CUSTOMER CARE 1-800-363-8954

For general information, replacement parts and special requests, please contact Customer Care.

SHIPPING

Under the Nightingale Delivered Program, Nightingale Corp. reserves the right to determine the carrier and method of shipping. Note that additional charges may apply for special handling and/or special requests.

Every effort is made to ensure sound and secure packaging, however Nightingale Corp.'s liability ends when the carrier issues a clear receipt to Nightingale Corp. that they received the product in good condition.

TERMS & CONDITIONS

All products must be inspected against the packing list and/or bill of lading to confirm product shipments and damages immediately upon delivery. Before signing as received, the box must be opened and the product removed from the box: the receiver must visually inspect the chair, sit in the chair, and test the control mechanism(s). Should the shipment arrive damaged or incomplete, have the carrier make a notation, signed and dated, on the delivery receipt and original freight bill prior to accepting shipment. This will help protect your right to claim damages against the carrier.

A Damage Claim must be filed with Nightingale Customer Care if a product is damaged in shipping: **Freight Damage is not a Warranty claim**, and is handled separately from Warranty claims, under separate terms. Nightingale Corp. will handle the Damage Claim, but the dealer must keep the product in a safe and protected location, unless otherwise instructed by Nightingale Corp. Nightingale Corp. reserves the right to determine how the Damage Claim will be resolved.

All shipping weights shown are approximate.

Note: Shipments made by common carrier are often referred to as LTL (Less than Trailer Load) shipments.

DELIVERED PROGRAM

All models are priced at **DELIVERED** pricing (**1 + CARTON, Dock to Dock only**).

Please note that if applicable, each chair model in this price list indicates the volume per chair for both fully assembled and KD (Knocked Down).

6200 D - KD (Knocked Down) – Vol. = 16 cu. ft.

The FOB Destination Freight Program is Dock to Dock shipping only. Additional charges for special handling other than straight “Dock to Dock” will be “prepaid and charge”.

CALIFORNIA FIRE CODE #133: OPTIONAL (SEE PRICING)

California Technical Bulletin 133 is a full scale fire performance test of a complete article of furniture. It requires that a complete

CA TB 133 (“CAL 133”) is recognized as a “state-of-the-art” fire performance standard for upholstered furniture entering high risk designations.
