hempstead
7G	Fire	NH406 - New Hempstead
D1	Aubergine	NH419 - New Hempstead
7J	Steel	NH366 - New Hempstead
7K	Navy	NH369 - New Hempstead
7M	Nile	BP6553 - Bryant Park
7N	Night Shadow	BP6563 - Bryant Park
7P	Crocodile	BP6561 - Bryant Park
7S	Marigold	BP6551 - Bryant Park
7R	Raspberry	BP6557 - Bryant Park
7T	Butterscotch	6531 Ace
7V	Sherwood	6544 Ace

For memo samples, contact C.F. Stinson at 800-841-6279 or see www.cfstinson.com.

Fabric Specifications:

- Contents..... 100% polyester
- Finish..... Soil and stain protective finish
- Abrasion Resistance (astm d-4157)..... Exceeds 100,000 (Bryant Park), and 800,000 (New Hempstead) double rubs (heavy duty Wyzenbeek Method)

- Crocking (aatcc-8)..... (dry) class 4.5 minutes (wet) class 4.5 minutes
- Flammability:
- Calif. 191-53 Tech. Bulletin 117, Section E..... Passes
- UFAC and BIFMA..... Class 1
- Cleaning (w-s)..... Professional service is recommended or use water-based agents

ORDERING COM FABRICS

HOW TO SPECIFY COM FABRIC ON YOUR PURCHASE ORDER:

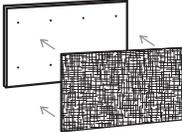

Calculate the yards of fabric needed using the chart below. If ordering more than 10 identical units, call for fabric requirements

Clearly label your fabric package with:

- Purchase order #
- Dealer name
- Fabric description
- Yardage quantity enclosed

Please note: Lead-time for COM fabric orders is 10 working days after receipt of fabric. Great Openings reserves the right to refuse to apply any COM fabric that we deem insufficient quality for production or user application. Our standard warranty does not apply to COM fabric-covered items.

Send the fabric to:
Great Openings (Fabric), 902 East Fourth St., Ludington, MI 49431

Interchangeable with other manufacturers' locks?	Interchangeable key and core	N/A	Interchangeable key and core	Interchangeable key and core	N/A	You cannot interchange K Series cores between Great Openings and Knoll products, but our "K" keys will operate Knoll's "K" locks, and vice versa
Description	As standard, all GO products are shipped with a randomly-assigned UM lock, which is black, master-keyed, and core removable	The LL lock is master-keyed and core removable	The SL lock is master-keyed and core removable	Great Openings does not offer the Haworth ML series lock, but Haworth's ML lock cores will operate in our SL Lock mechanism. Order the SL lock and then replace the cores and keys with ML in the field. It is the dealer's responsibility to source and provide the ML cores and keys.	Great Openings does not offer the Haworth HW series lock, but Haworth's HW lock cores will operate in our LL Lock mechanism. Order the LL lock and then replace the cores and keys with HW in the field. It is the dealer's responsibility to source and provide the HW cores and keys.	Our K Series cores and keys will operate the Knoll K Series locks. Order the UM Series lock and then replace the cores and keys with K Series in the field. We support a key range of K-001 through K-100; should you require numbers K-101 through K-250, please contact Customer Service.
How to order	No special instructions are needed No extra charge	You must clearly specify "LL Series Locks" on your purchase order No extra charge	You must clearly specify "Haworth SL Series Locks" on your purchase order No extra charge	You must clearly specify "Haworth SL Series Locks" on your purchase order No extra charge	You must clearly specify "LL Series Locks" on your purchase order No extra charge	When ordering the product, no need for special ordering instructions; GO products ship as standard with UM locks You must also order K Series cores and keys separately, either random or with specified key codes No extra charge
Key # range	226 to 425 (408 & 412 not available)	226 to 325	1 to 300	N/A	N/A	1 to 250
When shipped....	UM core and key are randomly assigned	LL core and key are randomly assigned	SL core and key are randomly assigned	SL core and key are randomly assigned	LL core and key are randomly assigned	Products are shipped with UM Series lock housing, cores and keys
Key alike service available? (cores and keys will ship separately)	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	No	No	Yes, no charge Specify the desired key sequence on your PO, or specify "random"
At installation....	No extra steps are needed	No extra steps are needed	No extra steps are needed	Remove and dispose of the SL cores and keys, then replace with ML cores and keys	Remove and dispose of the LL cores and keys, then replace with HW cores and keys	Remove and dispose of the UM Series cores and keys, then replace with K Series cores and keys

Key-Alike Process and Charges:

- Your key-alike request can be ordered on the original purchase order or under separate cover.
- Key-alike requests for the UM, SL, LL and K Series locks are processed at no charge as long as the quantity of key/core sets match the quantity of cabinets.
- When including the UM, SL, and LL Series locks, products will be shipped with randomly assigned cores/keys. Your key-alike requests for all lock series will be shipped separately and labeled to allow for easy change-out in the field, after the product is installed.
- A core-removal key is provided at no charge with each key-alike request.
- Additional keys, cores, master keys, and core keys may be purchased separately. The cost is \$3 net per item, plus \$15 net for shipping costs.

FREESTANDING DESK FAQs

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

The Trace Freestanding Desk is a modular system of desk shells, returns, bridges, corner units, hutches, tables, and individual components that can be mixed and matched with a comprehensive selection of Great Openings storage. All components are shipped KD.

Our mission in designing the Freestanding Desk

- **Ease of specification.** All work surfaces rest primarily on panel and corner legs, rather than pedestals. Storage options are innumerable, and simply slide beneath the desk shells, return shells, and corner desks for quick installation
- **Ease of assembly.** All metal attachment points are pre-drilled, so that no "drill point" screws are required during installation. All modesty panels attach to panel legs and corner legs, rather than to pedestals
- **Ease of work surface installation.** Pre-drilled work surfaces make it easy to position legs, pedestals, and center drawers
- **Wire management.** Covered metal channels, work surface and panel leg grommets, and "place it yourself" plastic wire management channels provide a complete wire management solution
- **Clean lines.** All modesty panels are single piece, to minimize vertical lines. Desk legs, pedestals, and full height modesty panels are identical in height so that horizontal lines are consistent
- **Horizontal lines consistent with other products.** The Trace desk hutch matches the height of our 65-7/8" Trace lateral files, towers, and bookcases for consistent horizontal alignment throughout

Detailed Component Specifications

23" and 29" Panel Leg Specifications:

- Panel legs are non handed, and 27-3/4" high when leveling glides are fully recessed. Leveling glides provide 7/8" adjustment
- All panel legs are 1-1/2" wide so that work surface fasteners are positioned within the leg itself, allowing for storage to set snug against the leg
- 23" and 29" panel legs each require one gusset when no modesty panel is present
- Each leg is pre-drilled for both partial and full height modesty panel attachment
- All panel legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- 23" and 29" panel legs are available with or without two rectangular 3-1/2" x 2" plastic grommets (inside clear dimensions: 2-3/4" x 1-1/2"), positioned at the top of the leg
- Full height metal panel leg covers close-out vertical channels integrated into the panel legs (two per leg), and are sold separately. Each cover includes two grommets, located at top and bottom
- Panel legs and metal wire management covers consist of 20 gauge steel

Corner Leg Specifications:

- "L" shaped corner leg is 7-1/2" x 7-1/2", and 1-1/2" wide so that work surface fasteners are positioned within the leg itself
- Corner legs are 27-3/4" high when leveling glides are fully recessed. Leveling glides provide 7/8" adjustment
- Each leg is pre-drilled for both partial and full height modesty attachment
- All corner legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- Metal wire management cover attaches and removes easily, closing out the triangular leg to capture wires within, and are sold separately
- Corner legs and covers consist of 20 gauge steel

Post Leg:

- Post leg 27-3/4" high and 3" in diameter, with adjustable leveling glide
- Each leg is pre-drilled for both partial and full height modesty panel attachment

12" Panel Leg Specifications:

- 12" panel legs are designed to sit perpendicular to the edge of the work surface, providing additional support and knee space. 12" panel legs may not be used at the end of work surface runs
- Unlike 23" and 29" panel legs, 12" panel legs do not require gussets when there is no modesty panel because they may not be used at the end of a work surface run
- 12" panel legs may also be used in mid-run to support two work surfaces simultaneously
- Each leg is pre-drilled on both sides for both partial and full height modesty panel attachment, and are unhandled
- All panel legs include (1) 18" plastic wire management channel that is equipped with adhesive strips and may be attached to a modesty panel, work surface, or storage cabinet
- A single grommet is included at the top of each 12" panel leg. Grommets are black plastic, 3-1/2" x 2" (inside clear dimensions: 2-3/4" x 1-1/2")
- A metal wire management cover is included with each 12" panel leg
- Panel legs and covers consist of 20 gauge steel

Gussets:

- One gusset is required to support 23" and 29" panel legs when no modesty panel or pedestal positioned adjacent to the panel leg is present
- A gusset will prevent a mobile ped from sitting snugly against the panel leg
- Gussets consist of 18 gauge steel

Critical Dimensions:

Modesty Panel Specifications:

- All Trace modesty panels are single-piece construction
- Modesty panels consist of 22 gauge steel, with forms on each edge for added strength and ease of attachment to panel legs and work surfaces

Modesty Panel Offset Brackets:

- Modesty panels attach to pre-drilled holes located on the inside edges of panel legs. When a modesty panel must attach to the end of a panel leg, as with a return or bridge, then a modesty panel offset bracket is required to connect pre-drilled attachment points. Modesty panel offset brackets are included with returns and bridges, when ordered with modesty panels and are also sold separately

Work Surface Grommets:

All TRACE work surfaces come standard with one or two grommets, which are black plastic with removable covers.

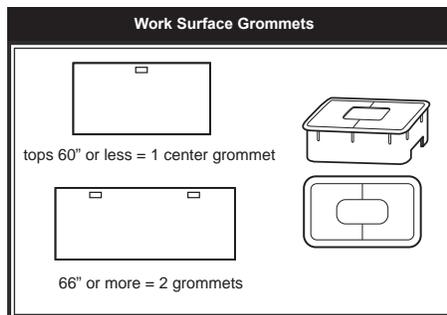

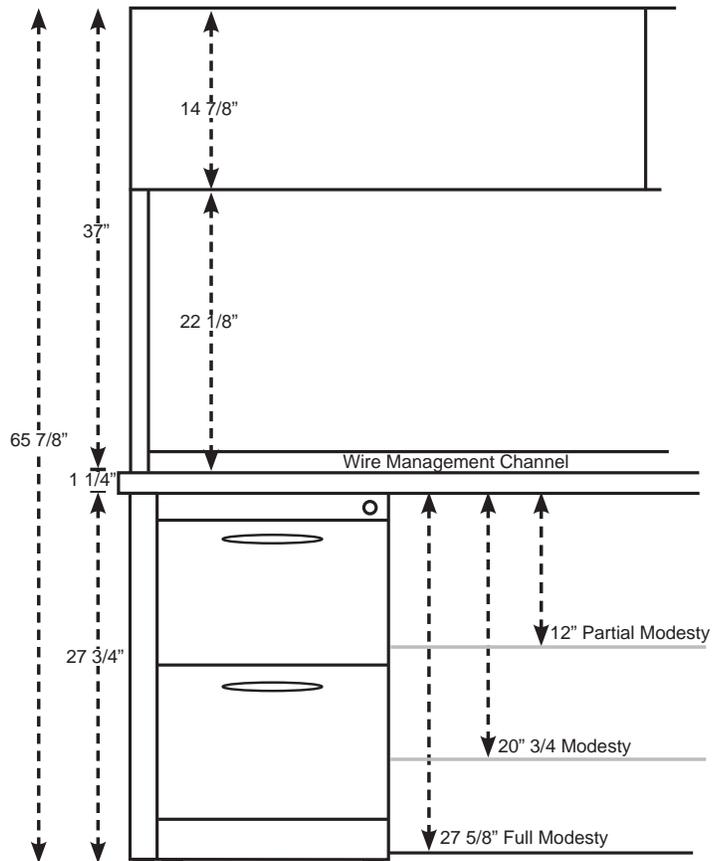

- Rectangular work surfaces 60" and narrower include one grommet in center
- Rectangular work surfaces 66" and wider include two grommets, with grommet center point 20" from each side edge
- Corner desks include one grommet in corner
- Peninsulas include two grommets centered on non-rounded end

Work Surface Over-Hang:

Allow for 1/2" overhang on front, back, and sides of all desks. Work surfaces are pre-drilled for proper panel leg positioning.

Work Surface Option:

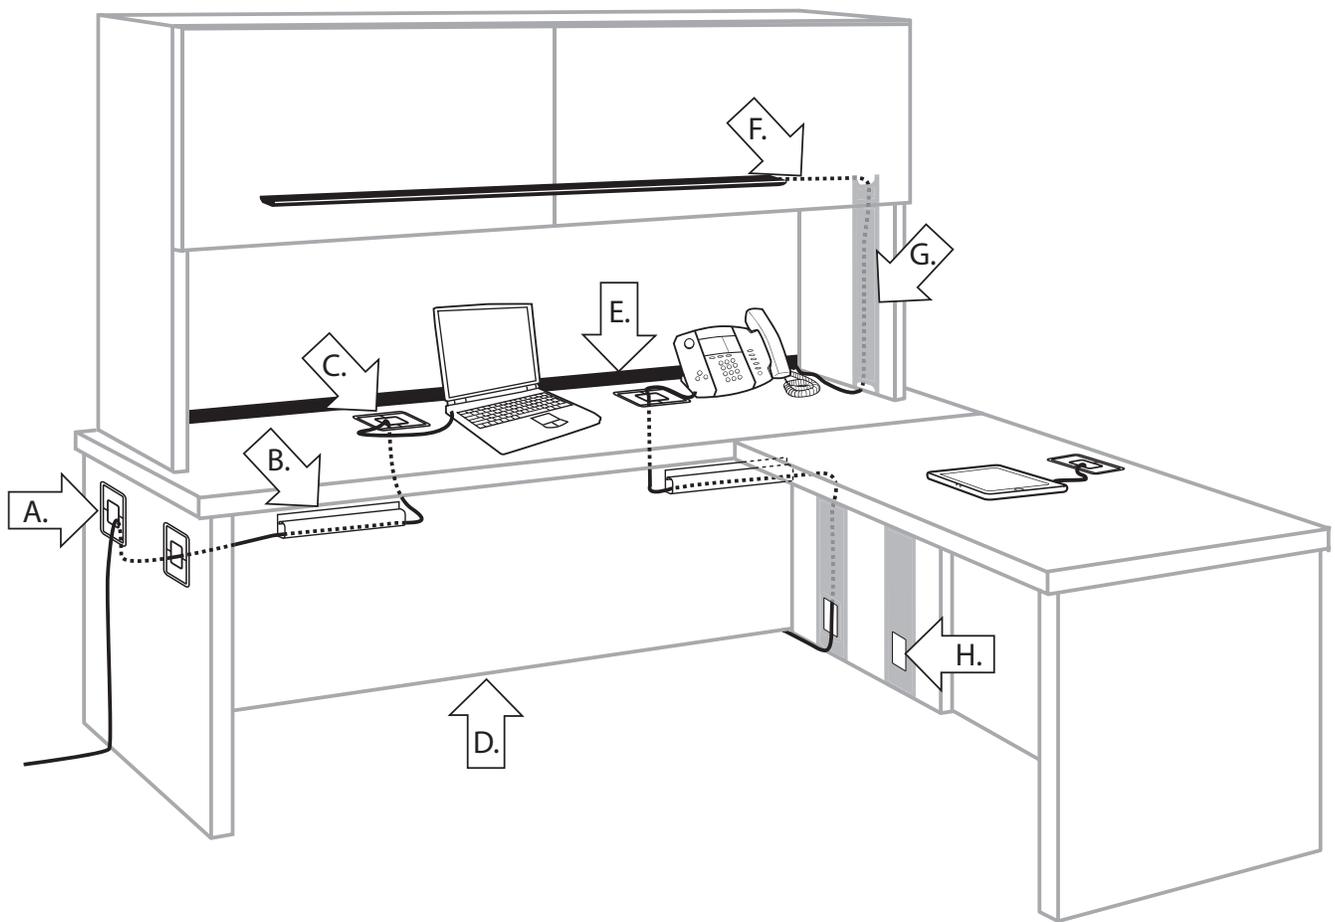

For large projects, it is possible to include metal inserts in work surfaces when required for attachment of panel legs, modesty panels, etc. Call for details.

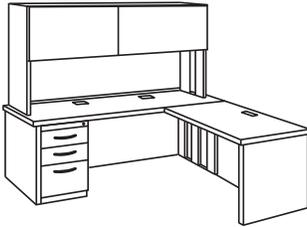

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Wire Management Features:

- A. Panel leg grommets available as an option with no up-charge.
- B. Plastic wire management channels - one 18" channel included with each panel and corner leg.
- C. Work surface grommets - one or two grommets included in all work surfaces.
- D. Modesty panels in three heights allow wires to run beneath.
- E. Rubber wire management strip included with each desk hutch.
- F. Task light wire channel is formed into hutch shelves.
- G. Covered vertical hutch channel for task light wire.
- H. Wire management channel covers for panel legs & corner legs are sold separately.

28" dp wss pedestal ELS 3109

Below is a sampling of storage commonly used under desk work surfaces. See our Trace Storage Price Book for more options.

TRACE Work Surface Supporting Pedestal

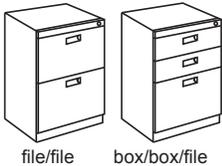

- UM Series lock
- Full extension steel ball-bearing slides
- Leveling glides with 1-5/8" adjustment
- A 27-7/8" deep ped will not fit under a 24" work surface
- No counterweight is necessary because two panel legs are present

H	D	W	Pkg Wt	Pkg Cube	Drawer Options	Product #	Price

Available Fronts | A | B | D | F | H | I | N | P | Q | S | Y

TRACE Hanging Pedestal

- Full extension steel ball-bearing slides
- Quick-mount system for easy installation
- Cannot be used with "no modesty panel" desk shell, because a hanging pedestal does not provide floor support and it interferes with gusset attachment.

Extended Corner Right Desktop

How To Order: See page 2 for colors, laminates, fabrics

An end-of-run may be used as an end run, it must be attached to a bridge or return on the side with the 12" panel leg.

Product #	L/R (Corner left or right)	Product #	Modesty Panel (none, partial, full)	First "?" (Metal color)	Second "?" (Laminate)
ED (Extended Corner)	L (Ext Corner left)	246024 (24"x60"x24")	P (Partial height)	0257 (Light Grey)	BNBN (Beige Nebula)

End-of-Run Extended Corner - No Modesty

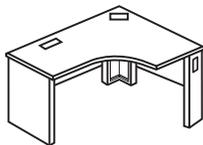

End-of-run corners are designed with a 23" or 29" panel leg located on the "D" side of the corner desk. This panel allows desking runs to be terminated at the corner in a way that ensures stability and offers a clean, finished look.

- One top with grommet
- One corner leg, one 12" panel leg, and one 23" or 29" panel leg
- No modesty panels
- Plastic wire management channels
- One gusset

BRIDGES

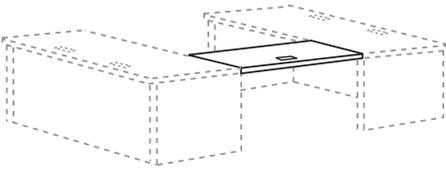

SIN 711-2

Bridges attach to desk shells, single pedestal desks, corner desks, and peninsulas to form a U-shaped configuration. Bridges cannot attach to returns or single pedestal returns. When adding a bridge to a single pedestal desk (L-Station), the single pedestal desk should be at least 66" wide to leave adequate knee space.

How To Order: See page 2 for colors, laminates, fabrics

- Doors flip up to stow over the top, hutch compartment includes a vertical center divider
- 36" and 42" wide hutches include one door, all others include two doors
- Inside depth is 12-1/2" and inside height is 12-1/4"
- Out-of-sight locks are located beneath shelf, and the two doors are keyed alike
- Includes UM series locks - also available in LL. SL locks are not available
- Includes tack board and rubber wire management strip
- Bottom shelf accommodates a task light (sold separately)
- To add a loop pull (S:Satin Nickel Loop) to hutch doors, add an "L" as a suffix to the product number (no up-charge)
- Removable metal wire management covers on hutch side panels conceal task light cord
- Hutch upright side panels must be placed within 2" of a pedestal, panel leg, or corner leg to ensure adequate support
- Hutch width is actually 1" narrower than listed, to allow for 1/2" setback on both sides
- Hutch ships fully assembled

Wall-Mounted Overhead – Horizontal Bracket Over-the-Top Stowing Door

- Single bracket mounts horizontally on wall, anchored to wall studs
- Cabinet features over-the-top stowing door
- Includes cabinet, horizontal bracket, and fasteners
- To add a loop pull (S:Satin Nickel Loop) to hutch doors, add an "L" as a suffix to the product number (no up-charge)
- Ships KD, to be assembled at work site
- All overhead brackets, whether wall-mounted or panel-mounted, include anti-dislodgement features to prevent the unit from dislodging when pushed or struck from below
- It is the exclusively the responsibility of the installer to ensure that panels and wall-mounted brackets are properly and safely anchored
- Overhead cabinet end panels consist of 16 gauge steel, shelves and tops are 18 gauge steel, doors are 20 gauge steel
- Shelf weight restrictions are as follows:
 - 24" overhead: 60 lbs
 - 30" overhead: 75 lbs
 - 36" overhead: 90 lbs
 - 42" overhead: 105 lbs
 - 48" overhead: 120 lbs
 - 54" overhead: 130 lbs
 - 60" overhead: 150 lbs

To add a satin nickel handle to overhead front, add an "L" suffix to the part number (no up-charge).

Ordering COM fabric?

See the Specification Guide located in the front of this book

Product #	First "?" (Tack board fabric)
PSR 24 (Rectangular Screen 23" Wide)	D1 (Abergine)

Tackable Screen - Rectangular

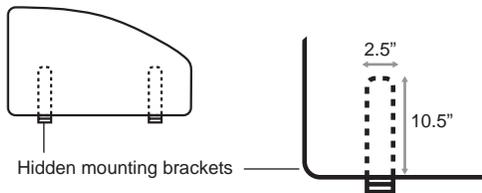

Dotted lines indicate hidden mounting brackets

- Tackable board is covered on both sides with fabric of your choice. Brackets and fasteners are included, which allow the screen to be fastened to the underside of the work surface
- 12 gauge metal mounting brackets slide between these back-to-back tackable boards and are hidden from sight (See cut-away diagram below)
- Please note that tackable privacy screens may not be added to a desk when modesty panels are in use because the screen mounting brackets interfere with the modesty panel location
- Screens 35" and narrower include two mounting brackets
- Screens 41" and wider include three mounting brackets
- Privacy screen widths may be matched to that of the corresponding work surface size
- Screens measure one inch less than the work surface widths to allow for even spacing between screens, wire management, and cornering applications

Plastic Wire Management Channel

- Black plastic wire organizer channels hide tangled wires and cables. Self-adhesive backing mounts horizontally or vertically on modesty panels, end panel legs, pedestals or underside of work surfaces
- Kit includes 4 channels that are 18" long x 2-1/2" wide x 1-1/4" tall. Channels may be cut to desired length

Description	Pkg Wt	Pkg Cube	Product #	Price
(4) 18" channels	6 lb	3 ft	WMG 4018	\$55

Corner Wedge

- Used in 90° desk applications to add more user desk space
- Includes two splice plates and fasteners for securing to work surface
- Center drawers cannot be mounted underneath because of splice plate placement
- Specify laminate & edge band

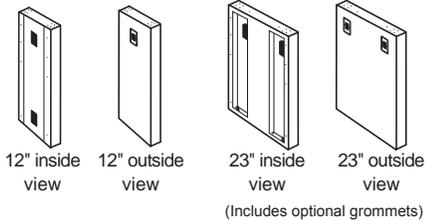

Description	A	B	Pkg Wt	Pkg Cube	Product #	Price
corner wedge	12"	12"	5 lb	1 ft	W1212 ?	\$280

Desk Component Note and Warranty Disclaimer:

Desk components are provided for customer convenience when creating customized desk configurations. It is exclusively the customer's responsibility to select the correct components and component sizes, and to ensure product safety and stability in the application of these components.

Please see the TRACE Desk Assembly Guide (supplied with each order) for proper placement, sequence and tools for connecting support legs, modesty panels, and work surfaces. See the TRACE Freestanding Desk FAQ's for a detailed description of the components listed here.

TRACE Panel Leg (non-handed)

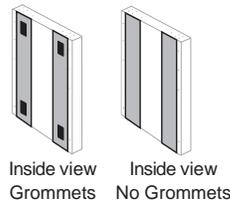

- Each 12" panel leg includes (1) 18" plastic wire management channel, (1) metal wire management cover, and a single centered grommet at the top of the leg
- Each 23" and 29" panel leg includes (1) 18" plastic wire management channel. Metal wire management covers are sold separately (see below)
- Panel legs may be ordered to include two rectangular plastic grommets, positioned at the top of the leg. Add the suffix "G" to include these grommets (no extra charge)
- Leveling glides provide 7/8" adjustment

Description	Pkg Wt	Pkg Cube	Product #	Color	* = No Grom G = Grom	Price

Panel leg leveling glides screw through bracket back into panel leg to secure bracket to both pedestal and leg

See page 2 for colors, laminates, fabrics

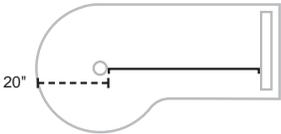

Modesty Panels All TRACE modesty panels are single piece 22 gauge metal. Pre-drilled for quick installation with any size panel leg or corner leg. Full height modesty panels are 27-5/8" high, partial height are 12" high. Plan for 1/2" work surface overhang on all sides of legs, modesty panels, and case goods. Panel legs are 1-1/2" thick. Please specify metal color.

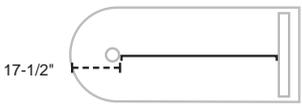

Desk shell modesty is 4" narrower than work surface width.

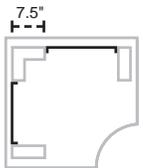

Return modesty is 1.5" narrower than work surface width.

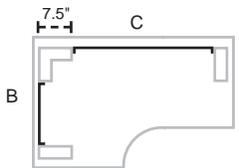

"P" peninsula modesty is 20" narrower than work surface width.

"D" peninsula modesty is 17.5" narrower than work surface width.

Corner modesty is 10" narrower than work surface width.

Corner modesty is 10" narrower than work surface width.

Bridge modesty is 1" longer than work surface width.

3/4" pedestal desk modesty panels are all 20" high, and 4" narrower than the work surface width.

COMMERCIAL TERMS & CONDITIONS

These conditions of sale supersede all previous selling policies. Prices, discounts, lead-times and product offerings are subject to change without notice.

Order Placement

Great Openings requires that all orders be submitted in writing to avoid errors and/or duplication. Sales of all Great Openings' products are made only on the Company's standard terms and conditions of sale, unless modified in writing by an authorized Great Openings representative.

Orders received at Great Openings after 4:00pm EST will be processed the following day.

Order Acknowledgement

We diligently issue order acknowledgements via e-mail within 24 hours of purchase order receipt. If you do not receive an acknowledgement within 24 hours, please call our Customer Service department to determine the reason; we may not have received your order, or we may have questions that are delaying order entry.

**PLEASE CHECK
ACKNOWLEDGEMENTS
FOR ERRORS
IMMEDIATELY UPON RECEIPT.**

The order acknowledgement process is designed to ensure protection for both the buyer and the seller. We strongly urge the buyer to make sure the acknowledgement accurately reflects the intended purchase.

Order Discrepancies

Great Openings will not be held responsible for extra costs due to errors resulting from purchase order inaccuracies. If and when a discrepancy is detected on the purchase order or acknowledgement, all corrections must be received in writing before further order processing can occur.

Changes, Cancellations

Orders may not be changed, corrected or cancelled, in whole or in part, after Great Openings has issued its order acknowledgement without the written consent of an authorized Great Openings representative. Special order items (special or custom cabinets, Customer's Own Materials (COM) fabric and laminates) already in production are not subject to change or cancellation under any circumstances.

Canadian Orders

Canadian orders may be processed using this price book. The pricing and payment terms included in this book are in U.S. funds. Custom brokerage fees and GST/HST taxes will be charged as separate line items on the invoice. All prices are freight included; FOB: Destination. A Regional Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders). See regional map for applicable fee.

Lead-Time

Lead-times are measured in working days, and begin after receipt of clean order.

Lead-times may change without notice. Stated lead-times will not commence until purchase order is actually entered into our system. We are not responsible for delays caused by order discrepancies or late receipt of COM items.

Special Shipping Instructions

Great Openings will accommodate special shipping/delivery requests whenever possible. Purchaser will be responsible for any and all extra costs incurred by reason of Great Openings' complying with a special shipping request. Examples of special requests that may cause extra charges (dollar amounts shown are approximate, actual amounts may vary):

- special carrier/lift gate: starting at \$85.00
- inside delivery: starting at \$50.00
- expediting, re-consignment, delays causing carrier storage: starting at \$50.00
- truck load delivery times after 3:00 pm
- delivery times outside normal business hours including weekends and holidays: starting at \$450.00 per truck
- exact, narrow scheduling window (elevator time): starting at \$150.00
- non-commercial/residential deliveries: starting at \$60.00

The maximum amount of time allowed for off-loading product from trailers is 3 hours. Carrier costs associated with any additional delivery time will be charged to the dealer. Any additional charges that result from the purchaser failing to accept a shipment as agreed upon will be the responsibility of the purchaser.

Special Delivery Charges

Once a delivery truck arrives at a destination, if the recipient is not ready to accept delivery as scheduled and the truck must wait, deliver "after hours", or make a second drop at a later time, the carrier charges a penalty for that delay which Great Openings must pass on to the customer.

These charges are as follows (dollar amounts shown are approximate, actual amounts may vary):

Night Delivery:
3:30-4:30 p.m.: \$400 additional charge
4:30-5:30 p.m.: \$450 additional charge
5:30 p.m. and later: \$500 additional charge
Detention fee will be \$75 per hour after two hours. Drop charge will be \$75 per drop.

Weekend and holiday deliveries will be quoted per load depending on location and delivery time.

Please use caution when planning and communicating delivery requirements so that these exorbitant fees will not be necessary.

Key-Alike Services

Key-alike service is offered free of charge provided the key-alike request is associated with an order for a matching quantity of

cabinets. Additional key/core sets, master and core keys are available for a nominal charge. All Great Openings products are keyed randomly prior to shipment. Special cores and keys are shipped separately to be changed-out in the field. See the Specification Guide in the front of this book.

COM & Fabric Grades

If COM materials are difficult to apply or inadequate, Great Openings reserves the right to apply extra charges or to cancel the order. Great Openings has no control over COM material quality or performance and will not be held responsible for material defects or damage caused by improper use or application.

Lifetime Warranty

Great Openings warrants its filing and storage products to be free from defects in materials and workmanship for as long as the original purchaser owns the product. This warranty does not cover ordinary wear and tear, or improper installation or use of the product. This warranty does not apply to Customer's Own Materials (COM) for fabric, laminates, or edge bands.

In addition, supplier warranties will apply to products not manufactured by Great Openings. Please contact Great Openings for more information.

Regional Pricing

Great Openings reserves the right to adopt regional discount programs and small order handling fees to address the freight cost impact applicable to each geographic region. A buyer's region will be determined by shipping destination.

Payment Terms

Orders are invoiced at the time of shipment and payment is due upon receipt of the invoice. Invoices unpaid thirty (30) days after the invoice date are subject to a late payment charge in the amount of one and one-half percent (1-1/2%) per month on the unpaid balance until paid. Great Openings reserves the right to modify or establish special credit arrangement for any customers at any time at its sole discretion. All prices are effective February 4, 2013, and are subject to change without notice.

Lansing, MI 48909-8016**

Taxes

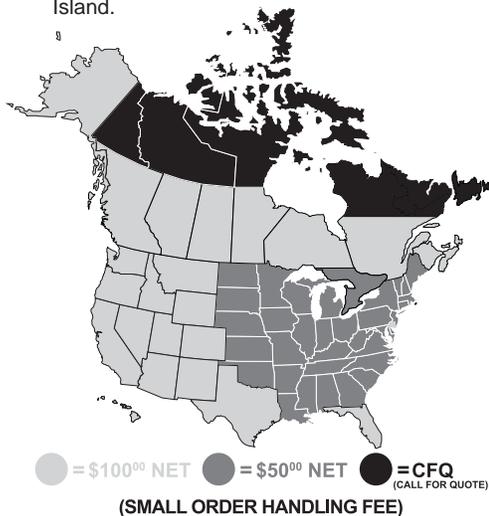

All sales, use, excise and other applicable taxes (excluding only taxes on the net income of Great Openings) are the purchaser's responsibility and will be invoiced to the purchaser. If purchaser claims an exemption from such taxes, it shall be the purchaser's responsibility to furnish an appropriate exemption certificate to Great Openings.

For Canadian orders, Great Openings does invoice and collect for GST/HST.

Freight Policy

All prices are freight included - F.O.B. Destination. Prices are based on a single shipment to a single location. A Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders):

See map below for Small Order Handling Fees by destination. For this purpose, New York City is defined as including the Bronx, Brooklyn, Manhattan, Queens, and Staten Island.

Standard Packaging

All Great Openings' products are packaged in accordance with industry standards and common carrier requirements. Pedestal products are individually boxed with polystyrene corner guard inserts, then palletized, and shrink wrapped. Lateral and storage product packaging consists of corrugated top and bottom trays, corner guards, palletized, shrink wrapped and labeled. For full truckloads only, upon special requests, we can provide a blanket wrapped shipment.

Shipment and Delivery

Freight is included in the prices as displayed in this price book. All shipments are FOB destination: free freight to destination in the continental United States. Shipments outside the contiguous 48 states will be freight collect from exit port. Exception for Canadian shipments; see the section on Canadian orders. Great Openings will select the mode and carrier of shipment.

- Partial shipments may be necessary and are at the discretion of Great Openings.
- Great Openings cannot guarantee exact time of delivery.
- Any charges resulting from late deliveries beyond our control are not the responsibility of Great Openings.
- Ship dates contained in order acknowledgements are estimated and not guaranteed.

Great Openings will often consolidate orders to maximize shipping efficiency. In these situations, a customer's designated ship date may change, though Great Openings will make every effort to ensure that requested delivery dates are still met.

Product Storage Fees

Once an order enters production, it is not possible to stop production on that order if a last-minute request is made to delay shipment. If it is absolutely necessary to hold the product at Great Openings for a later ship date, a holding fee of \$7 net per pallet or \$100 net per trailer will be assessed each week and partial week until the product ships. Weekly storage fees will be the responsibility of the purchaser on any delayed shipment of a produced order.

Returns

Great Openings will not accept returned goods.

Claim Policy

It is the purchaser's responsibility to examine goods upon receipt and to notify Great Openings customer service with any concerns. Any claims against Great Openings for apparent defects, errors or shortages must be made by the purchaser within five (5) working days after any delivery. Failure by the purchaser to make any claim against Great Openings within (5) days shall constitute acceptance of the goods and waiver of any apparent defects, errors or shortages.

Freight Damage Claims

Great Openings' terms are FOB destination, Great Openings is not responsible for damage that occurs in transit. All Great Openings' products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order.

It is the buyer's responsibility to inspect goods upon receipt for both apparent and concealed damage. In the rare instance where shipping damage is found, we ask the purchaser NOT to refuse shipment. Accepting shipment will give us more opportunities to remedy the situation through parts (fronts, tops) replacement and within the guidelines of the stated terms.

