Description

Cold patch is also referred to as stockpile patch. It is a non-heated mixture of liquid bituminous material and stone of various sizes and special ingredients that allow it to be easily handled for placement in potholes, but hardens when compacted in those same potholes.

SCOPE:

This supplemental award is intended to provide an opportunity for previously un-awarded vendors on the original Bituminous Concrete Cold Patch statewide award to submit lower pricing for award on items for which they had received award pending status (**AP**). Please refer to page 18, AWARD PENDING clause of the original award document for further explanation, if necessary.

NOTE:

All other terms and conditions of the original award apply to this supplemental award. We strongly advise all contract users to familiarize themselves with all terms and conditions before issuing a purchase order. Please attach this supplemental to your copy of the Contract Award Notification.
