HOW TO USE THE CONTRACTS:

for their current and anticipated program needs. The authorized user should be familiar with and follow the terms and conditions governing its use which appear in the contract document. Also, in recognition of market fluctuations over time, authorized users are encouraged to seek improved pricing whenever possible.

being purchased has been determined to be the most cost effective for current and future needs. Upon selecting the vehicle that best meets your needs, contract users should document the selection. A procurement record should include:

- a statement of need and associated requirements,
- a summary of the contract alternatives considered for the purchase, contracts at the time of purchase was the most practical and economical alternative and was in the best interests of the State).

price lists are available from Contractors in either hard-copy or electronic format. If available in both formats, they shall be furnished in the format preferred by the requesting Authorized User. When necessary, the Contractor shall assist Authorized Users in the use of catalogs and nationally published price lists. Upon determining the options needed, please refer to the Vehicle tab for the applicable option discount. Apply that discount to the price of any option ordered. Your purchase order must include the part name, number, manufacturer's suggested retail price

IMPORTANT NOTE Regarding the Purchase of Ford Police Vehicles

Purchase Incentive of a 5yr/100K mile ESP Powertrain CARE coverage (CARE coverage) at the cost of seven hundred and fifty (750) dollars. **At time of purchase Authorized Users can decline the CARE coverage and reduce the purchase price by the amount seven hundred and fifty (750) dollars, being the cost of the CARE coverage. Please indicate your choice to either accept or decline the CARE Coverage on your purchase**

purchase order, whether it was submitted by mail, electronically or by fax. This is to insure that the contractor received and placed your order.

discounted option pricing was used. If itemized pricing is not included in your invoice, please contact the PSG Associate listed on the face of this Award. The authorized user is accountable and responsible for compliance with the requirements of public procurement processes.

Management in order to facilitate the issuance of an OGS-Issued State identification number. Each vehicle on the purchase order must also identify if the agency is obtaining state or street plates. Purchase orders can be faxed, e-mailed, or mailed to:
