

Award 22699

| Lot & Item Number | *Contractor | Item Description | Manufacturer Catalog Reference Number | Awarded Unit Price | Unit Size | Statewide Estimated Quantity/Units | Manufacturer Name |
|-------------------|------------------------|---|---------------------------------------|--------------------|-----------|------------------------------------|-------------------|
| Lot I - Item 1 | No Award for this Item | | | | | | |
| Lot I - Item 2 | No Award for this Item | | | | | | |
| Lot I - Item 3 | No Award for this Item | | | | | | |
| Lot I - Item 4 | Intoximeters, Inc. | DATA MASTER with Keyboard, large display and wet bath/dry gas compatability - DMT | 50-0140-00 | \$ 7,025.00 | 1/unit | 300/units | Intoximeters |
| Lot I - Item 5 | No Award for this Item | | | | | | |
| Lot I - Item 6 | No Award for this Item | | | | | | |
| Lot I - Item 7 | No Award for this Item | | | | | | |
| Lot I - Item 8 | CMI, Inc. | Intoxilyzer 8000 | I-8000 | \$ 6,625.00 | 1/unit | 50/units | CMI |
| Lot I - Item 9 | Intoximeters, Inc. | Alco-Sensor III | 12-0210-00 | \$ 309.00 | 1/unit | 75/units | Intoximeters |
| Lot I - Item 10 | Intoximeters, Inc. | Screeener AS/FST | 40-0010-00 | \$ 329.00 | 1/unit | 75/units | Intoximeters |
| Lot I - Item 11 | Intoximeters, Inc. | Screeener AS IV | 13-0360-10 | \$ 650.00 | 1/unit | 75/units | Intoximeters |
| Lot I - Item 12 | No Award for this Item | | | | | | |
| Lot I - Item 13 | No Award for this Item | | | | | | |
| Lot I - Item 14 | CMI, Inc. | Intoxilyzer Screeener S-D2 | S-D2 | \$ 330.00 | 1/unit | 75/units | CMI |
| Lot I - Item 15 | CMI, Inc. | Intoxilyzer Screeener S-D5 | S-D5 | \$ 299.00 | 1/unit | 75/units | CMI |
| Lot I - Item 16 | No Award for this Item | | | | | | |
| Lot I - Item 17 | No Award for this Item | | | | | | |
| Lot I - Item 18 | Guth Laboratories Inc. | Simulator Guth Model 34C | AS-3410-MT | \$ 795.60 | 200/units | 75/units | Guth |
| Lot I - Item 19 | Guth Laboratories Inc. | Simulator Guth Model 10-4 | AS-1104-MT | \$ 580.50 | 200/units | 75/units | Guth |
| Lot I - Item 20 | Guth Laboratories Inc. | Simulator Guth Model 2100 | AS-2110-DR | \$ 949.50 | 200/units | 75/units | Guth |
| Lot I - Item 21 | Guth Laboratories Inc. | Simulator Guth Model 12V500 | AS-12V5-DP | \$ 855.00 | 200/units | 5/units | Guth |
| Lot I - Item 22 | No Award for this Item | | | | | | |
| Lot I - Item 23 | No Award for this Item | | | | | | |
| Lot II - Item 24 | Intoximeters, Inc. | Mouthpiece, One Piece, Solid Clear Plastic, with air inlet and outlet. Design must limit the transfer of moisture from breath sample to instrument. Free from Foreign Matter or Manufacturing Particles, Suitably Baffled and is individually wrapped. Air outlet must be compatible for use with Data Master, DMT, Draeger 7110 MK III-C and 9510. | 23-0010-00 | \$ 0.17 | 200/units | 100,000/units | Intoximeters |

Award 22699

| Lot & Item Number | *Contractor | Item Description | Manufacturer Catalog Reference Number | Awarded Unit Price | Unit Size | Statewide Estimated Quantity/Units | Manufacturer Name |
|-------------------|--------------------|---|---------------------------------------|--------------------|-----------|------------------------------------|-------------------|
| Lot II - Item 25 | Intoximeters, Inc. | Mouthpiece - Opened end, cylindrical tube of uniform diameter, with an air tap opening along its length for sample air passage into instrument. Free from foreign matter or manufacturing particles, and is individually wrapped. Design must allow for adequate sampling and air outlet must be compatible for use with Alco-Sensor and Alco-Sensor III. | 23-0040-00 | \$ 0.14 | 200/units | 20,000/units | Intoximeters |
| Lot II - Item 26 | Intoximeters, Inc. | Mouthpiece (Restricted) - Open ended, cylindrical tube of uniform diameter, fully opened at one end and partially opened at the opposite end to restrict airflow, with an air tap along its length for sample passage into instrument. Unit is free from foreign matter or manufacturing particles, and is individually wrapped. Air tap must be compatible for use with Alco-Sensor and Alco-Sensor III. | 23-0050-01 | \$ 0.14 | 200/units | 20,000/units | Intoximeters |
| Lot II - Item 27 | Intoximeters, Inc. | Mouthpiece - Plastic tube containing a check valve to allow air flow in on direction only. Units is free from foreign materials or manufacturing parties, and is individually wrapped. Design must allow for adequate breath sampling, and air outlet must be compatible for use with Alco Sensor IV. | 23-0000-00 | \$ 0.17 | 200/units | 20,000/units | Intoximeters |
| Lot II - Item 28 | Intoximeters, Inc. | Mouthpiece - Cylindrical, plastic tube. Design must allow for adequate breath sampling. Unit is free from foreign material and manufacturing particles, and is individually wrapped. Must contain air tap for sample air passage into instrument. Air tap must be compatible for use with Alco-Sensor FST | 23-0120-00 | \$ 0.16 | 200/units | 20,000/units | Intoximeters |