Claim and Replacement Policy

In the case of documented shipping damage, Great Openings will file a claim with the carrier and issue at no charge any replacement parts or product only if the purchaser meets the following conditions:

- Product is shipped via a Great Openings designated carrier
- Accept the shipment
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Great Openings immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Great Openings from obtaining carrier reimbursement and thereby require us to charge full price for product replacement.

Concealed Damage Policy

Concealed damage (damage discovered after acceptance with no bill of lading documentation) should be reported to Great Openings immediately upon discovery. Please retain packaging and request carrier inspection immediately. Carrier liability ceases 15 calendar days after receipt of shipment. Great Openings will investigate on a case-by-case basis. In any case, Great Openings assumes no liability beyond the 15-day carrier liability and reserves the right to apply no remedy and/or various remedies dictated by individual event circumstances.

The buyer may make NO DEDUCTION UNDER ANY CIRCUMSTANCES ensuing from freight claims when settling invoices with Great Openings.

Service

Please contact Great Openings with any service concerns:

Lock Options

All Great Openings lockers may be specified with either keyed locks or electronic locks.

Keyed Locks

Lockers come standard with randomly-assigned UM Series lockers (#226-425). UM locks are black-faced, master-keyed and core-removable. You may arrange with Customer Service to have these locks keyed-alike in the field. Other key series options are available, including bright nickel LL, Haworth SL, and the Knoll K.

UM Series
(Standard)

LL Series

SL Series

K Series

Electronic Locks

All Great Openings lockers may be specified to include electronic locks rather than keyed locks. See pages 7-9 for a full description and simple ordering instructions.

Embossed Label Holder

Include an embossed label holder at the top center of the locker door. Ordered as an accessory, simply add an "M" suffix to the locker part number. There is no additional charge for a label holder.

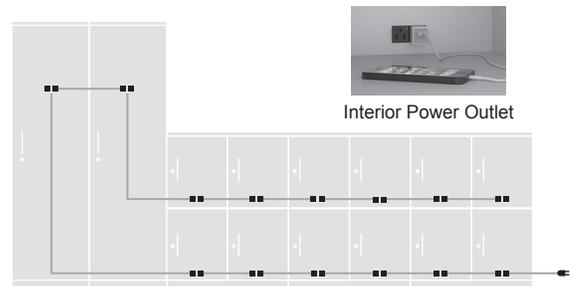

Go to greatopenings.com to download a customizable 1" x 2-5/8" label card template.

Embossed
Label Holder

Interior Power Outlet

Specify a power outlet inside any locker. A single multi-circuit power feed can accommodate up to 40 lockers, with plug-in power inside each locker and wires routed outside and behind the cabinets. Contact Sales for specification assistance and pricing.

Interior Power Outlet

Laminate and Two-Tone Fronts

Order your lockers with laminate fronts or with the fronts and cabinets painted complimentary colors. Contact Sales for specification assistance and pricing.

LOCKER FAQs

SEE PAGE 2 FOR COLORS, LAMINATES

Can I Customize?
Lockers with special heights, widths, depths, and drawer/cupboard configurations are one of our specialties!
Minimum quantities are required. Call Sales for details

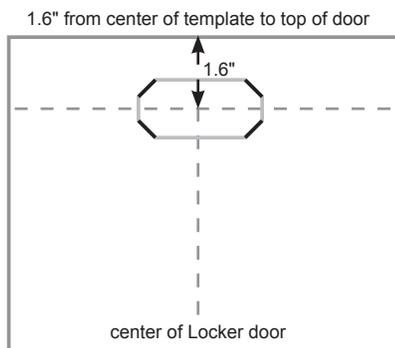

Features

- All metal construction with metal fronts as standard
- Laminate fronts and two-tone metal fronts (painted a different color than the cabinet) are available as an option. Contact Sales for details
- Embossed label holder available as optional accessory. Label holder is located at top of locker door. Ordered as an accessory, simply add an "M" suffix to the locker part number. There is no additional charge. See diagram at left.
- Interior power outlets may be added inside any locker or bank of lockers. Contact Sales for details

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength
- Top, back, side, and center panels are 21 gauge metal
- Leveling glides allow for 7/8" adjustment
- Leveling glides are accessible from inside the locker
- Inner top, bottom, and side channels are 18 gauge steel, drawer and door fronts are 20-22 gauge steel
- All doors on multi-door units must be specified to hinge either left or right
- Concealed hinges allow for 100 degree opening
- Shelves are 18 gauge steel, and drawer bins are 22 gauge. Bottom pad is 16 gauge steel
- A Trace lateral file ganging kit may be used to gang two lockers together

Placement of optional Embossed Label Holder

GO Keyless!

All Great Openings lockers may be ordered to include electronic locks rather than keyed locks. Durable and flexible, Metalwork's electronic locks are easily programmed to either fixed or revolving mode:

Fixed Mode:

Once a code is created, that code remains in effect until the user changes it. To lock and unlock: enter the code and then turn the lever.

Revolving Mode:

Also called hoteling or single use mode, the code is cleared after each complete locking cycle. To lock: enter a code and then turn the lever. To unlock: enter the same code and turn the lever. At this point the lock clears the code and is awaiting new input.

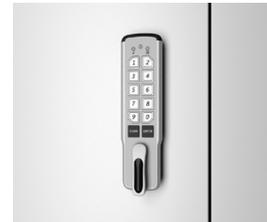

Electronic Lock Features

- Once a code is entered, the lock is activated by turning the lever to the locked or unlocked position
- Runs on 2 AAA batteries (included)
- Operates using a 4-to-8 digit code
- A supervisor code is included
- May be programmed by supervisor as Fixed or Revolving Code
- Programmable reset features
- Easy to clean membrane keypad
- 75,000 plus cycles; extended battery life reduces replacement and labor/maintenance costs.

Door options when ordering electronics locks:

A: Full Pull with E-Lock

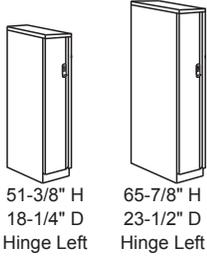

E: Integrated Lock Pull

Industry Favorites (viewed online)

Visit www.greatopenings.com to find a comprehensive list of colors that are available for you to order just as though they were among our 60 Standard Colors.

- No added cost
- Standard lead-time
- No minimum order size
- Not necessary to exchange paint chip samples or to get your signed approval, as we already know we have a good match with the original manufacturer's color
- Simply send us your purchase order with the paint color name and number identified in this online list

- Great Openings will process your order, then send you an order acknowledgement
- Depending on paint cost and availability that is beyond our control, colors may be added or removed from this list of Industry Favorites

Please understand that color match is not a perfect science. While Great Openings uses the most sophisticated powder formula color match technology available, our greatest challenge remains the fact that the major manufacturers' colors tend to "drift" over time. Bright whites and silver metallics, in particular, are a challenge to match. For all practical purposes, in common artificial light as well as natural light, Great Openings' Industry Favorites will be an excellent match for our competitors' colors.

Custom Colors

When you need a color that's not included in our 60 Standard Colors or Industry Favorites, simply send us a paint chip and we'll get it matched. A special lead time or cost will likely be included, but we can almost certainly supply exactly the color you need.

- No minimum order size on Custom Colors
- Custom Color up-charge is applied on a per unit basis
- Minimum lead-time is 15 working days after we receive your written color approval
- We must receive a purchase order before exchanging custom color samples.

Check our website for Custom Designer Colors, a sampling of trending new custom colors!

Here's how it works for custom colors:

1. Along with your purchase order, send us a 2" X 2" sample of your desired Custom Color (a metal chip is best, but often a laminate or paper sample will work).
2. We'll work with our paint suppliers to find a match, a process that typically takes 10 to 15 business days. Then we'll send a metal sample of our recommended paint color back to you, along with a sign-off sheet, total net up-charge, and lead-time requirements.
3. You'll return the sign-off sheet, we'll send you an order acknowledgement, and away we go!

Please note: Our objective is to order exactly the correct amount of paint for each order so that we can offer you the lowest possible price. For this reason, if you happen to order the same custom color again weeks, months, or years later, paint inventory will likely not exist and any additional costs will once again be charged per unit, no matter the order size.

LAMINATE PROGRAM

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

We make it easy to order special laminates and edge bands. Great Openings offers 18 Standard Laminate and Edge options as well as Custom Laminates.

Cayenne laminate tops are 5/8" thick and may be ordered with any of our 18 Standard Laminate and Edge options, or from our Custom Laminate program, both shown below. 5/8" thick laminate tops **may not** be used as desk work surfaces. Laminate tops used for the TRACE desk or any TRACE cabinet top are 1-1/4" thick, and may be ordered from any of the three laminate programs shown below.

18 Standard Laminates and Edges

For laminate samples please contact Wilsonart® at 800-433-3222, or see www.wilsonart.com

Custom Laminates (including veneers)

When you need a laminate or edge band that's not included in our 18 Standard Laminates & Edges, call Great Openings to request a special quote and lead-time. We have access to WilsonArt®, Formica®, Nevamar®, Pionite® and many more.

Please note that custom laminates or edges will require additional charges, lead-time, and minimum order quantities.

When it's time to place your custom laminate order, include the following information on your PO:

- name of your laminate and edge
- manufacturer names
- pattern names
- identification numbers

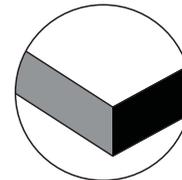

Custom laminates and edges cannot be changed or cancelled after the order has been confirmed by our Customer Service Department and an order acknowledgement has been sent.

Standard Work Surface Specifications:

Core material:	Trace desk work surfaces: 1.125" thick 45 lb. density particle core Cayenne tops: .625" thick, 45lb. density partical core
Adhesive:	Water based, formaldehyde free, GREENGUARD® Certified.
Backer material:	.028 phenolic
Finished Thickness:	Trace desk work surfaces: 1.125"
Cayenne tops:	.705"

SPECIALTY FRONTS AND OPTIONS

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

Products Available with Laminate Fronts

Any of the following Great Openings cabinets may be special-ordered to include factory-installed laminate fronts. Laminates may be one of Great Openings' standards, or a special ordered laminate and 3mm edge band. Laminate wood grain is positioned vertically on all fronts, including tower doors. Laminate fronts must be specified to include any one of our loop pulls. UM Series locks are included as standard. Please call Sales for a quote.

	Notes	Product
	Cayenne drawer fronts are full width, and the lock is located in the bottom drawer.	Cayenne two drawer cabinet (any width)
	Pedestal drawer fronts and lock strip will be laminate. Cushion pedestals will not include a loop pull on the lock strip. Not available on 3" pencil drawers.	box/file pedestal file/file pedestal box/box/file pedestal
	Lateral drawer fronts and lock strip will be laminate.	Trace box/file lateral (any width) Trace 2-high lateral (any width) Trace 3-high lateral (any width) Trace 4-high lateral (any width) Trace 5-high lateral (any width) Trace 6-high lateral (any width)
	Laminate drawer and door fronts are full-width. The tower top and base are both visible from the front of the cabinet, and will be metal.	Cupboard wardrobe tower (any height)
	Hutch doors are full width, and do not include loop pulls. Locks are concealed below the shelf.	Trace desk hutch doors (any width)

Additional mixed material front options

Most of Great Openings cabinets may also be ordered with special veneer fronts or framed aluminum doors with acrylic inserts.

Please contact the GO Sales Team for a quote.

Digital lock options

Many of Great Openings cabinets may also be ordered with individually keyed digital locks. Please contact the GO Sales Team for a quote.

Custom Products

Towers and lockers specially-designed with a custom height, width, or depth may be available for sufficient quantities.

Standard Fabric Program:

This fabric offering may be applied to our Cushion Mobile Pedestals, GO Carts, Cushion Mobile FileCenters, Desk Hutch Tack Boards, Wall-Mounted Tack Boards and Privacy Screens. We have selected a pallet of fifteen accent colors from the C.F. Stinson colors – New Hempstead and Bryant Park Collections. This fabric is a low texture, solid-color, 100% polyester that will work very well as seating upholstery or for a vertical tack board application. The following is a cross reference list for these fabrics:

GO Part #	Fabric	C.F. Stinson
7A	Black	NH333 - New Hempstead
7B	Grey	NH395 - New Hempstead
7C	Nickel	NH361 - New Hempstead
7D	Jodhpurs	NH420 - New Hempstead
7G	Fire	NH406 - New Hempstead
D1	Aubergine	NH419 - New Hempstead
7J	Steel	NH366 - New Hempstead
7K	Navy	NH369 - New Hempstead
7M	Nile	BP6553 - Bryant Park
7N	Night Shadow	BP6563 - Bryant Park
7P	Crocodile	BP6561 - Bryant Park
7S	Marigold	BP6551 - Bryant Park
7R	Raspberry	BP6557 - Bryant Park
7T	Butterscotch	6531 Ace
7V	Sherwood	6544 Ace

For memo samples, contact C.F. Stinson at 800-841-6279 or see www.cfstinson.com.

Fabric Specifications:

- Contents..... 100% polyester
- Finish..... Soil and stain protective finish
- Abrasion Resistance (astm d-4157)..... Exceeds 100,000 (Bryant Park), and 800,000 (New Hempstead) double rubs (heavy duty Wyzenbeek Method)
- Color Fastness - Light (aatcc-16)..... 40 hours class 4 minutes (New Hempstead), and 5 minutes (Bryant Park)
- Crocking (aatcc-8)..... (dry) class 4.5 minutes (wet) class 4.5 minutes
- Flammability:
- Calif. 191-53 Tech. Bulletin 117, Section E..... Passes
- UFAC and BIFMA..... Class 1
- Cleaning (w-s)..... Professional service is recommended or use water-based agents

ORDERING COM FABRICS

HOW TO SPECIFY COM FABRIC ON YOUR PURCHASE ORDER:

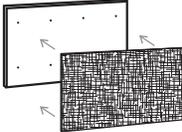

Calculate the yards of fabric needed using the chart below. If ordering more than 10 identical units, call for fabric requirements

Clearly label your fabric package with:

- Purchase order #
- Dealer name
- Fabric description
- Yardage quantity enclosed

Please note: Lead-time for COM fabric orders is 10 working days after receipt of fabric. Great Openings reserves the right to refuse to apply any COM fabric that we deem insufficient quality for production or user application. Our standard warranty does not apply to COM fabric-covered items.

Send the fabric to:
Great Openings (Fabric), 902 East Fourth St., Ludington, MI 49431

	UM (our standard lock)	LL	SL	ML	HW	K
						
	Black Patent	Satin Nickel, Scalloped	Grey Scalloped	Grey Scalloped	Satin Nickel, Scalloped	Black Patent
Compatible with which other Manufacturers?	Herman Miller	None	Haworth SL (Not Available on TRACE Hutch)	Haworth ML (Not Available on TRACE Hutch)	Haworth HW	Knoll Series
Interchangeable with other manufacturers' locks?	Interchangeable key and core	N/A	Interchangeable key and core	Interchangeable key and core	N/A	You cannot interchange K Series cores between Great Openings and Knoll products, but our "K" keys will operate Knoll's "K" locks, and vice versa
Description	As standard, all GO products are shipped with a randomly-assigned UM lock, which is black, master-keyed, and core removable	The LL lock is master-keyed and core removable	The SL lock is master-keyed and core removable	Great Openings does not offer the Haworth ML series lock, but Haworth's ML lock cores will operate in our SL Lock mechanism. Order the SL lock and then replace the cores and keys with ML in the field. It is the dealer's responsibility to source and provide the ML cores and keys.	Great Openings does not offer the Haworth HW series lock, but Haworth's HW lock cores will operate in our LL Lock mechanism. Order the LL lock and then replace the cores and keys with HW in the field. It is the dealer's responsibility to source and provide the HW cores and keys.	Our K Series cores and keys will operate the Knoll K Series locks. Order the UM Series lock and then replace the cores and keys with K Series in the field. We support a key range of K-001 through K-100; should you require numbers K-101 through K-250, please contact Customer Service.
How to order	No special instructions are needed No extra charge	You must clearly specify "LL Series Locks" on your purchase order No extra charge	You must clearly specify "Haworth SL Series Locks" on your purchase order No extra charge	You must clearly specify "Haworth SL Series Locks" on your purchase order No extra charge	You must clearly specify "LL Series Locks" on your purchase order No extra charge	When ordering the product, no need for special ordering instructions; GO products ship as standard with UM locks You must also order K Series cores and keys separately, either random or with specified key codes No extra charge
Key # range	226 to 425 (408 & 412 not available)	226 to 325	1 to 300	N/A	N/A	1 to 250
When shipped....	UM core and key are randomly assigned	LL core and key are randomly assigned	SL core and key are randomly assigned	SL core and key are randomly assigned	LL core and key are randomly assigned	Products are shipped with UM Series lock housing, cores and keys
Key alike service available? (cores and keys will ship separately)	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	Yes, no charge Specify the desired key sequence on your PO, or specify "random"	No	No	Yes, no charge Specify the desired key sequence on your PO, or specify "random"
At installation....	No extra steps are needed	No extra steps are needed	No extra steps are needed	Remove and dispose of the SL cores and keys, then replace with ML cores and keys	Remove and dispose of the LL cores and keys, then replace with HW cores and keys	Remove and dispose of the UM Series cores and keys, then replace with K Series cores and keys

Key-Alike Process and Charges:

- Your key-alike request can be ordered on the original purchase order or under separate cover.
- Key-alike requests for the UM, SL, LL and K Series locks are processed at no charge as long as the quantity of key/core sets match the quantity of cabinets.
- When including the UM, SL, and LL Series locks, products will be shipped with randomly assigned cores/keys. Your key-alike requests for all lock series will be shipped separately and labeled to allow for easy change-out in the field, after the product is installed.
- A core-removal key is provided at no charge with each key-alike request.
- Additional keys, cores, master keys, and core keys may be purchased separately. The cost is \$3 net per item, plus \$15 net for shipping costs.

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

TRACE pedestals feature horizontal lines and full-width fronts consistent with all other TRACE products.

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Welded steel frame construction and formed channels ensure strength in key areas.
- Top and side channels are 18 – 21 gauge cold rolled steel
- Outer panels and drawer bin are 22 gauge steel, drawer fronts are 20 gauge steel

Options and Accessories

- 6" box drawer dividers, 12" file drawer dividers that allow for side-to-side filing, and pencil trays are sold separately
- Laminate fronts are available. See the Specification Guide for details.
- Fronts are mechanically fastened and removable to maximize design flexibility
- Polyethylene drawer front filler for increased sound deadening is available as an upgrade
- Individually locking security drawers are available as an upgrade
- File dividers allow for side-to-side filing and are sold separately

Lock System

- Pedestals come standard with randomly-assigned UM Series locks (#226-425)
- UM locks are black-faced, master-keyed, and core-removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. See the Specification Guide for details.
- TRACE pedestals may be ordered to include individually locking security drawers. Please see Pedestal Accessories.

Counterweights

- Freestanding, mobile, and cushion pedestals include a counterweight factory-installed
- Counterweights are not necessary for work surface supporting or hanging pedestals

Inner Drawer Dimensions For Drawer Pedestals

- Inside clear drawer bin width: 12.125"
- Inside clear drawer bin depths: 18" dp ped: 15.2", 22" dp ped: 18.25", 28" dp ped: 24.25"
- Inside clear drawer bin height: file drawer: 9.5", box drawer: 4.5", pencil drawer: 1.75"

Inner Dimensions For Pedestal Locker:

- 18" deep ped locker: 13.75" wide x 17" deep x 23" high
- 22" deep ped locker: 13.75" wide x 21" deep x 23" high

Drawer Load Capacity

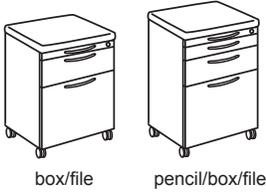

- 3" pencil drawer: 50 lbs
- 6" box drawer: 50 lbs
- 12" file drawer: 70 lbs

Features

- Four leveling glides with 1-5/8" adjustment ensure proper drawer alignment and operation. Leveling glides are not interchangeable with casters.
- All drawers include full-extension steel ball-bearing slides
- Slides include "anti-rebound" and "quick disconnect" features
- Drawer fronts include rubber bumpers for quiet operation

- Functions as a vertical file
- Does not include drawer compressor/divider (see file drawer dividers in pedestal accessories)
- Single lock captures all drawers
- Safety interlock is included, allowing only one drawer to open at a time
- Standard pedestal leveling glides allow for 1-5/8" adjustment
- Includes standard pedestal drawers, internal depth is 24-1/4"
- Compatible with all pedestal drawer accessories
- Finish height of 5 drawer v-ped is **not** consistent with TRACE products

Drawer Front Filler - Pedestals

- Pedestals with box or file drawers may be upgraded to include a closed cell polyethylene filler piece that adheres to the inside of the drawer front for improved sound dampening. (3" pencil drawers are enclosed as standard with a formed metal piece.)

Inside View

- Drawer Front Filler upgrades, priced per drawer, will be added to the product list price.

Description	Options	Product #	Price/Drw
drawer front filler	price per drawer	Add "U" as a suffix to the product number.	\$13

Available Fronts | A | B | D | F | H | I | N | P | Q | S | Y

Basic Construction:

- Trace lateral files feature horizontal lines and full-width fronts consistent with all other TRACE products.
- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength
- Reinforced vertical and horizontal channels ensure dimensional stability
- Inner frame is 20 gauge metal. Fronts, tops, outer panels are 20 and 22 gauge. Drawer bins and shelves are 18 and 20 gauge
- The horizontal lock strip on 4-high and 5-high laterals is located above the fourth drawer. In 6-high laterals, the lock strip is located above the fifth drawer

Features:

- The top opening of 5-high and 6-high laterals features an over-the-top flipper door with 13-1/4" inside clear height for binder storage
- All drawers and roll-out shelves include full extension steel ball-bearing slides with anti-rebound features to ensure smooth operation
- Drawer includes full-height side panels
- Two file bars are included in each drawer, for side-to-side filing
- Four leveling glides with 1-1/4" adjustment are included to ensure proper drawer alignment and operation
- All Great Openings' lateral drawer bins will accommodate A4, Letter, and Legal size filing

For Your Safety:

- The safety interlock mechanism is integrated into the slides, allowing only one drawer to open at a time
- All laterals with drawers and roll-out shelves used as freestanding units must have counter-weight if not ganged together or otherwise anchored
- Counterweights may be factory installed or purchased separately to be field installed

Options and Accessories:

- Drawer fronts and lateral tops are mechanically fastened and removable to maximize design flexibility
- Laminate fronts are available on all TRACE laterals. Please see the Specification Guide in the front of this book
- Drawer front fillers are available for improved sound dampening
- File conversion bars for front-to-back filing are sold separately
- Additional accessories include magnetic drawer/shelf dividers, magnetic labels, security bar lock, and drawer front fillers

Lock System:

- Lateral files come standard with randomly assigned UM Series locks (#226-425). Black faced, master-keyed, and core removable
- Locks may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. Please see the Specification Guide in the front of this book for details
- The locking system captures drawer fronts on both sides for added security

Inner Drawer Dimensions:

- Inside clear drawer bin widths: 30" bin: 26.7", 36" bin: 32.7", 42" bin: 38.7"
- Inside clear drawer bin heights for Trace laterals: top flipper door compartment: 13.25", drawer positioned immediately below a lock strip: 10.43", all other drawers: 10.75"
- Inside clear drawer bin heights for Recessed Front laterals: top flipper door compartment: 10.25", all drawers: 11.25"
- Inside clear drawer bin depths: 18.25" deep laterals: 16", 23.5" deep laterals: 20.5"

Load Capacity:

- Drawer and roll-out shelf load capacity: 30" wide bin: 125 lbs, 36" wide bin: 125 lbs, 42" wide bin: 125 lbs
- Fixed and adjustable shelf weight capacity: 30" shelf: 95 lbs, 36" shelf: 116 lbs, 42" shelf: 136 lbs,
- Load capacity of top of all lateral files: 30" wide: 140 lbs, 36" wide: 168 lbs, 42" wide: 192 lbs

TRACE LATERAL FILES

SIN 711-3

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

TRACE Lateral File

- Full-width, square edge drawer fronts
- 5-high and 6-high include top flipper door that stows over-the-top, revealing either a roll-out or fixed shelf
- Flipper compartment features 13-1/2" inside clear height for binder storage
- Counterweight is required if not ganged together or otherwise anchored
- Laminate tops are sold separately for individual laterals and laterals paired side-by-side or back-to-back (see lateral accessory section). Please note that a laminate top may not be placed on top of a Trace lateral that includes a flipper door on the top opening
- Four leveling glides with 1-1/4" adjustment are included to ensure proper drawer alignment and operation
- Inside clear drawer bin heights for Trace laterals: top flipper door compartment: 13.25", drawer positioned immediately below a lock strip: 10.43", all other drawers: 10.75"

Drawer load capacities:

- 30" drawer: 125 lbs
- 36" drawer: 125 lbs
- 42" drawer: 125 lbs

TRACE Lateral File Ganging Kit

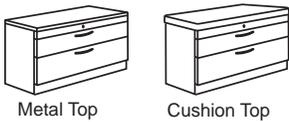

- Rather than install a counterweight, an alternate method of ensuring lateral file stability is to gang two or more laterals together side-by-side or back-to-back
- Trace box/file laterals require a counterweight unless they are ganged back-to-back with another lateral file or otherwise tethered to a permanent structure. Without counterweights, ganging box/file laterals side-by-side will not ensure stability
- Ganging kit includes a drill template, screws, and instructions

Description	Pkg Wt	Pkg Cube	Part #	Price
Kit to gang two laterals together	1 lb	.2 ft	LME 100010K	\$45

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

TRACE Box/File Lateral

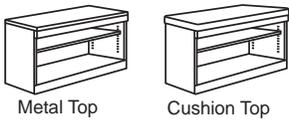

- Includes one 6" drawer and one 12" drawer
- Cushion top is mechanically fastened to the lateral prior to shipment; cushions are 1-1/2" tall and include an enclosed wooden base
- Trace box/file laterals require a counterweight unless they are ganged back-to-back with another lateral file or otherwise tethered to a permanent structure. Without counterweights, ganging box/file laterals side-by-side will not ensure stability

TRACE Lateral Files with 6" Drawer

- A new product for this book, replacing the Recessed front lateral with 6" drawers
- Inside drawer height clearance for 6" drawers is 5-5/8"
- All other features identical to standard Trace lateral file
- 6" drawer dividers are sold separately

Concerning Counterweight:

Laterals with all 6 inch drawers require no counterweight

Laterals with a combination of 6 inch drawers and 12 inch drawers do require counterweight if not ganged together or otherwise anchored. Select counterweight by the height of the cabinet, rather than number of drawers:

- 27-3/4" = 2-high
- 39-7/8" = 3-high
- 52" = 4-high

TRACE Individual Lateral File Laminate Top

- Factory installed or shipped separately
- A laminate top may not be placed on a Trace lateral that includes a flipper door in the top opening
- When factory installed, list price shown will be added to the accompanying lateral price
- Metal top is not included when using a laminate top
- Finish height of lateral file will be 5/8" taller than the height of a standard Trace lateral file with metal top
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge; call for details
- Laminate tops used on individual lateral files are sized to be flush with the sides of the lateral, so that individual laterals installed side-by-side will have no gaps between

Recessed Front Lateral File

Recessed heights are different from the TRACE product line

This lateral file is not included in the TRACE collection of products because the fronts are not full-width and the finish heights, base height, and drawer front heights are not consistent with those of the TRACE products.

- Full extension slides, safety interlock included
- Counterweight required if not ganged together or otherwise anchored
- 5-high lateral includes top flipper door that recedes into the cabinet, with roll-out shelf
- Includes UM Series lock (for other lock options, see the Specification Guide in the front of this book)
- Four leveling glides with 7/8" adjustment are included to ensure proper drawer front alignment and operation

Recessed Front Lateral Files Counterweight – Factory Installed

- In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves if they are not ganged together or otherwise tethered
- Fixed shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements

Description	Part #	Price
2 drawer c-wt	Add a "W" suffix to the lateral file product number	\$152
3 drawer c-wt		\$120
4 drawer c-wt		\$87
5 drawer c-wt		\$57

Recessed Front Lateral Files Counterweight – Sold Separately

- These counterweights are shipped separately to be installed at the work site
- In order to satisfy ANSI-BIFMA standards for stability, counterweights are required for all lateral files that include roll-out drawers or shelves if they are not ganged together or otherwise tethered
- Fixed shelf lateral files do not require counterweights, nor do lateral files that are anchored to a wall or ganged together. See specific lateral file descriptions to determine counterweight requirements

Description	Pkg Wt	Pkg Cube	Part #	Price

5 drawer c-wt	10.5 lb	.6 ft	SME 250019	\$73

Recessed Lateral File Ganging Kit

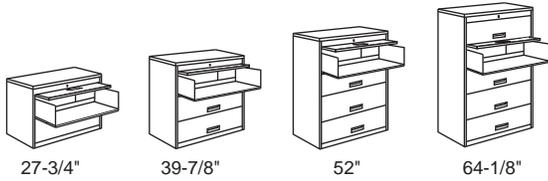

- Rather than install a counterweight, an alternate method of ensuring lateral file stability is to gang two or more laterals together side-by-side
- Ganging kit includes a drill template, screws, and instructions for attaching two laterals together

Description	Pkg Wt	Pkg Cube	Part #	Price
Kit to gang laterals together	1 lb	.2 ft	LME 100010K	\$45

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

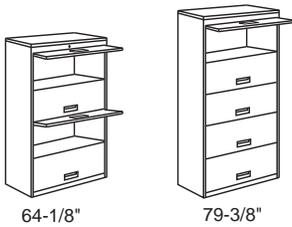

12" Receding Door Lateral File with Roll-Out Shelves

This lateral is not included in the TRACE collection of products because the fronts are not full-width and the finish heights, base height, and drawer front heights are not consistent with those of the TRACE products.

- All doors flip-up and recede inside the cabinet
- All roll-out shelves
- 10" inside clear height, 15-3/4" inside clear depth
- Full extension slides, safety interlock included
- Counterweight is required if not ganged together or otherwise anchored
- Includes UM Series lock
- Four leveling glides with 7/8" adjustment are included to ensure proper drawer alignment and operation

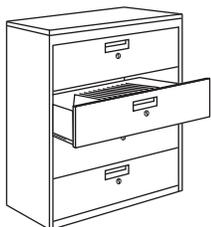

15" Receding Door Lateral File with Fixed Shelves

This lateral is not included in the TRACE collection of products because the fronts are not full-width and the finish heights, base height, and drawer front heights are not consistent with those of the TRACE products.

- All doors flip-up and recede inside the cabinet
- All fixed shelves
- 13" inside clear height, 15-3/4" inside clear depth
- No counterweight is necessary
- Includes UM Series lock
- Four leveling glides with 7/8" adjustment are included to ensure proper drawer alignment and operation

Recessed Front Individual-Locking Drawer Lateral File

- Any standard 2, 3, and 4-high lateral file with all 12" drawers may be upgraded to include individual security locks on each drawer
- Non-UM Series high security lock is double-bit, and captures drawer fronts on both sides
- Does not include security pan between drawers
- Does not include standard gang lock, but does include safety interlock
- Please contact Customer Service to discuss key series availability and lead time.

**Recessed Front Lateral:
Individual Laminate Tops**

- Factory installed or shipped separately
- When factory installed, list price shown will be added to the accompanying lateral price
- Metal top is not included when using a laminate top
- Finish height of lateral file will be 5/8" taller than the height of a standard Trace lateral file with metal top
- Specify any standard GO laminate and edge. Special order laminates may require an up-charge; call for details
- Laminate tops used on individual lateral files are sized to be flush with the sides of the lateral, so that individual laterals installed side-by-side will have no gaps between

(package of 10)	N/A	N/A	TGOX 000 11K	\$37

Security Bar-Lock for Recessed Front Laterals

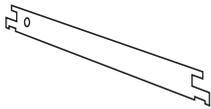

- Any standard 2, 3, 4, and 5-high recessed front lateral file with 6" or 12" drawers may be upgraded to include full-height piano hinges on each front vertical edge, with one set of hinged horizontal security bars that will accommodate a keyed or combination pad lock
- Piano hinges and horizontal bars are 11 gauge metal, and welded in place. Padlock is not included
- Bar-Lock lateral files require a 4-week lead time
- Installers must allow for at least 2" space between adjacent security laterals, so that the hinges and bar have room to be stored out of the way

	Part #	Price
Add a "BL" as a suffix to the lateral product number Add this price to the list price of the lateral file		\$502

Magnetic Drawer Dividers - 6" Drawer

- Dividers fit inside 6" lateral drawer bins to create sectioned drawer space
- 16" depth divider fits front-to-back in drawer bin, painted black
- Magnets attach to front and back of drawer bin, and will work in conjunction with Felt Drawer Liners (above)

Description	Pkg Wt	Pkg Cube	Part #	Price
Pkg of (4) 16" x 4" dividers	22 lb	1.8 ft	LFM 40042K	\$88

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

TRACE tower and lockers feature horizontal lines and full-width fronts consistent with all other TRACE products.

Basic Construction

- All Great Openings products meet or exceed applicable ANSI-BIFMA standards for durability and safety
- A lifetime warranty ensures long-lasting performance and after-sale support
- Steel frame construction is welded and channels are formed in key areas for strength
- Top, back, side, and center panels are 21 gauge metal
- Inner top, bottom, and side channels are 18 gauge steel, drawer and door fronts are 20-22 gauge steel
- Shelves are 18 gauge steel, and drawer bins are 22 gauge. Bottom pan is 16 gauge steel

For Your Safety

- Casters, when included, are two locking and two non-locking
- Towers include a safety interlock that allows only one drawer to open at a time

Features

- Shelves are adjustable in 1-1/2" increments
- Cupboard shelf load capacity is 61 lbs
- All drawers include full-extension steel ball-bearing slides
- Slides include "anti-rebound" and "quick disconnect" features
- File drawer dividers allow for side-to-side filing, and are sold separately
- All cupboard and coat doors include concealed hinges that allow for 110° opening

Lock System

- All towers include either one or two locks. See specific product specs for details
- Locks are randomly-assigned UM Series (#226-425)
- UM locks are black-faced, master-keyed, and core-removable, and may be keyed-alike in the field
- Other key series are available, including Haworth SL, bright nickel LL, and Knoll K. Please see the Specification Guide in the front of this book

Options and Accessories:

- 6" drawer dividers, 12" drawer dividers that allow for side-to-side filing, and pencil trays
- Fronts are mechanically fastened and removable to maximize design flexibility
- Laminate fronts are available for cupboard wardrobe towers. See the Specification Guide in the front of this book
- Work surface support bracket attaches to bookcase wardrobe and pedestal towers with side bookcase
- Wardrobe dome top may be added to any 23-1/2" x 23-1/2" wardrobe tower
- Magnetic shelf divider, sold in packages of three, available as shelf or drawer dividers

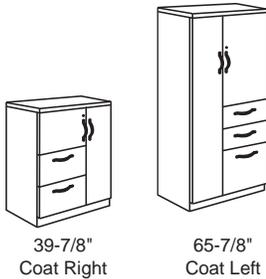

Can I Customize?
Towers and lockers with special heights, widths, depths, and drawer/cupboard configurations are one of our specialties! Call for details.

