We also Partner with OGS's *Interagency Mail and Intercity Courier Service (IMICS)* where we provide printing and copying services and IMICS provides a wide range of mailing services. This provides seamless one-stop shopping for those customers who are looking to consolidate printing and mailing needs. For detailed information on the services IMICS offers you may call Jim Cerrone at 518.402.5750.

"What an excellent job you did on the Driver Improvement Study Packets. Your guidance, knowledge, and professionalism certainly made my job incredibly easier. Plus the fact you got it done so quickly for us was really great."

"Your creative partner for professional printing, photocopying, and design"

Eliot Spitzer, Governor

The OGS Central Printing plant is designed to be a full-service printing, photocopying, and design center solely to serve state entities.

Our staff will assist and guide you on how to make your job both attractive and cost-effective.

We have two convenient locations. Our Quick Copy Center operations are located at the Empire State Plaza to serve numerous agencies on demand. Our Offset Press operations and warehouse are located at Building 18 of the State Office Campus.

Why you should use us for all your printing and copying needs

- Simplified ordering process
- No purchase order or requisitions required
- Billing handled via journal voucher
- New state-of-the-art high speed copying equipment
- Full-color copying using new Fiery technology
- Graphic art and design services available
- Variable Information Printing available
- All types of printing from forms to booklets
- Numerous finishing services
- Quick turnaround
- Statewide delivery
- Expert staff to walk you through

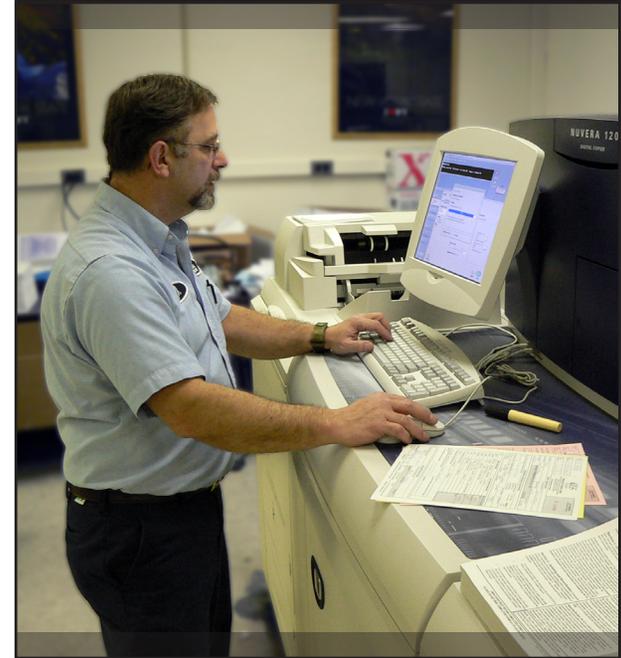

Why you should use us for your outside vendor printing needs

- You submit a print order; we do the rest
- We do the purchase order
- We have 24 hour turnaround time for purchase order approval
- \$10,000 dollar threshold before bidding is required for non-contract services
- Our book and copy contracts allow for purchases in excess of \$10,000 dollars
- We bill back through an easy journal voucher process
- Substantial price reductions offered

Let our experienced staff do the work and save you time, trouble, and money!

EQUIPMENT

We use some of the latest technologies to insure our competitive edge. Some of our latest additions include new copy center equipment from Xerox for high capacity printing in both full color and black and white using new **Fiery** technology.

OGS Central Printing also utilizes some of the most dependable equipment for full offset press operations allowing for super high volume and NCR work. Either way, OGS Central Printing and Copy Center is prepared to meet the changing demands of the 21st century.
