TERMS AND CONDITIONS

SHIPPING

Most NP products include shipping. All standard discount orders are F.O.B destination delivered by parcel or prepaid freight to commercial shipping points located within the forty-eight (48) contiguous United States, District of Columbia and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland. NP will designate the shipping mode and carrier based on geographical location and best service defined by our Logistics Department.

For orders shipping outside the forty-eight (48) contiguous United States, District of Columbia and within Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland, customer pays shipping from port of embarkation to destination and order will be shipped "best way". Customer will incur additional charges if they choose to specify a freight carrier.

Even though shipping is included on most domestic orders, in some cases accessorial charges may apply for specialized freight services beyond normal pick up, transport and delivery such as limited access, high security, re-consignment and unusual wait times. Consignee will be responsible for paying accessorial charges relating to their orders. The following list includes, but is not limited to, accessorial charges that will apply to domestic orders. Please contact Sales Support at customerservice@neutralposture.com for a quote.

FREIGHT DAMAGE

Upon receipt of shipment, check delivery for shortages or signs of damage. If a problem is discovered, bring it to the driver's attention immediately. If any of the goods called for on the Bill of Lading are shorted or damaged, consignees should not accept them until the carrier makes a notation on the freight bill of the shorted or damaged goods. The more precise the notation, the easier the claim can be resolved. NP's responsibility ceases when the consignee signs the freight delivery receipt as received in good condition. Shipping claims must be made within thirty (30) days of shipment delivery.

RETURNS

The return of product without written authorization by NP shall not be accepted. All merchandise returns must be pre-approved by the corporate office and sent freight prepaid. Contact the Warranty Department, warrantyrequest@neutralposture.com, to receive a Return Merchandise Authorization (RMA) number for any return. RMAs are valid for thirty (30) days and any returned merchandise without a RMA number will be refused.

No deductions from any NP invoices can be made for return merchandise until it is approved by the corporate office. No deductions will be honored until returned goods are processed through our Quality Control Audit.

All returns for cancelled orders must be pre-approved by the corporate office and sent freight prepaid. No returns will be authorized unless our inventory allows it, the parts are

in good reusable condition and it was sold within the last thirty (30) days. Authorized seating returns will be charged a thirty percent (30%) [twenty percent (20%) for GSA] restocking fee, by agreement, to cover handling, inspection, stocking and repackaging. Products not currently offered for sale by NP (including COM) shall not be authorized for return. All returned products must be unused, in original condition and in the original NP packing cartons. No refund or credit will be given for damaged products.

WARRANTY CLAIMS

Repair or replacement of defective parts under warranty will be made through NP at no cost to the customer, except for labor. Freight for products and parts covered under warranty will be covered for the forty-eight (48) contiguous states, the District of Columbia and Canada, excluding the Yukon, Northwest Territories, Nunavut and Newfoundland, with the method of shipping at NP's discretion. All claims must include the product serial number. NP will have no warranty obligation if the product was subjected to abuse, alteration, misuse, negligence or accident or if the user fails to perform the proper maintenance for the product.

CUSTOMER'S OWN MATERIAL

A customer who requests a fabric or other surface material not standard to NP's line of products (COM), must submit samples of the requested material to NP prior to entry of a customer order. NP will determine if the material is suitable to its manufacturing processes and products. The customer shall identify the COM to meet any applicable requirements of Underwriters Laboratories, CAL 117-2013, and/or Canadian Standards Association. If the COM is acceptable, NP will then establish a price for using the COM. For a description of the procedures for submitting samples and testing, contact Sales Support. NP shall have no responsibility for the appearance, condition, performance, durability, colorfastness or any other physical attribute of the COM. Customer shall indemnify and hold NP harmless for any damages, injuries or losses arising out of or related to use of the COM on the product.

DELAY/FORCE MAJEURE

Neutral Posture shall not be liable for failure to perform or for delay in performance due to fire, flood, strike or other labor difficulty, act of God, act of any governmental authority or of the customer, riot, embargo, fuel or energy shortage, wrecks or delay in transportation, inability to obtain necessary labor, materials or manufacturing facilities from usual sources or failure of suppliers to meet their contractual obligations, or due to any cause beyond its reasonable control. If any such event occurs, Neutral Posture may extend delivery dates by a period of time necessary to overcome the effect of such delay, allocate available product or cancel any purchase order.

COMPLIANCE WITH LAW

Customer is solely responsible for compliance with all applicable federal, state and local laws, ordinances, regulations, rules and standards relating to the installation, maintenance, use and operation of the products.

QUICK SHIP OVERVIEW

CERTIFICATION

Independent tests show that all NP chairs meet or exceed current ANSI/HFES 100-2007, ANSI/BIFMA and California 117 certification standards. Certain NP products meet California Technical Bulletin 133 and task intensive certification standards. All cylinders are rated Class 4 or better by UNI standards.