Wardrobe Dome Top

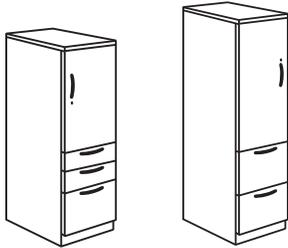

- Metal dome fits any 23-1/2" x 23-1/2" tower
- Factory installed
- Adds 5" to finish height of tower
- Also available with translucent acrylic insert (TL)
- This accessory price will be added to tower price

Options	Product #	Price
metal	add a "DT" as a suffix to the product number.	\$380

- Because the dome top carries a square front vertical edge, it is not recommended for use on cabinets that include radiused door and drawer fronts
- Towers ordered with dome tops require a three week lead time

SEE PAGE 2 FOR COLORS, LAMINATES, FABRICS

TRACE Bookcase

- Front vertical edge is square
- All welded steel frame construction
- Double wall construction on side panels
- Bottom channels, bookcase top and shelves are all 18 gauge, back panel, side channels and side panels are 22 gauge
- Four leveling glides with 5/8" adjustment
- Shelves adjustable in 1/2" increments
- Outer side panels are flush with sides of bookcase top, so no gap between bookcases when installed side-by-side
- Top is mechanically fastened, so may be replaced with laminate top
- To ensure stability, do not install a 4, 5, or 6-high single bookcase in the center of a room. Bookcases should be installed back-to-back or against a wall
- Shelf capacity all widths: 140 lbs
- 2-high bookcases will accommodate binder-height storage on both shelves. For all other bookcases, binder-height storage is available on all but one shelf

Inside depth:	Inside widths:	Inside heights:	Adjustable shelf :
13.06"	27.69" in 30" case	25.19" in 2-high	1" high
	33.69" in 36" case	37.31" in 3-high	
	39.69" in 42" case	48.81" in 4-high	
		63.31" in 5-high	
		74.81" in 6-high	

TRACE Bookcase Laminate Top

- Factory installed 1-1/4" laminate top replaces the standard metal top
- Finish height of bookcase will be 5/8" taller than the height of a standard bookcase with metal top
- Laminate top will overhang the metal bookcase sides by 1/8", and it will be flush at front and back
- Specify the laminate and edge band as a suffix to the bookcase part number
- Add the price shown to the list price of the bookcase

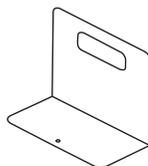

Mobile Bookcase

- Black 37mm plastic casters
- Casters: 2 locking, 2 non-locking
- Satin nickel loop pull on each side
- Bookcase itself is 30" wide
- With loop pulls, total width is 32-1/2"
- Inside clear height: 24" with 1/2" shelf
- Inside clear depth: 15", width: 27-7/8"
- Shelf is adjustable in 1/2" increments
- As with all GO bookcases, the mobile bookcase does include a back panel

Magnetic Shelf Divider

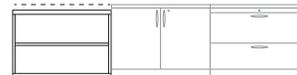

- Black divider is 7-1/2" tall, 8" wide
- 4" wide base includes 8" x 3" magnet
- Sold in packages of three dividers

COMMERCIAL TERMS & CONDITIONS

These conditions of sale supersede all previous selling policies. Prices, discounts, lead-times and product offerings are subject to change without notice.

Order Placement

Great Openings requires that all orders be submitted in writing to avoid errors and/or duplication. Sales of all Great Openings' products are made only on the Company's standard terms and conditions of sale, unless modified in writing by an authorized Great Openings representative.

Orders received at Great Openings after 4:00pm EST will be processed the following day.

Order Acknowledgement

We diligently issue order acknowledgements via e-mail within 24 hours of purchase order receipt. If you do not receive an acknowledgement within 24 hours, please call our Customer Service department to determine the reason; we may not have received your order, or we may have questions that are delaying order entry.

**PLEASE CHECK
ACKNOWLEDGEMENTS
FOR ERRORS
IMMEDIATELY UPON RECEIPT.**

The order acknowledgement process is designed to ensure protection for both the buyer and the seller. We strongly urge the buyer to make sure the acknowledgement accurately reflects the intended purchase.

Order Discrepancies

Great Openings will not be held responsible for extra costs due to errors resulting from purchase order inaccuracies. If and when a discrepancy is detected on the purchase order or acknowledgement, all corrections must be received in writing before further order processing can occur.

Changes, Cancellations

Orders may not be changed, corrected or cancelled, in whole or in part, after Great Openings has issued its order acknowledgement without the written consent of an authorized Great Openings representative. Special order items (special or custom cabinets, Customer's Own Materials (COM) fabric and laminates) already in production are not subject to change or cancellation under any circumstances.

Canadian Orders

Canadian orders may be processed using this price book. The pricing and payment terms included in this book are in U.S. funds. Custom brokerage fees and GST/HST taxes will be charged as separate line items on the invoice. All prices are freight included; FOB: Destination. A Regional Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders). See regional map for applicable fee.

Lead-Time

Lead-times are measured in working days, and begin after receipt of clean order.

Lead-times may change without notice. Stated lead-times will not commence until purchase order is actually entered into our system. We are not responsible for delays caused by order discrepancies or late receipt of COM items.

Special Shipping Instructions

Great Openings will accommodate special shipping/delivery requests whenever possible. Purchaser will be responsible for any and all extra costs incurred by reason of Great Openings' complying with a special shipping request. Examples of special requests that may cause extra charges (dollar amounts shown are approximate, actual amounts may vary):

- special carrier/lift gate: starting at \$85.00
- inside delivery: starting at \$50.00
- expediting, re-consignment, delays causing carrier storage: starting at \$50.00
- truck load delivery times after 3:00 pm
- delivery times outside normal business hours including weekends and holidays: starting at \$450.00 per truck
- exact, narrow scheduling window (elevator time): starting at \$150.00
- non-commercial/residential deliveries: starting at \$60.00

The maximum amount of time allowed for off-loading product from trailers is 3 hours. Carrier costs associated with any additional delivery time will be charged to the dealer. Any additional charges that result from the purchaser failing to accept a shipment as agreed upon will be the responsibility of the purchaser.

Special Delivery Charges

Once a delivery truck arrives at a destination, if the recipient is not ready to accept delivery as scheduled and the truck must wait, deliver "after hours", or make a second drop at a later time, the carrier charges a penalty for that delay which Great Openings must pass on to the customer.

These charges are as follows (dollar amounts shown are approximate, actual amounts may vary):

Night Delivery:
3:30-4:30 p.m.: \$400 additional charge
4:30-5:30 p.m.: \$450 additional charge
5:30 p.m. and later: \$500 additional charge
Detention fee will be \$75 per hour after two hours. Drop charge will be \$75 per drop.

Weekend and holiday deliveries will be quoted per load depending on location and delivery time.

Please use caution when planning and communicating delivery requirements so that these exorbitant fees will not be necessary.

Key-Alike Services

Key-alike service is offered free of charge provided the key-alike request is associated with an order for a matching quantity of

cabinets. Additional key/core sets, master and core keys are available for a nominal charge. All Great Openings products are keyed randomly prior to shipment. Special cores and keys are shipped separately to be changed-out in the field. See the Specification Guide in the front of this book.

COM & Fabric Grades

If COM materials are difficult to apply or inadequate, Great Openings reserves the right to apply extra charges or to cancel the order. Great Openings has no control over COM material quality or performance and will not be held responsible for material defects or damage caused by improper use or application.

Lifetime Warranty

Great Openings warrants its filing and storage products to be free from defects in materials and workmanship for as long as the original purchaser owns the product. This warranty does not cover ordinary wear and tear, or improper installation or use of the product. This warranty does not apply to Customer's Own Materials (COM) for fabric, laminates, or edge bands.

In addition, supplier warranties will apply to products not manufactured by Great Openings. Please contact Great Openings for more information.

Regional Pricing

Great Openings reserves the right to adopt regional discount programs and small order handling fees to address the freight cost impact applicable to each geographic region. A buyer's region will be determined by shipping destination.

Payment Terms

Orders are invoiced at the time of shipment and payment is due upon receipt of the invoice. Invoices unpaid thirty (30) days after the invoice date are subject to a late payment charge in the amount of one and one-half percent (1-1/2%) per month on the unpaid balance until paid. Great Openings reserves the right to modify or establish special credit arrangement for any customers at any time at its sole discretion. All prices are effective February 4, 2013, and are subject to change without notice.

Remit to:

**Great Openings
Dept. for Lockbox: 9521-11
PO Box 30516
Lansing, MI 48909-8016**

Taxes

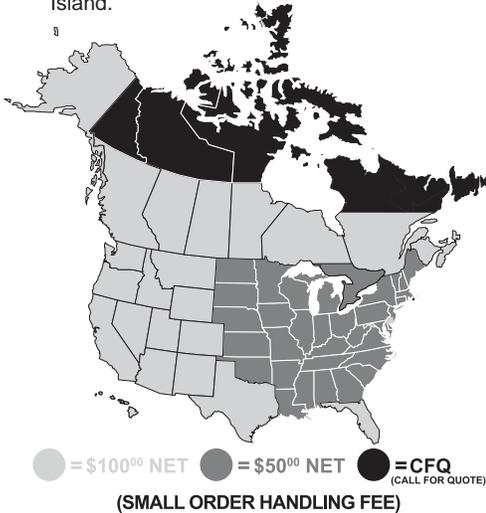

All sales, use, excise and other applicable taxes (excluding only taxes on the net income of Great Openings) are the purchaser's responsibility and will be invoiced to the purchaser. If purchaser claims an exemption from such taxes, it shall be the purchaser's responsibility to furnish an appropriate exemption certificate to Great Openings.

For Canadian orders, Great Openings does invoice and collect for GST/HST.

Freight Policy

All prices are freight included - F.O.B. Destination. Prices are based on a single shipment to a single location. A Small Order Handling Fee applies to all orders less than \$5,000 list (does not apply to accessory orders):

See map below for Small Order Handling Fees by destination. For this purpose, New York City is defined as including the Bronx, Brooklyn, Manhattan, Queens, and Staten Island.

Standard Packaging

All Great Openings' products are packaged in accordance with industry standards and common carrier requirements. Pedestal products are individually boxed with polystyrene corner guard inserts, then palletized, and shrink wrapped. Lateral and storage product packaging consists of corrugated top and bottom trays, corner guards, palletized, shrink wrapped and labeled. For full truckloads only, upon special requests, we can provide a blanket wrapped shipment.

Shipment and Delivery

Freight is included in the prices as displayed in this price book. All shipments are FOB destination: free freight to destination in the continental United States. Shipments outside the contiguous 48 states will be freight collect from exit port. Exception for Canadian shipments; see the section on Canadian orders. Great Openings will select the mode and carrier of shipment.

- Partial shipments may be necessary and are at the discretion of Great Openings.
- Great Openings cannot guarantee exact time of delivery.
- Any charges resulting from late deliveries beyond our control are not the responsibility of Great Openings.
- Ship dates contained in order acknowledgements are estimated and not guaranteed.

Great Openings will often consolidate orders to maximize shipping efficiency. In these situations, a customer's designated ship date may change, though Great Openings will make every effort to ensure that requested delivery dates are still met.

Product Storage Fees

Once an order enters production, it is not possible to stop production on that order if a last-minute request is made to delay shipment. If it is absolutely necessary to hold the product at Great Openings for a later ship date, a holding fee of \$7 net per pallet or \$100 net per trailer will be assessed each week and partial week until the product ships. Weekly storage fees will be the responsibility of the purchaser on any delayed shipment of a produced order.

Returns

Great Openings will not accept returned goods.

Claim Policy

It is the purchaser's responsibility to examine goods upon receipt and to notify Great Openings customer service with any concerns. Any claims against Great Openings for apparent defects, errors or shortages must be made by the purchaser within five (5) working days after any delivery. Failure by the purchaser to make any claim against Great Openings within (5) days shall constitute acceptance of the goods and waiver of any apparent defects, errors or shortages.

Freight Damage Claims

Great Openings' terms are FOB destination, Great Openings is not responsible for damage that occurs in transit. All Great Openings' products are carefully inspected prior to shipment. The carrier signs for all goods received in apparent good order.

It is the buyer's responsibility to inspect goods upon receipt for both apparent and concealed damage. In the rare instance where shipping damage is found, we ask the purchaser NOT to refuse shipment. Accepting shipment will give us more opportunities to remedy the situation through parts (fronts, tops) replacement and within the guidelines of the stated terms.

Claim and Replacement Policy

In the case of documented shipping damage, Great Openings will file a claim with the carrier and issue at no charge any replacement parts or product only if the purchaser meets the following conditions:

- Product is shipped via a Great Openings designated carrier
- Accept the shipment
- Retain packaging
- Inspect the shipment and document damage on the bill of lading
- Contact Great Openings immediately upon discovery and documentation of damage

Failure of purchaser to meet these conditions will prevent Great Openings from obtaining carrier reimbursement and thereby require us to charge full price for product replacement.

Concealed Damage Policy

Concealed damage (damage discovered after acceptance with no bill of lading documentation) should be reported to Great Openings immediately upon discovery. Please retain packaging and request carrier inspection immediately. Carrier liability ceases 15 calendar days after receipt of shipment. Great Openings will investigate on a case-by-case basis. In any case, Great Openings assumes no liability beyond the 15-day carrier liability and reserves the right to apply no remedy and/or various remedies dictated by individual event circumstances.

The buyer may make NO DEDUCTION UNDER ANY CIRCUMSTANCES ensuing from freight claims when settling invoices with Great Openings.

Marvel® Warranty and Quality Information

The Marvel® Lifetime Warranty

Marvel® warrants its products to the original purchaser to be free from defects in material and workmanship for as long as the original purchaser owns the product, except as provided below.

Components and parts deemed as high wear including: casters, pneumatic cylinders, stacking chairs, and task lights are warranted for five years from the date of sale. Fabrics are warranted for five years. Electronic Adjustable Table electric components and motors are limited to 5 years, under normal operating conditions, subject to inspection and determination of the manufacturer. Seating control mechanisms and keyboard arms are warranted for ten years from the date of original sale. Warranty periods for seating that exceeds eight hours per day usage (single shift) is reduced in a pro-rata basis.

This warranty excludes products that were not installed or used in accordance with product instructions and warnings. Product adaptations, customizations or modifications not explicitly approved by Marvel® do not qualify for this warranty.

The obligations of Marvel® are limited to repair or replacement at the sole option of Marvel®. Marvel®, in no event, will be responsible for incidental or consequential damages arising out of a claim for defective or damaged product.

THE MARVEL GROUP, INC
REGISTERED TO ISO 9001-2008
FILE NUMBER 10002902

The Marvel® Quality Guarantee

ISO 9001-2008

Marvel® is registered to ISO 9001-2008 by UL DQS Inc. The International Organization for Standardization is an international agency formed in 1979 to harmonize quality management and quality assurance standards for manufacturing and service industries.

The ISO 9001-2008 standard is the broadest and most difficult standard to attain. In addition to the ISO 9001-2008 standards of quality management system, control product handling, documentation, and personnel, it also includes quality in:

- Product design and development
- Marketing
- Purchasing
- Customer service and after-sales support

**5 DAY
QUICKSHIP**
ON SELECT ITEMS

Marvel® Quick Ship

Marvel® offers this premium service with no extra charges on select Pronto®, MW, Allegra®, Endeavor®, Fermata®, Mailroom Utility Furniture, Ergonomic Accessories and Storage Product Lines.

Products can ship in as little as 5 DAYS.

Marvel® Environmental Statement

The Marvel Group, Inc. is proud of our ongoing commitment to responsible environmental policies and manufacturing processes. Safeguarding the earth's vital resources through conservation, technology application and progressive emission controls is a responsibility embodied in our manufacturing, sourcing and marketing practices.

Marvel® wood and wood based components including our particleboard have no components related to or sourced from coastal rainforests, ancient or old growth forests. Additionally Marvel® is continuing research into the use of Hay and Grain based particleboard for potential use in future products.

Our coating process emissions are the lowest possible as Marvel® utilizes unique state-of-the-art powder-coating methods, which virtually eliminate vapor emissions as well as allowing us to recycle close to 100% of our overspray.

Our steel suppliers currently use a variety of sources for recycled and scrap steel, which is utilized in the manufacturing process. These efforts coupled with a corporate culture of responsible stewardship combine to give our associates and customers the reassurance and confidence they demand in partnering with a socially and environmentally responsible company.

The Marvel Group, Inc. Is A Proud Past Recipient Of The Illinois Governor's Pollution Prevention Award.

Recycled Content for Marvel Zapf® Product line:

Aluminum Frame comprises 90% of each panel and contains 70% post consumer recycled aluminum.

Steel supports, storage and other components comprise 80% of a Freestanding typical and contains 15% post consumer recycled steel.

Terms and Conditions

Ordering

Price & Payment

Orders are invoiced at the time of shipment or as shipments occur in the case of multiple shipments. Payment is due within 30 days from date of invoice. In some cases Marvel® may require full or partial payment in advance or other adequate assurance of payment. Price and specifications subject to change without notice.

Changes & Cancellations

Any changes or cancellations on 4-Week Ship products must have written consent from Marvel®. Approved cancellations for products will be subject to a 25% cancellation charge if the request is approved within two weeks of scheduled shipping date. Any change made 10 days prior to shipment may be cause for establishing a new ship date on the original order and possible additional charges.

No cancellations are permitted within one week of ship date. Costs incurred by Marvel® as a result of any changes to special orders or Customers Own Materials (COM) requests will be born by the customer.

Note: Orders received after 12:00 noon Central Time will be entered the following day.

Taxes

If the Purchaser is tax exempt, it is the Purchaser's responsibility to furnish appropriate tax exempt certification. All applicable taxes, excluding only taxes on the net income of Marvel®, are the Purchaser's responsibility and will be invoiced to the Purchaser.

Shipping

Shipping/Delivery/Freight

All orders excluding international with a list price above \$10,000 are shipped FOB destination, orders less than \$10,000 list are subject to a maximum \$500 freight charge. A \$3 minimum freight charge applies. International orders are shipped via the same cost schedule to the U.S. contiguous border only. Marvel® will select the method of shipment, unless otherwise specified by Purchaser. If added cost is incurred due to Purchaser's special request, the added cost will be invoiced to Purchaser. All Marvel® shipping lead times are subject to change without notice. Inside delivery or other special shipping requests will be added to customer invoice. Marvel® does not guarantee delivery dates or times.

Storage/Postponed Shipments

In the event Purchaser postpones delivery more than one week after the scheduled shipping date or after the goods have become work-in-process, Marvel® may transfer, at the Purchaser's risk and expense, the goods to storage. In such an event a storage fee will be added to the Purchaser's invoice of 1% of net value per week.

Returns

To request a return, call the Marvel® Customer Service Department within 30 days of the invoice date. Once approved, you will receive an authorization number and return documentation to accompany the product and further instructions. To avoid additional product reworking fees, goods must be appropriately packaged to ensure safe return. Purchaser assumes all liability for custom/special products and items manufactured with customer supplied materials (COM). No returns for such items will be accepted. All returns are subject to a 25% restocking charge.

Claims

In the event that any product arrives damaged, Marvel® will:

1. Replace goods immediately at no charge.
2. Contact the freight carrier for inspection and return delivery to Marvel®.
3. Process claim with freight carrier.

IMMEDIATELY UPON RECEIPT, PURCHASER MUST NOTE ON THE FREIGHT CARRIERS' BILL OF LADING **ANY** DAMAGES TO THE PRODUCT AND OBTAIN DRIVER'S SIGNATURE. IF THIS IS NOT DONE, A FREIGHT CLAIM CANNOT BE FILED, REMOVING LIABILITY FROM THE CARRIER. IF A CLAIM CANNOT BE FILED, MARVEL® CANNOT REPLACE THE DAMAGED PRODUCT AT NO CHARGE.

Question?

1 (800) 621-8846

1 (773) 843-2900

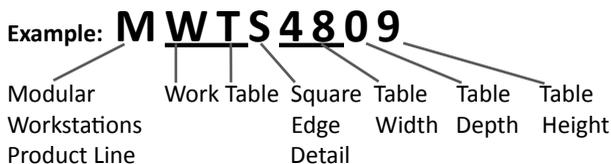

Provide the following information:

1. Purchase order number
2. "Bill to" and "ship to" name and address
3. Description
4. Quantity
5. Project layout
6. Marvel® project number, if applicable

It is the purchaser's responsibility to check the Marvel® acknowledgment document for accuracy, correct fabric and finish selections, etc. on all orders.

Product Number Explanation

Each character in the product number represents the item name, type, size, or features

Expedite your next order with FLEF!

Specify these items on every order.

Panel Fabric Direction Selection

Standard 80" or higher panels are upholstered vertically, whereas all other panels, 67" or shorter, are upholstered horizontally. When placed in the same area a shading discrepancy may occur.

To maintain visual continuity, please select OPTION A, an upcharge will apply:

OPTION A. To maintain a uniform appearance of the panels, the fabric direction on 67" or shorter panels will match the fabric direction of the 80" or higher panels. An upcharge of 12% per panel will be added to your order to cover the expense of matching the fabric direction.

OPTION B. The fabric pattern will not match on this order. It is understood that there will be a shading discrepancy and there will be no upcharge for this option.

Specials Policy

All special product requests must be preapproved by a Marvel® Customer Service Representative. Please allow five business days to process approval, pricing and lead time status.

Quick Quote Pricing

- Worksurfaces of non-standard size or shape. All tables, connectors, transaction, conference surfaces (does not affect base size) Add \$250 to List Price.

Marvel **PRONTO**[®] Desk System and Systems Furniture

Pricing And Ordering Specifications

General Product Information

1. Lead Time

Marvel Pronto[®] products will ship within 5 DAYS after receipt of purchase order.

2. Electronic Support

The Marvel Pronto[®] line is available on Giza. Contact Marvel[®] at 800-621-8846 for a copy of the library.

3. Design Assistance

Marvel[®] offers a professional design staff to assist your planning of Marvel Pronto[®] desking.

Product Characteristics

1. Standard Characteristics

Steel construction with durable, attractive powder coated textured finish for easy care. Drawers include ball bearing slides.

2. Worksurfaces/Finishes

Durable melamine laminate tops feature radius edges. Select oak top with pumice finish or mahogany top with dark neutral finish on Training Tables. Select oak top with pumice finish, mahogany top with dark neutral finish, *oak top with black finish (new)*, *black cherry top with black finish (new)*, and *mahogany top with black finish (new)* on all Pronto Desks. Drawer pulls and edge coordinate with finish color.

3. Electrical Access

Desk and Credenza tops include 2-2" grommets standard. Two knockouts are included in each leg for connections between desks. Grommet color matches finish color. Open shelf includes two wire management channels on either end.

4. Other Features

Full leg end panel offers a neat, clean appearance. Desk bridge adds desk/credenza connection. Non-handed return includes full modesty panel. Coordinating colored tackboard available separately for use on shelf unit. Pedestals attach to either left or right side of desk.

Marvel Pronto® Training Table Carrels

Specify in Order:

1. Product Number
2. Finish/Laminate: UT/OK-Pumice/Oak or DT/MA-Dark Neutral/Mahogany
3. Fabric
4. Quantity

Training Table Carrels

Product Description

Add the carrel on the school training table worksurface to enhance privacy and provide a tackable surface. Ventilated steel sides are available for single tables or multiple end-to-end configurations. Sizes to fit 24" and 30" deep training tables. Select pumice or dark neutral finish and select from 13 Strata panel back fabrics.

Order individual parts below to create the carrel for the training table size you are using. Indicate a Shared side for center end-to-end training table applications.

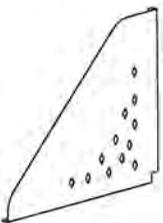

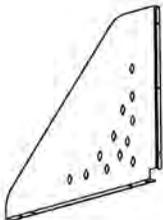

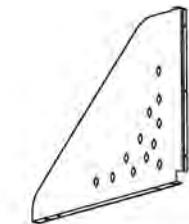

Includes

- 1 Carrel Side
- Assembly Hardware

Width	Depth	Height	Description	Product Number	Price
-	24"	22.5"	Carrel Side Left	PTC24L	\$83
-	30"	22.5"	Carrel Side Left	PTC30L	\$87
-	24"	22.5"	Carrel Side Right	PTC24R	\$83
-	30"	22.5"	Carrel Side Right	PTC30R	\$87
-	24"	22.5"	Carrel Side Shared	PTC24S	\$124
-	30"	22.5"	Carrel Side Shared	PTC30S	\$133

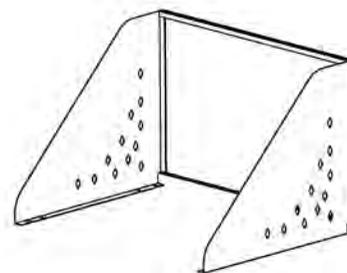

Planning Tips:

- When using side-to-side table application, order Carrel Side Shared for center unit(s)
- Order Training Table, see pages 20-23

Includes

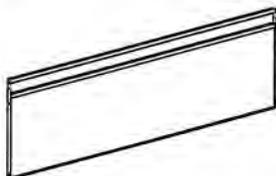

- 1 Carrel Tackable Back
- Assembly Hardware

Width	Depth	Height	Description	Product Number	Price
36"	1"	22.5"	Carrel Back	PTC36B	\$181
42"	1"	22.5"	Carrel Back	PTC42B	\$196
48"	1"	22.5"	Carrel Back	PTC48B	\$214
60"	1"	22.5"	Carrel Back	PTC60B	\$240
66"	1"	22.5"	Carrel Back	PTC66B	\$258
72"	1"	22.5"	Carrel Back	PTC72B	\$273

Planning Tips:

- When using side-to-side table application, order Carrel Side Shared for center unit(s)
- Order fabric from 13 Strata fabrics
- Order Training Table, see pages 20-23

General Product Information

1. Lead Time

Standard Marvel Zapf® products will ship within 20 days after receipt of purchase order. For lead times concerning COM fabrics or COM laminates, contact Customer Service.

2. Electronic Support

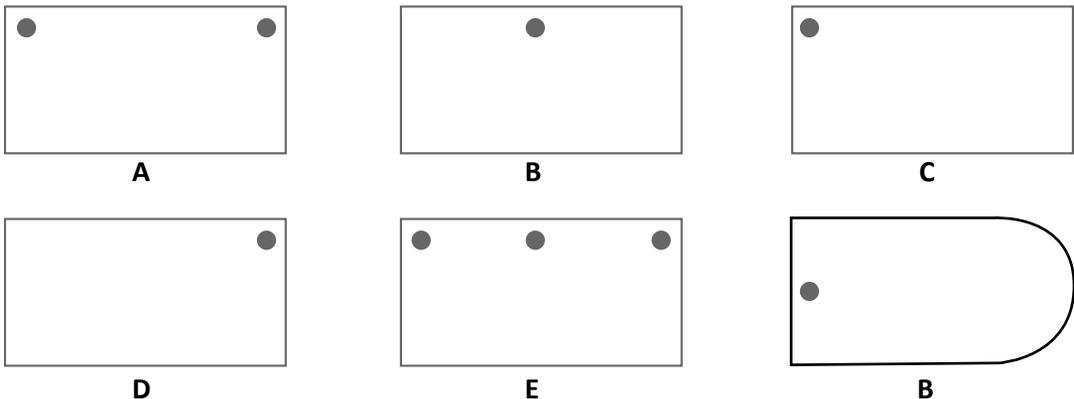

The Marvel Zapf® line is available on Giza, and the library includes the auto-hardware function and the new exclusive auto-electric function. Contact Marvel® directly at 800-621-8846 for a copy of the library.

3. Design Assistance

Marvel includes professional Space Planning devoted to the Marvel Zapf® product line. Phone 800-621-8846.

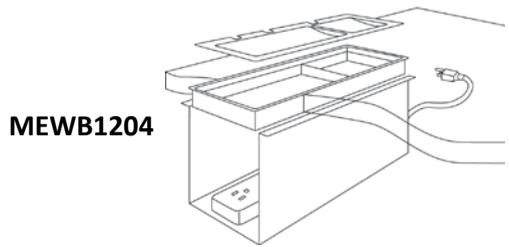

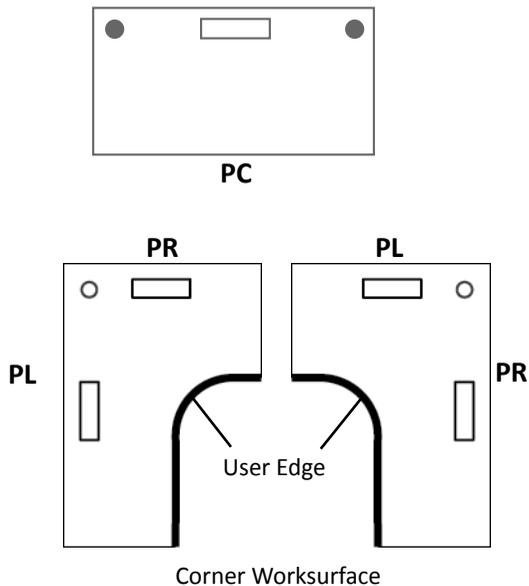

Grommet Location Options

Grommets can be ordered for worksurfaces and returns. The 2" diameter grommets are inset 4-3/8" from the surface edge to the center of the grommet. For factory installation of grommets, add configuration code A through F to the end of the product number. List price is \$14 per grommet. A 2" diameter grommet is standard for all corner worksurfaces.

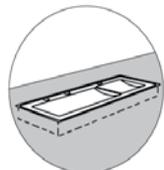

4. 4 Week Ship

The 12"W x 4"D x 6"H Power Box is centered on the surface, inset 5-1/2" from the back edge. Template is included. For factory installation of Power Box, add the appropriate configuration code to the end of the product number. Use PC for rectangular worksurfaces, and PL or PR for extended corner worksurfaces. List price is \$160 for the Power Box plus \$35 for Factory Installation.

Power Box and Grommet are level with the worksurface.
Cover may be used as a pencil tray.

Marvel Zapf® Features

Selling Features for Our Dealers

1. The Marvel Zapf® line was designed by Otto Zapf, world renowned office furniture designer.
2. There is consistency in the design and aesthetics of Marvel Zapf®. The available square edge, bull-nose T-edge detail, radiused top caps and end caps, and use of the radius in overhead storage maintain a consistent and appealing appearance.
3. The connection system is easy to understand and provides easy installation.
4. Lead time of 20 days.
5. The Marvel Zapf® price point, for a high-end design and high quality panel system, is easily the best available today.

Product Characteristics

1. Standard Panel Characteristics

All fabric panels are acoustical. 12” wide and 18” wide panels do not accept power blocks. 24” wide panels accept one duplex receptacle per side. All other panel widths accept two duplex receptacles per side.

2. Worksurface Power Access Panel

See page 59 of this pricer for important product details.

3. Dimensional Gain

Two-way, three-way, and four-way connectors each cause 2” dimensional gain. Extended rectangular surfaces are available on page 70 and 71.

4. Worksurfaces

All worksurfaces are constructed of 1 3/16” thick particleboard with high pressure laminate applied on the top and a full backing sheet bonded to the bottom. Square edge and Bull nose surface detail is available on all surfaces.

5. Product Testing

Electrical components are U.L. 1286 (C UL) listed. Panels and support components meet or exceed all ANSI BIFMA X5.6 requirements. Panels are Class A fire Rated. The Noise Reduction Coefficient is .70, and the Sound Transmission Class (STC) is 24.

Grain Direction Indicators

Worksurfaces and Zapf® Tiled Panels with wood grain laminates are manufactured in a consistent grain direction. This direction will be indicated on the product icon to the left of the item listing. The direction will be shown as a unique double ended arrow. Does not apply to non-wood grain laminates.

Marvel Zapf® Support and Stability Planning

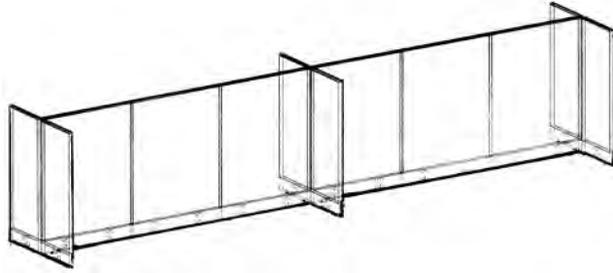

This information is a guideline for safe layout and panel installation: Refer to it to make sure every panel run and component has adequate support.

Sequence to Determine Proper Support

Determine:

1. The components that qualify as support components
2. The panels that qualify as support panels
3. Termination support for each end of panel run
4. If panel run is non-loaded
5. If panel run is load-bearing
6. Support panel width
7. Support panel height
8. Minimum interval between support panels

1. Support Components

These components provide adequate lateral support to a panel run. The following qualify as support components:

- A Full Leg Support attached to a worksurface
- A Panel Mount-to-Wall Kit attached to a structurally sound surface
- A Panel-to-Pedestal Bracket attached to a worksurface

2. Support Panels

These panel types qualify as approved support when they are attached perpendicularly to the panel run:

- Acoustical Panel
- Glazed Panel
- Half Glazed Panel
- Clear Story Panel
- Open Base Panel
- Tiled Panel

If a panel is used as the support component, it must meet the width and height requirements established in Step 3.

3. Panel Run Lengths

- A. Double sided panel returns
A panel run between 48" and a maximum of 144" must have a minimum of two return panels totaling 20% of the panel run extended in opposing directions on each end of the panel run.
- B. Single sided panel returns
A panel run between 48" and a maximum of 144" must have a minimum of two return panels totaling 60% of the panel run extended in one direction on each end of the panel run. The minimum return panel length must be 48".
- C. Worksurface must be supported properly every 48" to provide correct stability. It is recommended that shared legs be used to support all corner surfaces.

4. Non-Loaded Panels

Panels with no components attached are considered non-loaded. When the following components are attached, these panels are also considered non-loaded:

- Tackboard

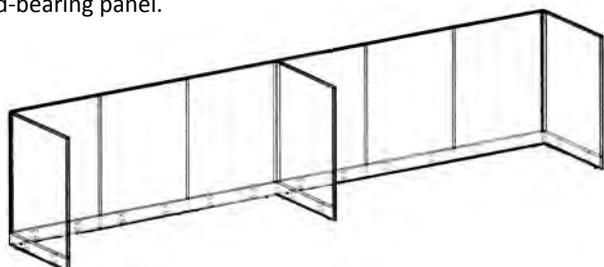

5. Load Bearing Panels

A panel supporting any other type of component is considered a load-bearing panel.

These components include:

- All shelves and Flipper Door Units
- Hanging Worksurface
- Corner Worksurface

Worksurfaces are considered load-bearing with or without suspended components or drawers. A support panel or support component must be used on each side of a load-bearing panel.

Zapf® Panel System Features

Panel System Features

THE MARVEL GROUP, INC
REGISTERED TO ISO 9001-2008
FILE NUMBER 10002902

Pre-Configured Tiled Panels

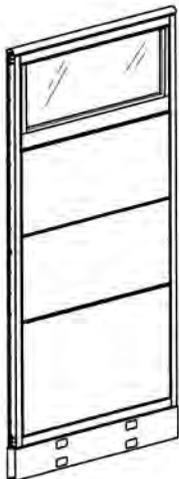

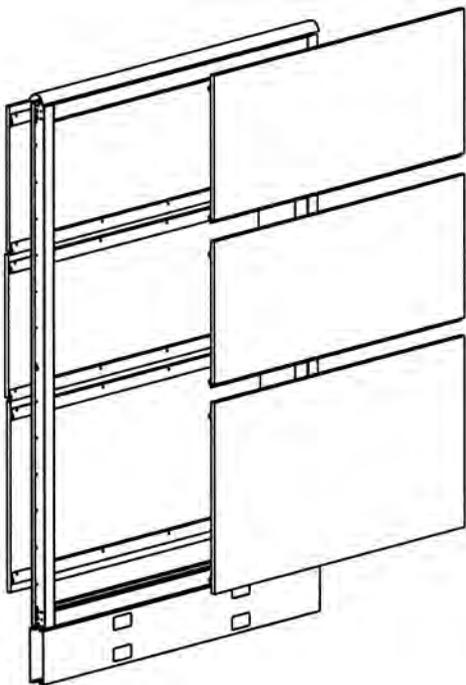

Product Overview

Zapf® Pre-configured Tiled Panels match widths and heights of all Zapf® panels and are compatible with the Zapf® systems. The Pre-configured Tiled Panels offer you four heights and six widths of frames. Each panel you order is 2 sided.

Each Pre-configured Tile Panel will have the same fabric you order on every panel. You can select Finish of frame from Marvel standard finishes.

Pre-Configured Tiled Panels Include:

- Tiled Panel Frame
- Tiled Panel Inserts (front and back tiles)
- Raceway
- Top Cap

Tiled Panel Insert Construction

- Tiled Panel Inserts are easily removable.
- Base Tiled Insert is always 21" high.
- Upper Tiled Inserts are 8" high on 41" panels.
- Upper Tiled Inserts are 16" high on 49", 65", and 81" panels.
- Upper (16") Tiled Inserts are interchangeable.

Tiled Panels may be ordered by components, see Build-to-Spec section for the list of optional materials available starting on page 45.

41" High Tile Panel requires:

- One 41" high Frame, includes Raceway and Top Cap
- Two 8" high Tiled Panel Inserts (One on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

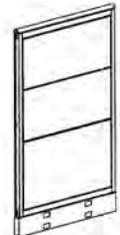

49" High Tiled Panel includes:

- One 49" high Frame with Raceway and Top Cap
- Two 16" high Tiled Panel Inserts (One on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

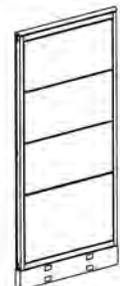

65" High Tiled Panel includes:

- One 65" high Frame with Raceway and Top Cap
- Four 16" high Tiled Panel Inserts (Two on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

81" High Tiled Panel includes:

- One 81" high Frame with Raceway and Top Cap
- Six 16" high Tiled Panel Inserts (Three on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

Pre-Configured Clear Story Glazed or Acrylic Tiled Panels:

These tiled panels include one two-sided clear story tiled panel insert at the top in the sizes and configurations shown above.

Tiled Panels

Build-To-Spec Tiled Panels

Product Overview

Zapf® Build-to-Spec Tile Panels allow the option of different fabric, colors and materials on the same panel and are compatible with the Zapf system. You may specify other materials including tempered glass, acrylic, metal and other available materials. These Tile Panels offer you four heights and six widths of frames. Each panel you order is 2 sided. Each Build-to-Spec Tiled Panel Insert must be ordered separately. Your order must include:

- One Tiled Panel Frame with Raceway and Top Cap
- Tiled Panel Inserts (front and back tiles)
See diagram for number of tiles required

Tiled Panel Insert Construction

- Tiled Panel Inserts are easily removable.
- Base Tiled Insert is always 21" high.
- Upper Tiled Inserts are 8" high on 41" panels.
- Upper Tiled Inserts are 16" high on 49", 65", and 81" panels.
- Upper (16") Tiled Inserts are interchangeable.

One-Sided Tile Option

Panel inserts are also available with fabric tiles on one side only.

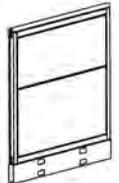

41" High Tile Panel requires:

- One 41" high Frame, includes Raceway and Top Cap
- Two 8" high Tiled Panel Inserts (One on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

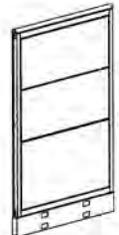

49" High Tiled Panel includes:

- One 49" high Frame with Raceway and Top Cap
- Two 16" high Tiled Panel Inserts (One on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

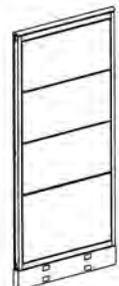

65" High Tiled Panel includes:

- One 65" high Frame with Raceway and Top Cap
- Four 16" high Tiled Panel Inserts (Two on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

81" High Tiled Panel includes:

- One 81" high Frame with Raceway and Top Cap
- Six 16" high Tiled Panel Inserts (Three on ea. side)
- Two 21" high (base) Tiled Panel Inserts (One on ea. side)

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Build -To-Spec Panel Frame

Product Description

Panel Frame assembly in 4 heights and 6 widths to use in building a Tiled Panel with your choice of fabric, glazed or acrylic, laminate or marker board tiles.

Includes

- Panel Frame
- Raceway
- Top Cap

Width	Height	Description	Product Number	Price
18"	41"	Panel Frame	ZPF4118	\$251
24"	41"	Panel Frame	ZPF4124	\$266

42"	49"	Panel Frame	ZPF4942	\$382
48"	49"	Panel Frame	ZPF4948	\$425
18"	65"	Panel Frame	ZPF6518	\$310
24"	65"	Panel Frame	ZPF6524	\$336
30"	65"	Panel Frame	ZPF6530	\$383
36"	65"	Panel Frame	ZPF6536	\$397
42"	65"	Panel Frame	ZPF6542	\$449
48"	65"	Panel Frame	ZPF6548	\$471
18"	81"	Panel Frame	ZPF8118	\$357
24"	81"	Panel Frame	ZPF8124	\$460
30"	81"	Panel Frame	ZPF8130	\$504
36"	81"	Panel Frame	ZPF8136	\$552
42"	81"	Panel Frame	ZPF8142	\$597
48"	81"	Panel Frame	ZPF8148	\$647

Planning tips:

- Order Tiled Panel Inserts to fit within Panel Frames
- When building a 41" panel frame use one 8" high and one 21" high tile per side
- When using glazed or acrylic tiles use one 8" tile only

Panel Frame ALTERNATE USAGE

Panel Frames can be used alone to build free-standing storage worksurfaces for industrial or shop applications. Create a strong attractive structure to hang shelving and accessories. Refer to typical shown on page 39

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Tiled Panels

Open Frame Pass-Through Panel Inserts

Product Description

Framed open panel creates a convenient pass-through opening from in and out of work station or from station to station. Available in 16" height and 6 widths.

Includes

- Framing for both sides of Tiled Panel

Width	Height	Description	Product Number	Price
18"	16"	Pass-Through Panel Insert	ZT1618P	\$196
24"	16"	Pass-Through Panel Insert	ZT1624P	\$202
30"	16"	Pass-Through Panel Insert	ZT1630P	\$208

48"	81"	Acoustical Panel	ZPA8148	\$1,026	\$1,176	\$1,377

Planning tips:

A pattern direction is required for all panels used in conjunction with 81" high panels. PLEASE REFER TO PAGE 5 for details. An additional upcharge may be incurred.

- Panel connectors must be specified separately, pages 61-65
- See pages 66-68 for electrical components
- Panel layouts must adhere to the panel stability guidelines
- Dimensional gain is 2" for all corner connections, none for straight connections

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Beltline Electrical Panels

Product Description

Fabric Covered Acoustical Panel with 6" Beltline Raceway for worksurface height electrical and data connections.

Includes

- Fabric Covered Panel
- 6" Beltline Raceway
- 6" Base Raceway
- Top Cap

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
24"	65"	Beltline Electrical Panel	ZPB6524	\$876	\$1,005	\$1,182
30"	65"	Beltline Electrical Panel	ZPB6530	\$912	\$1,046	\$1,230
36"	65"	Beltline Electrical Panel	ZPB6536	\$957	\$1,100	\$1,293
42"	65"	Beltline Electrical Panel	ZPB6542	\$1,006	\$1,154	\$1,358
48"	65"	Beltline Electrical Panel	ZPB6548	\$1,099	\$1,265	\$1,484
60"	65"	Beltline Electrical Panel	ZPB6560	\$1,231	\$1,416	\$1,661

Planning tips:

- Panel Connectors must be specified separately
- Panel layouts must adhere to the panel stability guidelines - EXCEPTION TO GUIDELINES: panel length cannot exceed 10' without a return panel
- Dimensional gain is 2" for all corner connection, none for straight connections
- Specify Electrical Power In Feed ZEC144, see page 66
- See pages 66-68 for electrical components
- The distance from the floor to the bottom of the beltline raceway is 32"
- Will not accept Base End Feed ZEBE72 or Base Side Feed ZEBS72

Post Connectors for Beltline Panels

On GIZA Auto-Hardware

Product Description

Connects Beltline Panels at 90 degrees in 2-Way, 3-Way, or 4-Way connections. Dimensional gain is 2".

Includes

- Post
- Panel Connection Bracket and Wedge Blocks
- Top Trim and Raceway Trim

Height	Description	Product Number	Price
65"	2-Way Connector	ZCB265	\$176
65"	3-Way Connector	ZCB365	\$184
65"	4-Way Connector	ZCB465	\$187

Planning tips:

- All Post Connectors have 2" dimensional gain
- GIZA library for Marvel Zapf has "Auto-Hardware" capability

Panel End Cap for Beltline Panels

On GIZA Auto-Hardware

Product Description

Finish Post for Belt Line End Panels

Includes

Radiused Post and Trim for Belt Line Panels

Height	Description	Product Number	Price
65"	Panel End Cap	ZCEB65	\$115

Panels

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Acrylic Panel

Product Description

Panel Frame with raceway and clear non-breakable acrylic panel.

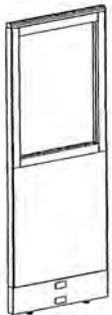

Includes

- Panel Frame with raceway
- Clear Acrylic Panel
- Top Cap

Width	Height	Description	Product Number	Price
24"	65"	Acrylic Panel	ZPG6524	\$681
30"	65"	Acrylic Panel	ZPG6530	\$749
36"	65"	Acrylic Panel	ZPG6536	\$822

Planning tips:

- Acrylic Panels must be non-load bearing

Half Acrylic Panel

Product Description

Fabric covered panel with clear non-breakable acrylic panel.

Includes

- Panel with fabric and Acrylic Panel
- 6" Raceway
- Top Cap

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
18"	65"	Half Acrylic Panel	ZPH6518	\$604	\$693	\$808
24"	65"	Half Acrylic Panel	ZPH6524	\$631	\$729	\$856
30"	65"	Half Acrylic Panel	ZPH6530	\$689	\$794	\$928
36"	65"	Half Acrylic Panel	ZPH6536	\$757	\$869	\$1,017
42"	65"	Half Acrylic Panel	ZPH6542	\$819	\$945	\$1,105
48"	65"	Half Acrylic Panel	ZPH6548	\$862	\$993	\$1,159
24"	81"	Half Acrylic Panel	ZPH8124	\$766	\$877	\$1,028
30"	81"	Half Acrylic Panel	ZPH8130	\$814	\$934	\$1,092
36"	81"	Half Acrylic Panel	ZPH8136	\$894	\$1,028	\$1,199
42"	81"	Half Acrylic Panel	ZPH8142	\$962	\$1,098	\$1,279
48"	81"	Half Acrylic Panel	ZPH8148	\$1,004	\$1,145	\$1,343

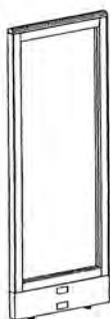

Planning tips:

A pattern direction is required for all panels used in conjunction with 81" high panels. PLEASE REFER TO PAGE 5 for details. An additional upcharge may be incurred.

- Panel Connectors must be specified separately
- Panel layouts must adhere to same stability requirements as acoustical panels
- Dimensional gain for panel-to-panel straight connection is 0" 2-Way, 3-Way, and 4-Way connectors cause 2" dimensional gain
- Half Acrylic Panels must be non-load bearing
- The distance from the floor to the acrylic panel on a Half Acrylic Panel is 36" on a 65" panel and 44" on an 81" panel

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Glazed Panel

Product Description

Panel Frame with raceway and tempered glass panel.

Includes

- Panel Frame with Raceway
- Clear Glazed Panel
- Top Cap

Width	Height	Description	Product Number	Price
24"	65"	Glazed Panel	ZPG6524G	\$1,225
30"	65"	Glazed Panel	ZPG6530G	\$1,455
36"	65"	Glazed Panel	ZPG6536G	\$1,685

Planning tips:

- Glazed Panels must be non-load bearing

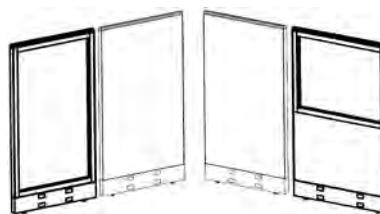

Half Glazed Panel

Product Description

Fabric covered panel with tempered glass panel.

Includes

- Panel with fabric and Tempered Glass Panel
- 6" Raceway
- Top Cap

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
18"	65"	Half Glazed Panel	ZPH6518G	\$794	\$882	\$998

48"	81"	Open Bottom Panel	ZPO8148	\$1,176	\$1,351	\$1,582

Planning tips:

A pattern direction is required for all panels used in conjunction with 81" high panels. PLEASE REFER TO PAGE 5 for details. An additional upcharge may be incurred.

- Use Cantilevers and Worksurface Brackets to support worksurfaces to maximize access and air flow
- Panel Connectors must be specified separately
- Panel layouts must adhere to same stability requirements as acoustical panels
- Dimensional gain for panel-to-panel straight connection is 0" 2-Way, 3-Way, and 4-Way connectors cause 2" dimensional gain
- The distance from the floor to the top of the opening is 21"

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Worksurface Power Access Panel

Product Description

Vertical Wire Management Panel for placing electrical and data receptacles at 32" off the floor.

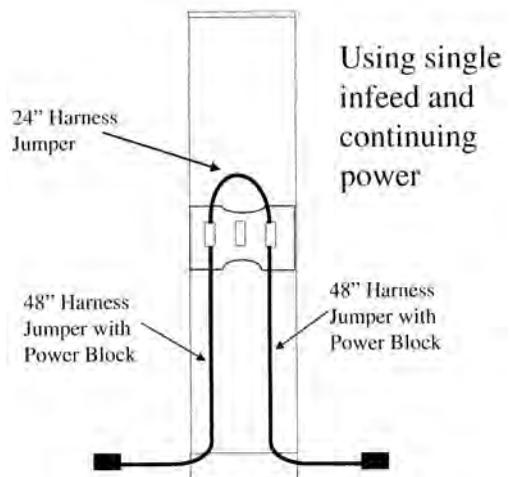

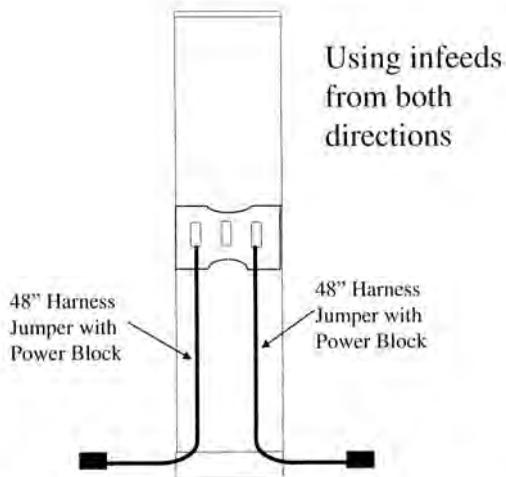

Includes

- Panel Frame with fabric covered Removable Side Covers
- Removable Electrical/Data Access Covers
- Raceway (Does not accept Power Blocks)
- Top Cap

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
Single Sided						
12"	49"	Power Access Panel	ZPWAS4912	\$565	\$651	\$763
12"	57"	Power Access Panel	ZPWAS5712	\$590	\$679	\$796
12"	65"	Power Access Panel	ZPWAS6512	\$620	\$715	\$835
12"	81"	Power Access Panel	ZPWAS8112	\$689	\$794	\$928
Double Sided						
12"	49"	Power Access Panel	ZPWAD4912	\$565	\$651	\$763
12"	57"	Power Access Panel	ZPWAD5712	\$590	\$679	\$796
12"	65"	Power Access Panel	ZPWAD6512	\$620	\$715	\$835
12"	81"	Power Access Panel	ZPWAD8112	\$689	\$794	\$928

Planning tips:

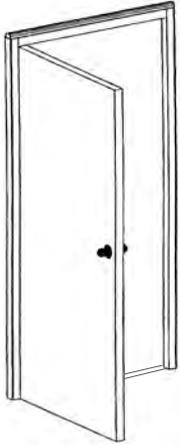

- Panel Connectors must be specified separately
- To bring circuits in from both sides of Worksurface Power Access Panel, specify two 48" Harness Jumpers with Power Blocks, as shown below.
- To continue circuit through Worksurface Power Access Panel, specify two 48" Harness Jumpers with Power Blocks and one 24" Power Block as shown
- Please specify receptacles separately page 68

Panel Door

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Panel Door

Product Description

Panel Door with lock.

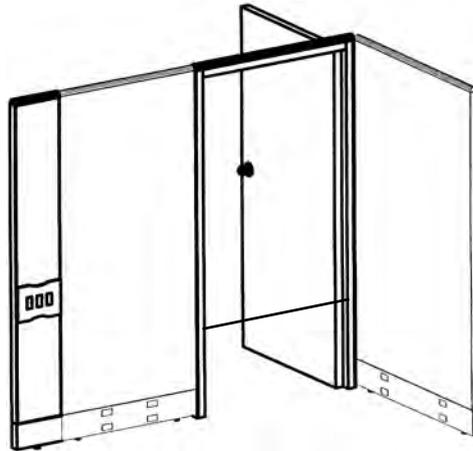

Includes

- Panel Frame
- Pre-Configured Door
- Top Cap
- Threshold

Width	Height	Description	Product Number	Price
42"	81"	Panel Door	ZPD8142	\$1,685

Planning tips:

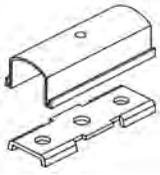

- Panel Connectors must be specified for both sides of the door (page 63)
- Electrical and Data Cables can NOT be routed through the door frame
- Door is mounted as shown, and may be reversed during installation
- Inside Door dimensions: height 76", width 36"
- Outside Door dimensions with frame: height: 81", width 42"
- Door available in LIMBER MAPLE, COLLECTORS CHERRY and FIGURED MAHOGANY laminate standard, other options available

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Panel Connectors

In-Line Connectors

***On Giza Auto-Hardware**

Product Description

Connects 2 Panels of same height side-to-side (180 degrees) with no dimensional gain.

Includes

- Panel Connection Bracket and hardware

Description	Product Number	Price
In-Line Straight Connector	ZCI	\$68

Post Connectors

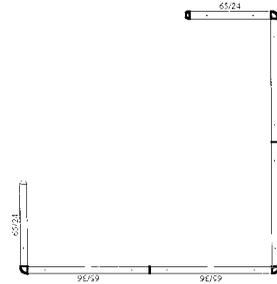

***On Giza Auto-Hardware**

Product Description

Connects Panels of the same height at 90 degrees in 2-Way, 3-Way, or 4-Way connections. Dimensional gain is 2".

Includes

- Panel Connection Bracket and Wedge Blocks
- Top Trim and Raceway Trim pieces
- Post

Starting height 65"
Dropped height 57"

Use these guidelines for specifying correct height drop

Model number format: ZCVI65() Add letter corresponding to panel being dropped

- A = 33" Panel
- B = 41" Panel
- C = 49" Panel
- D = 57" Panel
- E = 65" Panel

Starting Height = 65"
Dropped Height = 57"

ex: **ZCVI65D**

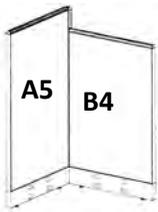

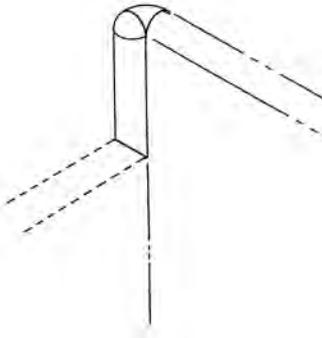

Planning tips:

- No additional dimensional gain
 - Connects in-line panels only
 - Height drop cannot exceed 24" (Example: 81" to 57")
 - Power poles cannot be specified into Variable Height Connectors
 - Counter Tops used with variable heights, see page 74
- Note: Lower panel top cap to be field cut 1.75" to accommodate drop down

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Panel Connectors Variable Height Connectors

2-Way Connection:
Starting height 65"
Dropped height 57"

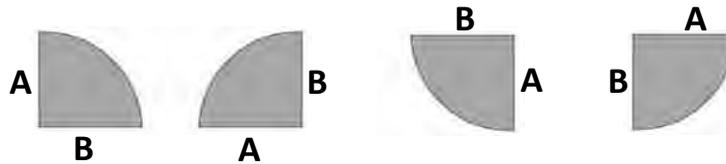

Product Description

Connects two panels at 90 degree corner at differing heights.

Includes

- 90 degree Connector Post
- Panel Connection Bracket and Wedge Blocks
- Top Trim and Raceway Trim Pieces

Description	Product Number	Price
2-Way 90 degree Connector	ZCV2W()A()B()	all sizes \$284

Use these guidelines for specifying correct height drop

Model number format: ZCV2W()A()B() Add letter corresponding to panel being dropped

- | | |
|---------------|---------------|
| 1 = 33" Panel | 4 = 57" Panel |
| 2 = 41" Panel | 5 = 65" Panel |
| 3 = 49" Panel | 6 = 81" Panel |

Ex: ZCV2W65A5B4

65"

Planning tips: 2-Way Post Connectors have 2" dimensional gain

- Do not need to specify regular 2-Way Connector
- Height drop cannot exceed 24" (Ex. 81" to 57")
- Power poles cannot be specified into Variable Height Connectors
- Counter Tops used with variable heights, see page 74

Note: Lower panel top cap to be field cut 1.75" to accommodate drop down

3-Way Connectors

On GIZA Auto-Hardware

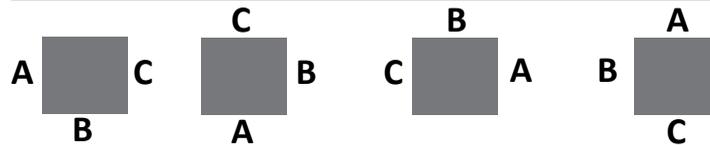

Product Description

Connects two panels at 90 degree corner at differing heights.

Includes

- 90 degree Connector Post
- Panel Connection Bracket and Wedge Blocks
- Top Trim and Raceway Trim Pieces

Description	Product Number	Price
3-Way Connector	ZCV3W()A()B()C()	all sizes \$284

Use these guidelines for specifying correct height drop

Model number format: ZCV3W()A()B()C() Add letter corresponding to panel being dropped

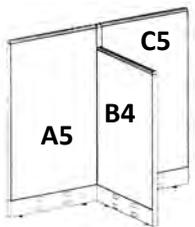

- | | |
|---------------|---------------|
| 1 = 33" Panel | 4 = 57" Panel |
| 2 = 41" Panel | 5 = 65" Panel |
| 3 = 49" Panel | 6 = 81" Panel |

Ex: ZCV2W65A5B4

65"

65"

3-Way Connection:
Starting height 65",
Dropped height 57"

Planning tips: 2-Way Post Connectors have 2" dimensional gain

- Do not need to specify regular 2-Way Connector
- Height drop cannot exceed 24" (Ex. 81" to 57")
- Power poles cannot be specified into Variable Height Connectors
- Counter Tops used with variable heights, see page 74

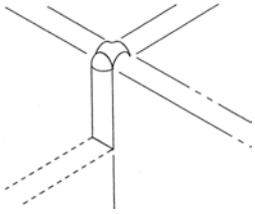

Note: Lower panel top cap to be field cut 1.75" to accommodate drop down

Panel Connectors

Variable Height Connectors

Specify in Order:

1. Product Number
2. Finish
3. Quantity

4-Way Connectors

On GIZA Auto-Hardware

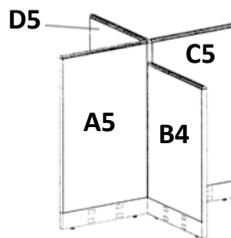

Product Description

Connects four panels at 4-Way corner at differing heights.

Includes

- 4-Way Connector Post
- Panel Connection Bracket and Wedge Blocks
- Top Trim and Raceway Trim Pieces

Description	Product Number	Price
4-Way Connector	ZCV4W()A()B()C()D()	all sizes \$284

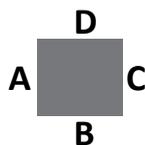

4-Way Connection:
Starting height 65"
Dropped height 57"

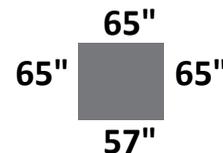

Use these guidelines for specifying correct height drop

Model number format: ZCV4W()A()B()C()D() Add letter corresponding to panel being dropped

- | | |
|---------------|---------------|
| 1 = 33" Panel | 4 = 57" Panel |
| 2 = 41" Panel | 5 = 65" Panel |
| 3 = 49" Panel | 6 = 81" Panel |

Ex: ZCV4W65A5B4C5D5

Planning tips:

- 4-Way Post Connectors have 2" dimensional gain
- Do not need to specify regular 4-Way Connector
- Height drop cannot exceed 24"(Example: 81" to 57")
- Power poles cannot be specified into Variable Height Connectors
- Counter Tops used with variable heights, see page 74

Note: Lower panel top cap to be field cut 1.75" to accommodate drop down

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Panel Connectors

Panel End Cap

On GIZA Auto-Hardware

Product Description

Finish Post for End Panels.

Includes

- Radiused Post and Trim Pieces

Height	Description	Product Number	Price
33"	Panel End Cap	ZCE33	\$68
41"	Panel End Cap	ZCE41	\$68
49"	Panel End Cap	ZCE49	\$68
57"	Panel End Cap	ZCE57	\$68
65"	Panel End Cap	ZCE65	\$68
81"	Panel End Cap	ZCE81	\$71

Panel Mount To Wall Kit

Product Description

Allows Panel to be mounted to a wall at 90 degrees. Adds 1-1/2" to panel width.

Includes

- Vertical Wall Track and Hardware

Width	Depth	Height	Description	Product Number	Price
1.25"	1.375"	33"	Panel Mount to Wall Kit	ZCW33	\$145
1.25"	1.375"	41"	Panel Mount to Wall Kit	ZCW41	\$145
1.25"	1.375"	49"	Panel Mount to Wall Kit	ZCW49	\$145
1.25"	1.375"	57"	Panel Mount to Wall Kit	ZCW57	\$145
1.25"	1.375"	65"	Panel Mount to Wall Kit	ZCW65	\$145
1.25"	1.375"	81"	Panel Mount to Wall Kit	ZCW81	\$162

Wall Hanger Strip

Product Description

Allows panel-hung components to be hung from walls.

Includes

- Wall Hanger Strip and Hardware

Width	Depth	Height	Description	Product Number	Price
1.625"	.875"	65"	Wall Hanger Strip	ZCHS65	\$49
1.625"	.875"	81"	Wall Hanger Strip	ZCHS81	\$69

Planning tips:

- To mount one panel hung component from the wall, specify two Wall Hanger Strips
- To mount two panel hung components from the wall, specify three Wall Hanger Strips

Specify in Order:

1. Product Number
2. Color
3. Quantity

11' Power Pole/Communication Pole

Product Description

Allows electrical and data cable access from ceiling to end-of-run panel.

Includes

- 11' PVC Pole with Septum
- Panel and Ceiling Connection Trim

Description	Product Number	Price
11' Power Pole	ZEPE132	\$362

Planning tips:

- Specify 11' Power Pole for "end-of-run" applications
- Ceiling Power Feed (below) must be specified separately
- **Power Pole cannot be used with variable heights**

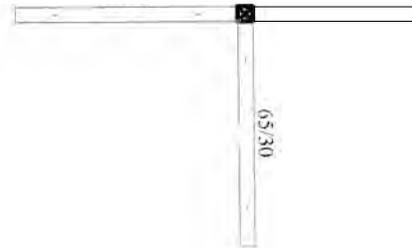

8' Power Pole/Communication Pole

Product Description

Allows electrical and data cable access from ceiling to 2-Way, 3-Way or 4-Way Connector Post

Includes

- 8' Aluminum Pole with Ceiling Connection Trim

Description	Product Number	Price
8' Power Pole	ZEPC96	\$204

Planning tips:

- Specify 8' Power Pole for power entry in "corner" of panels.
- Ceiling Power Feed (below) must be specified separately
- 2-Way, 3-Way, and 4-Way Connector Pole Kits must be specified separately (next page)
- All panels being connected should be of equal height
- **Power Pole cannot be used with variable heights**

Power In Feed

Product Description

Connects power source in building to electrical system in furniture.

Includes

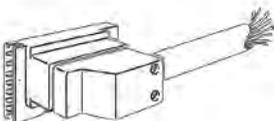

- Power Entry Cable

On GIZA Auto-Hardware

Description	Product Number	Price
72" Base End Feed	ZEBE72	\$149
72" Base Side Feed	ZEBS72	\$181
11' Ceiling Feed	ZEC144	\$191

Planning tips:

- Base End Feed connects the end of power block in raceway
- Base Side Feed fits within the receptacle knock-out in the raceway
- Use Ceiling Feed for either 11' or 8' power pole

Specify in Order:

- 1. Product Number
- 2. Finish
- 3. Quantity

Connector Power Pole Kits (required for corner post power entry)

Product Description

Post connector plus necessary panel trim pieces to attach 8' power pole.

Includes

- Post Panel Connector and Trim Pieces

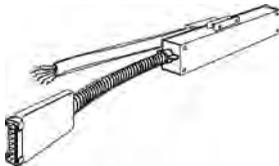

Height	Description	Product Number	Price
33"	2-Way Power Pole Kit	ZEPT233	\$204
41"	2-Way Power Pole Kit	ZEPT241	\$204
49"	2-Way Power Pole Kit	ZEPT249	\$204
57"	2-Way Power Pole Kit	ZEPT257	\$204
65"	2-Way Power Pole Kit	ZEPT265	\$204
81"	2-Way Power Pole Kit	ZEPT281	\$207
33"	3-Way Power Pole Kit	ZEPT333	\$284
41"	3-Way Power Pole Kit	ZEPT341	\$284
49"	3-Way Power Pole Kit	ZEPT349	\$284
57"	3-Way Power Pole Kit	ZEPT357	\$284
65"	3-Way Power Pole Kit	ZEPT365	\$284
81"	3-Way Power Pole Kit	ZEPT381	\$296
33"	4-Way Power Pole Kit	ZEPT433	\$284
41"	4-Way Power Pole Kit	ZEPT441	\$284
49"	4-Way Power Pole Kit	ZEPT449	\$284
57"	4-Way Power Pole Kit	ZEPT457	\$284
65"	4-Way Power Pole Kit	ZEPT465	\$284
81"	4-Way Power Pole Kit	ZEPT481	\$296

Planning tips: This kit eliminates the need of specifying a post connector • 8' Power Pole (previous page) must be specified separately • **Power Pole cannot be used with variable heights**

Infeed and Junction Box for Hardwire Applications

Product Description

Components for hardwire applications, such as New York code.

Description	Product Number	Price
Hardwire Infeed	ZENY	\$199

Planning tips: Cannot be used on a 24" panel

Power Blocks

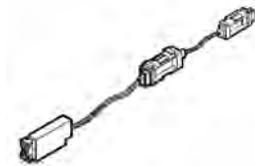

On GIZA Auto-Hardware

Product Description

Distributes power and accepts 4 receptacles on panels 30" and wider.

Includes

- Power Block Assembly

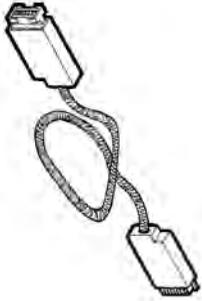

Width	Product Number	Price
24"	ZEPB24	\$171
30"	ZEPB30	\$171
36"	ZEPB36	\$171
42"	ZEPB42	\$181
48"	ZEPB48	\$181
60"	ZEPB60	\$191

Planning tips: Specify Power Blocks in same widths as panel widths

Specify in Order:

1. Product Number
2. Quantity

Harness Jumpers

On GIZA Auto-Hardware

Product Description

Distributes power through panels and is also referred to as a “pass-through”.

Includes

- Harness Jumper

Width	Description	Product Number	Price
12”	Harness Jumper	ZEHJ12	\$84
18”	Harness Jumper	ZEHJ18	\$84

Planning tips: Specify Harness Jumpers in the same widths as panel widths

Harness Jumpers

On GIZA Auto-Hardware

Product Description

Distributes power and accepts two receptacles.

Includes

- Harness Jumper

Width	Description	Product Number	Price
24”	Harness Jumper Single Blk	ZEBH24	\$105
30”	Harness Jumper Single Blk	ZEBH30	\$105
36”	Harness Jumper Single Blk	ZEBH36	\$105
42”	Harness Jumper Single Blk	ZEBH42	\$110
48”	Harness Jumper Single Blk	ZEBH48	\$110
60”	Harness Jumper Single Blk	ZEBH60	\$122

Planning tips: Must be used with work-level Electrical Access Panel • See page 59 for Harness Jumper in Power Access Panels

Receptacles

On GIZA Auto-Hardware

Product Description

Duplex electrical outlets available in 4 circuits. In dark neutral color only.

Includes

- Individual Duplex Receptacles

Description	Product Number	Price
Circuit I Receptacles	ZEDR1	\$29
Circuit II Receptacles	ZEDR2	\$29
Circuit III Receptacles	ZEDR3	\$29
Circuit IV Receptacles	ZEDR4	\$29

Planning tips: Circuit IV is an isolated circuit

Raceway Receptacle Covers

Product Description

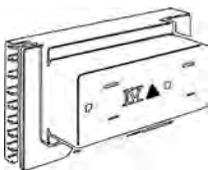

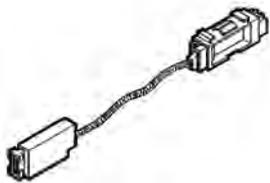

Add-on cover for raceways.

Includes

- Set of 10 Receptacle Covers

Description	Product Number	Price
Receptacle Covers	ZERC	\$33

Planning tips: Specify color for Receptacle Covers

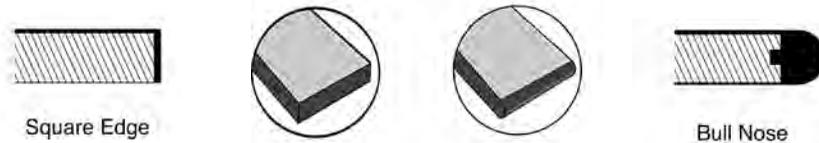

Specify in Order:

1. Product Number
2. Laminate / Edge
3. Grommet Location
4. Quantity

Worksurfaces - Square Edge and Bull Nose Edge

Zapf Worksurfaces are available in the following 2 options

Square Edge

Bull Nose

For Matching Edge Availability, see page 8.

Rectangular Worksurface

Product Description

Rectangular worksurface with edge option on user side.

Includes

- Worksurface

Width	Depth	Square Edge Product Number	Price	Bull Nose Product Number	Price
24"	24"	ZWSSR2424	\$181	ZWSTR2424	\$205
30"	24"	ZWSSR3024	\$183	ZWSTR3024	\$207

42"	24"	ZWSSR4224	\$188	ZWSTR4224	\$216
48"	24"	ZWSSR4824	\$194	ZWSTR4824	\$225
54"	24"	ZWSSR5424	\$207	ZWSTR5424	\$242
60"	24"	ZWSSR6024	\$238	ZWSTR6024	\$271
66"	24"	ZWSSR6624	\$262	ZWSTR6624	\$302
72"	24"	ZWSSR7224	\$254	ZWSTR7224	\$294
84"	24"	ZWSSR8424	\$279	ZWSTR8424	\$319
24"	30"	ZWSSR2430	\$279	ZWSTR2430	\$319
30"	30"	ZWSSR3030	\$307	ZWSTR3030	\$354
36"	30"	ZWSSR3630	\$316	ZWSTR3630	\$363
42"	30"	ZWSSR4230	\$347	ZWSTR4230	\$398
48"	30"	ZWSSR4830	\$343	ZWSTR4830	\$393
54"	30"	ZWSSR5430	\$373	ZWSTR5430	\$430
60"	30"	ZWSSR6030	\$358	ZWSTR6030	\$413
66"	30"	ZWSSR6630	\$405	ZWSTR6630	\$468
72"	30"	ZWSSR7230	\$502	ZWSTR7230	\$552
84"	30"	ZWSSR8430	\$545	ZWSTR8430	\$607

Planning tips:

- Worksurface supports must be specified separately
- Same surfaces are used for both panel-hung and desking applications
- Optional grommets can be specified, see page 27
- Information on grain direction, see page 28

Worksurfaces - Square Edge and Bull Nose Edge

Specify in Order:

1. Product Number
2. Laminate / Edge
3. Grommet Location
4. Quantity

For Matching
Edge Availability,
see page 8.

