CONTRACT PERIOD AND RENEWALS

The New York State Contract period shall be for the term as indicated on the Piggyback Agreement. Extensions or renewals to the Master Contract or any modification including new products, terms, or price changes to the Master Contract shall be submitted by the Contractor to the Office of General Services, Procurement Services Group for approval and shall be effective to the New York State Contract upon the date of issuance of a written notification to New York State contract users. If changes are not approved by OGS, either the contractor or OGS may terminate the New York State Contract upon 30 days notice. This provision does not affect the State's right of suspension or cancellation contained in the "Suspension of Work" and "Cancellation" clauses in Appendix B, OGS General Specifications.

Upon expiration of the Master Contract, Contractor may submit any subsequent replacement contracts entered into for the same or similar products with the same Issuing Entity to the Office of General Services, Procurement Services Group in order to establish a new contract.

In the event Contractor's Master Contract expires and no new contract is let by the original Issuing Entity, OGS reserves the right, upon written agreement with Contractor, to renew the New York State Contract under the same terms and conditions for an additional period of one year.

Should the Contractor and the same Issuing Entity enter into a replacement contract prior to the expiration of the New York State Contract (including any renewals processed by New York State), either OGS or the Contractor may terminate the New York State Contract upon 30 days written notice.

PRICE CHANGE PROCEDURE (AFTER EXPIRATION OF MASTER CONTRACT)

Should the Master Contract expire and not be extended or renewed prior to the expiration of the New York State Contract (including any renewals processed by New York State), and providing the Master contract referenced uniform discount(s) from nationally distributed price list(s), the contract prices may be subject to increase or decrease during the remainder of the contract period in accordance with changes which may be made by the manufacturer in their established, nationally distributed price list or published catalog. Catalog or price lists may indicate increases or decreases in pricing, but the percentage discount(s) in effect at the time of Master Contract expiration shall not be decreased.

In the event the Master Contract did not reference uniform discount(s) from nationally distributed price list(s), updated price lists may be submitted for acceptance providing the discount structure used as a basis for pricing which was in effect at the time of Master Contract expiration remains unaltered. This evidence must be supplied by the Contractor along with the updated price lists.

New products will be considered for inclusion provided they are pertinent to the contract and are offered to the State at the same discount, terms and conditions as the Master Contract.

The price revisions, new lists or supplements to an original list shall be submitted to the Office of General Services, Procurement Services Group, to the attention of the Purchasing Officer shown on the front of this document, in triplicate, for approval before ordering agencies will be bound to any such revisions. Approvals of price revisions shall become effective upon the date of issuance of a written notification to New York State contract users.

Purchases of the products included in the Piggyback Agreement and related Contract Award Notification are subject to the "OGS or Less" provisions of Section 163.3.a.v., Article XI, of the New York State Finance Law. This means that State agencies can purchase products from sources other than the contractor provided that such products are substantially similar in form, function or utility to the products herein and are:

1. lower in price
-and/or-
2. available under terms which are more economically efficient to the State agency (e.g. delivery terms, warranty terms, etc.).

Agencies are reminded that they must provide the State contractor an opportunity to match the non-contract savings at least two business days prior to purchase. In addition, purchases made under "OGS or Less" flexibility must meet all requirements of law including, but not limited to, advertising in the New York State Contract Reporter, prior approval of the Comptroller's Office and competitive bidding of requirements exceeding the discretionary bid limit. State agencies should refer to Procurement Council Bulletin "OGS or Less Purchases" for complete procedural and reporting requirements.

OVERLAPPING CONTRACT ITEMS:

Products available in this contract may also be available from other State contracts. Agencies should select the most cost effective procurement alternative that meets their program requirements and maintain a procurement record documenting the basis for this selection.

PAYMENTS OF INTEREST

See "Interest on Late Payments" in Appendix B, OGS General Specifications. The Federal Prompt Payment Law (or any other law governing payment terms incorporated in the Master Contract) does not apply to the New York State Contract regardless of customer.