DESIGN

NP reserves the right to make changes and improvements in design and materials and to discontinue parts and components at their discretion.

This certification is administered by the Women's Business Enterprise National Council (WBENC) and is used by most large corporations to qualify potential vendors as credible diversity suppliers.

WOMAN OWNED SMALL BUSINESS (WOSB)

The U.S. Small Business Administration's WOSB Federal Contract Program provides greater access to federal contracting opportunities for WOSBs. The program allows contracting officers to set aside specific contracts for certified WOSBs and helps federal agencies achieve the existing statutory goal of five percent of federal contracting dollars being awarded to WOSBs. NP is certified as a WOSB by WBENC.

HISTORICALLY UNDERUTILIZED BUSINESS (HUB)

The Texas Historically Underutilized Business (HUB) program encourages the use of HUBs in state procurement and provides information to minority and woman-owned businesses on the state's procurement process.

BUSINESS AND INSTITUTIONAL FURNITURE

Although this testing does not serve as a warranty or guarantee, NP standard products within this price list meet or exceed applicable ANSI/BIFMA X5.1-2011, BIFMA G1-2001 and ANSI/HFES 100-2007 standards. Combinations of options added on to the standard products may not meet ANSI/ BIFMA standards. Those combinations which do not meet ANSI/BIFMA standards are not available on GSA. Additionally, most seating is BIFMA level 2 certified. For more information, contact Sales Support at customerservice@neutralposture.com.

SCS INDOOR ADVANTAGE CERTIFICATION

All NP seating products are certified by SCS Global Services for indoor air quality.

CUSTOM LOGOS

CLEANROOM TO CLASS 100

Independent testing according to Federal STD 209E (correlates to ISO-14644C Class 5) confirms NP Cleanroom seating meets or exceeds Class 100 requirements. NP Cleanroom models are designed to prevent particulates in Cleanroom environments. GSA Contract Overview

GSA CONTRACT

We have had a contract with GSA for over 20 years and they continue to be our most favored customer.

NP is dedicated to helping government agencies meet their facilities and acquisition needs. NP is registered with the System For Award Management (SAM) formerly Central Contractor Registry (CCR) with ORCA certifications, has an assigned cage code of OUTL8 and is eligible to receive federal contract awards. NP is also recognized as a Woman Owned Small Disadvantaged Business by the U.S. Small Business Administration (SBA).

WOMEN-OWNED SMALL BUSINESS (WOSB) / ECONOMICALLY DISADVANTAGED WOMEN-OWNED SMALL BUSINESS (EDWOSB)

The U. S. Small Business Administration (SBA) issued the Final Rule to amend its regulations governing small business contracting procedures. The SBA has increased the emphasis and awareness of contracting mandates regarding the new 5% spend mandate for WOSB/EDWOSB's similar to those in place for 8a, SDV and HUB Zone businesses.

The SBA has also implemented a Sole Source vehicle for Economically Disadvantaged Women-Owned Small Businesses (EDWOSB). Neutral Posture, a small business manufacturer, received this certification in April of 2016.

GRADED-IN AND COM UPHOLSTERY

Neutral Posture's furniture is manufactured to the highest standards. The unique nature of upholstery and the other materials that are used in production means that no two pieces of furniture will be exactly alike. Fabrics will upholster differently based on composition and construction. Neutral Posture makes every effort to ensure that each item is produced to our exacting standards, but cannot be held responsible for slight variations in upholstery, color and general appearance.

Our artisans are skilled in creating consistent finishes across all products and materials. However, the individual nature of the materials used in the construction of our furniture means that no two pieces of furniture are exactly alike. Similarly, the images in our publications are as accurate as your monitor is calibrated but customers are reminded that colors and finishes may vary according to the unique nature of each item of furniture.

Neutral Posture will not be responsible for variances in the sit and performance of a chair due to the fact that certain fabrics such as knits will perform differently than milled fabrics. Generally, knitted fabrics will create a softer sit and milled fabrics will provide a firmer sit.

For specific color matching requirements please contact the Sales Support Department. Please note: The Finish Codes used by Neutral Posture are used as a guide to the appearance of the furniture and should not be used to determine the specific materials used in the construction of an item of furniture.

The Neutral Posture Upholstery Department is pleased to offer a Graded-in program and also accepts C.O.M. for most products. For certain items or in cases of unusual or difficult fabric patterns additional material may be required. Any unusual or special cutting requirements must be requested in writing and a full-width fabric repeat sent to the Sales Support Department in order for a quotation to be provided. The customer is responsible for shipping C.O.M. to our Upholstery Department.