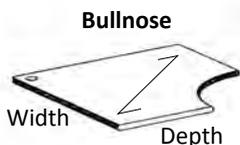

Corner Worksurfaces

Product Description

Corner Worksurfaces with edge option on user side.

Includes

- Worksurface with grommet • Corner Support Bracket

Width	Depth	Square Edge Product Number	Price	Bull Nose Product Number	Price
36"	24"	ZWSSC3624	\$380	ZWSTC3624	\$435
42"	24"	ZWSSC4224	\$435	ZWSTC4224	\$504
42"	30"	ZWSSC4230	\$491	ZWSTC4230	\$565
48"	24"	ZWSSC4824	\$524	ZWSTC4824	\$604
48"	30"	ZWSSC4830	\$548	ZWSTC4830	\$628

Planning tips:

- Supports must be specified separately
- When used in freestanding application, modesty panels should be 6" less than width of worksurface when used in conjunction with a corner leg

Extended Corner Surfaces

Product Description

Extended Corner Worksurface with Square Edge or Bull Nose on user side.

Includes

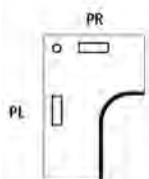

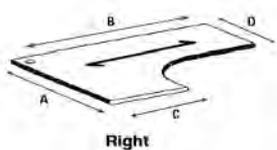

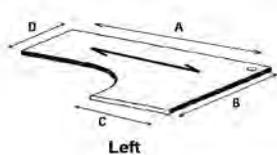

- Worksurface with Grommet • Corner Support Bracket

74"	30"	ZWSSER7430	\$419	ZWSTER7430	\$477

Planning tips:

- Worksurface supports must be specified separately
- When specifying cantilevers for worksurfaces 66" or greater, please specify worksurface bracket kit ZWSSB for the middle of the worksurface, see page 76
- Used only for applications where surface is required to hang from panels with a 3-Way Connector in between panels
- Optional grommets can be specified, see page 27

Peninsula Surfaces with Cylinder Leg

Product Description

Straight Peninsula Surface with Square Edge or Bull Nose Edge.

Includes

- Peninsula Surface • One Cylinder Leg

Width	Depth	Description	Square Edge Product Number	Price	Bull Nose Product Number	Price
60"	30"	Peninsula Surface	ZWSSP6030	\$597	ZWSTP6030	\$684
66"	30"	Peninsula Surface	ZWSSP6630	\$667	ZWSTP6630	\$792
72"	30"	Peninsula Surface	ZWSSP7230	\$774	ZWSTP7230	\$889
60"	36"	Peninsula Surface	ZWSSP6036	\$667	ZWSTP6036	\$768
66"	36"	Peninsula Surface	ZWSSP6636	\$769	ZWSTP6636	\$885
72"	36"	Peninsula Surface	ZWSSP7236	\$874	ZWSTP7236	\$1,004

Planning tips:

- The depth of the surface must be the same as the width of the panel
- Add one of the ZDCMPP Modesty Panel options on page 72

Worksurfaces - Square Edge and Bull Nose Edge

Specify in Order:

1. Product Number
2. Leg Finish
3. Laminate / Edge
4. Grommet
5. Quantity

P-Shaped Worksurface with Cylinder Leg

Product Description

P-Shaped worksurface with Square Edge or Bull Nose Edge.

Includes

- P-Shaped Worksurface • One Cylinder Leg

For Matching
Edge Availability,
see page 8.

Width	Depth	Description	Square Edge Product Number	Price	Bull Nose Product Number	Price
Left Hand						
72"	30"	P-Shape Worksurface	ZWSSPL7230	\$1,149	ZWSTPL7230	\$1,319
Right Hand						
72"	30"	P-Shape Worksurface	ZWSSPR7230	\$1,149	ZWSTPR7230	\$1,319

Planning tips: The depth of the surface must be the same as the width of the panel

- Must order brackets ZWSSB to attach to Panel on page 76
- Add one of the ZDCMPP Modesty Panel options below

Corner Peninsula Worksurface with Cylinder Leg

Product Description

An extended corner and desking area with meeting space for two or three people.

Includes

- Extended Corner Peninsula Worksurface • One Cylinder Leg

Width	Depth	Description	Square Edge Product Number	Price	Bull Nose Product Number	Price
Left Hand						
72"	48"	Corner Peninsula	ZWSSCP7248L	\$1,171	ZWSTCP7248L	\$1,336
Right Hand						
72"	48"	Corner Peninsula	ZWSSCP4872R	\$1,171	ZWSTCP4872R	\$1,336

Planning tips: The depth of the surface must be the same as the width of the panel • Corner Peninsula surface mates up with 24" deep surface • Must order brackets ZWSSB to attach to Panel on page 76

- Add one of the ZDCMPP Modesty Panel options below

Peninsula Modesty Panel

Product Description

Modesty Panel attaches under peninsula, P-top or corner peninsula.

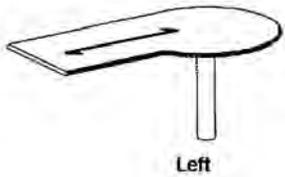

Includes

- Modesty Panel • Attachment Hardware

Worksurface Additions

Peninsula Workstation Adapter Kit

Product Description

Adapter leg for additional support if peninsula is attached adjacent to the end of a workstation.

For Matching Edge Availability, see page 8.

Includes

- 5" Diameter Cylindrical Leg with 1" adjustable Glide
- Attachment Hardware

Height	Description	Product Number	Price
29.5"	Peninsula Adapter Kit	ZPAK	\$280

D-Shaped Worksurface with Cylinder Leg

Product Description

D-Shaped Worksurface to position at end of two rectangular surfaces separated by a panel.

Includes

- D-Shaped Worksurface
- One Cylinder Leg

Width	Depth	Description	Square Edge Product Number	Price	Bull Nose Product Number	Price
50"	30"	D-Shape Worksurface /w Supports	ZWSSD5030	\$450	ZWSTD5030	\$529
62"	36"	D-Shape Worksurface /w Supports	ZWSSD6236	\$510	ZWSTD6236	\$605

Planning tips:

- 50" wide D-Top will span 2-24" deep surfaces and a 2" panel
- 62" wide D-Top will span 2-30" deep surfaces and a 2" panel
- D-Top Support required

D-Top Support

Product Description

Brackets which connect D-Top worksurface to a rectangular worksurface in place of shared legs. Use with 50" or 62" D-Top worksurfaces.

Includes

- Two D-Top Supports
- Two Tie Plates
- Dark Neutral Finish

Depth	Description	Product Number	Price
24"	D-Top Support	ZWSSCD	\$119

Planning tips:

- Use in place of shared legs only when using a D-top

Worksurface Counter Tops

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Quantity

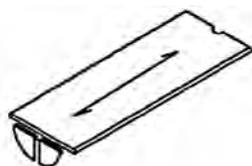

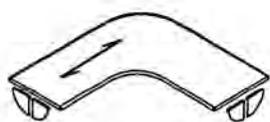

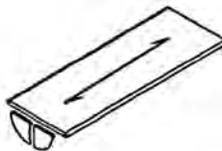

Square Edge or Bull Nose Edge Counter Tops with Brackets

Product Description

Counter Tops to mount on top of panels.

Includes

- Surface with Square Edge or Bull Nose Edge on front and back
- Support Brackets
- Assembly Hardware

Width	Depth	Description	Square Edge Product Number	Price	Bull Nose Product Number	Price
24"	15"	Rectangular Surface	ZWSCS24	\$207	ZWSCT24	\$242

Worksurface Supports (Panel-Hung Surfaces)

Counter Top Connection Bracket Kit

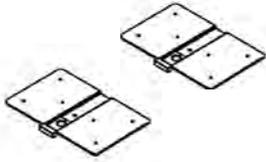

Product Description

Brackets connect Counter Top on top of a privacy screen. Dark neutral finish.

Includes

- Two Brackets • Assembly Hardware

Description	Product Number	Price
Counter Top Con. Brackets (Set of 2)	ZWSCB	\$81

Cantilever Bracket

Product Description

Individual handed cantilevers which support surfaces hung from panels. Left and right shown. Dark neutral finish.

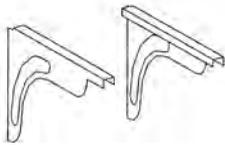

Includes

- Cantilever Bracket • Assembly Hardware

Left/Right Depth	Description	Product Number	Price
24"	Cantilever Bracket	ZWSSCB24L	\$41
24"	Cantilever Bracket	ZWSSCB24R	\$41

Planning tips:

- Cannot be used in conjunction with hanging pedestals

Shared Cantilever Bracket

Product Description

A Bracket which supports two adjacent surfaces hung from panels.

Includes

- Cantilever Bracket • Assembly Hardware

Description	Product Number	Price
Shared Cantilever Bracket	ZWSSCB24S	\$44

Planning tips:

- Brackets are used with surfaces of equal depths

Optional Shared Leg

Product Description

Optional Shared Leg is used in place of standard Shared Leg

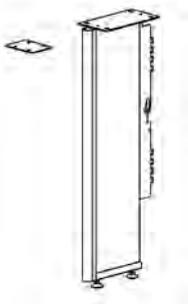

Includes

- One Optional Shared Leg • One Tie Plate • Assembly Hardware

Depth	Description	Product Number	Price
10.5"	Optional Shared Leg	ZWSSCS24	\$73

Planning tips:

- Use in place of standard Shared Leg when specifying lateral files under a worksurface

Worksurface Supports (Panel-Hung Surfaces)

Specify in Order:

1. Product Number
2. Finish
3. Quantity

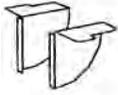

Worksurface Bracket Kit

Product Description

Brackets which support surfaces hung from panels connected at 90 degrees.

Includes

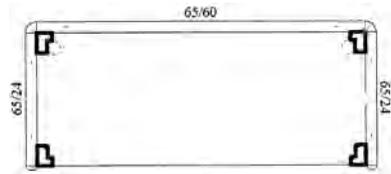

- Two Support Brackets
- Assembly Hardware

Description	Product Number	Price
Worksurface Bracket (Set of 2)	ZWSSB	\$33

Planning tips:

- Use for applications such as shown at right
- Kit includes 1 left and 1 right Bracket
- Brackets are used with surfaces and panels of equal widths
- Use on worksurfaces 66" or greater as center supports

Two Kits Shown

Worksurface Connection Bracket

Product Description

Bracket for surface-to-surface connection. Dark neutral finish.

Includes

- One Bracket
- Assembly Hardware

Width	Depth	Description	Product Number	Price
5"	8.5"	Worksurface. Conn. Bracket	ZWCB9	\$47

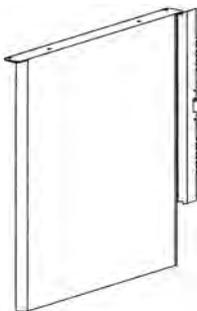

Full Leg

Product Description

Non-handed Full Leg for surface support.

Includes

- Leg with Support Bracket
- Assembly Hardware

Depth	Description	Product Number	Price
24"	Full Leg	ZWSSF24	\$183
30"	Full Leg	ZWSSF30	\$197

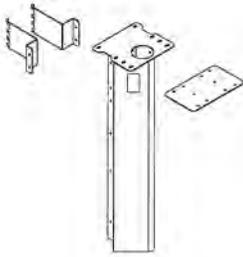

Planning tips:

- Check stability and support guidelines when using full legs
- Attaches to Panels and is designed for raceway access

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Worksurface Supports (Panel-Hung Surfaces)

Shared Leg

Product Description

Non-handed Leg for two adjoining surfaces.

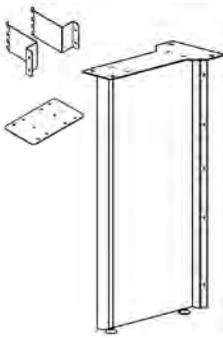

Includes

- Shared Leg with Support Brackets • One Tie Plate • Assembly Hardware

Depth	Description	Product Number	Price
8"	Shared Leg	ZSHARED	\$142

Planning tips:

- Check stability and support guidelines when using full legs
- Attaches to Panels and is designed for raceway access

Extended Shared Leg

Product Description

Non-handed shared leg for support in center of worksurface.

Includes

- Extended Shared Leg • Assembly Hardware

Depth	Description	Product Number	Price
15"	Extended Shared Leg	ZFSL14	\$288

Planning tips:

- Use to connect 2 rectangular tops at 180° (In a freestanding application with no support from a pedestal or a lateral file) specify an Extended Shared Leg (ZFSL14) for additional support

D-Top Support

Product Description

Brackets which connect D-Top worksurface to a rectangular worksurface in place of shared legs. Use with 50" or 62" D-Top worksurfaces.

Includes

- Two D-Top Supports • Two Tie Plates • Dark Neutral Finish only

Depth	Description	Product Number	Price
24"	D-Top Support	ZWSSCD	\$119

Planning tips:

- Use in place of Shared Legs only when using a D-Top

Ped-to-Panel Bracket

Product Description

Secures a Pedestal to a Panel and fills the gap between them. Use in place of a Full Leg with Panel hung surfaces.

Includes

- Ped-to-Panel Bracket • Assembly Hardware

Width	Height	Description	Product Number	Price
2"	27"	Ped-to-Panel Bracket	ZDCPL02	\$80
5"	27"	Ped-to-Panel Bracket	ZDCPL05	\$83
8"	27"	Ped-to-Panel Bracket	ZDCPL08	\$88
11"	27"	Ped-to-Panel Bracket	ZDCPL011	\$92

Planning tips:

- Use a ZDCPL02 to connect a 23" Pedestal to a 24" deep worksurface
- Use a ZDCPL05 to connect a 19" Pedestal to a 24" deep worksurface
- Use a ZDCPL08 to connect a 23" Pedestal to a 30" deep worksurface
- Use a ZDCPL11 to connect a 19" Pedestal to a 30" deep worksurface

Overhead Storage (Panel Hung)

Specify in Order:

1. Product Number
2. Finish
3. Laminate (Optional)
4. Fabric (Optional)

60"	14"	8"	Half Ht. Open Shelf	ZOSHS60	\$262

Planning tips:

- Open Shelf must match panel width • Open Shelf ships unassembled • Order Task Lights, see page 167

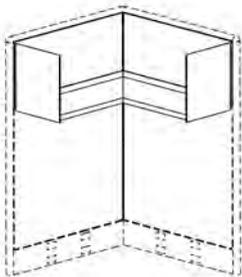

Corner Open Shelves

Product Description

Corner Shelf Units hang on panels of same width.

Includes

- Shelf Sides with Attachment Brackets and 2 Shelves with Backstop
- Left and Right Matching Corner Shelves

Width	Depth	Height	Description	Product Number	Price
36"x 36"	14"	16"	Corner Open Shelf	ZCOS36	\$491
42"x 42"	14"	16"	Corner Open Shelf	ZCOS42	\$502
48"x 48"	14"	16"	Corner Open Shelf	ZCOS48	\$513

Planning tips:

- Corner Open Shelves must match panel width • Corner Open Shelves ship unassembled

Overhead Storage (Panel Hung)

Specify in Order:

1. Product Number
2. Fabric
3. Quantity

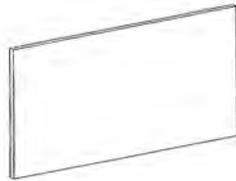

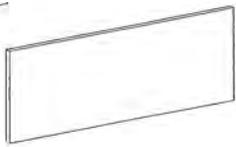

Tackboards

Product Description

Fabric covered tackable boards which hang on Panels of the same width.

Includes

- Tackboard
- Mounting Hardware

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
24"	13"	Tackboard	ZOSTB2413	\$104	\$118	\$139
30"	13"	Tackboard	ZOSTB3013	\$108	\$124	\$144

42"	13"	Tackboard	ZOSTB4213	\$124	\$142	\$166
48"	13"	Tackboard	ZOSTB4813	\$137	\$155	\$182
60"	13"	Tackboard	ZOSTB6013	\$142	\$161	\$190

24"	18"	Tackboard	ZOSTB2418	\$155	\$171	\$201
30"	18"	Tackboard	ZOSTB3018	\$161	\$180	\$209
36"	18"	Tackboard	ZOSTB3618	\$174	\$191	\$225
42"	18"	Tackboard	ZOSTB4218	\$182	\$198	\$233
48"	18"	Tackboard	ZOSTB4818	\$191	\$206	\$242
60"	18"	Tackboard	ZOSTB6018	\$198	\$216	\$253

Planning tips:

- Tackboard must match Panel width
- Must use 13" Tackboard when double-hanging overhead units
- Use on panel hung or wall mount applications only

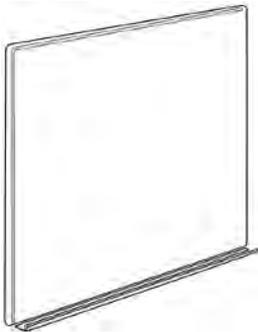

Marker Board

Product Description

White erasable surface with dark neutral trim.

Includes

- Marker Board
- Mounting Hardware and Marker Tray

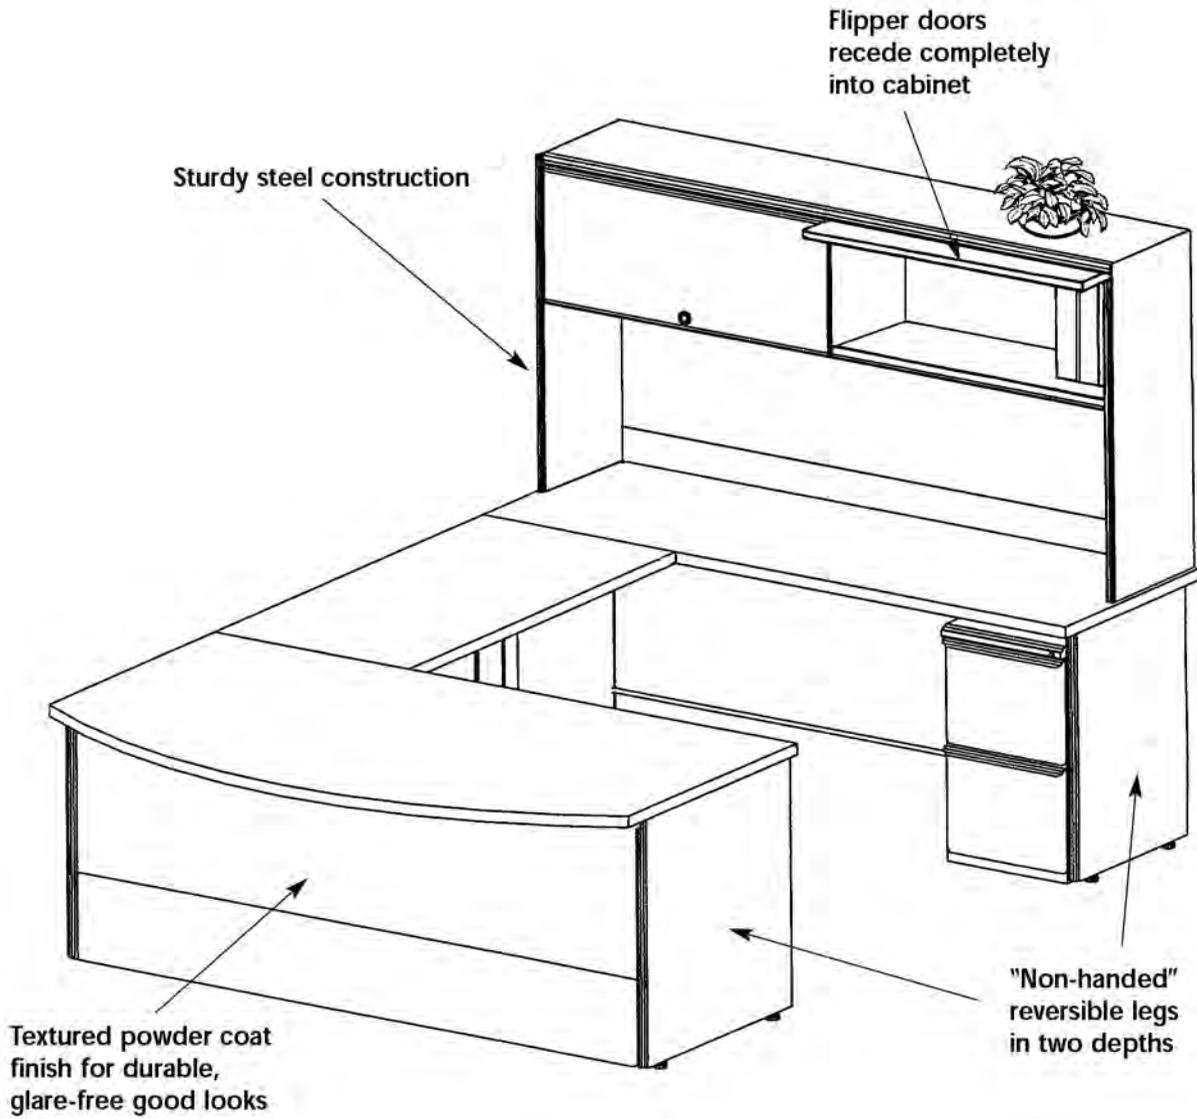

Width	Height	Description	Product Number	Price
30"	30"	Zapf Marker Board	ZOMB3030	\$425
48"	48"	Zapf Marker Board	ZOMB4848	\$714

Planning tips:

- For wall mounting Zapf Marker Board use Wall Hanger Strip ZCHS65 or ZCHS81, see page 166

72"	36"	Peninsula Surface	ZWSSP7236	\$874	ZWSTP7236	\$1,004

Planning tips:

- The depth of the surface must be the same as the width of the panel
- Must order brackets ZWSSB to attach to Panel on page 76
- Add one of the ZDCMPP Modesty Panel page 88

Peninsula Workstation Adapter Kit

Product Description

Adapter leg for additional support if peninsula is attached adjacent to the end of a workstation.

Includes

- 5" Diameter Cylindrical Leg with 1" adjustable Glide
- Attachment Hardware

Height	Description	Product Number	Price
29.5"	Peninsula Adapter Kit	ZPAK	\$280

Bridge Bracket

Product Description

Use to connect Modesty Panel to the front of a Full Leg when used in bridge or return applications.

Includes

- One Bracket
- One Tie Plate
- Assembly Hardware

Width	Height	Description	Product Number	Price
4.25"	8.625"	1/3 Bridge Bracket	ZDMB9	\$39
4.25"	18.5"	3/4 Bridge Bracket	ZDMB14	\$50
4.25"	28"	Full Bridge Bracket	ZDMB28	\$71

Planning tips:

- Use to construct Bridge or Return Surfaces
- Connects a Modesty Panel to the front of a Full Leg
- Use 3/4 Bridge Bracket with regular modesty panel
- Use Full Bridge Bracket with regular and wall access lower modesty panel
- Use 1/3 Bridge Bracket with lower modesty panel

Zapf® Freestanding Workstation Supports

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Full Leg (Freestanding)

Product Description

Non-handed Full Leg for surface support; available in 29.5" height only.

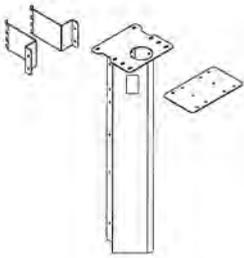

Includes

- Leg
- Assembly Hardware

Depth	Description	Product Number	Price
24"	Freestanding Full Leg	ZDCFL24	\$183
30"	Freestanding Full Leg	ZDCFL30	\$197

Planning tips:

- Specify with Modesty Panel
- Leg may be used with Center Line Modesty Panel

Shared Leg/Corner Leg

Product Description

Non-handed leg for two adjoining surfaces; available in 29.5" height only.

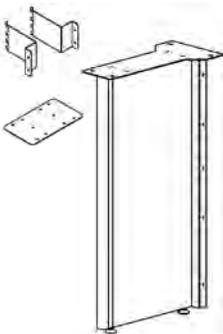

Includes

- Shared Leg with Support Brackets
- One Tie Plate
- Assembly Hardware

Depth	Description	Product Number	Price
8"	Shared Leg	ZSHARED	\$142

Planning tips:

- When used in freestanding applications, as Corner Leg, modesty panel should be 6" less than the width of worksurface
- When specifying a shared leg (ZSHARED) to connect 2 rectangular tops at 180° (In a freestanding application with no support from a pedestal or a lateral file) specify a Peninsula Leg (ZDCPL) for additional support.

Extended Shared Leg

Product Description

Non-handed shared leg for support in center of worksurface.

Includes

- Extended Shared Leg
- Assembly Hardware

Depth	Description	Product Number	Price
15"	Extended Shared Leg	ZFSL14	\$288

Planning tips:

- Use to connect 2 rectangular tops at 180° (In a freestanding application with no support from a pedestal or a lateral file) specify an Extended Shared Leg (ZFSL14) for additional support

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Zapf® Freestanding Workstation Supports

Peninsula Leg

Product Description

Non-handed peninsula leg.

Includes

- Peninsula Leg
- Assembly Hardware

Depth	Description	Product Number	Price
7"	Peninsula Leg	ZDCPL	\$143

Planning tips:

- Use when a peninsula worksurface ends a run

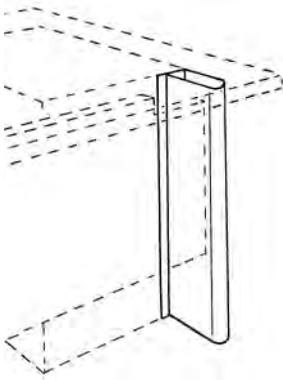

Pedestal Leg

Product Description

Non-handed leg used in conjunction with a Floor Supported Pedestal to support one worksurface.

Includes

- One Pedestal Leg
- Assembly Hardware

Width	Nominal Depth	(Actual Depth)	Height	Description	Product Number	Price
1.5	5"	2.5"	28.5"	Pedestal Leg	ZSLD05	\$116
1.5"	7"	4.5"	28.5"	Pedestal Leg	ZSLD07	\$125
1.5"	11"	8.5"	28.5"	Pedestal Leg	ZSLD11	\$133

Planning tips:

- A Pedestal Leg should be specified when a Floor Supported Pedestal is used at the end of a run
- For 24" depth surfaces, order 5" depth leg plus a 19" deep pedestal
- For 30" depth surfaces order 7" depth leg plus a 23" deep pedestal
- For 30" depth surfaces order 11" depth leg plus a 19" deep pedestal
- Cannot use 23" floor supported pedestals with 24" desk tops. Must use 19" deep pedestals

Worksurface Connection Bracket

Product Description

Bracket for surface-to-surface connection. Dark neutral finish.

Includes

- One Bracket
- Assembly Hardware

Width	Depth	Description	Product Number	Price
5"	8.5"	Worksurface. Conn. Bracket	ZWCB9	\$47

Desk to Panel Bracket

Product Description

Bracket to attach freestanding surface perpendicular to panel when both panel supported and freestanding applications are used.

Includes

- Desk to Panel Bracket

Non-Handed	Description	Product Number	Price
	3/4 Desk to Panel Bracket	ZDCPB14	\$63
	Full Desk to Panel Bracket	ZDCPB28	\$78

Planning tips:

- Cannot support freestanding Flipper Door Unit
- Use 3/4 Desk to Panel Bracket with regular modesty panel
- Use Full Desk to Panel Bracket when both 3/4 and wall access modesty are creating a full modesty to the floor

Zapf® Freestanding Workstation Supports

Specify in Order:

1. Product Number
2. Finish
3. Quantity

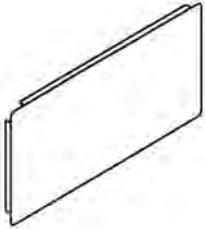

Modesty Panel-3/4 Height

Product Description

A 3/4 height Modesty Panel that join legs in freestanding applications.

Includes

- Modesty Panel
- Assembly Hardware

Width	Height	Description	Product Number	Price
18"	18.625"	Modesty Panel	ZDCMP18F	\$125
24"	18.625"	Modesty Panel	ZDCMP24F	\$125
30"	18.625"	Modesty Panel	ZDCMP30F	\$125
36"	18.625"	Modesty Panel	ZDCMP36F	\$131
42"	18.625"	Modesty Panel	ZDCMP42F	\$131
48"	18.625"	Modesty Panel	ZDCMP48F	\$142
54"	18.625"	Modesty Panel	ZDCMP54F	\$142
60"	18.625"	Modesty Panel	ZDCMP60F	\$147
66"	18.625"	Modesty Panel	ZDCMP66F	\$147
72"	18.625"	Modesty Panel	ZDCMP72F	\$155

Planning tips:

- Modesty Panels must attach to leg on each side
- Modesty Panels must be same size as surface width except corner surfaces which require one size smaller
- For Full Modesty Panel applications also specify Wall Access Lower Modesty Panel (below)

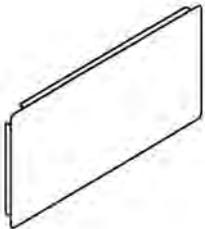

Wall Access/Lower Modesty Panel

Product Description

A dual use modesty panel that can be used independently as a wall access panel or in conjunction with a Modesty Panel to construct a full modesty panel.

Includes

- Modesty Panel • Assembly Hardware

Width	Depth	Description	Product Number	Price
18"	8.625"	W. A./Lower Mod. Panel	ZDCMP18L	\$75
24"	8.625"	W. A./Lower Mod. Panel	ZDCMP24L	\$75
30"	8.625"	W. A./Lower Mod. Panel	ZDCMP30L	\$75
36"	8.625"	W. A./Lower Mod. Panel	ZDCMP36L	\$77
42"	8.625"	W. A./Lower Mod. Panel	ZDCMP42L	\$77
48"	8.625"	W. A./Lower Mod. Panel	ZDCMP48L	\$79
54"	8.625"	W. A./Lower Mod. Panel	ZDCMP54L	\$79
60"	8.625"	W. A./Lower Mod. Panel	ZDCMP60L	\$83
66"	8.625"	W. A./Lower Mod. Panel	ZDCMP66L	\$83
72"	8.625"	W. A./Lower Mod. Panel	ZDCMP72L	\$87

Planning tips:

- Lower Modesty Panel may be attached below an upper Modesty Panel to create a Full Modesty Panel to the floor –OR–
- Wall Access Modesty Panel may be attached directly under the worksurface to create wall access for electrical outlets
- Modesty Panels must attach to legs on each side
- Modesty Panels must be same size as surface width except corner surfaces which require one size smaller
- Cannot be used with hanging pedestals

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Zapf® Freestanding Overhead Storage

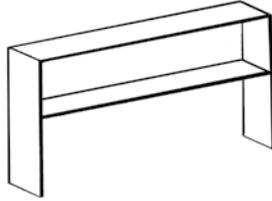

Open Shelf

Product Description

Desk mounted open shelf units add extra convenient storage.

Includes

- Shelf and Desk-mounted supports

Width	Depth	Height	Description	Product Number	Price
36"	14"	36"	Open Shelf	ZDCOS36	\$525
42"	14"	36"	Open Shelf	ZDCOS42	\$542
48"	14"	36"	Open Shelf	ZDCOS48	\$554
60"	14"	36"	Open Shelf	ZDCOS60	\$570
66"	14"	36"	Open Shelf	ZDCOS66	\$587
72"	14"	36"	Open Shelf	ZDCOS72	\$603

Planning tips:

- Cannot be used on Mobile Desk or with Desk to Panel Bracket
- May be used on rectangular, corner, extended corner and peninsula worksurfaces
- Optional tackboard available
- Order Task Lights, see page 167

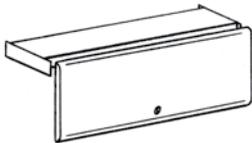

Open Shelf Metal Front Flipper Door Add-On Kit

Product Description

Metal door addition fits open shelf unit. Door recesses into shelf unit.

Includes

- Retractable Door(s) with Lock
- 66" and 72" units include two doors

Width	Depth	Height	Finished Metal Fronts Product Number	Price	Laminate Fronts Product Number	Price

60"	15"	Tackboards for F.S. O.S./Flpr. Door Unit	ZDCTB60	\$323	\$342	\$398
66"	15"	Tackboards for F.S. O.S./Flpr. Door Unit	ZDCTB66	\$343	\$362	\$425
72"	15"	Tackboards for F.S. O.S./Flpr. Door Unit	ZDCTB72	\$358	\$375	\$438

Planning tips:

- For use on Freestanding ONLY

Optional Flipper Door Add-On Kit

Product Description

Metal Flipper Door addition fits open shelf unit. Door(s) recesses over top of unit.

Includes

- Door(s) with Lock
- 66" and 72" units include two doors

Width	Depth	Height	Description	Product Number	Price
36"	14"	16"	Optional O. S. Metal Frt. Kit	ZDCDB36	\$201
42"	14"	16"	Optional O. S. Metal Frt. Kit	ZDCDB42	\$208
48"	14"	16"	Optional O. S. Metal Frt. Kit	ZDCDB48	\$222
60"	14"	16"	Optional O. S. Metal Frt. Kit	ZDCDB60	\$243
66"	14"	16"	Optional O. S. Metal Frt. Kit 2 doors	ZDCDB66	\$336
72"	14"	16"	Optional O. S. Metal Frt. Kit 2 doors	ZDCDB72	\$346

Planning tips:

- Adds additional space inside of unit
- Top of unit may not be used for storage because door(s) recesses over top of unit

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Zapf® Freestanding Privacy Screens

Privacy Base Screens

Product Description

Two-sided screens for use with Zapf Freestanding Workstations. Screens attach for 2, 3, or 4-way configurations. Add tile screens for additional privacy.

Includes

- Tackable Screen 1-5/8" thick
- Fabric on both sides
- Flat Metal Top Cap
- Mounting Plates and Hardware

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
24"	16.25"	Privacy Base Screen	MBSS246	\$316	\$369	\$430
30"	16.25"	Privacy Base Screen	MBSS306	\$353	\$400	\$471
36"	16.25"	Privacy Base Screen	MBSS366	\$383	\$433	\$507

24"	23.25"	Privacy Base Screen	MBSS243	\$346	\$396	\$466
30"	23.25"	Privacy Base Screen	MBSS303	\$388	\$437	\$512
36"	23.25"	Privacy Base Screen	MBSS363	\$425	\$474	\$554
42"	23.25"	Privacy Base Screen	MBSS423	\$449	\$504	\$587
48"	23.25"	Privacy Base Screen	MBSS483	\$491	\$543	\$631
60"	23.25"	Privacy Base Screen	MBSS603	\$564	\$614	\$719
72"	23.25"	Privacy Base Screen	MBSS723	\$624	\$673	\$788

Planning tips:

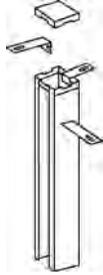

- 1-5/8" dimensional gain
- Height from worksurface: 15" or 22"
- Use corner posts to connect screens of different heights for 2, 3, 4-way configuration
- Includes brackets to stabilize screen to screen linear connection
- Privacy screens cannot be stacked
- When using a Counter Top specify Counter Top Connection Bracket Kit ZWSCB on page 96
- Counter Top surface requires a privacy screen and return screen on each side for stability
- Use light MTSL22 listed on page 167 under Counter Top Light

Zapf® Freestanding Counter Tops

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Quantity

Corner Post

Product Description

Connector post for base screens.

Includes

- Hardware to accommodate 2, 3, or 4-Way Connection

Height	Description	Product Number	Price
16.25" x 2-way 90°	Corner Post	MSCP162C	\$104
16.25" x 3-way	Corner Post	MSCP163C	\$104
16.25" x 4-way	Corner Post	MSCP164C	\$104
23.25" x 2-way 90°	Corner Post	MSCP232C	\$110
23.25" x 3-way	Corner Post	MSCP233C	\$110
23.25" x 4-way	Corner Post	MSCP234C	\$110

Planning tips:

- When using screens in a 2, 3, or 4-way configuration, corner posts are required for the base screen
- Specify finish to match screen finish

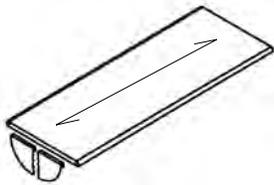

Square Edge or Bull Nose Edge Counter Tops with Brackets

30"	19"	40"	Three Drawer File	ZSLF330	\$1,126	w/Laminate Frt.	ZSLF330L	\$1,544
36"	19"	40"	Three Drawer File	ZSLF336	\$1,204	w/Laminate Frt.	ZSLF336L	\$1,605
42"	19"	40"	Three Drawer File	ZSLF342	\$1,342	w/Laminate Frt.	ZSLF342L	\$1,749
30"	19"	52"	Four Drawer File	ZSLF430	\$1,496	w/Laminate Frt.	ZSLF430L	\$1,943
36"	19"	52"	Four Drawer File	ZSLF436	\$1,574	w/Laminate Frt.	ZSLF436L	\$2,033
42"	19"	52"	Four Drawer File	ZSLF442	\$1,707	w/Laminate Frt.	ZSLF442L	\$2,127
30"	19"	65.75"	Five Drawer File	ZSLF530	\$1,738	w/Laminate Frt.	ZSLF530L	\$2,275
36"	19"	65.75"	Five Drawer File	ZSLF536	\$1,925	w/Laminate Frt.	ZSLF536L	\$2,477
42"	19"	65.75"	Five Drawer File	ZSLF542	\$2,067	w/Laminate Frt.	ZSLF542L	\$2,644

Planning tips:

- Counterweight must be specified for stability if file is not ganged back-to-back or anchored to the wall or floor
- Two-drawer 28" height file can fit under a 29" high worksurface
- Drawers hold suspended files in letter, A4 and legal sizes
- Can be converted to front-to-back filing with the Lateral File Converters, page 103
- Interlocking system allows only one drawer to be opened at a time

Power Box and Grommet Specification

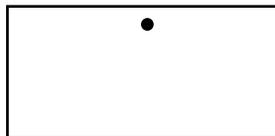

Grommet Location Options

5-Day Ship

Grommets can be ordered for round or square Edge worksurfaces and returns. The 2" diameter grommets are inset 4-3/8" from the surface edge to the center of the grommet. For factory installation of grommets, add configuration code A through F to the end of the product number. List price is \$14 per grommet. A 2" diameter grommet is standard for all round Edge peninsula worksurfaces. To order a grommet for the square Edge Peninsula worksurface add configuration code B to the product number.

Corner Worksurface

MEWB1204

Power Box and Grommet are level with the worksurface. Cover may be used as a pencil tray.

Modular Workstations Product Specifications

Key Features and Benefits

All Products

- Lifetime Warranty - quality assurance for the user
- Quick Ship furniture - no waiting, no down time
- Easy to assemble - just a Phillips screwdriver does it all

Worksurfaces

- Burn and stain resistant, non-glare, high pressure laminate surface is 1-3/16" thick
- Prelocated threaded metal inserts in the underside of the worksurface for positive metal to metal connection and easy assembly
- Backing sheet bonded to the underside provides dimensional stability
- Square Edge or T-molded Edge

Workstation Base

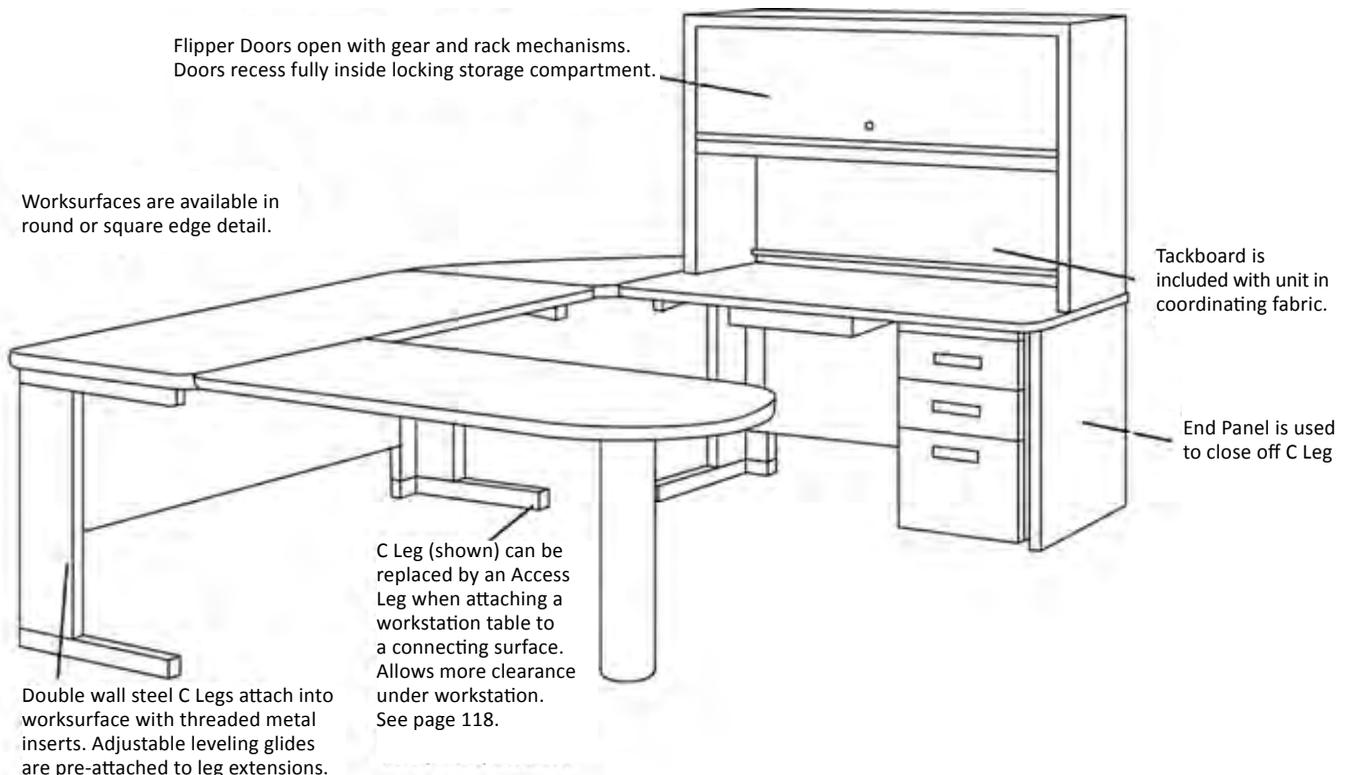

- Double wall steel C legs with 90° angle for added support and strength
- Glides have 1" adjustment range
- Modesty panel extends to 9" from the floor
- Durable, scratch resistant powder coated textured finish is environmentally safe and recyclable
- Sturdy tables are rated to 300 lb. capacity

Flipper Door

- Doors fully recede into cabinet
- Unit includes coordinating fabric covered tackboard
- Roomy storage compartment with locking door
- Durable, scratch resistant powder coated textured finish on steel

Grain Direction Indicators

Worksurfaces and wood grain laminates are manufactured in a consistent grain direction. This direction will be indicated on the product icon to the left of the item listing. The direction will be shown as a unique double ended arrow. Does not apply to non-wood grain laminates.

24" Deep Table

Product Description

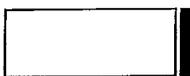

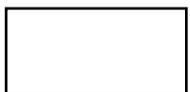

24" Deep workstation table in choice of 27" or 29" heights.

Includes

- Laminate Worksurface with Round or Square Edge
- Two C Legs with 1" Adjustable Glides
- Modesty Panel
- Assembly Hardware

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

ORDERING EXAMPLE

Standard Product:
MWTS3047
Left Hand Access Leg:
MWTS3047L

Planning tips: Access legs can be specified in place of C Legs (at no extra charge) for 5 day and 4 week ship selections

- Optional grommets or power box can be specified, see page 110
- Minimum table width to attach hanging pedestals is 36"
- Table legs are inset 2" from side of worksurface
- Floor supported pedestals do not fit under 27" high workstations – use hanging pedestals
- Use only 20" deep pedestals under 24" deep workstation tables

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Grommet Location
5. Quantity

Workstation Tables

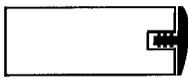

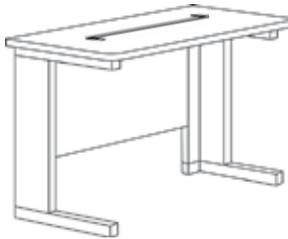

30" Deep Table

Product Description

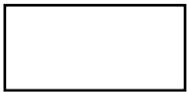

30" Deep workstation table in choice of 27" or 29" heights.

Includes

- Laminate Worksurface with Round or Square Edge
- Two C Legs with 1" Adjustable Glides
- Modesty Panel
- Assembly Hardware

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

ORDERING EXAMPLE

Standard Product:
MWTS3047
Left Hand Access Leg:
MWTS3047L

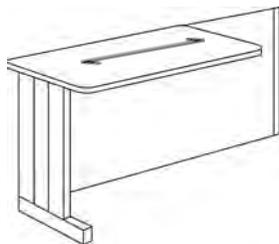

Planning tips: Access legs can be specified in place of C Legs (at no extra charge) for 5 day and 4 week ship selections

- Optional grommets or power box can be specified, see page 110
- Minimum table width to attach hanging pedestals is 36"
- Table legs are inset 2" from side of worksurface
- Floor supported pedestals do not fit under 27" high workstations – use hanging pedestals
- Use only 20" deep pedestals under 24" deep workstation tables

Workstation Tables

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Grommet Location
5. Quantity

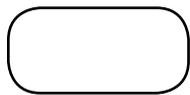

Workstation Table Returns

Product Description

Workstation return attaches to 60", 66" or 72" wide x **30" DEEP WORKSTATIONS**.

Includes

- Laminate Worksurface with Round or Square Edge
- Full length Modesty Panel
- Support Leg
- Mounting Brackets and Assembly Hardware

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

Width	Depth	Height	Description	Product Number	Price
Round-Edge					
Indicate L (Left) R (Right) or T (Two) Access Legs (See Example Below)					
42"	24"	27"	Workstation Table Return	MWRR4247	\$616
42"	24"	29"	Workstation Table Return	MWRR4249	\$616
Square-Edge					
42"	24"	27"	Workstation Table Return	MWRS4247	\$616
42"	24"	29"	Workstation Table Return	MWRS4249	\$616

Planning tips: ONLY attaches to 30" deep (Not 24") workstations of 60", 66" or 72" width

- 27" high return attaches offset to 29" high tables
- 29" high return attaches flush to 29" high tables
- Attaches on left or right side of workstation
- Optional Grommets or Power Box can be specified, see page 110
- Use hanging pedestal only at 27" height
- Use hanging or floor supported pedestal at 29" height
- Accepts keyboard drawer or 20" pedestal only

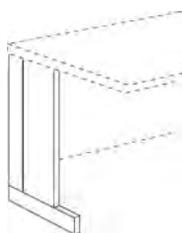

Optional Access Leg

Product Description

Replaces C leg when attaching a workstation table to a connecting surface to allow more clearance under workstation.

Includes

- Double wall Steel Leg with 11" deep Foot
- 1" Adjustable Glide

Depth	Height	Description	Product Number	Price
24"	27"	Left Access Leg	MAXL247	\$191
24"	27"	Right Access Leg	MAXR247	\$191
24"	29"	Left Access Leg	MAXL249	\$191
24"	29"	Right Access Leg	MAXR249	\$191
30"	27"	Left Access Leg	MAXL307	\$191
30"	27"	Right Access Leg	MAXR307	\$191
30"	29"	Left Access Leg	MAXL309	\$191
30"	29"	Right Access Leg	MAXR309	\$191

Planning tips: Cannot be used on a freestanding workstation - for intermediate use between adjacent worksurfaces

- Can be specified to replace C-Leg when ordering Workstation Tables, see pages 116 and 117
- Do not use in straight configurations longer than two units

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Grommet Location
5. Quantity

Workstation Tables

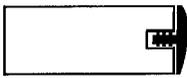

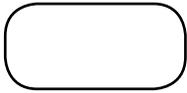

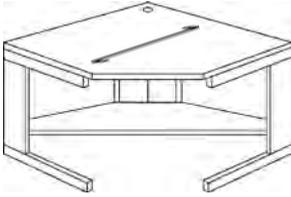

Corner Workstation Table

Product Description

Corner workstation table can be used freestanding, clustered or with adjoining tables.

Includes

- Laminate Worksurface with Round or Square Edge
- Two C legs with 1" Adjustable Glides
- Accessory Shelf
- Modesty Panel
- Worksurface Grommet inset 7-1/4" from rear edge
- Assembly Hardware

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

36" Width Table

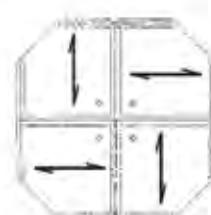

42" Width Table

45" Width Table

Corner Cluster

ORDERING EXAMPLE

Standard Product:
MWTS3047
Left Hand Access Leg:
MWTS3047L

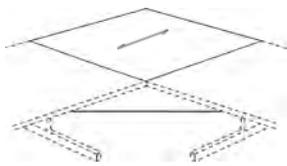

Planning tips:

- Use with 29" high workstations
- Can be used individually or in clusters
- If corner workstation is used with adjoining workstation tables, order a flat bracket to connect tables - see page 124
- Accepts only ZSAKTM keyboard platform page 165

Workstation Connectors

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Quantity

Square Connector

Product Description

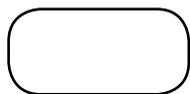

Square connector joins two workstation tables of equal depth and height. Can be used with 27" or 29" height workstations.

Includes

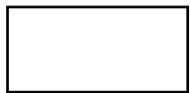

- Laminate Worksurface with Round or Square Edge
- Modesty Panel
- Two Flat Mounting Brackets
- Assembly Hardware

Width	Depth	Height	Description	Product Number	Price
24"	24"	27-29"	Round Edge Square Connector	MSCR24	\$583
30"	30"	27-29"	Round Edge Square Connector	MSCR30	\$623
24"	24"	27-29"	Square Edge Square Connector	MSCS24	\$583
30"	30"	27-29"	Square Edge Square Connector	MSCS30	\$623

Planning tips: Use with adjoining tables of the same depth and height - cannot attach to adjoining tables of different depths • Do not attach at offset height

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

Radius Connector 90°

Product Description

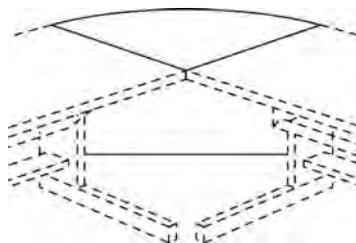

Radius connector joins two workstation tables at equal or offset height and depth.

Includes

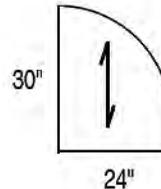

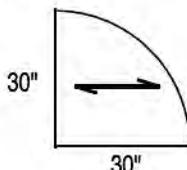

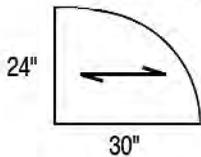

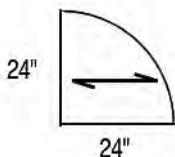

- Laminate Worksurface with Round or Square Edge
- Modesty Panel
- Two Flat Mounting Brackets
- Assembly Hardware

Left Depth	Right Depth	Description	Product Number	Price
24"	24"	Round Edge Radius Connector	MRCR2424	\$433
30"	30"	Round Edge Radius Connector	MRCR3030	\$433
24"	30"	Round Edge Radius Connector	MRCR2430	\$477
30"	24"	Round Edge Radius Connector	MRCR3024	\$477
24"	24"	Square Edge Radius Connector	M RCS2424	\$433
30"	30"	Square Edge Radius Connector	M RCS3030	\$433
24"	30"	Square Edge Radius Connector	M RCS2430	\$477
30"	24"	Square Edge Radius Connector	M RCS3024	\$477

Planning tips: Connector must be attached to a workstation table on either side • Can be used with workstations at offset (27" & 29") height or equal height • When using workstations at offset height "Z" bracket must be specified, see page 124 • Select connector to match table for equal depth or transitional depth

Grain Direction

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Grommet Location
5. Quantity

Conference Surfaces

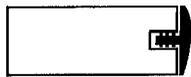

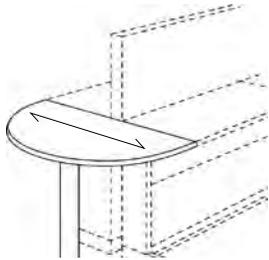

Conference D-Top

Product Description

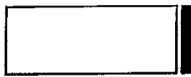

Joins two 24" deep workstation tables for teaming applications.

Includes

- Laminate Worksurface with Round or Square Edge
- 4" Diameter Cylindrical Leg with 1" Adjustable Glide
- Attachment Brackets and Assembly Hardware

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

Width	Depth	Height	Description	Product Number	Price
Round-Edge					
50"	25"	27-29"	Conference D-Top	MDTR50	\$938
Square-Edge					
50"	25"	27-29"	Conference D-Top	MDTS50	\$938

Planning tips:

- Conference surface has 2" space between 24" deep workstations
- Use with privacy screen of same width as workstations
- Adds conferencing and work space

Peninsula Workstation

Product Description

Peninsula surface adds conferencing and work space.

Includes

- Laminate Worksurface with Round or Square Edge
- 4" Diameter Cylindrical Leg with 1" Adjustable Glide
- Mounting Brackets and Assembly Hardware

Width	Depth	Height	Description	Product Number	Price
Round-Edge					
60"	30"	27-29"	Peninsula Workstation	MPWR600	\$767
72"	30"	27-29"	Peninsula Workstation	MPWR720	\$924
Square-Edge					
60"	30"	27-29"	Peninsula Workstation	MPWS600	\$767
72"	30"	27-29"	Peninsula Workstation	MPWS720	\$924

Planning tips:

- Attaches to front edge of 60" or 72" workstation at flush or offset height
- Peninsula adjusts to 27" or 29" height
- Adjustable Glide range: 1"
- Grommet option available

Peninsula Workstation Adapter Kit

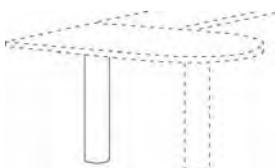

Product Description

Adapter leg for additional support if peninsula is attached adjacent to the end of a workstation.

Includes

- 4" Diameter Cylindrical Leg with 1" Adjustable Glide
- Attachment Hardware

Height	Description	Product Number	Price
27-29"	Peninsula Adapter Kit	MPAK	\$342

Conference Surfaces

Specify in Order:

1. Product Number
2. Finish
3. Laminate / Edge
4. Quantity

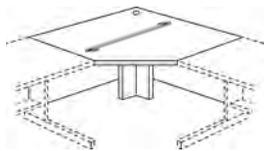

Corner Workstation Connector

Product Description

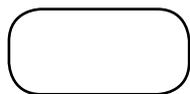

Connects two rectangular workstation tables of equal height and depth.
Can be used with 27" or 29" height workstations.

Includes

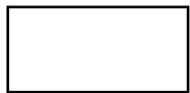

- Laminate Worksurface with Round or Square Edge
- Worksurface Round Grommet inset 7-1/4" from rear edge
- Support Leg with 1" Adjustable Glides
- 2" Spacer, use for 27" or 29" height
- Two Flat Mounting Brackets
- Modesty Panels
- Assembly Hardware

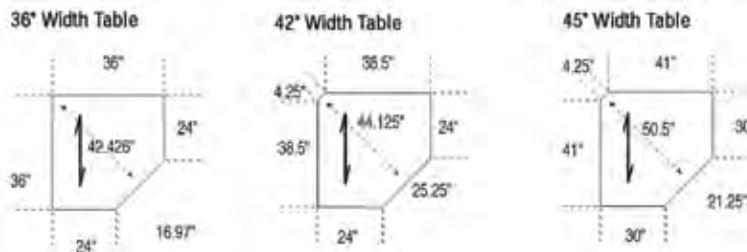

Width	Depth	Description	Product Number	Price
Round-Edge				
36"	24"	Corner Workstation Connector	MCCR364	\$997
42"	24"	Corner Workstation Connector	MCCR424	\$1,074
45"	30"	Corner Workstation Connector	MCCR450	\$1,147

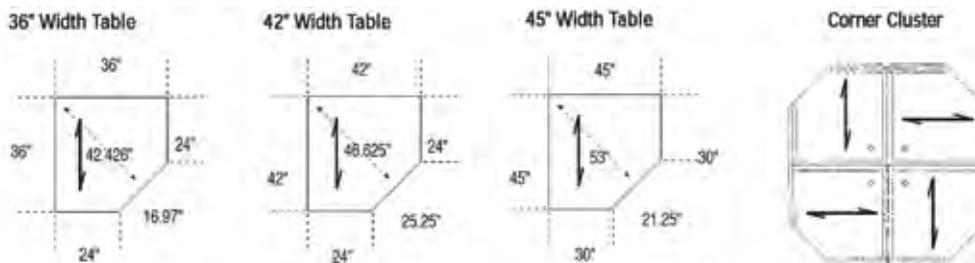

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

Width	Depth	Description	Product Number	Price
Square-Edge				
36"	24"	Corner Workstation Connector	MCCS364	\$997
42"	24"	Corner Workstation Connector	MCCS424	\$1,074
45"	30"	Corner Workstation Connector	MCCS450	\$1,147

Planning tips:

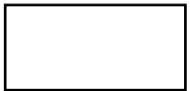

- Connectors can be installed at 27" or 29" height - Offset connection is not recommended
- Accepts only ZSAKTM ergonomic keyboard tray page 165
- Must be supported on each side by freestanding workstation tables of the same depth and height
- Order corner open shelf, page 126
- Optional Power Box can be specified, see page 110

Specify in Order:

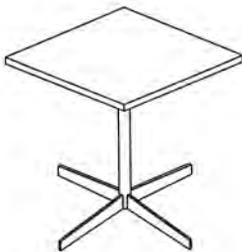

1. Product Number
2. Finish
3. Laminate / Edge
4. Grommet Location
5. Quantity

Round-Edge
Worksurface T-Molding

Square-Edge
Worksurface T-Molding

MW Conference Tables

New 42" Tall Cafe Tables Available

Round Conference Table - NEW 42" Tall Cafe Tables

Product Description

Round Conference Table available in three diameters and two heights.

Includes

- Laminate Worksurface with Round or Square Edge
- Black Steel 4-Star Base

Diameter	Height	Description	Product Number	Price
Standard Height				
Round-Edge				
36"	29"	Round Conference Table	MCTR36	\$759

Square-Edge				
36"	42"	Round Conference Table	MCTS36P	\$776
42"	42"	Round Conference Table	MCTS42P	\$862
48"	42"	Round Conference Table	MCTS48P	\$951

Planning tips:

- Adds conferencing and work space - seats four

Square Conference Table - NEW 42" Tall Cafe Tables

Product Description

Square conference table available in two Table Top sizes, and two heights.

Includes

- Laminate Worksurface with Square Edge
- Black Steel 4-Star Base

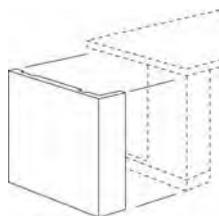

Width	Depth	Height	Description	Product Number	Price
Square-Edge, Standard Height					
30"	30"	29"	Square Conference Table	MCSS30	\$644
36"	36"	29"	Square Conference Table	MCSS36	\$728
Square-Edge, Cafe Table Height					
30"	30"	42"	Square Conference Table	MCSS30P	\$661
36"	36"	42"	Square Conference Table	MCSS36P	\$745

- Adds conferencing and work space - seats four

Base Components

Specify in Order:

1. Product Number
2. Finish
3. Quantity

Leg End Panel

Product Description

Non-handed enclosure for C-leg.

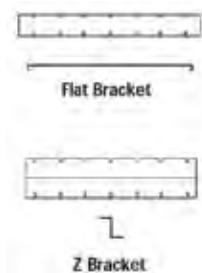

Includes

- Leg end panel
- Mounting Hardware

Depth	Height	Description	Product Number	Price
24"	25.25"	Leg End Panel	MEP2427	\$205
24"	27.25"	Leg End Panel	MEP2429	\$205
30"	25.25"	Leg End Panel	MEP3027	\$205
30"	27.25"	Leg End Panel	MEP3029	\$205

Planning tips:

- Panels attach over existing C-Leg
- Use at the end of a run
- Order to match workstation depth and height
- Non-handed design
- Attach to workstation before adding a pedestal
- Packed individually, specify two to enclose workstation

Brackets

Product Description

Brackets connect adjoining workstations at equal or offset height. Specify flat bracket for same height table to table connection. Specify Z bracket for offset height tables.

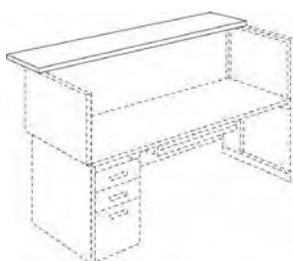

Includes

- Bracket and Hardware
- Dark Neutral Finish

Depth	Height	Description	Product Number	Price
21.125"	2.5"	Flat Bracket	FB2430	\$62
19.625"	2.5"	Z Bracket	ZB2430	\$62

Planning tips: Flat bracket connects 24" or 30" depth workstations at equal height

- Flat bracket networks freestanding workstations in linear configuration
- Z bracket connects workstations at offset height

Counter Top

Product Description

Counter Top provides a reception station or a standing height reference area. Mounts to 16" or 23" high privacy screen.

Includes

- Square Edge Laminate Worksurface
- Mounting Brackets and Hardware

Width	Depth	Description	Product Number	Price
51.25"	14"	Counter Top	MTWS4814	\$311
63.25"	14"	Counter Top	MTWS6014	\$356
75.25"	14"	Counter Top	MTWS7214	\$399

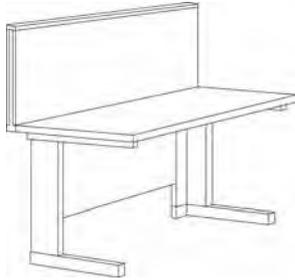

Planning tips:

- Counter Top surface requires a privacy screen and return screen on each side for stability
- Use light MTSL22 listed on page 167 under Counter Top surface

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

Privacy Screens

Privacy Screens

Product Description

Two-sided screens for use with round edge and square edge workstations. Screens attach for 2, 3, or 4-way configurations.

Includes

- Tackable Screen 1-5/8" thick
- Fabric on both sides
- Metal Top Cap
- Mounting Plates and Hardware

Width	Height	Description	Product Number	Grade 1 Price	Grade 2 Price	Grade 3 Price
24"	16.25"	Privacy Base Screen	MBSS246	\$316	\$369	\$430
30"	16.25"	Privacy Base Screen	MBSS306	\$353	\$400	\$471
36"	16.25"	Privacy Base Screen	MBSS366	\$383	\$433	\$507
42"	16.25"	Privacy Base Screen	MBSS426	\$415	\$469	\$546
45"	16.25"	Privacy Base Screen	MBSS456	\$424	\$474	\$554
48"	16.25"	Privacy Base Screen	MBSS486	\$431	\$477	\$561
60"	16.25"	Privacy Base Screen	MBSS606	\$461	\$508	\$592
72"	16.25"	Privacy Base Screen	MBSS726	\$514	\$567	\$662
24"	23.25"	Privacy Base Screen	MBSS243	\$346	\$396	\$466
30"	23.25"	Privacy Base Screen	MBSS303	\$388	\$437	\$512
36"	23.25"	Privacy Base Screen	MBSS363	\$425	\$474	\$554
42"	23.25"	Privacy Base Screen	MBSS423	\$449	\$504	\$587
45"	23.25"	Privacy Base Screen	MBSS453	\$473	\$523	\$610
48"	23.25"	Privacy Base Screen	MBSS483	\$491	\$543	\$631
60"	23.25"	Privacy Base Screen	MBSS603	\$564	\$614	\$719
72"	23.25"	Privacy Base Screen	MBSS723	\$624	\$673	\$788

Planning tips: 1-5/8" dimensional gain • Height from worksurface: 15" or 22" • Use corner posts to connect screens of different heights for 2, 3, 4-way configuration • Includes brackets to stabilize screen to screen linear connection • Privacy screens cannot be stacked

Corner Post

Product Description

Connector post for base screens.

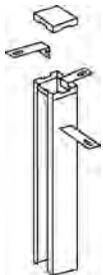

Includes

- Hardware to accommodate 2, 3, or 4-Way Connection

Height	Description	Product Number	Price
16.25" x 2-way 90°	Corner Post	MSCP162C	\$104
16.25" x 3-way	Corner Post	MSCP163C	\$104
16.25" x 4-way	Corner Post	MSCP164C	\$104
23.25" x 2-way 90°	Corner Post	MSCP232C	\$110
23.25" x 3-way	Corner Post	MSCP233C	\$110
23.25" x 4-way	Corner Post	MSCP234C	\$110

Planning tips:

- When using screens in a 2, 3, or 4-way configuration, corner posts are required for the base screen
- Specify color to match screen trim

Overhead Storage

Specify in Order:

1. Product Number
2. Finish
3. Fabric
4. Quantity

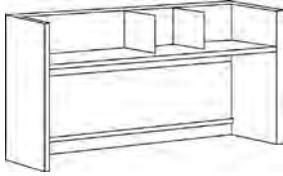

Open Shelf

Product Description

Open shelf unit with adjustable shelf, fabric covered tackboard.

Includes

- Steel Shelf, Back, Side Panels
- Fabric Covered Tackboard
- 11" Deep Shelf clearance: 15-3/16" or 18-11/16"
- Shelf Dividers

- Enhanced swivel tilt mechanism with forward position pivot point and two position tilt-lock lever.
- For use on chairs with fixed seat-to-back relationship. Includes tilt tension knob adjustment.
- Seat pivots from its front edge. Front of chair does not rise as the back of the chair reclines.
- The user's feet remain on the floor with no additional pressure placed on the back of their legs.

Task Mechanism

- Usage: Operational and Task Chairs
- Forward tilt mechanism allows independent movement of the seat and back. A single lever locks seat and back into any position within a 4° forward to a 21° rear range of travel. Includes back height adjustment.
- Task Mechanism provides maximum adjustability for task intensive workers

Synchronized Mechanism

- Usage: Endeavor Operational and Task Chairs
- Tilt mechanism with free locking tilt allows the back to be locked in any position or float free in a rocking motion. Includes tilt tension knob adjustment. Seat pivots from center point.

Gas Cylinder

- Maximum weight tolerance for pneumatic lift is rated at 250 lbs.

Gas Cylinder Range

- Knee tilt = 3.75"
- Task and swivel tilt = 5"

Arms

- Molded polyurethane
- Adjustable arm range: 2.25" height
- Dual adjustable arm range: 2.25" height, 2.25" width
- Adjustable arms can be field installed on Task and Operational chairs only
- Loop arms, dual adjustable arms, and any other arm combination must be factory installed
- Contact Customer Service for availability and pricing at 800-621-8846

General Product Information - Storage

Versatile, easy to assemble, and built to last a lifetime – you won't find a better value anywhere!

Construction

Pencil Drawer:

- Steel construction.
- Ball bearing slides.
- Built-in compartments.

Pedestals:

- Heavy duty slides.

Storage Towers and Vertical Cabinets:

- Storage Towers include shelf storage, two pedestal file drawers, and a vertical coat closet.
- Vertical Cabinets include shelf storage above and two lateral file drawers below.

Lateral Files:

- 2, 3, 4 or 5 drawer configurations available.
- Interlocking system insures that only one drawer may be opened at a time.
- Drawers hold suspended files in letter, A4, or legal sizes.
- One Set of Lateral File Converters is included for front-to-back filing.
- Four leveling glides are included per cabinet.

Over Files:

- Allow for binder storage above Lateral File.
- Steel sliding doors are standard.
- Available in two heights: 14" and 28".
- Shelf included with 28" height Over File, adjustable in 1" increments.
- Lock and mounting brackets are included.

Product Characteristics

Pencil Drawer:

- Mounts using pilot holes in the underside of worksurfaces.

Pedestals:

- 22 gauge welded steel case. Cam lock.
- Drawers are constructed of 24 gauge steel with 6" wide recessed drawer pulls.
- Drawer options:
 - Three 6" drawers.
 - One 6" and one 12" drawer.
 - Two 6" drawers and one 12" drawer.
 - Two 12" drawers.

Storage Tower and Vertical Cabinet:

- No counter weights are needed.
- Locking File Drawers.

Lateral Files:

- Counter Balance Weight required if files are not ganged back-to-back or anchored to wall or floor.
- Steel drawer fronts with pull.

Over Files:

- Width must match the width of the Lateral File to which it is attached.

List \$17,195

List \$11,485

Modular storage elements combined with the finish choices maximize personalization within a unity of form and design. Built-in value engineering and the ability to mix materials –wood, thermofused melamine and metal - help control costs without cutting quality. Using wall supports reduces clutter and expense.

Incorporando diseño con ingeniería, mezclando con habilidad materiales -madera, melamina termofusionada y metal- ayudan a controlar los costos sin sacrificar la calidad.

List \$3,518

Freestanding desks, run-off desking and table-desking allow configuration as workwalls or as standard U. and L. shapes Credenzas can be work-surface height or lower to create distinct work areas or used for casual seating/lounging. By integrating natural terracing into the design, people can use varying work levels for compartmentalization and distinct workflow.

Escritorios independientes, con cubiertas sobrepuestas. Configuración con guardas utilizando las formas tradicionales U y L. Las credenzas pueden utilizarse como superficie de trabajo.

AT TWO Collection

Streamlined and minimal or more traditional in style, AT Two offers choices that adapt to individual style and work needs. From senior executive to open plan offices to touch-down desking for mobile workers, AT Two is the right solution.

Simple, minimalista y con un estilo más tradicional, AT Two ofrece opciones que se adaptan a un estilo individual y a las necesidades del trabajo. De nivel ejecutivo hasta oficinas abiertas. AT Two es la solución correcta.

Fully veneered sides and backs and interiors - book-matched architectural grade veneers - 7-step catalyzed UV cured finish - 5-sided dovetailed drawer construction with heavy duty, metal ball-bearing slides – metal on metal connectors.

Si el mueble va en cahapa de madera todos los costados, los respaldos y los interiores vienen con chapa de madera. Cubierto con barniz U.V. a 7 pasos para ofrecer mayor resistencia.

SQ Square
SQ Recto

The mark of responsible forestry

All wood cores and veneers are FSC certified.

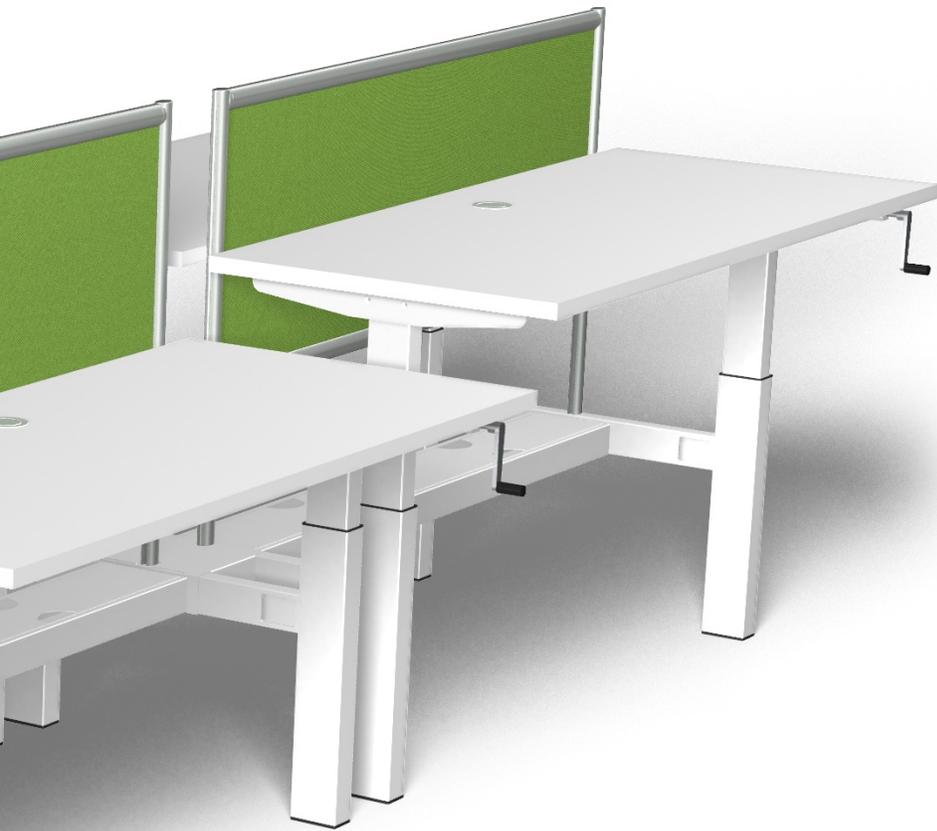

Todos los tableros y chapas de madera son certificados FSC.

Flow

BENCHING SYSTEM

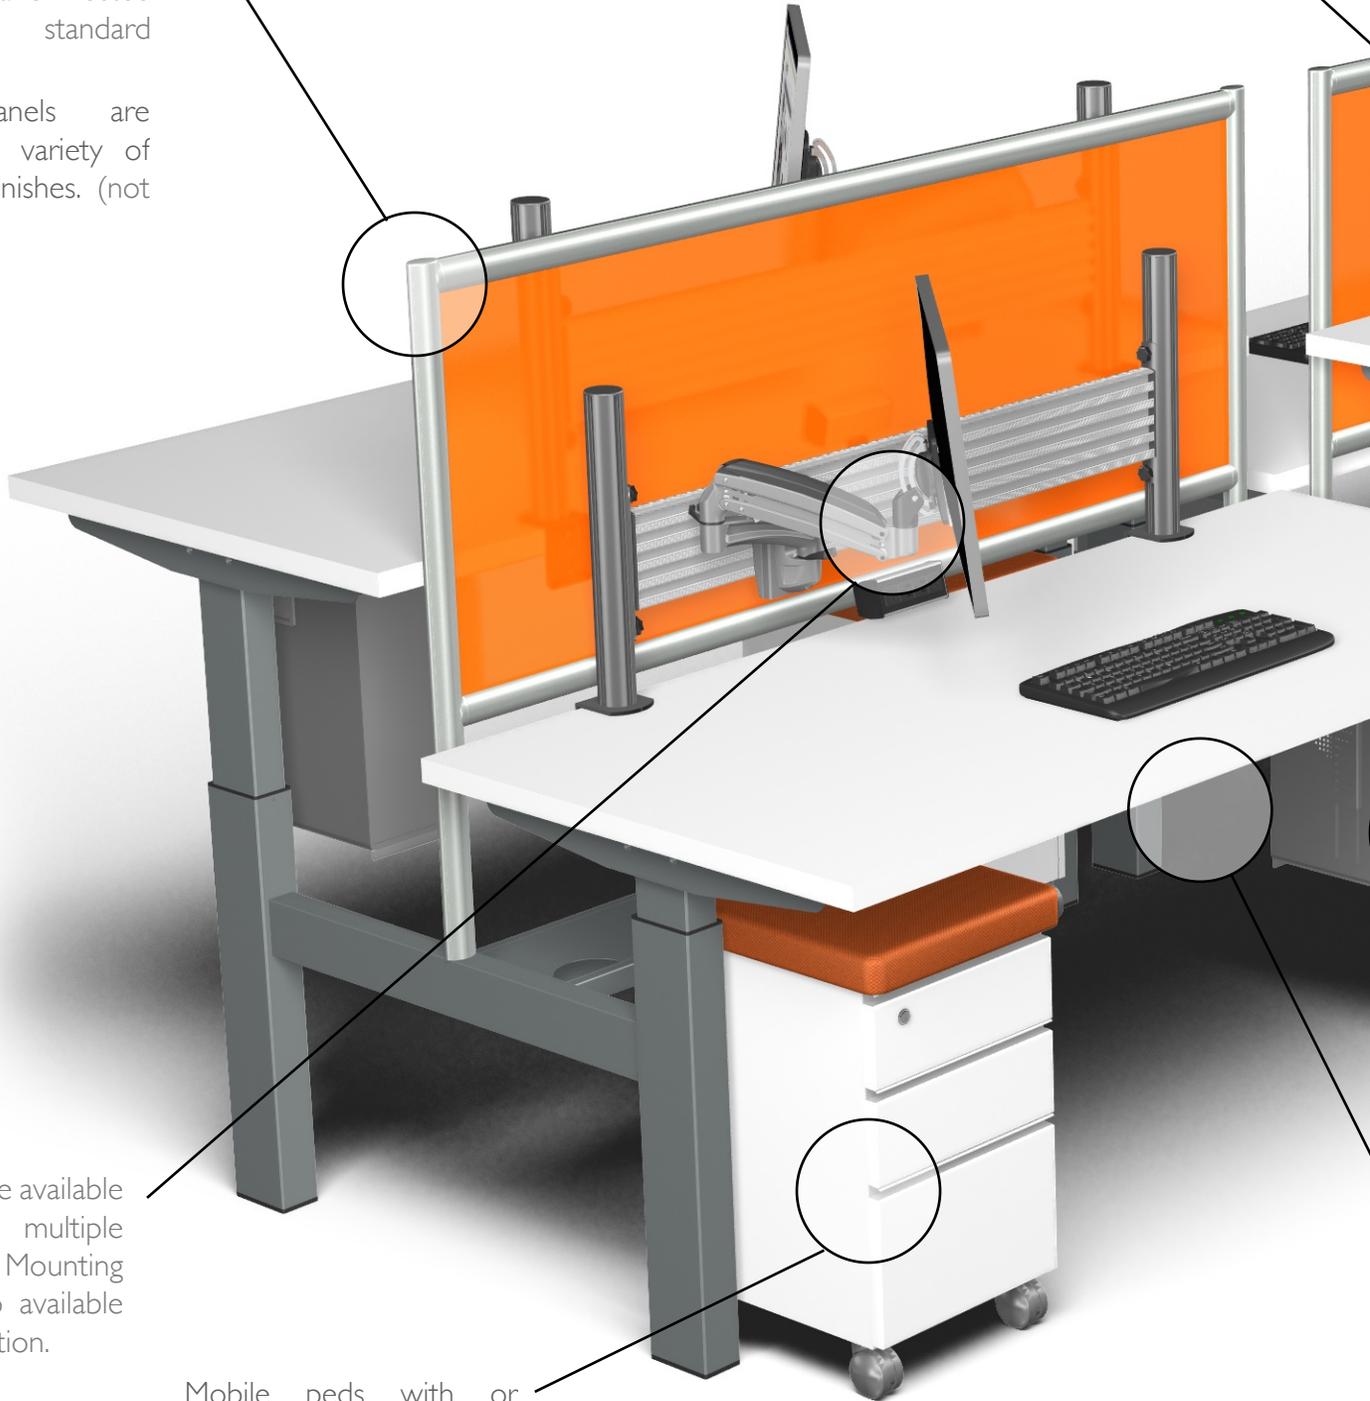

The **Flow** benching system is designed to enable open work flow for today's office environments. Its unique design allows multiple configurations for both standard and unique layouts. It can easily be taken apart and reconfigured, which preserves your investment when your needs change. Adding individual height adjustability to one unit or all helps to meet the demands of your hard working employees who want the benefit of standing while working.

Flow gives you the option to update your fixed stations to adjustable height in the future by upgrading the legs for any one, or all of your stations. Available in Electric Single and Dual Stage, Crank and Pin Height adjustments.

Divider Screens are available to create privacy between users. Fabric, white board and frosted acrylic are standard options.

Modesty Panels are available in a variety of materials and finishes. (not shown)

Slat wall can be used to attach monitor arms and a wide array of shelves, pen holders, and file organizers.

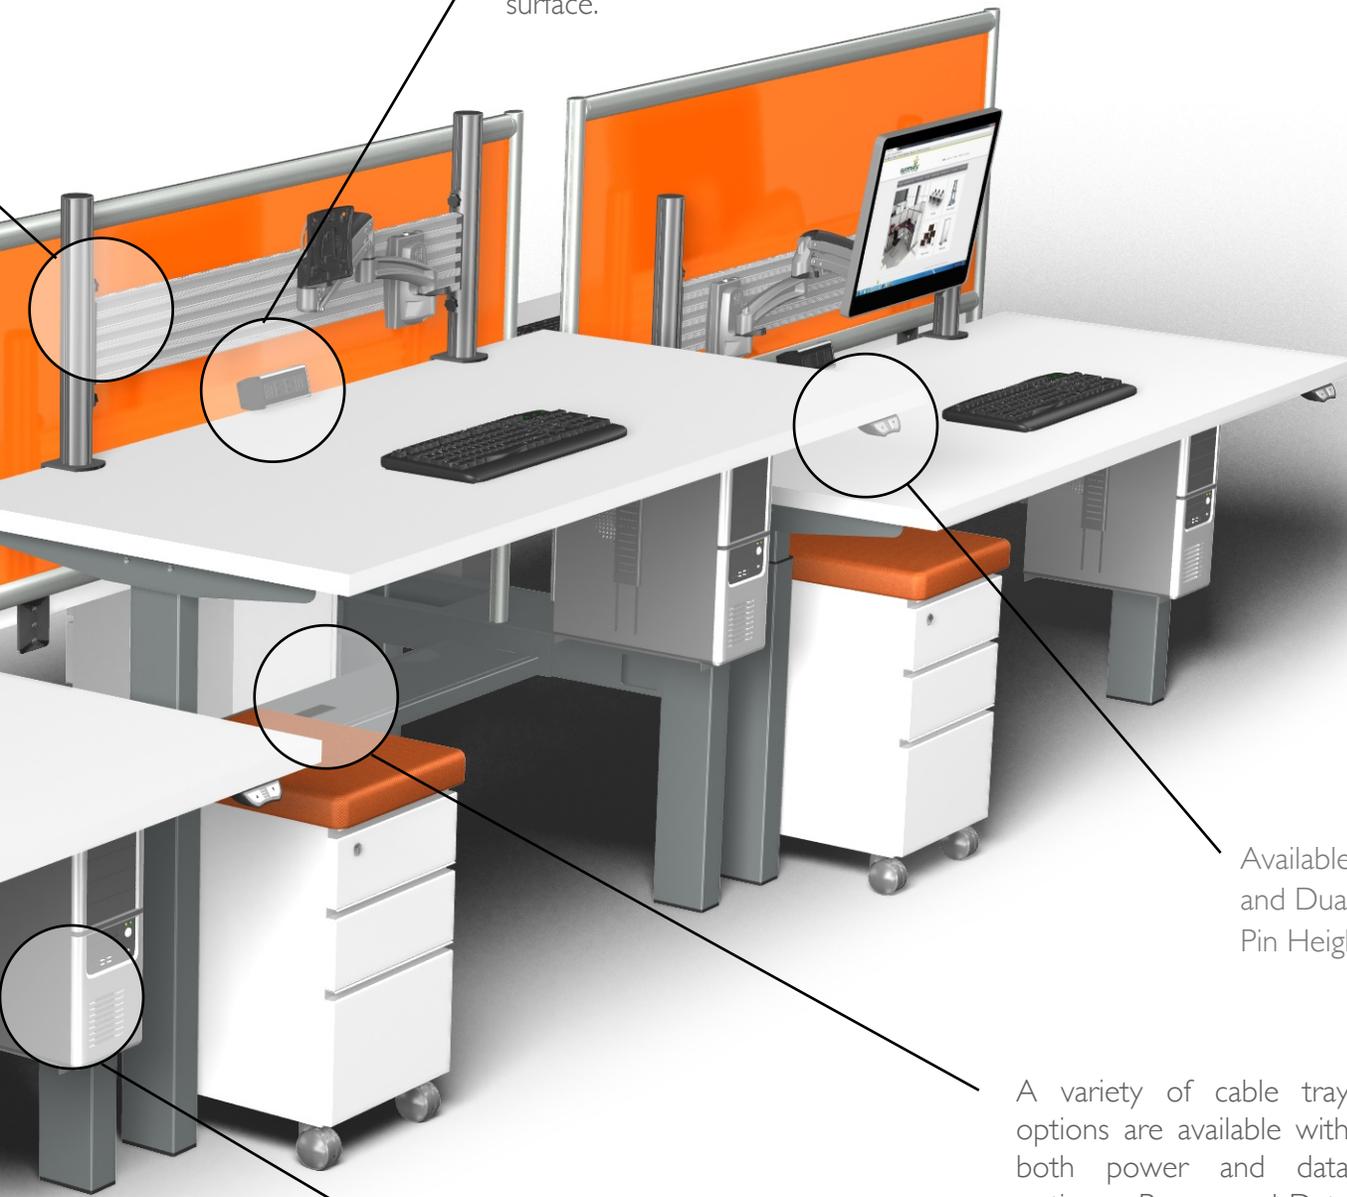

Monitor Arms are available for single and multiple monitor display. Mounting options are also available for every application.

Mobile peds with or without cushions allow for additional storage. Available in a wide array of configurations.

BENCHING OPTIONS

Power and Data inputs are available on the work surface.

Available in Electric Single and Dual Stage, Crank and Pin Height adjustments.

A variety of cable tray options are available with both power and data options. Power and Data inputs are also available on the work surface.

CPU mounting/storage options are available in many options and storage applications.

Keyboard Trays for corner applications to sit/stand workstations are options and are available as well. (not shown)

BENCHING OPTIONS

The **Flow** benching system is a clean, refined benching system that gives you maximum flexibility. With Flow Benching you can have your choice of fixed or height adjustable individual stations. And as your business changes, your work stations can change with you.

Divider screens are available to create privacy between users. Fabric, white board and frosted acrylic are standard options. Flow is also available with an 8 wire 4 circuit electrical system, the cable tray cover also includes telecom plates that allow for the pass through of a variety of electrical components including data and phone. Shown with **Urban Wall** to the left.

2 Pack Flow, 2 stage Electric Pricing Guide

Example: you want to order an 8 pack of 24x36 w/ EKBs				Misc. Parts				
how to build a model #	Model	# units to order		side by side connectors	FLOW-SBS-SC			
choose the size and style of 2 pack you are looking for:	FLOW-RES 24x36 2 pack	4		hardwire 8 wire 4 circuit	POW-84-SB2-108	\$169.00		
order the # of tops that equal the number of positions you are ordering	TOP-REC-2436	8		36" wide benches	POW-FLOW-36 interconnect	\$85.00		
add one side by side connector for each additional 2 pack	FLOW-SBS-SC	3		42" wide benches	POW-FLOW-42 interconnect	\$91.00		
the power kit includes 2 double duplexes per 2 pack, amount equals # of 2 packs ordered	POW-FLOW-2 pack power kit	4		48" wide benches	POW-FLOW-48 interconnect	\$97.00		
when ordering more than one 2 pack order an interconnect for each additional 2 pack	POW-FLOW-36 interconnect	3		54" wide benches	POW-FLOW-54 interconnect	\$104.00		
one infeed per run of 2 packs (maximum of 8 positions per infeed)	POW-84-SB2-108	1		60" wide benches	POW-FLOW-60 interconnect	\$110.00		
order 1 common divider per 2 pack	DIV-TTF-3612-F-BENCH	4		66" wide benches	POW-FLOW-66 interconnect	\$116.00		
order one file per position	FIL-PMB-22h18d-BF	8		72" wide benches	POW-FLOW-72 interconnect	\$123.00

SHIPPING

FOB Origin, 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150 when a top is ordered.) Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated.

BENCHING SYSTEM

PROUDLY MADE IN THE U.S.A.

HOBE

BENCHING SYSTEM

-**HoBe's** light and refined design, floating tops, and the unobtrusive cable distribution allow the **HoBe** to seamlessly fit into any space.

-Flexible design that can fit in any office or educational environment. As the needs of the space change, **HoBe** is quickly and easily reconfigurable.

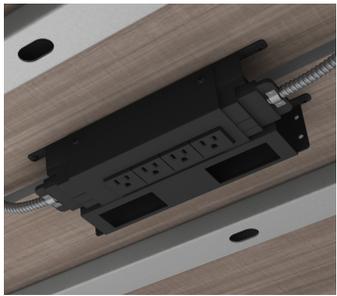

-Worktools, lighting, power/data, monitor arms, privacy screens, keyboard trays, and CPU holders are just some of the many options that are available to customize the **HoBe**.

SHIPPING

Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Freight is generally included in our pricing in the 48 contiguous states for orders over 15 units. Shipping outside of the 48 contiguous states will be the responsibility of the customer. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated. 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150 when a top, whiteboards/urban wall, filing or healthcare product is ordered) Ergo Tools and Power ship freight free.

Parity

FILES/STORAGE

PEDESTAL FILES

QUALITY STANDARD FEATURES

- Ball-bearing drawer slides with quick disconnect and anti-rebound features: full-extension slides on file drawers; $\frac{3}{4}$ -extension slides on box drawers
- Double-wall drawer fronts and drawer sides
- Pre-installed counterweights in all freestanding and mobile pedestal files
- Leveling glides with 1" adjustability in all work surface supporting and freestanding pedestal files
- Cabinets meet or exceed ANSI-BIFMA standards for safety and reliability

VERSATILITY

- Four standard styles: work surface supporting, freestanding, mobile and hanging
- Various drawer configurations
- Three standard depths (18", 22" and 28") and several standard heights
- Numerous paint color and pull choices
- Choice of several industry-standard locks; key-alike options available

COMPATIBILITY

- Work surface supporting pedestal files can be aligned horizontally with Symmetry Office's 2-high lateral files, storage cabinets and bookcases, allowing the products to be used side-by-side under a work surface.

OPTIONAL ACCESSORIES

- Pencil trays
- Box drawer dividers
- Hanging bars for side-to-side filing in file drawers
- Optional full-extension slides for box drawers
- Additional pulls for mobile pedestal files (for easier transport)

Work Surface Supporting Pedestal Files

- Top channels attach to underside of work surface

Additional Pull Mounted to Lock Cover (for Mobile Pedestal Files)

- Allows for easier moving and storage of mobile pedestal files under a work surface
- Available on any size or style mobile pedestal file
- Choice of Arc, Twist, Droop or Short Rod pulls
- \$30 list price upcharge
- To order, add one of the following suffixes to the end of the product number (*e.g.*, PMB22h22d-BF-A-BU-X-P0-D0-H0-L-LCA):

- ✓ LCA (Arc Pull)
- ✓ LCT (Twist Pull)
- ✓ LCD (Droop Pull)
- ✓ LCO (Short Rod Pull)

Luggage-Style Tote Pull for Mobile Pedestal Files

- Allows for easy transport of mobile pedestal files between workstations
- Steel tube construction with foam cushion grip
- Handle stows behind the pedestal file
- \$150 list price upcharge
- To order, add the suffix "TP" (for "Tote Pull") to the end of the product number. Put the "TP" suffix last when ordering both a lock cover pull and a luggage-style tote pull on the same pedestal file (*e.g.*, PMB22h22d-BF-A-BU-X-P0-D0-H0-L-LCA-TP).

LATERAL FILES

QUALITY STANDARD FEATURES

- Full-extension, ball-bearing drawer slides
- Safety interlock system allows only one drawer to be opened at a time
- Drawer bodies with double-wall sides
- Leveling glides with 1" adjustability
- Two file bars in each drawer for side-to-side filing of letter, A4 or legal-sized file folders
- Cabinets meet or exceed ANSI-BIFMA standards for safety and reliability

VERSATILITY

- Three standard widths and four standard heights
- Numerous paint color and pull choices
- Choice of several industry-standard locks; key-alike options available

COMPATIBILITY

- Horizontal alignment with Symmetry Office's storage cabinets, pedestal files and bookcases

OPTIONAL ACCESSORIES

- Hanging file bars to accommodate front-to-back filing
- Counterweights for added stability

5hB (67-³/₈" tall)
four roll-out drawers with a fixed shelf
in the top position*

* The top door on a 5hB lateral file flips up and recedes over the top of the cabinet, revealing a fixed shelf with 14" of clearance for binder storage – see photo above.

Counterweights: Symmetry Office lateral files do not come standard with counterweights. For stability, a separately-ordered counterweight is required for all 2-high, 3-high and 4-high lateral files unless the lateral file is to be anchored (to a wall or the floor) or ganged to another file. For 5hB lateral files, a separately-ordered counterweight is recommended – but is not required – when a 5hB lateral file is used on a stand-alone basis (*i.e.*, when it is not anchored or ganged to another file). See page 11 for counterweight ordering information.

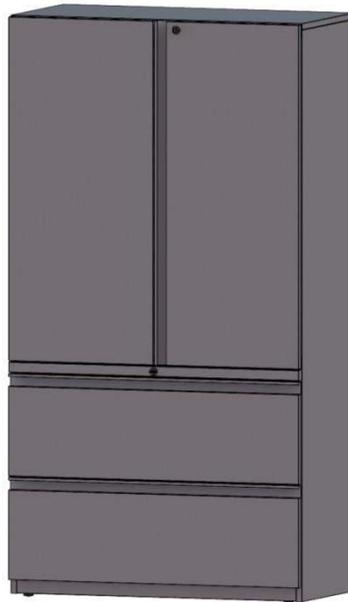

Storage Cabinet-Lateral File Combination Cabinets (“SLFs”)

- **Counterweights** are not included – but are strongly recommended – for all units that will not be anchored to a wall or ganged to another cabinet. See page 11 for counterweight ordering information.
- SLFs include two locks, keyed alike
- Choice of Self-Handled (Full Pull), Arc, Twist or Short Rod pulls

BOOKCASES

QUALITY STANDARD FEATURES

- Side panels with double-wall construction
- Heavy-duty shelves adjustable in ½" increments
- Leveling glides with ¾" adjustability
- Cabinets meet or exceed ANSI-BIFMA standards for safety and reliability*

VERSATILITY

- Three standard widths and four standard heights
- Numerous paint color choices

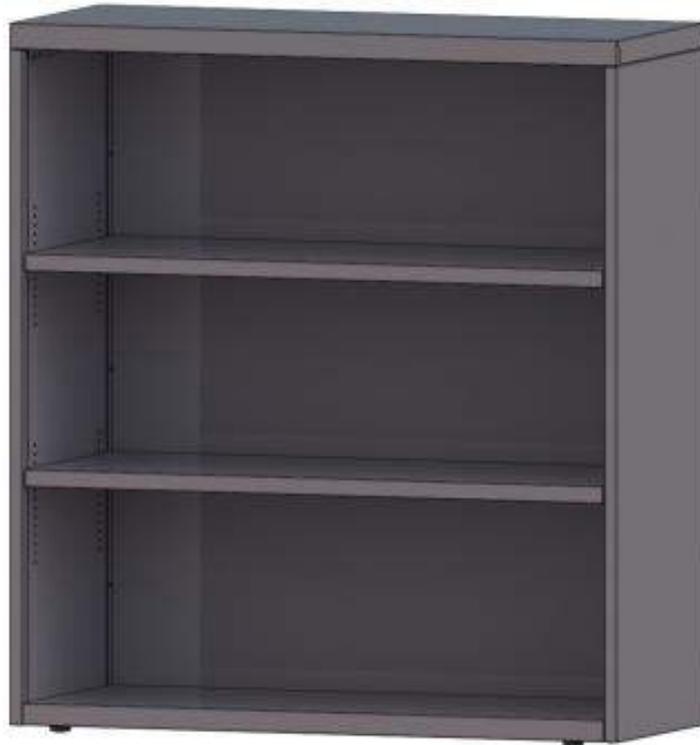

COMPATIBILITY

- Horizontal alignment with Symmetry Office's lateral files, pedestal files and storage cabinets

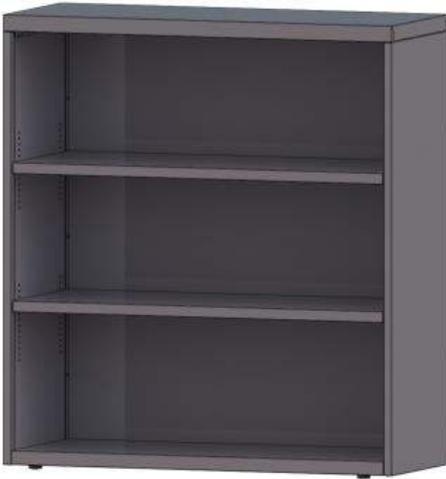

OPTIONAL ACCESSORY

- Magnetic shelf dividers (shown in photo below)

* To ensure back-to-front stability in accordance with ANSI/BIFMA standards, bookcases must be placed against a wall or otherwise secured to prevent tipping.

OVERHEAD STORAGE CABINETS & SHELVES

QUALITY STANDARD FEATURES

- Heavy-gauge side and bottom panels for extra support and security
- Overhead cabinets feature a door that flips up and recedes over the top of the cabinet, revealing a fixed shelf with 12-³/₄" of clearance
- Flipper doors feature ball-bearing drawer slides for years of smooth, hassle-free operation
- Cabinets meet or exceed ANSI-BIFMA standards for safety and reliability

VERSATILITY

- Seven standard widths
- Numerous paint color choices
- Compatibility with several industry-standard panel systems
- Choice of several industry-standard locks; key-alike options available

OPTIONAL ACCESSORIES

- Magnetic shelf dividers (see bookcase accessories)

* Note: All overhead storage cabinets and shelves ship knocked down and include assembly instructions.

- Economical drawer made of black plastic
- Non-locking
- ³/₄-extension, ball bearing drawer slides
- Mounts to underside of work surface

LOCKS AND KEYS

Symmetry Office filing and storage products can be ordered with one of five core-removable lock systems. All cabinets will be built with randomly-selected core & key numbers unless products are ordered “keyed-alike.” See page 26 for key-alike ordering instructions.

Cabinets will be built with a black UM lock if no lock option is specified when ordering.

Keyed-Alike Lock Cores for Field Installation

For ease of installation, products may be ordered “keyed-alike” at no extra charge. To order keyed-alike products:

- A. clearly mark “**PULL CORES**” in the description on your purchase order for any items you wish to have keyed-alike, and
- B. **order the lock core/ key sets as separate line items on your purchase order**, using the product codes on the prior page. (For more information and an example, see “Specifying Keyed-Alike Locks” below.) Symmetry Office will select key numbers to satisfy this request from the key number ranges shown on the prior page.

The keyed-alike lock core/key sets will be packaged separately and may ship separately from the order. For very small orders only, Symmetry Office may, at its discretion, build the units with the keyed-alike lock cores and keys.

There is no additional charge for key-alike requests, provided that (a) the key-alike request is made in conjunction with the original purchase order, and (b) the number of core/key sets ordered does not exceed the number of cabinets ordered.

The list price for additional lock core/key sets is **\$15/set** for all lock types other than FR locks. For FR core/key sets, the list price is **\$25/set**.

Specifying Keyed-Alike Locks

Keyed-alike lock core/key sets can be specified as follows:

- A. Determine the number of keyed-alike locks in each workstation on the project.
- B. Group together the workstations with a like number of locks – for example, 10 workstations with 2 locks per station, 5 workstations with 3 locks per station and 1 workstation with 4 locks.
- C. For each grouping, enter the number of workstations in the quantity column of the purchase order, followed by the part number for the appropriate lock series. Then add a suffix to that product number for the quantity of keyed-alike locks in that group. For example, to order the lock groupings from Step B with black UM locks, the purchase order would read as follows:

Qty	Part #	Description	Price Per Unit	Extended Price
10	UMLKCORES 2	Set of 2 UM black keyed-alike cores/keys	no charge	no charge
5	UMLKCORES 3	Set of 3 UM black keyed-alike cores/keys	no charge	no charge
1	UMLKCORES 4	Set of 4 UM black keyed-alike cores/keys	no charge	no charge

DRAWER PULLS

Arc Pull (Code: A)
satin nickel finish

Matching Pull (Code: M)
extruded aluminum, painted to match drawer front

Short Rod Pull (Code: O)
brushed nickel finish

Full Pull/Self-Handled (Code: S)

Twist Pull (Code: T)
satin nickel finish

PAINT COLORS

Industry Standard Colors:

Name	Code
HM Black Umber	BU
HM Dark Tone	DT
HM Innertone	HT
HM Innertone Light	HF
HM Just Tan	JT
HM Light Gray	HL
HM Light Tone	LT
HM Medium Tone	MT
HM Soft White	LU
SC Black	BK
SC Black Textured	BX
SC Fieldstone Textured	FS
SC Gray Value 1	GV
SC Platinum (Metallic)	PM
SC Smoke	SK
SC Tan Value 1	TV
SC Warm White	WW

Name	Code
HW Beige	BE
HW Browntone	BT
HW Charcoal	CH
HW Chalk	CK
HW Clay	CL
HW Graphite	GP
HW Greystone	GT
HW Platinum	HP
HW Putty	PY
HW Sand	SD
HW Smoke	SM
HW Stone	ST
HW Tan	TA
KN Folkstone Gray	FG
KN Lakeshore Gray	LG
KN Medium Gray	MG
KN Medium Gray Textured	MX
KN Sandstone	SS
KN Soft Gray	SG

Symmetry Office Colors:

Name	Code
MA Appliance White	AW
MA Beige	BG
MA Burgundy	BY
MA Deep Blue	DB
MA Green	GR
MA Ivory	IV
MA Light Almond	LA
MA Light Blue	LB
MA Matte Grey	MA
MA Off White	OW
MA Pac Black	PB
MA Platinum	PL
MA Sea Blue	SB
MA Dark Taupe	TD

To specify a color, add the applicable color code as a suffix after the part number and pull type. For example, to choose HM Black Umber (color code “BU”) as the paint color for a 22” deep work-surface supporting pedestal (with a box/box/file drawer configuration and self-handled pulls), the product number would be PWS27h22d-BBF-S-**BU**-_____.

Didn’t see the color you need . . .

Symmetry Office has access to many industry favorites beyond the standard colors shown above. Please contact us if you are interested in a particular color that is not shown above. If a particular color is available, it often can be obtained on short notice and with little or no additional charge.

Interested in a custom color . . .

If you need to match a particular color, provide us with a sample of that color. We will work with our paint suppliers to provide a match – a match that you will get to review and approve before proceeding.

Custom color requests are handled on a case-by-case basis. Additional lead-times, surcharges and quantity minimums may apply.

FABRICS FOR CUSHION TOPS

Symmetry Office cushion tops may be ordered in any color from the CF Stinson© – New Hempstead collection of fabrics.

CUSTOMER-PROVIDED FABRICS

Customers may also supply their own fabric for use on cushion tops. Please see below for information regarding pricing, quantity requirements and mailing information.

Pricing:

In instances where a customer supplies its own fabric, Symmetry Office will apply a credit (price reduction) of \$5 net per unit for an order of 20 or more cushion top mobile pedestal files. In order to qualify for this credit, all 20+ cushion top mobile pedestal files must be ordered together on a single purchase order. No credit is available for orders of less than 20 units.

Yardage Requirements:

Product	Fabric Required/Unit (lineal yards)*	Minimum Fabric Required
18" Deep Pedestal File Cushion Top	0.39 Yards	1.0 Yard
22" Deep Pedestal File Cushion Top	0.44 Yards	1.0 Yard

* Assumes 54" or 66" fabric

Please round up to the nearest whole yard when providing fabric. For example, if providing fabric for four 22" deep pedestal file cushion tops, two full yards of fabric would be required (*i.e.*, 4 x 0.44 yards = 1.76 yards, rounded up to the nearest whole yard).

HOW TO ORDER

PEDESTAL FILES:

Sample Pedestal Part Number: **PWS27h18d-BBF-S-BU-X-P1-D2-H2-U**

Code: 1 1 1 22 22 -333 -4- 55- 6-77 -88 -99 -10

Code	Description
1	Base Part Number (<i>e.g.</i> , PWS stands for “Pedestal, Work Surface Supporting”)
2	Nominal Dimensions (height and depth)
3	Drawer Configuration (<i>e.g.</i> , BBF stands for box/box/file)
4	Pull Type (one character) – see page 27 for pull choices and codes
5	Paint Color (two or more characters) – see page 28 for paint color choices and codes
6	Full-Extension Slides on Box Drawers (Option/Upgrade) – enter “F” to substitute full-extension slides for $\frac{3}{4}$ -extension slides on pedestal box drawers. Enter X if this option is not desired. Price is \$8 list per box drawer. This option is not applicable for units with only file drawers, as file drawers come standard with full-extension slides. For such units, enter an X in this field.
7	Pencil Trays (Accessory) – enter P and the quantity of pencil trays desired. If no pencil trays are desired, enter P and then 0. For example, enter “P0” for no pencil trays, “P1” for one pencil tray, “P2” for two pencil trays, etc. Price is \$12 list per pencil tray.
8	Box Drawer Dividers (Accessory) – enter D and the quantity of dividers desired. If no dividers are desired, enter D and then 0. For example, enter “D0” for no dividers, “D1” for one divider, “D2” for two dividers, etc. Price is \$12 list per divider.
9	Hanging File Bars (Accessory) – enter H and the quantity of file bars (pairs) desired. If no file bars are desired, enter H and then 0. For example, enter “H0” for no file bars, “H1” for one pair of file bars, “H2” for two pairs of file bars, etc. Price is \$9 list per set of hanging file bars.
10	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

Not interested in any pedestal file upgrades or accessories . . .

Symmetry Office's part numbering system allows you to add factory-installed upgrades and accessories. In many instances, however, you may need a basic pedestal with nothing added. In those instances, just omit the options and accessory codes (*i.e.*, codes 6 through 9).

In all cases, please make sure to specify your choices for pull type (code 4), paint color (code 5) and lock (code 10), as your order cannot be processed without this information.

LATERAL FILES:Sample Lateral File Part Number: **OLF02h30w-S-BU-C-H0-U**

Code: 1 1 1 22 22 -3-44 - 5- 66 -7

Code	Description
1	Base Part Number (OLF stands for “Lateral File, Overlay Fronts”)
2	Number of Drawers and Nominal Width
3	Pull Type (one character) – see page 27 for pull choices and codes
4	Paint Color (two or more characters) – see page 28 for paint color choices and codes
5	Counterweight (Option) – enter C if this option is desired. Enter X if this option is not desired.
6	Hanging File Bars for Front-to-Back Filing (Option) – enter H and the quantity of file bars (sets) desired. If no file bars are desired, enter H and then 0. For example, enter “H0” for no file bar sets, “H1” for one file bar set, “H2” for two file bars sets, etc. One “set” will provide back-to-front filing for one drawer.
7	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

STORAGE CABINETS:Sample Storage Cabinet Part Number: **STC02h36w-A-BU-U**

Code: 1 1 1 22 33 -4 -55 -6

Code	Description
1	Base Part Number (STC stands for “Storage Cabinet”)
2	Height – Number of Drawers Equivalent (<i>e.g.</i> , a “02h” storage cabinet is the same height as a “02h” lateral file)
3	Nominal Width
4	Pull Type (one character) – see page 27 for pull choices and codes
5	Paint Color (two or more characters) – see page 28 for paint color choices and codes
6	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

BOOKCASES:Sample Bookcase Part Number: **BKC02h30w-BU**

Code: 1 1 1 22 33 -44

Code	Description
1	Base Part Number (BKC stands for “Bookcase”)
2	Height – Number of Drawers Equivalent (<i>e.g.</i> , a “02h” bookcase is the same height as a “02h” lateral file)
3	Nominal Width
4	Paint Color (two or more characters) – see page 28 for paint color choices and codes

OVERHEAD STORAGE CABINETS:Sample Overhead Storage Part Number: **OHS30w-WMT-BU-U**

Code: 1 1 1 22 - 333 -44 -5

Code	Description
1	Base Part Number (OHS stands for “Overhead Storage”)
2	Nominal Width
3	End Panel/Hanging Bracket Style (three characters)
4	Paint Color (two or more characters) – see page 28 for paint color choices and codes
5	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

FULL-HEIGHT & HALF-HEIGHT SHELVES:Sample Shelf Part Number: **FHS30w-HMA-BU**

Code: 1 1 1 22 - 333 -44

Code	Description
1	Base Part Number (FHS for “Full-Height Shelf” or HHS for “Half-Height Shelf”)
2	Nominal Width
3	End Panel/Hanging Bracket Style (three characters)
4	Paint Color (two or more characters) – see page 28 for paint color choices and codes

TOWERS:Sample Tower Part Number: **BTW04h15wRGT-BBF-S-PM-X-P0-D0-H0-U**

Code: 1 1 1 22 333 -44 -5 -66 -7 -88 -99 -10-11

Code	Description
1	Base Part Number (BTW stands for “Bookcase Tower”)
2	Height – Number of Drawers Equivalent
3	Location of Wardrobe, Cupboard Tower Hinge or Bookcase – see pages 20-22
4	Drawer Configuration (BBF or FF)
5	Pull Type (one character) – see page 27 for pull choices and codes
6	Paint Color (two or more characters) – see page 28 for paint color choices and codes
7	<p>Full-Extension Slides on Box Drawers (Option/Upgrade) – enter “F” to substitute full-extension slides for $\frac{3}{4}$-extension slides on pedestal box drawers. Enter X if this option is not desired. Price is \$8 list per box drawer.</p> <p>This option is not applicable for units with only file drawers, as file drawers come standard with full-extension slides. For such units, enter an X in this field.</p>

8	Pencil Trays (Accessory) – enter P and the quantity of pencil trays desired. If no pencil trays are desired, enter P and then 0. For example, enter “P0” for no pencil trays, “P1” for one pencil tray, “P2” for two pencil trays, etc. Price is \$12 list per pencil tray.
9	Box Drawer Dividers (Accessory) – enter D and the quantity of dividers desired. If no dividers are desired, enter D and then 0. For example, enter “D0” for no dividers, “D1” for one divider, “D2” for two dividers, etc. Price is \$12 list per divider.
10	Hanging File Bars (Accessory) – enter H and the quantity of file bars (pairs) desired. If no file bars are desired, enter H and then 0. For example, enter “H0” for no file bars, “H1” for one pair of file bars, “H2” for two pairs of file bars, etc. Price is \$9 list per set of hanging file bars.
11	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

VERTICAL FILES:Sample Vertical File Part Number: **VFL04h15w-4F-S-BU-U**

Code: 111 22 22 -33-4- 55 -6

Code	Description
1	Base Part Number (VFL stands for “Vertical File”)
2	Nominal Dimensions (height and width)
3	Number of File Drawers (<i>e.g.</i> , 4F stands for four drawers)
4	Pull Type (one character) – see page 27 for pull choices and codes
5	Paint Color (two or more characters) – see page 28 for paint color choices and codes
6	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

METAL CENTER DRAWERS:Sample Metal Center Drawer Part Number: **CENDRWMTL-BU-U**

Code: 1 1 1 -22- 3

Code	Description
1	Base Part Number
2	Paint Color (two or more characters) – see page 28 for paint color choices and codes
3	Lock – see page 25 for lock choices. A black UM lock will be used if no lock is specified.

Open Plan Filing & Storage

Open Plan Storage Cabinets - Overview

Symmetry Office's Open Plan cabinets provide a low-profile solution for the storage needs of collaborative work environments. Open Plan storage cabinets are constructed from prime-grade steel and meet or exceed ANSI-BIFMA standards for safety and reliability.

Open Plan cabinets are sold without a finished top. Rather, these cabinets are designed to be ganged together under a common laminate top (customer provided). For ease of installation, all Open Plan cabinets come standard with 3M™ Dual Lock™ re-closable fasteners, thus eliminating the need for pre-drilled work surfaces.

Open Plan cabinets are available in two leg styles: Square and Round.

Square Leg
textured silver finish

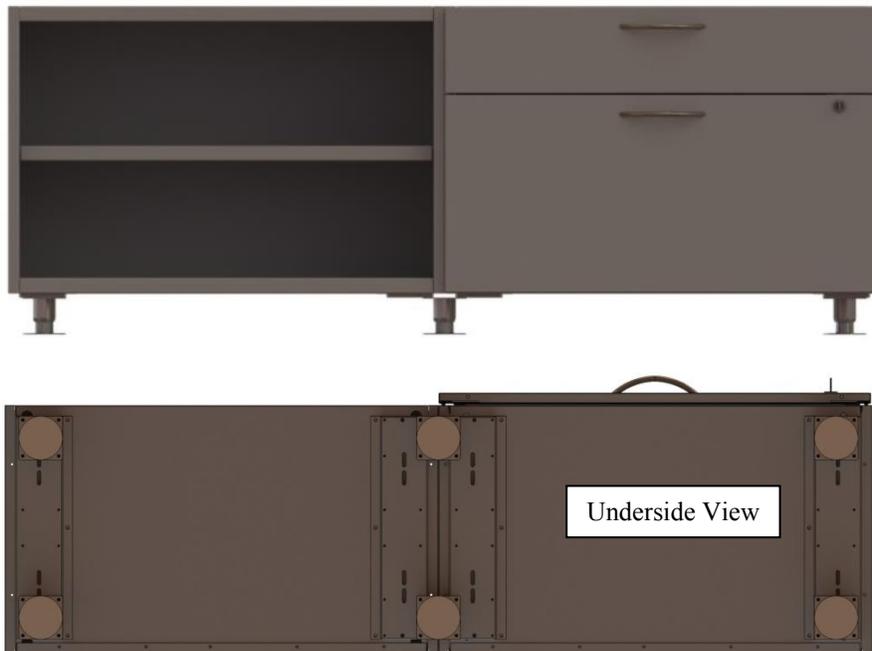

Round Leg
brushed stainless steel finish

To facilitate design flexibility, cabinets can be ordered in one of two ways:

- **Cabinets with Legs Included:** When ordered with legs included, each cabinet will ship with four legs (Square or Round), along with attachment screws. To minimize the risk of freight damage, these legs are packaged separately for field installation.

- **Cabinets Without Legs – Legs Ordered Separately:** Alternatively, cabinets and legs can be ordered separately. This is appropriate in instances where two common legs are used to gang two cabinets together, side by side, as illustrated in the pictures below. Ordering cabinets and legs separately is also a more cost-effective option for such instances. Please see below for instructions for ordering legs separately.

IMPORTANT: Open Plan cabinets are designed to be used with legs. Open Plan cabinets will not function properly if placed directly onto a floor without any supporting legs.

Lateral Files with Two Drawers

Square Legs

Product No.	H*	W	D	Pkg Wt	List Price
OPSQ-LAT30w	23	30	18	lbs	\$1197
OPSQ-LAT36w	23	36	18	lbs	\$1245
OPSQ-LAT42w	23	42	18	lbs	\$1316

* Height is for the cabinet and legs only and does not include a work surface

- Includes four square legs (shipped detached for field installation)
- Counterweights included for added stability
- Safety interlock allows only one drawer to be opened at a time
- Attaches to underside of work surface – work surface is not included
- Single lock secures both drawers
- Includes two file bars in the bottom drawer for side-to-side filing of letter, A4 or legal-sized file folders
- Leveling glides allow for 1” of adjustability

Round Legs

Product No.	H*	W	D	Pkg Wt	List Price
OPRD-LAT30w	23	30	18	lbs	\$1205
OPRD-LAT36w	23	36	18	lbs	\$1253
OPRD-LAT42w	23	42	18	lbs	\$1324

* Height is for the cabinet and legs only and does not include a work surface

- Includes four round legs (shipped detached for field installation)
- Counterweights included for added stability
- Safety interlock allows only one drawer to be opened at a time
- Attaches to underside of work surface – work surface is not included
- Single lock secures both drawers
- Includes two file bars in the bottom drawer for side-to-side filing of letter, A4 or legal-sized file folders
- Leg height is adjustable up to 1” (22-1/2” is fully-recessed height)

No Legs (Legs Ordered Separately)

Product No.	H	W	D	Pkg Wt	List Price
OP-LAT30w	20	30	18	lbs	\$1045
OP-LAT36w	20	36	18	lbs	\$1093
OP-LAT42w	20	42	18	lbs	\$1164

* Height is for the cabinet only and does not include legs or a work surface

- Order this unit when sourcing legs separately for ganging cabinets – see below for leg ordering instructions
- Counterweights included for added stability
- Safety interlock allows only one drawer to be opened at a time
- Attaches to underside of work surface – work surface is not included
- Single lock secures both drawers
- Includes two file bars in the bottom drawer for side-to-side filing of letter, A4 or legal-sized file folders

Bookcases

Square Legs

Product No.	H*	W	D	Pkg Wt	List Price
OPSQ-BK18w	23	18	17.125	lbs	\$817
OPSQ-BK24w	23	24	17.125	lbs	\$865

Pulls

Open Plan cabinets are available in five drawer pull styles: Arc, Twist, Droop, Rod or Long Rod. Please note that not all standard Symmetry Office pull styles are available on Open Plan cabinets.

Arc Pull (Code: A)
satin nickel finish

Twist Pull (Code: T)
satin nickel finish

Droop Pull (Code: D)
painted to match drawer front

Rod Pull (Code: O)
brushed nickel finish

Long Rod Pull (Code: L)
brushed nickel finish
(\$15 list price upcharge per drawer)

Cabinet Legs Ordered Separately

Square Legs

Product No.	List Price
OP-SQLEG3.0	\$38

- Legs are priced and sold individually
- Six legs are needed for two adjacent cabinets – four legs for the outside corners, and another two legs to gang the cabinets together
- Legs are made of 2” square tube and stand 3” tall with leveling glides fully recessed
- Leveling glides provide 1” of adjustability
- Standard finish is textured silver (powder coat paint); call for other color options

Round Legs

Product No.	List Price
OP-RDLEG2.5	\$40

- Legs are priced and sold individually
- Six legs are needed for two adjacent cabinets – four legs for the outside corners, and another two legs to gang the cabinets together
- Legs are made of stainless steel with a brushed finish
- Legs are adjustable between 2.5” and 3.5” in height

Desk Legs

Square Desk Leg

Product No.	List Price
OP-SQLEG27.625	\$124

- Leg is priced and sold individually
- Leg is made of 2" square tube and stand 27-5/8" tall with leveling glides fully recessed
- Leveling glide provides 1" of adjustability
- Standard finish is a textured silver (powder coat paint); call for other color options

Round Desk Leg

Product No.	List Price
OP-RDLEG27.75	\$130

- Leg is priced and sold individually
- Leg is made of steel with a brushed nickel finish
- Leg is adjustable in height between 27.25" and 28.25"

Accessories

Cushion Tops

- Cushion tops are 1” tall
- Cushions tops may be ordered in any fabric from the CF Stinson – New Hempstead collection.
- Symmetry Office also welcomes COM (customer’s own material) fabric orders.
- For easy attachment, cushion tops come standard with re-closable fasteners.
- Cushions may be used either on top of – or in lieu of – a work surface

Product No.	Pkg Wt	List Price

MASTER KEYS (\$15 list/each)

UMMASTKEY	UMMASTKEY	LLMASTKEY	Call	FRMASTKEY
-----------	-----------	-----------	------	-----------

Keyed-Alike Lock Cores for Field Installation

For ease of installation, products may be ordered “keyed-alike” at no extra charge. To order keyed-alike products:

- A. clearly mark “**PULL CORES**” in the description on your purchase order for any items you wish to have keyed-alike, and
- B. **order the lock core/ key sets as separate line items on your purchase order**, using the product codes on the prior page. (For more information and an example, see “Specifying Keyed-Alike Locks” below.) Symmetry Office will select key numbers to satisfy this request from the key number ranges noted above.

The keyed-alike lock core/key sets will be packaged separately and may ship separately from the order. For very small orders only, Symmetry Office may, at its discretion, build the units with the keyed-alike lock cores and keys.

There is no additional charge for key-alike requests, provided that (a) the key-alike request is made in conjunction with the original purchase order, and (b) the number of core/key sets ordered does not exceed the number of cabinets ordered. The list price for additional lock core/key sets is **\$15/set** for all lock types other than FR locks. For FR core/key sets, the list price is **\$25/set**.

Specifying Keyed-Alike Locks

Keyed-alike lock core/key sets can be specified as follows:

- A. Determine the number of keyed-alike locks in each workstation on the project.
- B. Group together the workstations with a like number of locks – for example, 10 workstations with 2 locks per station, 5 workstations with 3 locks per station and 1 workstation with 4 locks.
- C. For each grouping, enter the number of workstations in the quantity column of the purchase order, followed by the part number for the appropriate lock series. Then add a suffix to that product number for the quantity of keyed-alike locks in that group. For example, to order the lock groupings from Step B with black UM locks, the purchase order would read as follows:

Qty	Part #	Description	Price Per Unit	Extended Price
10	UMLKCORES 2	Set of 2 UM black keyed-alike cores/keys	no charge	no charge
5	UMLKCORES 3	Set of 3 UM black keyed-alike cores/keys	no charge	no charge
1	UMLKCORES 4	Set of 4 UM black keyed-alike cores/keys	no charge	no charge

Paint Colors

Industry Standard Colors:

Name	Code
HM Black Umber	BU
HM Dark Tone	DT
HM Innertone	HT
HM Innertone Light	HF
HM Just Tan	JT
HM Light Gray	HL
HM Light Tone	LT
HM Medium Tone	MT
HM Soft White	LU
SC Black	BK
SC Black Textured	BX
SC Fieldstone Textured	FS
SC Gray Value 1	GV
SC Platinum (Metallic)	PM
SC Smoke	SK
SC Tan Value 1	TV
SC Warm White	WW

Name	Code
HW Beige	BE
HW Browntone	BT
HW Charcoal	CH
HW Chalk	CK
HW Clay	CL
HW Graphite	GP
HW Greystone	GT
HW Platinum	HP
HW Putty	PY
HW Sand	SD
HW Smoke	SM
HW Stone	ST
HW Tan	TA
KN Folkstone Gray	FG
KN Lakeshore Gray	LG
KN Medium Gray	MG
KN Medium Gray Textured	MX
KN Sandstone	SS
KN Soft Gray	SG

Symmetry Office Colors:

Name	Code
MA Appliance White	AW
MA Beige	BG
MA Burgundy	BY
MA Deep Blue	DB
MA Green	GR
MA Ivory	IV
MA Light Almond	LA
MA Light Blue	LB
MA Matte Grey	MA
MA Off White	OW
MA Pac Black	PB
MA Platinum	PL
MA Sea Blue	SB
MA Dark Taupe	TD

To specify a color, add the applicable color code (two letters) as a suffix after the part number and pull type. For example, to choose HM Black Umber (color code “BU”) as the paint color for a 22” deep work-surface supporting pedestal (with a box/box/file drawer configuration and self-handled pulls), the product number would be PWS27h22d-BBF-S-**BU**-_____.

Didn’t see the color you need . . .

Symmetry Office has access to many industry favorites beyond the standard colors shown above. Please contact us if you are interested in a particular color that is not shown above. If a particular color is available, it often can be obtained on short notice and with little or no additional charge.

Interested in a custom color . . .

If you need to match a particular color, provide us with a sample of that color. We will work with our paint suppliers to provide a match – a match that you will get to review and approve before proceeding.

Custom color requests are handled on a case-by-case basis. Additional lead-times, surcharges and quantity minimums may apply.

How to Order

OPEN PLAN LATERAL FILES (OP-LAT & OP-BLF):

Sample Part Number: **OPSQ-LAT30w-S-BU-C-H0-U**
 Code: 1 1 1 1 111-22 -3-44 - 5- 66 -7

Code	Description
1	Cabinet and Leg Style (<i>e.g.</i> , OPSQ-LAT indicates that the unit is an “Open Plan” lateral file with square legs)
2	Nominal Width
3	Pull Type (one character) – see page 6 for pull choices and codes
4	Paint Color (two characters) – see page 13 for paint color choices and codes
5	Counterweight – C indicates that a counterweight is included. Counterweights are standard in Open Plan laterals.
6	Hanging File Bars for Front-to-Back Filing (Option) – enter H1 for one set of optional front-to-back filing bars for the bottom drawer. Enter “H0” for no file bar sets.
7	Lock – see page 11 for lock choices. A black UM lock will be used if no lock is specified.

OPEN PLAN BOOKCASES (OP-BK):

Sample Part Number: **OPRD-BK30w-BU**
 Code: 1 1 1 1 1 1-22 -33

Code	Description
1	Cabinet and Leg Style (<i>e.g.</i> , OPSQ-BK indicates that the unit is an “Open Plan” bookcase with square legs)
2	Nominal Width
3	Paint Color (two characters) – see page 13 for paint color choices and codes

SHIPPING

FOB Origin, 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150.) Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated.

SHIPPING

Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Freight is generally included in our pricing in the 48 contiguous states for orders over 15 units. Shipping outside of the 48 contiguous states will be the responsibility of the customer. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated. 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150 when a top, whiteboards/urban wall, filing or healthcare product is ordered) Ergo Tools and Power ship freight free.

DAMAGE/ CLAIMS

Symmetry Office verifies order quantity and weight with our carrier before any shipments are sent. When receiving an order, first confirm quantity of boxes delivered with carrier quantity and inspect boxes for signs of damage. Do not sign for the shipment until it is verified. In the event product damage or shortage is present, a description must be recorded on the freight bill. Do not sign the freight bill if shipment quantity differs, and note discrepancies. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to Symmetry Office that shipment was received in full. Should a damaged product be found upon opening the shipment, notify Symmetry Office immediately and retain all original products and packaging. Symmetry Office reserves the right to request return of damaged or defective products. Damage claims will not be accepted if received after three (3) days from date of delivery.

RETURNS

Approved returns may be returned to Symmetry Office for credit or replacement at Symmetry Office's discretion. Please call Customer Service at 888-552-5699 to obtain approval and a Return Authorization (RA) Number. The assigned RA number and RA documentation must appear on all returned packages. Restocks (returns without damage) must be approved on a case-by-case basis. If approved, a restocking fee of 25% (subject to change) will apply to all non-warranty returns. All items must be returned in undamaged, resellable condition and in original packaging and shipped at the customer's expense to:

Symmetry Office

ATTN: Returns

7818 Depot Lane

Tampa, FL 33637

Products must be returned within 10 days of receipt. Custom products (non-catalog and special order) will not be restocked under any conditions. Costs associated with installation, etc. of defective parts will not be reimbursed. After packages have been inspected and approved, your account will be credited appropriately or a replacement will be sent if requested. No credit will be issued for damaged or unauthorized product returns.

PAYMENT AND CREDIT TERMS

Terms are net 30 upon credit approval. Approval is based on completion and evaluation of the dealer application. Prior to account approval, payment must be made in full before the order will be shipped. In the event an account is past due, outstanding shipments could be affected until the past due monies are received. We reserve the right to refuse an order. Prepayment of 50% is required for orders over \$10,000 net.

PRICING

Although Symmetry Office publishes a price book, www.symmetryoffice.com will always be guaranteed to have the current list prices for all products. The website pricing always supersedes any circulated price books. Symmetry Office reserves the right to revise all prices and freight terms, at any time, without notice. Orders are accepted upon receipt of purchase order only. Faxed or emailed purchase orders are acceptable. All received purchase orders are considered firm and not subject to cancellation due to the typical quick shipping time.

WARRANTY

Symmetry Office provides a 10 year limited warranty on its tables certain exceptions that can be found on its website under "warranty" in the "support" section. The warranty is applicable to the initial purchaser only and is non-transferable. The warranty covers material and workmanship and is based on normal installation and use of products in a standard 8-hour shift. Warranties do not apply to damage in shipment caused by carriers and defects caused by improper installation, use, or conditions. Products that are modified or tampered with in any way by any person other than an authorized Symmetry Office Representative will not be covered under warranty. Costs (such as installation or labor fees) incurred due to replacement of products will not be covered under warranty. Normal wear and tear is not covered and repair or replacement is at Symmetry Office's discretion and will be decided based upon the terms above.

URBAN WALL

ROOM DIVIDER

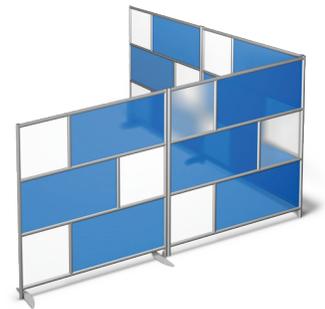

Divide your space with class

FEATURES

With a sleek, contemporary design, Symmetry Office Room Divider Walls divide your space with class. The Urban Wall comes in a wide range of sizes, configurations and core options making it fun and easy to create a custom configuration to fit the size and look of your current space. Use support feet for freestanding privacy, mobile feet for a portable wall or hinge several together to create a unique wall. Simple and easy to hinge together - The same connector, our Universal Hinge Kit, allows you to create a 2, 3 or 4-way connection and freely adjust the angle between connecting partitions.

- The frame is constructed using aluminum extrusion
- All metal parts are powder coated or Anodized for an aesthetic and durable finish
- Whiteboard and fabric cores are constructed using a solid, sound absorbing material to reduce noise levels
- Made in the USA
- Our Room Dividers are available in custom sizes, colors and core materials

VILLA WALL ROOM DIVIDER

Divide your space with class

FEATURES

Symmetry Office's Modular Panels are engineered to be light weight, durable and easy to install. These privacy screens come in a wide range of heights, widths and core options making it easy to create a custom configuration to fit the size and look of your current space. They are great for constructing cubicles, workstations or study carrels for libraries and call centers.

Add support feet or mobile feet for freestanding partitions or hinge several partitions together to create work stations or room dividers. Simple and easy to install - The same connector; our Universal Hinge Kit, allows you to create a 2, 3 or 4-way connection and freely adjust the angle between connecting partitions.

- The frame is constructed using aluminum extrusion
- All metal parts are powder coated for an aesthetic and durable finish
- Fabric cores are constructed using a solid, sound absorbing material to reduce noise levels
- Made in the USA
- Our Modular Panels are available in custom sizes, colors and core materials

Flip Chart Clip Set (Item # FCC)

Fits on all models
 An ideal accessory for adding a flip chart to any of our Office Partitions for presentations or meetings.
 Clear polycarbonate - 3" x 1.5"

\$38

Name Plate (Item # NP7)

Attaches to top of Office Partition frame
 Double sided
 Clear - 7" x 2.5"

\$69

Support Foot (Item # SMP-14)

Support feet are recommended for freestanding Office Partitions or straight runs.
 They also add stability to connected partitions.
 Metal construction with a durable powder coated finish
 Measures 14.5" x 3.25"

\$100

Mobile Foot (Item # SMPC)

Turn any of our office partitions into a portable partition by adding two of our mobile feet.
 Metal construction with a durable powder coated finish
 Measures 16.5" x 4.5" x 3"

\$100

Universal Hinge Kit Stationary Office Partitions (Item # HGEU)

Our Universal Hinge Kit can be used to create a 2-way, 3-way or 4-way connection.
 The hinge design allows the angle between the partitions to be freely adjusted.
 Metal construction with a durable powder coated finish

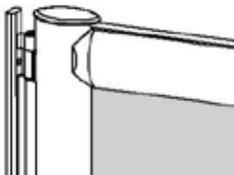

\$48

Universal Hinge Kit Mobile Office Partitions (Item # HGEUM)

Our Universal Hinge Kit can be used to create a 2-way, 3-way or 4-way connection.
 The hinge design allows the angle between the partitions to be freely adjusted.
 Metal construction with a durable powder coated finish

\$71

Wall Mount Hinge Kit

Wall Mount Hinges attach one side of your Office Partition to a wall.
 The hinge design provides 180 degree of adjustment allowing the partition to come off the wall at any angle.
 Match Wall Mount Hinge height to partition height when ordering.
 Metal construction with a durable powder coated finish

- 42" high partition (Item # HGEW-42)
- 48" high partition (Item # HGEW-48)
- 54" high partition (Item # HGEW-54)
- 62" high partition (Item # HGEW-62)
- 72" high partition (Item # HGEW-72)

BACK DESK DIVIDERS

FRAMED

Desk Dividers

FEATURES

Symmetry Office TableTop Desk Dividers are an easy and economical way to add privacy to existing workstations or for turning freestanding tables into custom cubicles, study carrels or call center stations. Our Desk Dividers come in a wide range of sizes and core options, making it easy to create a custom configuration to fit the size and look of your current space.

The TableTop Desk Dividers are engineered to be light weight, durable and easy to install with several mounting options. Symmetry Office Desk Dividers are made in the USA and custom sizes, colors, and core materials are available.

- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Clamp options fit tables from 5/8" to 2" thick
- The frames are constructed using aluminum extrusion
- Whiteboard and Fabric cores are constructed using a solid, sound absorbing Acoustic Panel material to reduce noise levels
- Add an Accessory Rail to organize and get the most out of your work space

Desk Dividers

FEATURES

Symmetry Office TableTop Desk Dividers are an easy and economical way to add privacy to existing workstations or for turning freestanding tables into custom cubicles, study carrels or call center stations. Our Desk Dividers come in a wide range of sizes and core options, making it easy to create a custom configuration to fit the size and look of your current space.

The TableTop Desk Dividers are engineered to be light weight, durable and easy to install with several mounting options. Symmetry Office Desk Dividers are made in the USA and custom sizes, colors, and core materials are available.

- All metal parts are anodized or powder coated for an aesthetic and durable finish
- Clamp options fit tables from 5/8" to 2" thick
- The frames are constructed using aluminum extrusion
- Whiteboard and Fabric cores are constructed using a solid, sound absorbing Acoustic Panel material to reduce noise levels
- Add an Accessory Rail to organize and get the most out of your work space

MOUNTING OPTIONS

Bolt Through (B)

- Cost Effective
- Clean Look
- Permanent Mounting (requires drilling in worksurface)
- Locate anywhere on the desk
- Not available on some large size desk dividers
- Works on all thickness tops

Bolt Through (B)

Middle Clamp (CM)

- Fast & easy installation and relocation
- Mount perpendicular to edge of work surface
- Clamp fits 5/8" to 2" thick tops
- Temporary or Permanent Mounting
- No screwing or drilling into worksurface required
- Only one clamp required to secure a desk divider

*Patent Pending

Middle Clamp (CM)

Edge Clamp (CE)

- Fast & easy installation and relocation
- Mount along the edge of work surface
- Clamp fits 5/8" to 2" thick tops
- Temporary or Permanent Mounting
- No screwing or drilling into worksurface required
- Clamp position is adjustable
- Kits include 2 or 3 Clamps depending on the size of the desk divider

*Patent Pending

Edge Clamp (CE)

Top Plates (T)

- Use for freestanding or permanent mounting
- Locate anywhere on the desk
- Works on all thickness tops
- Rotate Top Plates for single or double sided plates
- Top plate positions are adjustable
- Can be used to span two tables
- Kits include 2 or 3 Top Plates depending on the size of the desk divider

Top Plate Edge (T)

Top Plate Middle (T)

SHIPPING

Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Freight is generally included in our pricing in the 48 contiguous states for orders over 15 units. Shipping outside of the 48 contiguous states will be the responsibility of the customer. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated. 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150 when a top, whiteboards/urban wall, filing or healthcare product is ordered) Ergo Tools and Power ship freight free.

Sit to Stand Tables

Clarity offers you the ability to configure your work surface any way you want it...in a manner consistent with your budget.

Whether it is electric dual stage adjustment to meet BIFMA standards of 22" to 50", or a simple pin height adjustment to allow various height settings for multiple users, Clarity is the answer. Made in the USA and finished with 6 standard colors choices, there is no need to look elsewhere for your adjustable table needs.

- Bases support up to 250 lbs
- Built in anti pinch safety
- standard range of 25.9" to 45" with an optional ANSI BIFMA range of 22" to 50"
- UL listed
- Electric tables travel at 1 1/2" per second

Grommet Mount: TIDE-G LIST; \$890

Options

Dual Monitor Adaptor: TIDE-2 LIST: \$125

Writing Surface: TIDE-WS LIST; \$125

Tide was designed to help with the ebb and flow of the daily workcycle. It is perfect for both new and existing workstations and allows the user to transition from a seated position to standing up with locking height adjustment in an infinite number of height settings. Installation is simple and toolless with just one clamp to tighten, otherwise the unit comes fully assembled. The optional adjustable document holder lets you take your work with you when standing. A dual monitor adaptor also supports two monitors for your dual display. The max monitor width on the dual is 25 inches (each) with the total monitor weight not to exceed 16 lbs.

Specifications:

- TIDE has the largest range of motion available - from 5" below the work surface to approximately 16" above for a total of 21" of infinite height adjustability
- comes standard to support a single monitor with a dual monitor adapter option
- secure clamping to work surfaces from 3/4" to 1-1/2" thick
- 15 degree negative tilt adjustment single soft-touch knob control
- monitor tilts and can be installed at various heights independent of keyboard tray
- optional tilting writing surface available
- one touch release button for height adjustment with infinite locking height positions
- keyboard tray can be set flat or at a negative tilt
- non-marring non-skid work surface protection

ACCESSORIES

LLD-I locking laptop drawer

List: \$205

Protect your Laptop with the locking laptop drawer. The laptop has made your life easier by allowing you to take your computer wherever you go. But this level of portability comes with a price. Symmetry Office now offers an answer to the security concerns unique to laptop users.

FR-I adjustable footrest

List: \$90

The footrest promotes greater circulation in the legs while seated at your desk. It also helps people with chairs that don't adjust properly reach a supportive surface for the feet, eliminating pressure under the legs.

hide & slide

List: \$145

Hide-slide offers storage for your keyboard and mouse to keep your worksurface clear. Mouse surface is easily reconfigured from the right to the left hand side.

ACCESSORIES

BA-pencil drawer

List: \$91

Handy center drawer mounts underneath the work surface of a desk, bridge or credenza for accessible storage of pencils and more.

HMPD-half moon pencil drawer

List: \$78

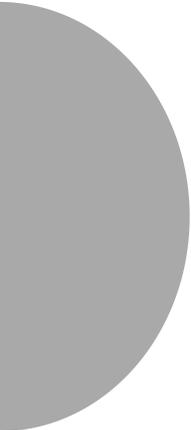

When space is an issue, the half moon pencil drawer fits the bill. It has compartments for pens, pencils and other small supplies in limited space applications.

LH-1-laptop holder with USB ports

List: \$90

Raise your laptop to the proper viewing height and eliminate hunching over to see your screen. Connect an external keyboard and mouse and you're in a much better ergonomic position than working on your laptop on the desk.

SHIPPING

Most orders ship within 3 weeks of receipt of Purchase Order. Please inspect all Packages upon delivery. All shortages and outward appearing shipping damages must be reported to Symmetry Office before acceptance of delivery. We are not responsible for shortages and outward appearing shipping damages occurring after delivery if they were not claimed to the freight company at the time of delivery. Freight is generally included in our pricing in the 48 contiguous states for orders over 15 units. Shipping outside of the 48 contiguous states will be the responsibility of the customer. Symmetry Office will ship "best way", without guaranteeing any delivery dates or times. Additional shipping charges will apply for expedited shipping services, re-routed deliveries, requested delivery days and times and any other situation which cause the shipper to charge Symmetry above and beyond the basic "best way". Requests such as "call before delivery" may not be accommodated. 5% of list under 5 units or 2.5% of list for 5-14 units (minimum of \$150 when a top, whiteboards/urban wall, filing or healthcare product is ordered) Ergo Tools and Power ship freight free.

DAMAGE/ CLAIMS

Symmetry Office verifies order quantity and weight with our carrier before any shipments are sent. When receiving an order, first confirm quantity of boxes delivered with carrier quantity and inspect boxes for signs of damage. Do not sign for the shipment until it is verified. In the event product damage or shortage is present, a description must be recorded on the freight bill. Do not sign the freight bill if shipment quantity differs, and note discrepancies. Signing a freight bill without any notation relieves the carrier of any responsibility and serves as your acknowledgment to Symmetry Office that shipment was received in full. Should a damaged product be found upon opening the shipment, notify Symmetry Office immediately and retain all original products and packaging. Symmetry Office reserves the right to request return of damaged or defective products. Damage claims will not be accepted if received after three (3) days from date of delivery.

RETURNS

Approved returns may be returned to Symmetry Office for credit or replacement at Symmetry Office's discretion. Please call Customer Service at 888-552-5699 to obtain approval and a Return Authorization (RA) Number. The assigned RA number and RA documentation must appear on all returned packages. Restocks (returns without damage) must be approved on a case-by-case basis. If approved, a restocking fee of 25% (subject to change) will apply to all non-warranty returns. All items must be returned in undamaged, resellable condition and in original packaging and shipped at the customer's expense to:

Symmetry Office

ATTN: Returns

7818 Depot Lane

Tampa, FL 33637

Products must be returned within 10 days of receipt. Custom products (non-catalog and special order) will not be restocked under any conditions. Costs associated with installation, etc. of defective parts will not be reimbursed. After packages have been inspected and approved, your account will be credited appropriately or a replacement will be sent if requested. No credit will be issued for damaged or unauthorized product returns.

PAYMENT AND CREDIT TERMS

Terms are net 30 upon credit approval. Approval is based on completion and evaluation of the dealer application. Prior to account approval, payment must be made in full before the order will be shipped. In the event an account is past due, outstanding shipments could be affected until the past due monies are received. We reserve the right to refuse an order. Prepayment of 50% is required for orders over \$10,000 net.

PRICING

Although Symmetry Office publishes a price book, www.symmetryoffice.com will always be guaranteed to have the current list prices for all products. The website pricing always supersedes any circulated price books. Symmetry Office reserves the right to revise all prices and freight terms, at any time, without notice. Orders are accepted upon receipt of purchase order only. Faxed or emailed purchase orders are acceptable. All received purchase orders are considered firm and not subject to cancellation due to the typical quick shipping time.

WARRANTY

Symmetry Office provides a 10 year limited warranty on its tables certain exceptions that can be found on its website under "warranty" in the "support" section. The warranty is applicable to the initial purchaser only and is non-transferable. The warranty covers material and workmanship and is based on normal installation and use of products in a standard 8-hour shift. Warranties do not apply to damage in shipment caused by carriers and defects caused by improper installation, use, or conditions. Products that are modified or tampered with in any way by any person other than an authorized Symmetry Office Representative will not be covered under warranty. Costs (such as installation or labor fees) incurred due to replacement of products will not be covered under warranty. Normal wear and tear is not covered and repair or replacement is at Symmetry Office's discretion and will be decided based upon the terms above.
